Unless stated otherwise, the financial data used in this Shelf Prospectus is derived from our Company’s audited financial statements as at and for the year ended March 31, 2018, March 31, 2017, March 31, 2016, March 31, 2015 and March 31, 2014 prepared in accordance with Indian GAAP, applicable standards and guidance notes specified by the Institute of Chartered Accountants of India, applicable accounting standards prescribed by the Institute of Chartered Accountants of India, Companies Act and other applicable statutory and / or regulatory requirements.

Unless stated otherwise, the financial data used in this Shelf Prospectus as at and for the half year ended September 30, 2018 prepared in accordance with Ind AS, applicable standards and guidance notes specified by the Institute of Chartered Accountants of India, applicable accounting standards prescribed by the Institute of Chartered Accountants of India, Companies Act and other applicable statutory and / or regulatory requirements.

Any discrepancies in the tables included herein between the amounts listed and the totals thereof are due to rounding off.

Unless stated otherwise, macroeconomic and industry data used throughout this Shelf Prospectus has been obtained from publications prepared by providers of industry information, government sources and multilateral institutions. Such publications generally state that the information contained therein has been obtained from sources believed to be reliable but that their accuracy and completeness are not guaranteed and their reliability cannot be assured. Although the Issuer believes that industry data used in this Shelf Prospectus is reliable, it has not been independently verified. Further, the extent to which the market and industry data presented in this Self Prospectus is meaningful depends on the readers’ familiarity with and understanding of methodologies used in compiling such data.

The extent to which the market and industry data used in this Shelf Prospectus is meaningful depends on the reader’s familiarity with and understanding of the methodologies used in compiling such data. The methodologies and assumptions may vary widely among different industry sources. There are no standard data gathering methodologies in the industry in which we conduct our business, and methodologies and assumptions may vary widely among different industry sources. We have relied on the CRISIL Industry Report for industry related data that has been disclosed in this Shelf Prospectus. Accordingly, no investment decision should be made solely on the basis of such information. Such data involves risks, uncertainties and numerous assumptions and is subject to

change based on various factors, including those disclosed in ***“Internal Risk Factor no. 47 – We have relied on third party industry reports which have been used for industry related data in this Shelf Prospectus and such data have not been independently verified by us”*** on page no. 34 of this Shelf Prospectus.

While we have compiled, extracted and reproduced data from external sources, including third parties, trade, industry or general publications, we accept responsibility for accurately reproducing such data. However, neither we nor the Lead Managers have independently verified this data and neither we nor the Lead Managers make any representation regarding the accuracy of such data. In this Shelf Prospectus, any discrepancy in any table between total and the sum of the amounts listed are due to rounding off.

FORWARD-LOOKING STATEMENTS

Certain statements contained in this Shelf Prospectus that are not statements of historical fact constitute “forward-looking statements”. Investors can generally identify forward-looking statements by terminology such as “aim”, “anticipate”, “believe”, “continue”, “could”, “estimate”, “expect”, “intend”, “may”, “objective”, “plan”, “potential”, “project”, “pursue”, “shall”, “seek”, “should”, “will”, “would”, or other words or phrases of similar import. Similarly, statements that describe our strategies, objectives, plans or goals are also forward-looking statements. All statements regarding our expected financial conditions, results of operations, business plans and prospects are forward-looking statements. These forward-looking statements include statements as to our business strategy, revenue and profitability, new business and other matters discussed in this Shelf Prospectus that are not historical facts. All statements contained in this Shelf Prospectus that are not statements of historical fact constitute “forward-looking statements” and are not forecasts or projections relating to our Company’s financial performance. All forward-looking statements are subject to risks, uncertainties and assumptions about us that could cause actual results to differ materially from those contemplated by the relevant forward-looking statement. Important factors that could cause actual results to differ materially from our expectations include, among others:

- our ability to manage our credit quality;
- interest rates and inflation in India;
- volatility in interest rates for our lending and investment operations as well as the rates at which our Company borrows from banks/financial institution;
- general, political, economic, social and business conditions in Indian and other global markets;
- our ability to successfully implement our strategy, growth and expansion plans;
- competition from our existing as well as new competitors;
- change in the government regulations;
- availability of adequate debt and equity financing at commercially acceptable terms;
- performance of the Indian debt and equity markets;
- demand for our products and services;
- performance of the new and pre-owned vehicles industry;
- OEM and employee relationships;
- our ability to comply with certain specific conditions prescribed by the GoI in relation to our business changes in laws and regulations applicable to companies in India, including foreign exchange control regulations in India; and
- other factors discussed in this Shelf Prospectus, including under the section titled “*Risk Factors*” on page 18 of this Shelf Prospectus.

Additional factors that could cause actual results, performance or achievements to differ materially include, but are not limited to, those discussed in the section titled “*Our Business*” and “*Outstanding Litigations and Defaults*” on pages 88 and 176 respectively of this Shelf Prospectus. The forward-looking statements contained in this Shelf Prospectus are based on the beliefs of management, as well as the assumptions made by, and information currently available to management. Although our Company believes that the expectations reflected in such forward-looking statements are reasonable as of the date of this Shelf Prospectus, our Company cannot assure investors that such expectations will prove to be correct. Given these uncertainties, investors are cautioned not to place undue reliance on such forward-looking statements. If any of these risks and uncertainties materialize, or if any of our underlying assumptions prove to be incorrect, our actual results of operations or financial condition could differ materially from that described herein as anticipated, believed, estimated or expected. All subsequent forward-looking statements attributable to us are expressly qualified in their entirety by reference to these cautionary statements.

Neither our Company, its Directors and its officers, nor any of their respective affiliates or associates, Lead Managers nor any of its Directors and its officers have any obligation to update or otherwise revise any statements reflecting circumstances arising after the date hereof or to reflect the occurrence of underlying events, even if the underlying assumptions do not come to fruition. In accordance with the SEBI Debt Regulations, our Company, the Lead Managers will ensure that investors in India are informed of material developments between the date of filing the Shelf Prospectus with the ROC and the date of the Allotment.

SECTION II-RISK FACTORS

Prospective investors should carefully consider all the information in this Shelf Prospectus, including the risks and uncertainties described below, and under the section titled “Our Business” on page 88 and under “Financial Statements” on page 145 of this Shelf Prospectus respectively, before making an investment in the NCDs. The risks and uncertainties described in this section are not the only risks that we currently face. Additional risks and uncertainties not known to us or that we currently believe to be immaterial may also have an adverse effect on our business prospects, results of operations and financial condition. If any of the following or any other risks actually occur, our business prospects, results of operations and financial condition could be adversely affected and the price of and the value of your investment in the NCDs could decline and you may lose all or part of your redemption amounts and/ or interest amounts. Additional risks and uncertainties not presently known to us or that we currently believe to be immaterial may also adversely affect our business, financial condition, results of operations and cash flows. The order of the risk factors appearing hereunder is intended to facilitate ease of reading and reference and does not in any manner indicate the importance of one risk factor over another. Unless the context requires otherwise, the risk factors described below apply to us / our operations only.

The financial and other related implications of risks concerned, wherever quantifiable, have been disclosed below. However, there are certain risk factors where the effect is not quantifiable and hence has not been disclosed in the below risk factors. The numbering of risk factors has been done to facilitate ease of reading and reference, and does not in any manner indicate the importance of one risk factor over another. Unless the context requires otherwise, the risk factors described below apply to us / our operations only. You must rely on your own examination of our Company and this Issue, including the risks and uncertainties involved. All the financial information included in this section is as per Reformatted Financial Information as prepared under Indian GAAP.

In this section, unless the context otherwise requires, a reference to “our Company”, is a reference to Mahindra & Mahindra Financial Services Limited on a standalone basis and references to “we”, “us”, and “our” are to our Company, Subsidiaries and Joint Venture on consolidated basis. Unless otherwise specifically stated in this section, financial information included in this section have been derived from our Reformatted Financial Information and Limited Review Financial Results.

INTERNAL RISKS

1. Any disruption in our sources of funding could adversely affect our liquidity and financial condition.

The liquidity and profitability of our business depend, in large part, on our timely access to, and the costs associated with, raising funds. Our funding requirements historically have been met from various sources, including shareholder funding, securitized and assigned receivables, secured and unsecured loans, including rupee-denominated term loans and cash credit facilities from banks and financial institutions, secured and unsecured non-convertible debentures, unsecured subordinated bonds, commercial paper, fixed deposits and inter-corporate deposits. For further details, see “**Financial Indebtedness**” on page 150. Our business thus depends and will continue to depend on our ability to access a variety of funding sources. Our ability to raise funds on acceptable terms and at competitive rates depends on various factors including our current and future results of operations and financial condition, our risk management policies, the shareholding of our Promoter in our Company, our credit ratings, our brand equity, the regulatory environment and policy initiatives in India and developments in the international markets affecting the Indian economy. For example, recent regulatory developments have affected NBFCs’ access to select funding sources and have affected their costs of borrowings including through funding from banks and securitization and assignment transactions. See “*Risk Factor - Priority sector lending requirements adhered to by scheduled commercial banks may increase our cost of funding and adversely affect our business, results of operations and financial condition.*”. Changes in economic, regulatory and financial conditions or any lack of liquidity in the market could adversely affect our ability to access funds at competitive rates, which could adversely affect our liquidity and financial condition.

2. Any adverse developments in the industries we operate in, including the new and pre-owned vehicle financing industry could adversely affect our business and results of operations.

The Company is primarily engaged in providing financing for new auto and utility vehicles, tractors, cars and

commercial vehicles, and for pre-owned vehicles to customers in rural and semi-urban markets. For half-year ended September 30, 2018 and the financial years 2018, 2017 and 2016, the estimated total value of assets financed by our Company was ₹ 21,19,430 lakhs, ₹ 37,77,290 lakhs, ₹ 31,65,914 lakhs and ₹ 26,70,632 lakhs, respectively, our Company's revenue from operations was ₹4,02,910.59 lakhs, ₹7,14,710.23 lakhs, ₹6,17,391.06 lakhs and ₹5,85,316.11 lakhs, respectively and total profit after tax for the period was ₹ 65,044.36 lakhs, ₹ 89,188.43 lakhs, ₹40,023.49 lakhs and ₹ 67,259.60 lakhs, respectively. Our subsidiaries MRHFL, MIBL and MAMCPL operate in the housing finance, insurance distribution and asset management industries, respectively. Our asset portfolios include, and will likely continue to include, a high concentration of financing arrangements for vehicles in rural and semi-urban markets. The success of our business thus depends on various factors that affect demand for such vehicles, including the demand for transportation services in India, the housing and the insurance market in India, changes in Indian regulations and policies affecting utility vehicles, tractors, commercial vehicles and cars, natural disasters, calamities, fuel prices and other macroeconomic conditions in India and globally. Moreover, demand for such vehicles from our customers who are individuals or small enterprises that typically have less financial wherewithal than corporate borrowers or fleet owners or demand for rural housing, is more likely to be adversely affected by these factors. This may result in a decline in the sales or value of new and pre-owned vehicles. Such factors may also affect the business of our customers, which in turn will affect their ability to perform their obligations under the existing financing agreements. Any decline in sales of, or in demand for financing for, utility vehicles, tractors, cars or commercial vehicles or non-performance of the existing financing agreements could adversely affect our business and results of operations.

3. *Our inability to compete effectively in an increasingly competitive industry may adversely affect our net interest margins, income and market share.*

We provide loans primarily to customers residing in rural and semi-urban markets. Our primary competitors have been private unorganized lenders who typically operate in rural and semi-urban markets and, increasingly, banks and NBFCs who have entered these markets. In addition to these private unorganized lenders, due to the significant growth in vehicle financing, we have recently begun to face competition from banks, NBFCs and housing finance companies, some of which may have superior technology, more resources, access to cheaper funding, have expanded their reach to rural and semi-urban markets and may have a better understanding of and relationships with customers in these markets. In addition, interest rate deregulation and other liberalization measures affecting the vehicle financing sector, together with increased demand for capital, have resulted in increased competition.

Our ability to compete effectively will depend, in part, on our ability to maintain or increase our margins. Our margins are affected in part by our ability to continue to secure low-cost funding, and the interest rates at which we lend to our customers. Our ability to secure low-cost funding has been impacted significantly by recent regulatory developments. Please refer to this "**Risk Factors**" chapter for further details and specifics impacting our ability to compete effectively. In light of this pressure, our ability to maintain or increase our margins will be dependent on our ability to pass on increases in the interest rates on our interest-bearing liabilities to our customers. Moreover, any increases in the interest rates on the loans we extend may also result in a decrease in business.

We cannot assure you that we will be able to react effectively to these or other market developments or compete effectively with new and existing players in the increasingly competitive vehicle finance industry. Increasing competition may adversely affect our net interest margins, income and market share.

4. *The risk of non-payment or default by borrowers may adversely affect our financial condition and results of operations.*

We are one of the leading NBFCs in the rural and semi-urban markets of India and cater primarily to customers without formal credit histories and which typically have less financial wherewithal and may be particularly susceptible to adverse economic conditions. As of September 30, 2018, our total loan assets were ₹ 55,48,158.27 lakhs and we expect that the size of our loan assets will grow as a result of our expansion strategy in existing as well as new products, which will expose us to an increased risk of defaults. This may also increase our NPAs. Our Company's Gross NPAs were ₹ 4,04,229.92 lakhs, or 7.4% of our total assets as of March 31, 2018. Our Company's provision on NPAs was ₹ 2,07,166.58 lakhs as of March 31, 2018. As of March 31, 2018, our Company classified loans as non-performing after being three months past due. The

Company started reporting financials on Ind AS basis from April 1, 2018. The Stage-3 assets as on September 30, 2018 was ₹ 5,63,885.84 lakhs and provisions corresponding to Stage -3 assets stood at ₹ 1,96,717.69 lakhs.

The borrowers and their guarantors under our loan agreements may default in their repayment obligations due to various reasons including insolvency, lack of liquidity, increase in operating costs, business failure or poor agricultural production. Besides macroeconomic conditions, we face risks specific to each line of business, which may also result in increased defaults. In addition, our customers often do not have credit histories supported by tax returns and other documents that would enable us to assess their creditworthiness, and we may not receive updated information regarding any change in the financial condition of our customers or may receive inaccurate or incomplete information as a result of any fraudulent misrepresentation by our customers or employees. This segment of customers also has limited access to other financing sources and is located in the rural and semi-urban markets. It may therefore be difficult to carry out precise credit risk analyses on all of our customers.

Although we follow certain procedures to evaluate the credit profiles of our customers at the time of sanctioning a loan, we typically rely on a system of referrals from the local community and the value of the vehicle provided as underlying collateral rather than focusing solely on the credit profile of our customers. We had unsecured loans outstanding (comprising, of long-term and short-term portion of other loans and advances (including overdue loans), inter-corporate deposits, bills of exchange, trade advances and excludes unamortised prepaid expenses, discounting charges, arrangement & placement fees and group gratuity receivable) aggregating to ₹ 4,24,241.82 lakhs as of September 30, 2018.

Further, the Government has by the Finance Act, 2017 introduced Section 269(ST) to the Income Tax Act, which restricts cash transactions above ₹ 2,00,000 and also sets out penalties for the violation of this section. Cash has historically been a preferred mode of payment for many of our customers and may continue to be in the future. Due to the introduction of such restrictions, our collections may be affected until our customers start making repayments through banking channels. Consequently, non-payment or default by borrowers could adversely affect our financial condition and results of operations.

5. ***If our Company's provisioning requirements are insufficient to cover our existing or future levels of non-performing loans or if future regulation requires us to increase our provisions, our ability to raise additional capital and debt funds as well as our results of operations and financial condition could be adversely affected.***

We adhere to provisioning requirements related to our loan assets pursuant to the Non-Banking Financial Company - Systematically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 (“**Master Directions**”). Our Company's Stage 3 assets were ₹ 5,63,885.84 lakhs, or 9.19% of our total assets as of September 30, 2018. Our Company's Gross NPAs were ₹ 4,04,229.92 lakhs, or 7.4 % of our total assets as of March 31, 2018, as compared to ₹ 3,53,414.54 lakhs, or 7.7% of our total assets as of March 31, 2017. Our Company's provision on NPAs was ₹ 2,07,166.58 lakhs as of March 31, 2018, as compared to ₹ 1,93,446.63 lakhs as of March 31, 2017. Further, our Company had very high NPA ratios as of March 31, 2017. Although, we undertook measures to address such issues, we cannot assure you that we will be able to improve our collections and recoveries in relation to our NPAs, or adequately control our level of NPAs in the future.

Though our own existing provisioning norms are more stringent than prescribed by the RBI, our provisioning requirements may be inadequate to cover increases in non-performing loans. For details relating to RBI provisioning norms, see “**Our Business – Asset Quality**” on page 97. If our provisioning requirements are insufficient to cover our existing or future levels of non-performing loans or if future regulation requires us to increase our provisions, our ability to raise additional capital and debt funds as well as our results of operations and financial condition could be adversely affected.

6. ***Our Company, our Subsidiaries and Promoter are involved in certain legal and other proceedings. Any adverse outcome in such proceedings may have an adverse effect on our business, results of operations and financial condition.***

Our Company, our Subsidiaries and our Promoter are contesting certain legal proceedings at various courts, including certain civil, criminal and taxation cases that have been filed against our Company, Subsidiaries

and Promoter respectively. For further details of the material legal proceedings that we are subject to, please see sections titled **“Outstanding Litigations and Defaults”** on page 176. Any adverse decision in any of these cases may adversely affect our business and financial condition. We cannot assure that the outcome of these legal proceedings will be favourable. Such litigation could consume our financial resources in their defence or prosecution. In addition, should any new developments arise, such as changes in Indian law or rulings against us by the regulators, appellate courts or tribunals, we may need to make provisions in our financial statements, which could increase our expenses and current liabilities. If we fail to successfully defend our claims or if our provisions prove to be inadequate, our business, results of operations and financial condition could be adversely affected.

7. As an NBFC, non-compliance with the RBI’s observations made during its periodic inspections could expose us to penalties and restrictions.

As an NBFC, we are subject to periodic inspection by the RBI under section 45N of the Reserve Bank of India Act, 1934 (the **“RBI Act”**), pursuant to which the RBI inspects our books of accounts and other records for the purpose of verifying the correctness or completeness of any statement, information or particulars furnished to the RBI. In its past inspection reports, the RBI has, among other things, identified deficiencies in our operations such as our Company has had high NPA and slippage ratios; certain loan agreements with our customers did not contain the rate of interest to be charged; we did not provide certain communications in vernacular language; the purpose of personal loans was not mentioned in certain documents; and we had not analyzed the repayment capacity of borrowers in certain instances. While we have responded to such observations and addressed them, we cannot assure you that the RBI will not make similar or other observations in the future. In the event we are unable to resolve such deficiencies to the RBI’s satisfaction, we may be restricted in our ability to conduct our business as we currently do. While we seek to comply with all regulatory provisions applicable to us, in the event we are unable to comply with the observations made by the RBI, we could be subject to penalties and restrictions which may be imposed by the RBI. Imposition of any penalty or adverse findings by the RBI during the ongoing or any future inspections may have an adverse effect on our business, results of operations, financial condition and reputation.

8. We are affected by volatility in interest rates for both our lending and treasury operations, which could cause our net interest income to decline and adversely affect our return on assets and profitability.

A significant component of our revenue is the interest income we receive from the loans we disburse, which comprised ₹ 7,77,274.07 lakhs of our total revenue of ₹ 8,57,349.67 lakhs for the financial year 2018.

Our interest income is affected by any volatility in interest rates in our lending operations. Interest rates are highly sensitive to many factors beyond our control, including the monetary policies of the RBI, deregulation of the financial sector in India, domestic and international economic and political conditions and other factors, which have historically generated a relatively high degree of volatility in interest rates in India. Persistently high inflation in India may discourage the Government from implementing policies that would cause interest rates to decrease. Moreover, if there is an increase in the interest rates we pay on our borrowings that we are unable to pass to our customers, we may find it difficult to compete with our competitors, who may have access to low-cost funds. Further, to the extent our borrowings are linked to market interest rates, we may have to pay interest at a higher rate than lenders that borrow only at fixed interest rates.

Fluctuations in interest rates may also adversely affect our treasury operations. In a rising interest rate environment, especially if the rise is sudden or sharp, we could be adversely affected by the decline in the market value of our securities portfolio and other fixed income securities. In addition, the value of any interest rate hedging instruments we may enter into in the future would be affected by changes in interest rates, which could adversely affect our ability to hedge against interest rate volatility. We cannot assure that we will continue to enter into such interest rate hedging instruments or that we will be able to enter into the correct amount of such instruments to adequately hedge against interest rate volatility in the future.

Further, pursuant to our loan agreements with customers, we lend money on fixed interest rate basis, typically without including a provision that interest rates due under our loan agreements will increase if interest rates in the market increase. Our inability to effectively and efficiently manage interest rate variations and our failure to pass on increased interest rates on our borrowings may cause our net interest income to decline, which would decrease our return on assets and could adversely affect our business, future financial performance and result of operations.

9. *Our inability to recover the full value of collateral or amounts outstanding under defaulted loans in a timely manner or at all could adversely affect our results of operations.*

For each vehicle financing arrangement, we sanction an amount of credit that is less than the value of the vehicle which we take as collateral. We regulate this amount through our restrictions on the loan to value (“LTV”) ratio of each financing. We take other collateral such as houses as collateral against the credit that we extend in our housing finance business. The value of the collateral, however, may decline during the term of the loan for a variety of reasons, including depreciation and deterioration. As a result, if our customers default, we may receive less money from liquidating collateral than is owed under the relevant financing facility, and, in turn, incur losses, even where we successfully repossess and liquidate the collateral. While we require borrowers to secure a guarantee on the basis of their profile, we may not be able to enforce or collect the amount owed under such guarantee, if at all.

We may also encounter difficulties in repossessing and liquidating collateral. When a customer defaults under a financing facility, we typically re-possess and then sell the collateral through an auction. There is no assurance, however, that we will be able to successfully repossess the collateral in the event of default under a loan agreement. We may also not be able to sell the collateral at a price sufficient to cover the amount owed under the financing facility, or at all. We may face additional delay and expense in conducting an auction to sell the collateral and may face significant delay in repossessing collateral, as litigation against defaulting customers, even if governed by an arbitration clause, can be slow and expensive in India. In the event of any inability or delay in the repossession and liquidation of the collateral securing loans in default, we may incur losses, which could adversely affect our results of operations and financial condition.

10. *Priority sector lending requirements adhered to by scheduled commercial banks may increase our cost of funding and adversely affect our business, results of operations and financial condition.*

Pursuant to the RBI master circular dated July 1, 2015, scheduled commercial banks operating in India are required to maintain 40% of their adjusted net bank credit or credit equivalent of their off balance sheet exposure, whichever is higher, as priority sector advances. Foreign banks with 20 or more branches in India are required to achieve 40% priority sector lending within a maximum period of five years commencing from April 1, 2013 and ending on March 31, 2018 in a phased manner i.e. 32% by the financial year 2016, 34% by the financial year 2017, 36% by the financial year 2018, 38% by the financial year 2019 and 40% by the financial year 2020. These include loans to the agriculture, micro and small enterprises, low-income housing projects, off-grid renewable energy, exports and similar sectors where the Government seeks to encourage the flow of credit to stimulate economic development in India. Commercial banks in the past have relied on specialized institutions, including microfinance institutions and other financing companies including NBFCs, to provide them with access to qualifying advances through lending programs and loan assignments, which may lead to more competition for us and may adversely affect our business and results of operations.

Any such changes in priority sector guidelines by RBI may adversely affect our business and operations. While scheduled commercial banks may still choose to lend to NBFCs they may charge higher rates to do so because these loans no longer count towards their priority sector lending requirements. This may lead to an increase in the rates at which such loans have historically been offered to us, thus increasing our borrowing costs and adversely affecting our financial condition and results of operation.

As a result of these recent developments, our access to funds and the cost of our capital has been adversely affected and to the extent we are unable to secure replacement funding at similar cost or at all, our results of operations would be adversely affected.

11. *We may be unsuccessful in expanding into new lines of business and implement our new business strategies, which could adversely affect our business and prospects.*

We continue to pursue opportunities to expand into new lines of business. For example, to complement our existing mutual fund distribution business, we incorporated an asset management company and during the financial year 2016, we obtained a certificate of registration as a registered mutual fund from SEBI. However, our growth strategies may require new regulatory approvals and strain our resources. Moreover, neither we, nor our Promoter have significant operational experience in the mutual fund sector. We may also pursue new business strategies in the future such as opening new offices, increasing our presence in rural centres and

introduce new products and services. Pursuing such business opportunities will require significant capital, which we may not be able to raise in a timely manner, or at all. We cannot assure you that we will be successful in expanding these new lines of business, which could adversely affect our business, operations and profitability.

12. *Our vehicle financing business relies on the purchase of M&M vehicles, including tractors, any decline in the sale or quality of which could adversely affect our business and results of operations.*

For the half-year ended September 30, 2018 and the financial year 2018, 40.47 % and 44.37% of our estimated total value of assets financed were provided to purchasers of M&M vehicles, including tractors, respectively. We also finance the purchase of construction equipment manufactured by M&M. Consequently, our business depends on the success of the distribution and marketing network and brand equity of M&M, particularly in rural and semi-urban markets. Customers may also delay or default on their payments due to us on account of technical failures of their vehicles or equipment because they associate these failures with M&M and, in turn, with us. M&M's inability to maintain and expand its own distribution network or increase its sales; continue to anticipate and respond effectively to challenges posed by the Indian vehicle industry, particularly in rural and semi-urban markets, or any decline in sale of rural models in M&M portfolio could adversely affect our business and results of operations.

13. *We may experience difficulties in expanding our business into new regions and markets in India and abroad.*

As part of our growth strategy, we continue to evaluate opportunities to expand our business into new markets in India and abroad. Factors such as competition, customer requirements, regulatory regimes, business practices and customs in these new markets may differ from those in our existing markets, and our experience in our existing markets may not be applicable to these new markets. In addition, as we enter new markets and geographical regions, we are likely to compete with not only other banks and financial institutions but also the local unorganized or semi-organized private financiers, who are more familiar with local regulations, business practices and customs, and have stronger relationships with target customers.

As we plan to expand our geographic footprint, our business may be exposed to additional challenges, including obtaining necessary governmental approvals, identifying and collaborating with local business partners with whom we may have no existing relationship; successfully marketing our products in markets in which we have no familiarity; attracting customers in a market in which we do not have significant experience or visibility; being subject to additional local taxes; attracting and retaining new employees; expanding our technological infrastructure; maintaining standardized systems and procedures; and adapting our marketing strategy and operations to new markets in India in which different languages are spoken. To address these challenges, we may have to make significant investments that may not yield desired results or incur costs that we may not be able to recover. Our inability to expand our current operations may adversely affect our business, financial conditions, and results of operations.

14. *A significant portion of our collections from customers is in cash, exposing us to certain operational risks.*

A significant portion of our collections from our customers is in cash. Large cash collections expose us to the risk of theft, fraud, misappropriation or unauthorized transactions by employees responsible for dealing with such cash collections. These risks are exacerbated by the high levels of responsibility we delegate to our employees and the geographically dispersed nature of our network. We primarily cater to customers in rural and semi-urban markets, which carry additional risks due to limitations on infrastructure and technology.

While we have implemented technology that tracks our cash collections, taken insurance policies, including fidelity coverage and coverage for cash in safes and in transit, and undertaken measures to detect and prevent unauthorized transactions, fraud or misappropriation, this may not be sufficient to prevent or deter such activities in all cases, which may adversely affect our operations and profitability. Further, we may be subject to regulatory or other proceedings in connection with any unauthorized transactions, fraud or misappropriation by our representatives and employees, which could adversely affect our goodwill. We may also be party to criminal proceedings and civil litigation related to our cash collections.

Our business is also susceptible to fraud by dealers, distributors and other agents through the forgery of documents, multiple financing of the same vehicle and unauthorized collection of instalments on behalf of our

Company. Given the high volume of transactions involving cash processed by us, certain instances of fraud and misconduct by our representatives or employees may go unnoticed for some time before they are discovered and others successfully rectified. Even when we discover instances of fraud and other misconduct and pursue legal recourse or file claims with our insurance carriers, there can be no assurance that we will recover any amounts lost through such fraud or other misconduct. Our dependence upon automated systems to record and process transactions may further increase the risk that technical system flaws or employee tampering or manipulation of such systems will result in losses that are difficult to detect or rectify.

15. Any downgrade in our credit ratings could increase borrowing costs and adversely affect our access to capital and lending markets and could also affect our interest margins, business, results of operations and financial condition.

The cost and availability of capital depends in part on our short-term and long-term credit ratings. Credit ratings reflect the opinions of ratings agencies on our financial strength, operating performance, strategic position and ability to meet our obligations. Certain factors that influence our credit ratings may be outside of our control. For example, our credit ratings may depend on the financial performance and business prospects of M&M and its majority shareholding in our Company. Our Company's long-term NCD and subordinated debt is presently rated IND AAA, CARE AAA and CRISIL AA+ by India Ratings & Research Private Limited, Credit Analysis & Research Limited and CRISIL, respectively, and our long term subordinated debt is presently rated BWR AAA by Brickwork Ratings India Private Limited. India Ratings & Research Private Limited and CRISIL has rated our Company's short-term debt as IND A1+ and CRISIL A1+ respectively, which is the highest rating for short-term debt instruments, and CRISIL has rated our Company's fixed deposit program FAAA. For further details, see "**Our Business – Our Credit Ratings**" on page 106.

Any downgrade in our credit ratings could increase borrowing costs and adversely affect our access to capital and debt markets, which could in turn adversely affect our interest margins, our business and results of operations. In addition, any downgrade in our credit ratings could increase the probability that our lenders impose additional terms and conditions to any financing or refinancing arrangements we enter into in the future. However, these ratings are not recommendations to buy, sell or hold securities and prospective investors should take their own decisions.

16. Changes in environmental or other laws may lead to a decline in the sale of vehicles, which could adversely affect our business, results of operations and prospects.

Our Company is engaged in vehicle financing across various states in India. Any regulation passed by either the central Government or any of the state Governments, or any orders of judiciary to ban the sale of a particular segment of vehicles or impose additional taxes on any particular segment of vehicles, could lead to a decline in the sales of such vehicles. For example, the Supreme Court of India imposed a ban on the sale of vehicles not complying with Bharat Emission Standards IV. Such regulatory amendments or orders of the judiciary may lead to a decline in our disbursements and adversely affect our business, results of operations and prospects.

17. Developments in the regulations concerning securitization and assignment transactions with respect to receivables of our loan assets could adversely affect the viability of funding from such transactions, our results of operations and financial condition.

We have in the past securitized/assigned a portion of the receivables from our loan assets to banks. During the half-year ended September 30, 2018 and the financial year 2018, our Company has entered into securitization transactions amounting to ₹33,582.63 lakhs and ₹ 55,160.71 lakhs, respectively.

Any change in statutory or regulatory requirements in relation to securitization or assignments by financial institutions, including the requirements prescribed by the RBI, could have an adverse impact on our assignment or securitization transactions. The commercial viability of assignment and securitization transactions has been significantly affected by changes and developments relating to regulation governing such transactions. Such changes include:

- prohibition on carrying out securitization/assignment transactions at rates lower than the prescribed base rate of the bank;
- prohibition on NBFCs such as our Company from offering credit enhancements in any form and liquidity

facilities in the case of loan transfers through direct assignment of cash flows;

- minimum holding period or ‘seasoning’ and minimum retention requirements of assignment and securitization loans; and
- securitization/assignments shall be eligible for classification under priority sector only if the interest rate charged to the ultimate borrower by the originating entity does not exceed base rate of such bank plus 8% per annum.

For more details, see “*Regulations and Policies*” on page 188.

These recent developments have significantly limited the attractiveness of these assignment transactions, and have adversely affected the profitability of, securitization transactions, which could adversely affect our ability to secure funding at commercially viable rates, or at all and our results of operations and financial condition.

18. *Our Promoter holds majority shareholding in us, which will allow it to exercise significant influence over us and could create conflicts of interest.*

Our Promoter beneficially owns approximately 51.19% of our Equity Shares as on September 30, 2018. Our Promoter will continue to exercise significant influence over our business policies and affairs and all matters requiring shareholder approval, including the composition of our Board of Directors, the adoption of amendments to our articles of association, the approval of mergers, strategic acquisitions and joint ventures and the sale of substantially all of our assets, and the policies for dividends, lending, investments and capital expenditures. This concentration of ownership also may delay, defer or even prevent a change in control of our Company and may make some transactions more difficult or impossible without the support of our Promoter. The interests of our Promoter as our controlling shareholder could conflict with our interests or the interests of our other shareholders. We cannot be sure that our Promoter will act to resolve any conflicts of interest in our favor or in the favor of other shareholders. We operate in a competitive environment, and we believe that our brand recognition is a significant competitive advantage to us. We leverage on the goodwill of the Mahindra group. We believe that this goodwill ensures a steady inflow of business. In the event Mahindra group is unable to maintain the quality of its services or its goodwill deteriorates for any reason whatsoever, our business and results of operations may be adversely affected.

19. *We depend on the services of our management team and employees, our inability to recruit and retain them may adversely affect our business.*

Our future success depends substantially on the continued service and performance of members of our management team and employees and also upon our ability to manage key issues relating to human resource such as selecting and retaining key managerial personnel, developing managerial experience, addressing emerging challenges and ensuring a high standard of client service. There is intense competition for experienced senior management and other qualified personnel, particularly office managers, field executives and employees with local knowledge in client procurement, loan disbursement and installment collections. If we cannot hire additional or retain existing management personnel and employees, our ability to expand our business will be impacted and our revenue could be adversely affected. Failure to train and motivate our employees properly may result in an increase in employee attrition rates, require additional hiring, divert management resources, adversely affect our origination and collection rates, increase our exposure to high-risk credit and impose significant costs on us. While we have an incentive-based remuneration structure, employee stock option scheme and training and development programs designed to encourage employee retention, our inability to attract and retain talented professionals, or the resignation or loss of key management personnel, may have an adverse impact on our business, future financial performance.

As of September 30, 2018, we employed 20,201 permanent employees. Though we believe that we maintain good relationship with our employees, we cannot assure you that we will not experience future disruptions to our operations due to disputes or other problems with our work force, which may adversely affect our business and result operations.

20. *We face difficulties and incur additional expenses in operating in rural and semi-urban markets, where infrastructure may be limited.*

We cater primarily to customers in rural and semi-urban markets, which may have limited infrastructure, particularly for transportation and electricity. At offices in remote markets, we may face difficulties in conducting operations, such as accessing power facilities, transporting people and equipment, implementing technology measures. We may also face increased costs in conducting our business and operations and implementing security measures. We cannot assure you that such costs will not increase in the future as we expand our network in rural and semi urban markets, which could adversely affect our profitability.

Moreover, certain of our customers are farmers residing in rural and semi-urban areas and our results of operations are affected by risks specific to their businesses. For example, the agriculture industry in India is substantially dependent on monsoons. Extreme weather conditions such as drought, insufficient rainfall or floods may potentially affect the quality and quantity of farming production in a given year, thereby adversely affecting the ability of our farmer customers to repay their loans.

21. *A decline in our Company's capital adequacy ratio could restrict our future business growth.*

Pursuant to the Non-Banking Financial Companies Acceptance of Public Deposits (Reserve Bank) Directions, 1998, as amended, we are required to maintain a capital adequacy ratio of at least 15.0% of our aggregate risk-weighted assets of our balance sheet (on-balance sheet and of risk adjusted value of off balance sheet items) consisting of Tier I and Tier II capital on an ongoing basis. The total Tier I capital, at any point is required to be at least 10.0% with effect from March 31, 2017. Our Company's capital adequacy ratio was 19.7% as of September 30, 2018, with Tier I capital comprising 14.5% and Tier II comprising 5.2%. Further, as of March 31, 2018, our Company's capital adequacy ratio was 21.9%, with Tier I capital comprising 16.0% and Tier II comprising 5.9%. If we continue to grow our loan assets and asset base, we will be required to raise additional capital in order to continue to meet applicable capital adequacy ratios with respect to our business. We cannot assure you that we will be able to raise adequate additional capital in the future on terms favorable to us or at all, which could result in non-compliance with applicable capital adequacy ratios and may adversely affect the growth of our business.

22. *We are required to prepare our financial statements with effect from April 1, 2018 under the Ind AS. As Ind AS differs in various respects from Indian GAAP, our financial statements for the financial year 2019 may not be comparable to our historical financial statements.*

We were required to prepare our financial statements in accordance with Indian GAAP. The Companies (Indian Accounting Standards) Rules, 2015 ("IAS Rules"), as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016, enacted changes to Indian GAAP that are intended to align Indian GAAP with IFRS. The IAS Rules provide that financial statements of companies to which such rules apply shall be prepared and audited in accordance with Ind AS. Ind AS differs in various respects from Indian GAAP. We are required to prepare our financial statements in accordance with Ind AS with effect from April 1, 2018 with comparatives for prior periods. While we have not determined with any degree of certainty the impact that the adoption of Ind AS will have on our financial statements, we are aware that Ind AS will impact certain items in our financial statements such as income from loans and advances, finance cost, provision on non-performing assets, deferred tax and recognition of securitization/ assignment transactions. For a summary of the significant qualitative differences between Indian GAAP and Ind AS as applicable to our Company, see "**Summary of Significant Differences Between Indian GAAP and Ind AS**" on page 146. However, this summary may not contain all significant differences between Indian GAAP and Ind AS applicable to our Company and reliance by prospective investors on this summary should be limited. Accordingly, our financial statements for the period commencing from April 1, 2018 will not be comparable to our historical financial statements.

In addition, our promoter M&M currently prepares its consolidated annual and quarterly financial statements in Ind AS. As a result and solely for the purposes of consolidation, our Company prepares and provides its financial information under Ind AS to M&M. These results are used by M&M to prepare its consolidated results and are also disclosed by M&M as a part of its financial services segment. Our financial results under Ind AS will vary from the results currently published by M&M as part of its financial services segment since the date of transition to Ind AS shall be different under both the scenarios.

23. *The introduction of GST has resulted in an increase in our tax expenses.*

The introduction of the GST with effect from July 1, 2017 has resulted in an increase in our tax expenses.

The rate of GST on financial services, excluding interest revenue, is 18 % compared to the 15% service tax rate that was payable before the implementation of GST. While certain companies are allowed 100% of the input tax credit, NBFCs, such as our Company, and banks are required to reverse 50% of the input tax credit under GST, which was also the rule under service tax regime. However, due to the increase in the tax rate, our input tax credit reversal has increased from 7.75% under service tax to 9 % under GST for most of the services that we avail, resulting in additional cost. Although this impact is partially offset due to the fact that we are entitled to avail input tax credit on the goods and services we purchase, the implementation of GST has resulted in an overall increase in our tax expenses.

24. *Any failure, inadequacy and security breach in our information technology systems may adversely affect our business.*

Our operations depend on our ability to process a large number of transactions on a daily basis across our network of offices, most of which are connected through computer systems and servers to our head office. Our financial, accounting or other data processing systems may fail to operate adequately or become disabled as a result of events that are beyond our control, including a disruption of electrical or communications services, particularly in the rural and semi-urban markets in which we primarily operate. Our business is particularly susceptible to such disruptions because of our reliance on handheld GPRS enabled devices, expected implementation of mobile offices and the higher cost of installation and implementation of technology in the rural and semi-urban markets. Our ability to operate and remain competitive will depend in part on our ability to maintain and upgrade our information technology systems on a timely and cost-effective basis. The information available to and received by our management through our existing systems may not be timely and sufficient to manage risks or to plan for and respond to changes in market conditions and other developments in our operations. We may experience difficulties in upgrading, developing and expanding our systems quickly enough to accommodate our growing customer base and range of products.

Our operations also rely on the secure processing, storage and transmission of confidential and other information in our computer systems and networks. Our computer systems, servers, software, including software licensed from vendors and networks may be vulnerable to unauthorized access, computer viruses or other malicious code and other events that could compromise data integrity and security and result in identity theft including customer data, employee data and propriety business data, for which we could potentially be liable. Any failure to effectively maintain or improve or upgrade our management information systems in a timely manner could adversely affect our competitiveness, financial position and results of operations. Moreover, if any of these systems do not operate properly or are disabled or if there are other shortcomings or failures in our internal processes or systems, it could affect our operations or result in financial loss, disruption of our businesses, regulatory intervention or damage to our reputation. In addition, our ability to conduct business may be adversely impacted by a disruption in the infrastructure that supports our business.

25. *We may not be able to maintain our current levels of profitability due to increased costs or reduced spreads between the interest rates at which we borrow and lend.*

Our business strategy involves a high level of ongoing interaction with our customers. We believe that this involvement is an important part of developing our relationship with our customers, identifying new cross-selling opportunities and monitoring our performance. However, this level of involvement also entails higher levels of operating costs and also requires a relatively higher gross spread, or margin, on the finance products we offer in order to maintain profitability. There can be no assurance that we will be able to maintain our current levels of profitability if the gross spreads on our finance products were to reduce substantially, which could adversely affect our results of operations.

26. *We may face asset-liability mismatches, which could affect our liquidity and consequently may adversely affect our operations and profitability.*

We face potential liquidity risks because our assets and liabilities mature over different periods. As is typical for NBFCs, we meet a portion of our funding requirements through short-term funding sources, such as by issuing commercial paper, short-term loans from banks, fixed deposits and unsecured debentures. The majority of our loan assets, however, mature over the medium term. Consequently, our inability to obtain additional credit facilities or renew our existing credit facilities in a timely and cost-effective manner or at all may lead to mismatches between our assets and liabilities, which in turn may adversely affect our operations and profitability.

27. *Governmental and statutory regulations, including the imposition of an interest-rate ceiling, may adversely affect our operating results and financial position.*

As a deposit-taking NBFC, we are subject to regulation by Government authorities, including the RBI. The RBI, however, has not established a ceiling on the rate of interest that can be charged by NBFCs in the asset finance sector. Currently, the RBI requires that the board of directors of each NBFCs adopts an interest rate model that takes into account relevant factors such as the cost of funds, margin and risk premium. It is unclear whether NBFCs are required to comply with the provisions of state money lending laws that establish ceilings on interest rates.

The High Court of Kerala, in relation to a notice received by us from the Sales Tax Commissioner, Kerala, has held in an order that we are required to be registered under the Kerala Money Lenders Act, 1958. We have filed a special leave petition in the Supreme Court against this order and the matter is currently pending. The Supreme Court has granted an interim stay against the enforcement of this notice. In the event we are required to register under the Kerala Money Lenders Act, 1958 or any other state money lending laws, there may be interest rate ceiling caps and other restrictions on operations of our business. Further, we have also received such notices in some other states in the past. If any regulatory authority or court imposes any penalty against us or our Directors or our officers including for prior non-compliance with respect to state money lending laws, our business, results of operations and financial condition may be adversely affected.

In addition, on November 8, 2016, the RBI and the Ministry of Finance of the Government withdrew the legal tender status of the then in circulation ₹ 500 and ₹ 1,000 currency notes pursuant to a notification dated November 8, 2016. The short-term impact of these developments was, among other things, a decrease in liquidity of cash and consequently, spending, in India and we experienced a short-term impact on our operations as a result of the demonetization. The introduction of such regulations in the future could adversely affect our operating results and financial position.

28. *We may not be able to sustain our growth.*

We have experienced significant growth in our business in the past and our current growth strategy includes increasing the number of loans we extend, diversifying our product portfolio and expanding our customer base. However, we cannot assure you that our growth strategy will continue to be successful or that we will be able to continue to expand further or diversify our product portfolio. Our growth is also dependent on the changes in product mix by the original equipment manufacturers (“OEMs”) and changes in composition of cash and credit sales by OEMs. If we increase the number of loans we extend too quickly or fail to properly assess credit risks associated with new borrowers, a higher percentage of our loans may become non-performing, which may adversely affect the quality of our assets and our results of operations and financial condition.

We also face a number of operational risks in executing our growth strategy. As part of our growth strategy, we have experienced rapid growth in our vehicle finance business, our office network has expanded significantly and we are expanding to additional smaller towns and cities within India. Our rapid growth exposes us to a wide range of risks, including business and management risks, such as the possibility that a number of our impaired loans may increase faster than anticipated or that we fail to understand the new markets we enter into, as well as operational risks and fraud, regulatory and legal risks. It will also place sufficient demands on our management, financial and other resources and will require us to continuously develop and improve our operational, financial and internal controls.

Moreover, our ability to sustain our rate of growth depends significantly upon our ability to manage key issues such as selecting and retaining key managerial personnel, maintaining effective risk management policies, continuing to offer products which are relevant and cost effective for our target customers, training managerial personnel to address emerging challenges, developing and maintaining technical infrastructure and systems and ensuring a high standard of customer service. We will need to recruit new employees, who will have to be trained and integrated into our operations. We will also have to train existing employees to adhere properly to evolving internal controls and risk management procedures. Failure to train our employees for the above operational controls may result in loss of business, erosion of the quality of customer service, diversion of management resources, an increase in our exposure to high-risk credit, significant costs and an

increase in employee attrition rates, any of which could adversely affect our business.

29. *The proposed new taxation system in India could adversely affect our Company's business, prospects, financial condition and results of operations.*

The Government has proposed major reforms in Indian tax laws, namely provisions relating to the GAAR (General Anti Avoidance Rules). The provisions have been introduced in the Finance Act 2012 and will apply (as per the Finance Act 2015) in respect of an assessment year beginning on 1 April 2018 and thereafter. The GAAR provisions intend to catch arrangements declared as "impermissible avoidance arrangements", which is any arrangement, the main purpose or one of the main purposes of which is to obtain a tax benefit and which satisfy at least one of the following tests (a) creates rights, or obligations, which are not normally created between persons dealing at arm's length; (b) results, directly or indirectly in misuse, or abuse, of the provisions of the Income Tax Act 1961; (c) lacks commercial substance or is deemed to lack commercial substance, in whole or in part; or (d) is entered into, or carried out, by means, or in a manner, which is not normally employed for bona fide purposes. If GAAR provisions are invoked, the tax authorities would have wide powers, including denial of tax benefit or a benefit under a tax treaty.

30. *We have certain contingent liabilities, which, if materialized, may adversely affect our financial condition.*

As of March 31, 2018, we had certain contingent liabilities not provided for, amounting to ₹38,330.08 lakhs determined in accordance with our accounting policies as disclosed under our significant accounting policies and notes to the accounts. Further, the contingent liability of amounts disclosed in our audited financial statements represents estimates and assumptions of our management based on advice received. In the event that any of these contingent liabilities materialize, our financial condition may be adversely affected. For further information on such contingent liabilities, see "*Financial Statements*" on page 145. In the event that any of these contingent liabilities materialize, our financial condition may be adversely affected.

31. *Any failure by us to identify, manage, complete and integrate acquisitions, divestitures and other significant transactions successfully could adversely affect our business and results of operations.*

As part of our business strategy, we may acquire complementary companies or businesses, divest non-core businesses or assets, enter into strategic alliances and joint ventures and make investments to further expand our business. In order to pursue this strategy successfully, we must identify suitable candidates for and successfully complete such transactions, some of which may be large and complex, and manage the integration of acquired companies or employees. We may not fully realize all of the anticipated benefits of any such transaction within our anticipated timeframe, or at all. Any increased or unexpected costs, unanticipated delays or failure to achieve contractual obligations could make such transactions less profitable or unprofitable. Managing business combination and investment transactions requires varying levels of management resources, which may divert our attention from other business operations and may result in significant costs and expenses.

32. *Fluctuations in the market values of our investments and other asset portfolio could adversely affect our result of operations and financial condition.*

We maintain a portfolio of investments, which includes government securities, certificates of deposits and various mutual fund units. Any financial turmoil in the financial markets has the ability to adversely impact the economic activity in India and globally. Continued deterioration of the credit and capital markets could result in volatility of our investment earnings and impairments to our investment and asset portfolio, which could adversely affect our reported income and financial condition.

33. *The grant of options under the Mahindra & Mahindra Financial Service Limited -Employee Stock Option Scheme 2010 (the "ESOP Scheme 2010") will result in a charge to our profit and loss account and may adversely impact our net income.*

Our Company follows the intrinsic value method for the accounting of employee compensation cost on options granted, pursuant to which, if the exercise price of any options granted is lower than the market price at the time of grant, it will result in a charge to our profit and loss account equal to the product of the number of Equity Shares granted and the difference between the exercise price and the market price at the time of grant.

We established the ESOP Scheme 2010 in October 2010, wherein we are authorized to issue options convertible into up to 48,45,025 Equity Shares at an exercise price of ₹ 2. As on September 30, 2018 the ESOP Trust 2010 has granted 35,26,537 stock options. As a result of future grants of options under ESOP Scheme 2010, we will have to charge the difference between exercise price and the fair value at the time of grant to our profit and our loss statement, which may have an adverse impact on our net income. This will be amortized over the vesting period of the options, being five years from the date of grant of the options. For the financial year 2018 and 2017, the employee stock compensation cost on account of ESOPs was ₹ 755.03 lakhs and ₹ 879.82 lakhs, respectively.

Further, we may continue to introduce such employee stock option schemes in the future, where we issue options to our employees at substantial discount to the market price of the Equity Shares, which may have an adverse impact on our results of operations and financial condition.

34. *We require certain statutory and regulatory approvals for conducting our business and our inability to obtain, retain or renew them in a timely manner, or at all, may adversely affect our operations.*

We require certain statutory and regulatory approvals for conducting our business and may also need additional approvals from regulators to distribute insurance products through our insurance broking business and other fee- based products to our customers. For example, we are required to obtain and maintain a certificate of registration for carrying on business as an NBFC, a certificate that is subject to numerous conditions. We also require licenses and approvals to operate our various lines of business. We may not be able to obtain such approval in a timely manner or at all.

In addition, our various offices, meeting centers and customer care centers are required to be registered under the relevant shops and establishments laws of the states and also require a trade license in certain states. The shops and establishment laws regulate various employment conditions, including working hours, holidays and leave and overtime compensation. A court, arbitration panel or regulatory authority may in the future find that we have not complied with applicable legal or regulatory requirements. We may also be subject to lawsuits or arbitration claims by customers, employees or other third parties in the different state jurisdictions in India in which we conduct our business. If we fail to obtain or retain any of these approvals or licenses, or renewals thereof, in a timely manner or at all, our business may be adversely affected. If we fail to comply, or a regulator claims we have not complied, with any of these conditions, our certificate of registration may be suspended or cancelled and we shall not be able to carry on such activities. We may also incur substantial costs related to litigation if we are subject to significant regulatory action, which may adversely affect our business, future financial performance and results of operations.

35. *We are subject to supervision and regulation by the RBI as a systemically important deposit-taking NBFC, and changes in RBI's regulations governing us could adversely affect our business.*

We are subject to the RBI's guidelines on financial regulation of NBFCs, including capital adequacy, exposure norms and other master directions. The RBI also regulates the credit flow by banks to NBFCs and provides guidelines to commercial banks with respect to their investment and credit exposure norms for lending to NBFCs. The RBI's regulations of NBFCs could change in the future which may require us to restructure our activities, incur additional cost, raise additional capital or otherwise adversely affect our business and our financial performance.

The RBI, from time to time, amends the regulatory framework governing NBFCs to address concerns arising from certain divergent regulatory requirements for banks and NBFCs. Pursuant to two notifications dated December 6, 2006, (Notifications No. DNBS. 189 / CGM (PK)-2006 and DNBS.190 / CGM (PK)- 2006), the RBI amended the NBFC Acceptance of Public Deposits Directions, 1998, reclassifying deposit taking NBFCs, such as us. We are also subject to the requirements of the Master Direction - Non-Banking Financial Companies Acceptance of Public Deposits (Reserve Bank) Directions, 2016, as amended.

The laws and regulations governing the banking and financial services industry in India have become increasingly complex and cover a wide variety of issues, such as interest rates, liquidity, investments, ethical issues, money laundering and privacy. Moreover, these laws and regulations can be amended, supplemented or changed at any time such that we may be required to restructure our activities and incur additional expenses to comply with such laws and regulations, which could materially and adversely affect our business and our

financial performance.

Compliance with many of the regulations applicable to our operations in India, including any restrictions on investments and other activities currently being carried out by us, involves a number of risks, particularly in markets where applicable regulations may be subject to varying interpretations. If the interpretation of the regulators and authorities varies from our interpretation, we may be subject to penalties and our business could be adversely affected. We are also subject to changes in laws, regulations and accounting principles and practices. There can be no assurance that the laws governing the financial services sector will not change in the future or that such changes or the interpretation or enforcement of existing and future laws and rules by governmental and regulatory authorities will not adversely affect our business and future financial performance.

Additionally, we are required to make various filings with the RBI, the Registrar of Companies and other relevant authorities pursuant to the provisions of RBI regulations, the Companies Act and other regulations. If we fail to comply with these requirements, or a regulator claims we have not complied with these requirements, we may be subject to penalties and compounding proceedings. For further information on laws and regulations applicable to us, see “*Regulations and Policies*”.

36. *The restrictions imposed on NBFCs by the RBI through a Master Circular – Bank Finance to Non-Banking Financial Companies dated July 1, 2015 (the “Master Circular”) may restrict our ability to obtain bank financing for specific activities.*

Pursuant to the Master Circular, the RBI has imposed certain restrictions on banks providing financing to NBFCs. Under this Master Circular, certain NBFC activities are ineligible for financing by banks, such as certain types of discounting and rediscounting of bills, investments of current and long term nature by way of shares, debentures, etc, loans and advances by NBFCs to their subsidiaries and group companies, or lending by NBFCs to individuals for subscribing to public offerings and purchasing shares from the secondary market, unsecured loans, inter-corporate deposits provided by the NBFCs and subscription to shares or debentures by NBFCs. In addition, the Master Circular prohibits:

- banks from granting bridge loans of any nature, provide interim finance against capital or debenture issues and/or in the form of loans of a temporary nature pending the raising of long term funds from the market by way of capital, deposits, or other means to any category of NBFCs;
- banks from accepting shares and debentures as collateral for secured loans granted to NBFCs; and
- banks from executing guarantees covering inter-company deposits or loans that guarantee refund of deposits or loans accepted by NBFCs. The Master Circular also requires that guarantees not be issued by banks for the purpose of indirectly enabling the placement of deposits with NBFCs.

These restrictions may adversely affect our access to or the availability of bank finance, which may in turn adversely affect our financial condition and results of operations.

37. *Our insurance coverage may not adequately protect us against losses.*

We maintain insurance coverage that we believe is adequate for our operations. Our insurance policies, however, may not provide adequate coverage in certain circumstances and are subject to certain deductibles, exclusions and limits on coverage. We cannot, however, assure you that the terms of our insurance policies will be adequate to cover any damage or loss suffered by us or that such coverage will continue to be available on reasonable terms or will be available in sufficient amounts to cover one or more large claims, or that the insurer will not disclaim coverage as to any future claim.

A successful assertion of one or more large claims against us that exceeds our available insurance coverage or changes in our insurance policies, including premium increases or the imposition of a larger deductible or co-insurance requirement, could adversely affect our business, financial condition and results of operations.

- 38. *We have entered into, and will continue to enter into, related party transactions and we cannot assure you that we could not have achieved more favorable terms had such transactions not been entered into with related parties.***

We have entered into transactions with several related parties, including our Promoter, Directors and companies in the Mahindra Group. We can give no assurance that we could not have achieved more favorable terms had such transactions been entered into with parties that were not related parties. Furthermore, it is likely that we will enter into related party transactions in the future. There can be no assurance that such transactions, individually or in the aggregate, will not have an adverse effect on our financial condition and results of operations. The transactions we have entered into and any future transactions with our related parties have involved or could potentially involve conflicts of interest. For more information, see “*Financial Statements*”.

- 39. *We do not own the trademarks we use and thus enjoy limited legal protection and our ability to use the trademark and logo may be impaired.***

Our logo  is not owned by our Company. We use trademarks such as “Mahindra Finance”, “Mahindra Home Finance” “Ghar Ki Baat Hai” in the course of our business operations. However, these trademarks are owned by M&M. While our Company has entered into a trademark license agreement with M&M for use of the “Mahindra” trademark and logo and the “Mahindra & Mahindra” trademark, we have not entered into any license agreement with M&M for use of the other aforesaid trademarks we use in our business operations. Thus, we enjoy limited legal protection and ability for use of these trademarks. We may not be able to use aforementioned trademarks in the event of termination of trademark license agreement. Pursuant to the trademark license agreement, M&M has a right to terminate the agreement upon (i) our Company ceasing to be a subsidiary of M&M, (ii) any material breach of the trademark license agreement by our Company (without any prior notice to our Company) as determined by M&M, (iii) any other breaches of the trademark license agreement by our Company after giving a 30 day notice to cure the breaches occurred. Further, the trademark license agreement stands automatically terminated without any prior notice to our Company if, inter alia, (i) our Company does into liquidation or winding-up order is made against our Company, (ii) our Company’s management or undertaking or any part thereof is taken over, acquired or nationalized by the government or third party (as the case may be) or if there is a sale or transfer of substantially all of our Company’s assets (without prior written approval of M&M), (iii) our Company ceases to render the products / services bearing the trademarked licensed under the trademark license agreement. Our inability to use of these trademarks and any unauthorized usage could result in the dilution of the trademarks recognized with our Company and loss of reputation, which may result in adverse effects to our business and results of operations.

- 40. *Most of our offices are located on leased premises and non-renewal of lease agreements or their renewal on terms unfavorable to us could adversely affect our operations.***

As of September 30, 2018, 1,293 of our Company’s 1,296 offices are housed on leased premises (which expire from time to time). Our Company currently does not have an agreement with M&M for the use of the premises of the Registered Office. We have entered into an occupancy agreement with M&M for the occupancy of our Corporate Office. If any of the owners of these premises do not renew the agreements under which we occupy the premises, or if they seek to renew such agreements on terms and conditions unfavourable to us, or if they terminate the agreement we may suffer a disruption in our operations or increased costs, or both, which may adversely affect our business and results of operations.

All or any of the leases may not be renewed on similar terms or at all, or we may be evicted from all or a number of these premises and be required to pay damages to the landlord. This may adversely impact our business and financial condition.

- 41. *Our Company has incurred significant indebtedness and may incur additional debt. The conditions and restrictions imposed by our financing agreements could adversely impede our flexibility in conducting our business.***

As of September 30, 2018, our Company had total borrowings of ₹ 46,49,569.96 lakhs. Our level of

indebtedness has important consequences to us, such as:

- increasing our vulnerability to general adverse economic, industry and competitive conditions;
- limiting our flexibility in planning for, or reacting to, changes in our business and the industry;
- affecting our credit rating;
- limiting our ability to borrow further now and in the future;
- affecting our capital adequacy requirements; and
- increasing our interest expenditure.

Most of our financing arrangements are secured by our movable and immovable assets. Further, our financing arrangements also contain other restrictive covenants, including, but not limited to:

- to declare or pay dividend to any of its shareholders whether equity or preference, during any financial year unless our Company has paid to the lender the dues payable by our Company in that year;
- to undertake or permit any merger, amalgamation or compromise with its shareholders, creditors or effect any scheme of amalgamation or reconstruction;
- to amend its MOA and AOA or alter its constitution;
- to change the ownership or control of our Company; and
- to make any major investments by way of deposits, loans or share capital in any manner.

Compliance with the various terms of our loans is subject to interpretation and we cannot assure you that we have requested, received or will receive all consents from our lenders that would be advisable under our financing documents. As a result, it is possible that a lender could assert that we have not complied with certain terms under our financing documents. Any failure to service our indebtedness, comply with a requirement to obtain consent or perform any condition or covenant could impede our flexibility in conducting our business, which may have an adverse effect on our business and results of operations.

42. *Inaccurate appraisal of credit may adversely impact our business.*

We may be affected by failure of our employees to comply with our internal procedures requiring extensive appraisal of credit or financial worth of our clients. Failure or inaccurate appraisal of credit or financial worth of our clients by our employees may allow a loan sanction, which may eventually result in a bad debt on our books of accounts. In the event, we are unable to check the risks arising out of such lapses, it may have an adverse effect on our business and results of operations.

43. *Our ability to assess, monitor and manage risks inherent in our business differs from the standards of some of our counterparts in India and in some developed countries*

The effectiveness of our risk monitoring and management is limited by the quality, timeliness and availability of data required for the assessment of the risks such as, information regarding market, customers, proposed policy changes, etc. These data may not be accurate or complete in all the cases thereby affecting our ability to access, monitor and manage the risk. Our hedging strategies and other risk management techniques may not be fully effective in mitigating all the types of risks that we face or may face in the market. Largely, our risk management is based on the study of historical market behaviour and as a result these studies may not predict the future risks exposures. Our risk management policies therefore may not in all cases adequately address unidentified or unanticipated risks. Our inadequacy in properly assessing the risks and hence moulding accordingly to ward of these risks may have an adverse effect on our business and results of operations.

44. *We have not independently verified certain data in this Shelf Prospectus.*

We have not independently verified data from industry publications contained herein and although we believe these sources to be reliable, we cannot assure you that they are complete or reliable. Such data may also be produced on a different basis from comparable information compiled with regards to other countries. Therefore, discussions of matters relating to India, the Indian economy, as well as NBFCs, the automobile industry, insurance industry and mutual funds industry that are included herein are subject to the caveat that the statistical and other data upon which such discussions are based have not been verified by us and may be incomplete, inaccurate or unreliable. Due to possibly flawed or ineffective data collection methods or discrepancies between published information and market practice and other problems, the statistics herein

may be inaccurate or may not be comparable to statistics produced elsewhere and should not be unduly relied upon. Further, we cannot assure you that they are stated or compiled on the same basis or with the same degree of accuracy, as the case may be, elsewhere.

45. *Our inability to detect money-laundering and other illegal activities fully and on a timely basis may expose us to additional liability and adversely affect our business and reputation.*

We are required to comply with applicable anti-money-laundering (“AML”) and anti-terrorism laws and other regulations in India. In the ordinary course of our operations, we run the risk of failing to comply with the prescribed Know Your Customer (“KYC”) procedures, fraud and money laundering by dishonest customers. Although we believe that we have adequate internal policies, processes and controls in place to prevent and detect any AML activity and ensure KYC compliance, we cannot assure you that we will be able to fully control instances of any potential or attempted violation. Any inability on our part to detect such activities fully and on a timely basis, may subject us to regulatory actions including imposition of fines and penalties and adversely affect our business and reputation.

46. *Our ability to pay dividends in the future will depend upon our earnings, financial condition, cash flows and capital requirements.*

Dividends that we have paid in the past may not be reflective of the dividends that we may pay in a future period. Our ability to pay dividends in the future will depend on our earnings, financial condition, cash flows and capital requirements. Dividends distributed by us will attract dividend distribution tax at rates applicable from time to time. We cannot assure you that we will be able to pay dividends in the future.

47. *We have relied on third party industry reports which have been used for industry related data in this Shelf Prospectus and such data have not been independently verified by us.*

We have relied on the CRISIL Industry Report for industry related data that has been disclosed in this Shelf Prospectus. The reports use certain methodologies for market sizing and forecasting. We have not independently verified such data and therefore, while we believe them to be true, we cannot assure you that they are complete or reliable. Accordingly, investors should read the industry related disclosure in this Shelf Prospectus in this context. Industry sources and publications are also prepared based on information as of specific dates and may no longer be current or reflect current trends. Industry sources and publications may also base their information on estimates, projections, forecasts and assumptions that may prove to be incorrect. EXTERNAL RISKS

Risks Relating to India

48. *Our business is affected by prevailing economic, political and other prevailing conditions in India and the markets we currently service.*

Our Company is incorporated in India, and the majority of our assets and employees are located in India. As a result, we are dependent on prevailing economic conditions in India and our results of operations are affected by factors influencing the Indian economy. Factors that may adversely affect the Indian economy, and hence our results of operations, may include:

- any increase in Indian interest rates or inflation;
- any exchange rate fluctuations;
- any scarcity of credit or other financing in India, resulting in an adverse impact on economic conditions in India and scarcity of financing of our developments and expansions;
- volatility in, and actual or perceived trends in trading activity on, India’s principal stock exchanges;
- changes in India’s tax, trade, fiscal or monetary policies;
- political instability, terrorism or military conflict in India or in countries in the region or globally, including

- in India's various neighbouring countries;
- occurrence of natural or man-made disasters;
- infectious disease outbreaks or other serious public health concerns;
- prevailing regional or global economic conditions, including in India's principal export markets; and
- other significant regulatory or economic developments in or affecting India or its financial services sectors.

Any slowdown or perceived slowdown in the Indian economy, or in specific sectors of the Indian economy, could adversely impact our business, results of operations and financial condition and the NCDs. Our performance and the growth of our business depend on the performance of the Indian economy and the economies of the regional markets we currently serve. These economies could be adversely affected by various factors, such as political and regulatory changes including adverse changes in liberalization policies, social disturbances, religious or communal tensions, terrorist attacks and other acts of violence or war, natural calamities, interest rates, commodity and energy prices and various other factors.

The Indian economy and financial markets are also significantly influenced by worldwide economic, financial and market conditions. Any financial turmoil, especially in the United States, Europe or China, may have a negative impact on the Indian economy. Although economic conditions differ in each country, investors' reactions to any significant developments in one country can have adverse effects on the financial and market conditions in other countries. A loss in investor confidence in the financial systems, particularly in other emerging markets, may cause increased volatility in Indian financial markets. Any prolonged financial crisis may have an adverse impact on the Indian economy, thereby resulting in a material adverse effect on our business, financial condition and results of operations.

49. Political instability, changes in the Government or natural calamities may adversely affect economic conditions in India, which may impact our business, financial results and results of operations.

The Government has traditionally exercised and continues to exercise influence over many aspects of the economy. Our business and the market price and liquidity of our NCDs may be affected by interest rates, changes in Government policy, taxation, social and civil unrest and other political, economic or other developments in or affecting India. Since 1991, successive Indian Governments have pursued policies of economic liberalisation and financial sector reforms. Various factors could trigger significant changes in India's economic liberalization and deregulation policies, disrupt business and economic conditions in India generally and our business in particular. Our financial performance and the market price of our shares may be adversely affected by changes in inflation, exchange rates and controls, interest rates, Government, social stability or other political, economic or diplomatic developments affecting India in the future.

India has experienced and may continue to experience natural calamities such as earthquakes, floods and drought. The extent and severity of these natural disasters determines their effect on the Indian economy. Such natural calamities could have a negative effect on the Indian economy, adversely affecting our business.

50. Economic developments and volatility in securities markets in other countries may negatively affect the Indian economy.

The Indian securities market and the Indian economy are influenced by economic and market conditions in other countries. Although economic conditions are different in each country, investors' reactions to developments in one country can have adverse effects on the securities of companies in other countries, including India. A loss of investor confidence in the financial systems of other emerging markets may cause volatility in Indian financial markets and, indirectly, in the Indian economy in general. Any worldwide financial instability could also have a negative impact on the Indian economy, including the movement of exchange rates and interest rates in India.

The global credit and equity markets have experienced substantial dislocations, liquidity disruptions and market corrections in the past. Other related factors such as concerns over recession, inflation or deflation, energy costs, geopolitical issues, slowdown in economic growth in China and Renminbi (Chinese Yuan) devaluation, commodity prices and the availability and cost of credit have had a significant impact on the global credit and financial markets as a whole, including reduced liquidity, greater volatility, widening of credit spreads and global credit and financial markets.

In the event that the current difficult conditions in the global financial markets continue or if there are any

significant financial disruptions, this could have an adverse effect on our Company's cost of funding, loan portfolio, business, future financial performance and the trading price of any NCDs issued under the Issue. Negative economic developments, such as rising Fiscal or trade deficits, or a default on national debt in other emerging market countries may also affect investor confidence and cause increased volatility in Indian securities markets and indirectly affect the Indian economy in general.

51. *Terrorist attacks, communal disturbances, civil unrest and other acts of violence or war involving India and other countries may adversely affect the financial markets and our business.*

Terrorist attacks and other acts of violence or war may adversely affect the Indian markets on which our NCDs trade and also adversely affect Indian and worldwide financial markets. These acts may also result in a loss of business confidence and adversely affect our business, financial condition and results of operations. In addition, any deterioration in relations between India and its neighboring countries might result in investor concern about stability in the region, which may adversely affect the price of our NCDs.

India has also witnessed civil unrest including communal disturbances and riots in recent years. If such events recur, our operational and marketing activities may be adversely affected, resulting in a decline in our income. Such incidents may also create a greater perception that investment in Indian companies involves a higher degree of risk and may have an adverse impact on the price of our NCDs.

52. *Any downgrade of credit ratings of India may adversely affect our ability to raise debt financing.*

India's sovereign ratings reflect an assessment of the Indian government's overall financial capacity to pay its obligations and its ability or willingness to meet its financial commitments as they become due.

No assurance can be given that any statistical rating organisation will not downgrade the credit ratings of India. Any such downgrade could adversely affect our ability to raise additional financing and the interest rates and other commercial terms at which such additional financing is available. This could have an adverse effect on our business and financial performance.

53. *A decline in India's foreign exchange reserves may affect liquidity and interest rates in the Indian economy, which could adversely impact our financial condition.*

Flows to foreign exchange reserves can be volatile, and past declines may have adversely affected the valuation of the Rupee. Further declines in foreign exchange reserves, as well as other factors, could adversely affect the valuation of the Rupee and could result in reduced liquidity and higher interest rates that could adversely affect our future financial performance and the market price of the NCDs.

54. *Companies operating in India are subject to a variety of central and state government taxes and surcharges.*

Tax and other levies imposed by the central and state governments in India that affect our tax liability include central and state taxes and other levies, income tax, value added tax, turnover tax, service tax, stamp duty and other special taxes and surcharges which are introduced on a temporary or permanent basis from time to time. Moreover, the central and state tax scheme in India is extensive and subject to change from time to time. The statutory corporate income tax in India, which includes a surcharge on the tax and an education cess on the tax and the surcharge. The central or state government may in the future increase the corporate income tax it imposes. Any such future increases or amendments may affect the overall tax efficiency of companies operating in India and may result in significant additional taxes becoming payable. Additional tax exposure could adversely affect our business and results of operations.

55. *Financial difficulty and other problems in certain financial institutions in India could adversely affect our business.*

As an Indian NBFC, we are exposed to the risks of the Indian financial system, which may be affected by the financial difficulties faced by certain Indian financial institutions because the commercial soundness of many financial institutions may be closely related as a result of credit, trading, clearing or other relationships. This risk, which is sometimes referred to as "systemic risk", may adversely affect financial intermediaries, such as clearing agencies, banks, securities firms and exchanges with whom we interact on a daily basis and who may

default on their obligations due to bankruptcy, lack of liquidity, operational failure or other reasons. Any such difficulties or instability of the Indian financial system in general could create an adverse market perception about Indian financial institutions and banks and hence could adversely affect our business. As the Indian financial system operates within an emerging market, it faces risks of a nature and extent not typically faced in more developed economies, including the risk of deposit runs, notwithstanding the existence of a national deposit insurance scheme.

56. *Our ability to raise foreign capital may be constrained by Indian law.*

As an Indian company, we are subject to exchange controls that regulate borrowing in foreign currencies. Such regulatory restrictions limit our financing sources and hence could constrain our ability to obtain financing on competitive terms and refinance existing indebtedness. In addition, we cannot assure you that the required approvals will be granted to us without onerous conditions, or at all. The limitations on foreign debt may have an adverse effect on our business growth, financial condition and results of operations.

57. *An outbreak of an infectious disease or any other serious public health concerns in Asia or elsewhere could have an adverse effect on our business and results of operations.*

The outbreak of an infectious disease in Asia or elsewhere or any other serious public health concerns could have a negative effect on the economies, financial markets and business activities in the countries in which our end markets are located, which could have an adverse effect on our business. We can give no assurance that a future outbreak of an infectious disease among humans or animals or any other serious public health concerns will not have an adverse effect on our business.

58. *Significant differences exist between Indian GAAP used to prepare our Company's financial statements and other accounting principles, such as IFRS, with which investors may be more familiar. Furthermore, our Company will be subject to a number of new accounting standards as part of our transition to Indian Accounting Standards converged with Ind AS (as defined below) that may significantly impact its financial statements in future reporting periods.*

Our Company's financial statements included in this Shelf Prospectus are prepared in conformity with Indian GAAP. Indian GAAP differs in certain significant respects from IFRS and other accounting principles and standards. Our Company has not made any attempt to quantify the impact of IFRS on the financial data included in this Shelf Prospectus, nor does our Company provide a reconciliation of our financial statements to those of IFRS. If our Company were to prepare our financial statements in accordance with such other accounting principles, our Company's results of operations, cash flows and financial condition may be substantially different. The significant accounting policies applied in the preparation of its Indian GAAP financial statements are set forth in the notes to our financial statements included in this Shelf Prospectus.

The Companies (Indian Accounting Standards) Rules, 2015 (**IAS Rules**), as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016, enacted changes to Indian GAAP that are intended to align Indian GAAP further with IFRS. The IAS Rules provide that the financial statements of the companies to which they apply shall be prepared and audited in accordance with Indian Accounting Standards converged with IFRS ("**Ind AS**"), although any company may voluntarily implement Ind AS for the accounting period beginning from 1 April 2015. All NBFCs having a net worth of more than ₹50,000 lakhs are required to mandatorily adopt Ind AS for the accounting period beginning from 1 April 2018 with comparatives for the period ending on 31 March 2018.

As there is not yet a significant body of established practice, such as interpretations of the new accounting standards, on which to draw in forming judgments regarding the new system's implementation and application, our Company has not determined with any degree of certainty the impact such adoption will have on our financial reporting. However, the Ind AS accounting standards will change its methodology for estimating allowances for probable loan losses. They may require our Company to value our NPAs by reference to their market value (if a ready market for such loans exists) or to calculate the present value of the expected future cash flows realisable from our loans, including the possible liquidation of collateral (discounted at the loan's effective interest rate) in estimating allowances for probable loan losses. This may result in our Company recognising higher allowances for probable loan losses in the future.

Our Company's financial statements are prepared in accordance with the Indian GAAP. In January 2016, the

Ministry of Corporate Affairs laid out a road map for implementation of Ind AS for scheduled commercial banks, insurance companies and NBFCs. NBFCs will be required to prepare Ind AS based financial statements (consolidated and individual) in two phases. Under Phase I, NBFCs that have a net worth of ₹5 billion or more, including our Company, and their holding, subsidiary, joint venture or associate companies are required to prepare Ind AS based financial statements for accounting periods beginning from 1 April 2018 onwards with comparatives for the periods ending 31 March 2018 or thereafter. Under Phase II, NBFCs whose equity and/or debt securities are listed or are in the process of listing on any stock exchange in India or outside India and have a net worth less than ₹5 billion, NBFCs that are not listed and have a net worth of more than ₹2.5 billion but less than ₹5 billion, and their respective holding, subsidiary, joint venture or associate companies are required to prepare Ind AS based financial statements for accounting periods beginning from 1 April 2019 onwards with comparatives for the periods ending 31 March 2019 or thereafter. NBFCs that have a net worth below ₹2.5 billion shall continue to apply the accounting standards specified in Annexure to Companies (Accounting Standards) Rules, 2006.

We may not be able to determine with a degree of certainty the impact of adoption of Ind AS on our financial reporting. As a result, there can be no assurance that our Company's financial condition, results of operations, cash flows or changes in shareholders' equity will not appear materially worse under Ind AS than under Indian GAAP. Our Company's management may also have to divert significant time and additional resources in order to implement Ind AS on a timely and successful basis. There can be no assurance that our Company's adoption of Ind AS will not adversely affect our reported results of operations or financial condition in the future and any failure to successfully adopt Ind AS could adversely affect our Company's business, financial condition and results of operations in the future.

59. *The new bankruptcy code in India may affect our Company's right to recover loans from its borrowers.*

The Insolvency and Bankruptcy Code, 2016 (“**Bankruptcy Code**”) was notified on August 5, 2016. The Bankruptcy Code offers a uniform and comprehensive insolvency legislation encompassing all companies, partnerships and individuals (other than financial firms). It allows creditors to assess the viability of a debtor as a business decision and agree upon a plan for its revival or a speedy liquidation. The Bankruptcy Code creates a new institutional framework, consisting of a regulator, insolvency professionals, information utilities and adjudicatory mechanisms, which will facilitate a formal and time-bound insolvency resolution and liquidation process.

In case insolvency proceedings are initiated against a debtor to our Company, we may not have complete control over the recovery of amounts due to us. Under the Bankruptcy Code, upon invocation of an insolvency resolution process, a committee of creditors is constituted by the interim resolution professional, wherein each financial creditor is given a voting share proportionate to the debts owed to it. Any decision of the committee of creditors must be taken by a vote of not less than 66% of the voting share of all financial creditors. Any resolution plan approved by committee of creditors is binding upon all creditors, even if they vote against it.

In case a liquidation process is opted for, the Bankruptcy Code provides for a fixed order of priority in which proceeds from the sale of the debtor's assets are to be distributed. Before sale proceeds are distributed to a secured creditor, they are to be distributed for the costs of the insolvency resolution and liquidation processes, debts owed to workmen and other employees, and debts owed to unsecured credits. Further, under this process, dues owed to the Central and State Governments rank at par with those owed to secured creditors. Moreover, other secured creditors may decide to opt out of the process, in which case they are permitted to realise their security interests in priority.

Risks Relating to the Utilization of Issue Proceeds

60. *The fund requirement and deployment mentioned in the Objects of the Issue have not been appraised by any bank or financial institution.*

We intend to use the proceeds of the Issue, after meeting the expenditures of and related to the Issue, for our various financing activities including lending and investments, subject to applicable statutory and/or regulatory requirements, to repay our existing indebtedness, long term working capital requirements and general corporate purposes. For details refer section titled “**Terms of the Issue**” on page 212 of this Shelf Prospectus. The fund requirement and deployment is based on internal management estimates and has not

been appraised by any bank or financial institution. The management will have significant flexibility in applying the proceeds received by us from the Issue. Further, as per the provisions of the SEBI Debt Regulations, we are not required to appoint a monitoring agency and therefore no monitoring agency has been appointed for this Issue.

Risks Relating to the NCDs

61. There has been no prior public market for the NCDs and it may not develop in the future, and the price of the NCDs may be volatile.

The NCDs have no established trading market. There can be no assurance that an active public market for the NCDs will develop or be sustained. The liquidity and market prices of the NCDs can be expected to vary with changes in market and economic conditions, our financial condition and prospects and other factors that generally influence market price of NCDs. Such fluctuations may significantly affect the liquidity and market price of the NCDs, which may trade at a discount to the price at which you purchase the NCDs.

62. There is no guarantee that the NCDs issued pursuant to this Issue will be listed on BSE in a timely manner or at all.

In accordance with Indian law and practice, permissions for listing and trading of the NCDs issued pursuant to this Issue will not be granted until after the NCDs have been issued and allotted. Approval for listing and trading will require all relevant documents authorising the issue of NCDs to be submitted. There could be a failure or delay in listing the NCDs on BSE.

63. The investor may not be able to recover, on a timely basis or recover at all, the full value of the outstanding amounts and/ or the interest accrued thereon, in connection with the NCDs.

Our ability to pay interest accrued on the NCDs and/ or the principal amount outstanding from time to time in connection therewith would be subject to various factors, including our financial condition, profitability and the general economic conditions in India and in the global financial markets. We cannot assure you that we would be able to repay the principal amount outstanding from time to time on the NCDs and/ or the interest accrued thereon in a timely manner or repay at all.

64. A debenture redemption reserve will be created, only up to an extent of 25% of the value of the outstanding NCDs and in the absence of profits, we may not be able to transfer adequate amounts to the Debenture Redemption Reserve ("DRR").

The Company (Share Capital and Debentures) Rules, 2014 has prescribed that adequacy of DRR will be 25% of the value of the outstanding debentures issued through public issue. Therefore, our Company will maintain a DRR only to the extent of 25% of the value of the outstanding NCDs or such a percentage as may be required under applicable regulation as amended from time to time issued and the Debentureholders may find it difficult to enforce their interests in the event of or to the extent of a default in excess of such reserve.

The amount to be credited as DRR will be carved out of the profits of our Company only and there is no obligation on the part of our Company to create DRR if there is no profit or no adequate profit for the year to pay dividends for the particular year. Accordingly, if we are unable to generate adequate profits, the DRR created by us may not be adequate to meet the 25% of the value of the outstanding NCDs issued.

65. Any downgrading in credit rating of our NCDs may affect the trading price of our NCDs and our ability to raise funds.

CRISIL, CARE, India Ratings and Brickwork have assigned rating of 'CRISIL AA+', 'CARE AAA', 'IND AAA' and 'BWR AAA', respectively, to the long term and subordinated debt of our Company. CRISIL has rated our fixed deposit programme as 'FAAA'. CRISIL, and India Ratings assigned rating of 'CRISIL A1+' and 'IND A1+', respectively, to the short term debt and commercial paper of our Company. These ratings may be suspended, withdrawn or revised at any time. Any revision or downgrading in the credit rating may lower the trading price of the NCDs and may also affect our ability to raise further debt.

66. *Payments made on the NCDs will be subordinated to payments to secured and unsecured creditors and certain tax and other liabilities preferred by law.*

The NCDs will be unsecured and will be subordinated to all secured and unsecured creditors of our Company as well as certain liabilities preferred by law such as to claims of the GoI on account of taxes, and certain liabilities incurred in the ordinary course of our transactions. In particular, in the event of bankruptcy, liquidation or winding-up, our assets will be available to pay obligations on the NCDs only after all of those liabilities that rank senior to these NCDs have been paid. In the event of bankruptcy, liquidation or winding-up, there may not be sufficient assets remaining, after paying amounts relating to these proceedings, to pay amounts due on the NCDs. Further, there is no restriction on the amount of debt securities that we may issue that may rank above the NCDs. The issue of any such debt securities may reduce the amount recoverable by investors in the NCDs on our bankruptcy, winding-up or liquidation.

67. *Legal investment considerations may restrict certain investments*

The investment activities of certain investors are subject to investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (i) the NCDs are legal investments for it, (ii) the NCDs can be used as collateral for various types of borrowing and (iii) other restrictions apply to its purchase or pledge of the NCDs.

68. *The NCDs are subject to the risk of change in law*

The terms and conditions of the NCDs are based on Indian law in effect as of the date of issue of the relevant NCDs. No assurance can be given as to the impact of any possible judicial decision or change to Indian law or administrative practice after the date of issue of the relevant NCDs and any such change could materially and adversely impact the value of any NCDs affected by it.

69. *Securities on our Secured NCDs.*

A significant part of our Company's current assets represented mainly by the loan receivables are being used to secure our Company's debt. As at September 30, 2018, our Company's secured borrowing was Rs. 31,52,201.81 lakhs. The terms of the Secured NCDs do not prevent our Company from incurring additional debt.

PROMINENT NOTES

This is a public issue by our Company of Secured Redeemable Non-Convertible Debentures of face value of ₹1,000 each and/or Unsecured, Subordinated Redeemable Non-Convertible Debentures of face value of ₹1,000 each for an amount upto ₹ 1,00,00,00,00,000 crores. The Unsecured NCDs will be in the nature of subordinated debt and will be eligible for inclusion as Tier II capital.

Credit Rating and Rationale

The NCDs proposed to be issued under this Issue have been rated ‘CARE AAA (Triple A); Stable’ for an amount of ₹ 10,000 crores, by CARE and ‘IND AAA; Stable’ for an amount of ₹ 10,000 crores by India Ratings. The rating of NCDs by CARE and India Ratings indicate that instruments with this rating are considered to have

highest degree of safety regarding timely servicing of financial obligations and carry lowest credit risk. This rating is not a recommendation to buy, sell or hold securities and investors should take their own decision. This rating is subject to revision or withdrawal at any time by the assigning rating agencies and should be evaluated independently of any other ratings.

The rationale for the aforementioned rating issued by CARE and India Ratings has been provided in Annexure A and B of this Shelf Prospectus.

Mumbai - 400 018

Dear Sirs,

Statement of Possible Tax Benefits available to the debenture holders of Mahindra & Mahindra Financial Services Limited (the ‘Company’) in connection with the proposed Issue of secured and / or unsecured, subordinated redeemable, non-convertible debentures (“NCDs”) of face value Rs. 1,000 each, aggregating up to Rs. 10,000 crores (Rupees Ten Thousand crores only), in one or more tranches (the ‘Proposed Issue’).

We, B S R & Co. LLP, Chartered Accountants, hereby report that the enclosed statement states the possible tax benefits available to the debenture holders of the Company under the Income-tax Act, 1961 (amended by The Finance Act, 2018), presently in force in India. Several of these benefits are dependent on the debenture holders fulfilling the conditions prescribed under the relevant provisions of the statute. Hence, the ability of the debenture holders to derive the tax benefits is dependent upon their fulfilling such conditions which based on business imperatives it faces in the future, it may not choose to fulfil.

The benefits discussed in the enclosed statement are not exhaustive. This statement is only intended to provide general information to the investors and is neither designed nor intended to be a substitute for professional tax advice. In view of the individual nature of the tax consequences and the changing tax laws, each investor is advised to consult his or its own tax consultant with respect to the specific tax implications arising out of their participation in the issue. We do not express any opinion or provide any assurance as to whether:

- i) the debenture holders will continue to obtain these benefits in future; or
- ii) the conditions prescribed for availing the benefits have been / would be met with.

The contents of the enclosed statement are based on information, explanations and representations obtained from the Company and on the basis of our understanding of the business activities and operations of the Company.

Yours faithfully,

For B S R & Co. LLP

ANNEXURE: STATEMENT OF TAX BENEFITS

STATEMENT OF POSSIBLE TAX BENEFITS AVAILABLE TO THE DEBENTURE HOLDER(S)

Under the existing provisions of law, the following tax benefits, inter-alia, will be available to the Debenture Holder(s). The tax benefits are given as per the prevailing tax laws and may vary from time to time in accordance with amendments to the law or enactments thereto. The information given below lists out the possible benefits available to the Debenture Holder(s) of an Indian company in which public are substantially interested¹, in a summary manner only and is not a complete analysis or listing of all potential tax consequences of the subscription, ownership and disposal of the debenture.

The Debenture Holder is advised to consider in its own case, the tax implications in respect of subscription to the Debentures after consulting his tax advisor as alternate views are possible. We are not liable to the Debenture Holder in any manner for placing reliance upon the contents of this statement of tax benefits.

A. IMPLICATIONS UNDER THE INCOME-TAX ACT, 1961 ('I.T. ACT')

I. To the Resident Debenture Holder

Interest on NCD

1. Interest received by Debenture Holder(s) would be subject to tax at the normal rates of tax in accordance with and subject to the provisions of the I.T. Act and such tax would need to be withheld at the rate of 10% at the time of credit/payment as per the provisions of Section 193 of the I.T. Act. However, no income tax is deductible at source in respect of the following:
 - (a) On any security issued by a company in a dematerialized form and is listed on recognized stock exchange in India in accordance with the Securities Contracts (Regulation) Act, 1956 and the rules made there under. (w.e.f. 01.06.2008).
 - (b) In case the payment of interest on debentures to a resident individual or a Hindu Undivided Family ('HUF'), Debenture Holder does not or is not likely to exceed Rs 5,000 in the aggregate during the Financial Year and the interest is paid by an account payee cheque.
 - (c) When the Assessing Officer issues a certificate on an application by a Debenture Holder on satisfaction that the total income of the Debenture Holder justifies no/lower deduction of tax at source as per the provisions of Section 197(1) of the I.T. Act; and that certificate is filed with the Company before the prescribed date of closure of books for payment of debenture interest.
 - (d) (i) When the resident Debenture Holder with Permanent Account Number ('PAN') (not being a company or a firm) submits a declaration as per the provisions of section 197A(1A) of the I.T. Act in the prescribed Form 15G verified in the prescribed manner to the effect that the tax on his estimated total income of the financial year in which such income is to be included in computing his total income will be NIL. However under section 197A(1B) of the I.T. Act, "Form 15G cannot be submitted nor considered for exemption from tax deduction at source if the nature of income referred in section 197(1) or section 197(1A) such as dividend income referred to in section 194, interest on securities, interest, withdrawal from NSS and income from units of mutual fund or of Unit Trust of India etc. as the case may be or the aggregate of the amounts of such incomes credited or paid or likely to be credited or paid during the previous year in which such income is to be included exceeds the maximum amount which is not chargeable to income tax".

To illustrate, as on 01.04.2018 -

- the maximum amount of income not chargeable to tax in case of individuals (other than senior citizens and super senior citizens) and HUFs is Rs. 2,50,000;

¹ Refer Section 2(18)(b)(B) of the I.T. Act.

- in the case of every individual being a resident in India, who is of the age of 60 years or more but less than 80 years at any time during the Financial year (Senior Citizen) is Rs. 3,00,000; and
- in the case of every individual being a resident in India, who is of the age of 80 years or more at any time during the Financial year (Super Senior Citizen) is Rs. 5,00,000 for Financial Year 2018-19.

Further, section 87A provides a rebate of 100 percent of income-tax or an amount of Rs. 2,500 whichever is less to a resident individual whose total income does not exceed Rs. 3,50,000.

(ii) Senior citizens, who are 60 or more years of age at any time during the financial year, enjoy the special privilege to submit a self-declaration in the prescribed Form 15H for non deduction of tax at source in accordance with the provisions of section 197A(1C) of the I.T. Act even if the aggregate income credited or paid or likely to be credited or paid exceeds the maximum amount not chargeable to tax, provided that the tax due on total income of the person is NIL.

(iii) In all other situations, tax would be deducted at source as per prevailing provisions of the I.T. Act. Form No.15G with PAN / Form No.15H with PAN / Certificate issued u/s 197(1) has to be filed with the Company before the prescribed date of closure of books for payment of debenture interest without any tax withholding.

2. In case where tax has to be deducted at source while paying debenture interest, the Company is not required to deduct surcharge, education cess and secondary and higher education cess.

Classification of gains on transfer

3. In case the debentures are held as stock in trade, the income on transfer of debentures would be taxed as business income or loss in accordance with and subject to the provisions of the I.T. Act. Further, where the debentures are sold by the Debenture Holder(s) before maturity, the gains arising therefrom are generally treated as capital gains or business income as the case may be depending whether the same is held as Stock in trade or investment. However, there is an exposure that the Indian Revenue Authorities (especially at lower level) may seek to challenge the said characterisation (especially considering the provisions explained in Para V below) and hold the such gains/income as interest income in the hands of such Debenture Holder(s). Further, cumulative or regular returns on debentures held till maturity would generally be taxable as interest income taxable under the head Income from other sources where debentures are held as investments or business income where debentures are held as trading asset / stock in trade.

Capital gains and other general provisions

4. As per the provisions of section 2(29A) of the IT Act, read with section 2(42A) of the I.T. Act, a listed debenture is treated as a long term capital asset if the same is held for more than 12 months immediately preceding the date of its transfer. In all other cases, it is 36 months immediately preceding the date of its transfer.

As per section 112 of the I.T. Act, capital gains arising on the transfer of long term capital assets being listed securities are subject to tax at the rate of 20% of capital gains calculated after reducing indexed cost of acquisition or 10% of capital gains without indexation of the cost of acquisition. The capital gains will be computed by deducting expenditure incurred in connection with such transfer and cost of acquisition/indexed cost of acquisition of the debentures from the sale consideration. However as per the third proviso to section 48 of I.T. Act, benefit of indexation of cost of acquisition under second proviso of section 48 of I.T. Act, is not available in case of bonds and debenture, except capital indexed bonds. Accordingly, long term capital gains arising to the Debenture Holder(s), would be subject to tax at the rate of 10%, computed without indexation, as the benefit of indexation of cost of acquisition is not available in case of debentures.

In case of an individual or HUF, being a resident, where the total income as reduced by such long-term capital gains is below the maximum amount which is not chargeable to income-tax, then, such long-term capital gains shall be reduced by the amount by which the total income as so reduced falls short of the maximum amount which is not chargeable to income-tax and the tax on the balance of such long-term capital gains shall be computed at the rate mentioned above.

5. Short-term capital gains on the transfer of listed debentures, where debentures are held for a period of not more than 12 months would be taxed at the normal rates of tax in accordance with and subject to the provisions of the I.T. Act. The provisions relating to maximum amount not chargeable to tax would also apply to such short term capital gains.
6. As per Section 74 of the I.T. Act, short-term capital loss on debentures suffered during the year is allowed to be set-off against short-term as well as long-term capital gains of the said year. Balance loss, if any could be carried forward for eight years for claiming set-off against subsequent years' short-term as well as long-term capital gains. Long-term capital loss on debentures suffered during the year is allowed to be set-off only against long-term capital gains. Balance loss, if any, could be carried forward for eight years for claiming set-off against subsequent year's long-term capital gains.

II To Mutual Funds

All mutual funds registered under Securities and Exchange Board of India or set up by public sector banks or public financial institutions or authorised by the Reserve Bank of India are exempt from tax on all their income, including income from investment in Debentures under the provisions of Section 10(23D) of the I.T. Act subject to and in accordance with the provisions contained therein. Further, as per the provisions of section 196 of the I.T. Act, no deduction of tax shall be made by any person from any sums payable to mutual funds specified under Section 10(23D) of the I.T. Act, where such sum is payable to it by way of interest or dividend in respect of any securities or shares owned by it or in which it has full beneficial interest, or any other income accruing or arising to it.

III. To the Foreign Institutional Investors (FIIs/FPIs)

1. As per Section 2(14) of the I.T. Act, any securities held by FIIs/FPIs² which has invested in such securities in accordance with the regulations made under the Securities and Exchange Board of India Act, 1992, shall be treated as capital assets. Accordingly, any gains arising from transfer of such securities shall be chargeable to tax in the hands of FIIs as capital gains.
2. In accordance with and subject to the provisions of section 115AD of the I.T. Act, long term capital gains on transfer of debentures by FIIs/FPIs are taxable at 10% (plus applicable surcharge and cess) and short-term capital gains are taxable at 30% (plus applicable surcharge and cess). The benefit of cost indexation will not be available. Further, benefit of provisions of the first proviso of section 48 of the I.T. Act will not apply.
3. The Finance Act, 2013 (by way of insertion of a new section 194LD in the I.T. Act) provides for lower rate of withholding tax at the rate of 5% on payment by way of interest paid by an Indian company to FIIs/FPIs and Qualified Foreign Investor in respect of rupee denominated bond of an Indian company between June 1, 2013 and July 1, 2020 provided such rate does not exceed the rate as may be notified³ by the Government. In the regular course, interest is subject to tax at the rate of 20%
4. In accordance with and subject to the provisions of section 196D(2) of the I.T. Act, no deduction of tax at source is applicable in respect of capital gains arising on the transfer of debentures by FIIs/FPIs.

IV To the Non-resident Indian Debenture Holder – Special provisions

1. A non-resident Indian has ***an option*** to be governed by Chapter XII-A of the I.T. Act, subject to the provisions contained therein which are given in brief as under:

Interest on NCD and capital gains on transfer

² The CBDT has issued a Notification No. 9 dated 22 January 2014 which provides that Foreign Portfolio Investors (FPI) registered under SEBI (Foreign Portfolio Investors) Regulations, 2014 shall be treated as FII for the purpose of Section 115AD of the I.T. Act.

³ Refer Notification No. 56/2013 [F.No.149/81/2013-TPL]/SO 2311(E), dated 29-7-2013. As per the said Notification, in case of bonds issued on or after the 1st day of July, 2010, the rate of interest shall not exceed 500 basis points (bps) over the Base Rate of State Bank of India applicable on the date of issue of the said bonds.

- (a) Under section 115E of the I.T. Act, interest income from debentures acquired or purchased with or subscribed to in convertible foreign exchange will be taxable at 20%, whereas, long term capital gains on transfer of such Debentures will be taxable at 10% of such capital gains without indexation of cost of acquisition. Short-term capital gains will be taxable at the normal rates of tax in accordance with and subject to the provisions contained therein.

Exemption from long-term capital gains

- (b) Under section 115F of the I.T. Act, long term capital gains arising to a non-resident Indian from transfer of debentures acquired or purchased with or subscribed to in convertible foreign exchange will be exempt from capital gain tax if the net consideration is invested within six months after the date of transfer of the debentures in any specified asset or in any saving certificates referred to in section 10(4B) of the I.T. Act in accordance with and subject to the provisions contained therein.

Others relaxations

- (c) Under section 115G of the I.T. Act, it shall not be necessary for a non-resident Indian to file a return of income under section 139(1) of the I.T. Act, if his total income consists only of investment income as defined under section 115C and/or long term capital gains earned on transfer of such investment acquired out of convertible foreign exchange, and the tax has been deducted at source from such income under the provisions of Chapter XVII-B of the I.T. Act in accordance with and subject to the provisions contained therein.
- (d) Under section 115H of the I.T. Act, where a non-resident Indian becomes a resident in India in any subsequent year, he may furnish to the Assessing Officer a declaration in writing along with return of income under section 139 for the assessment year for which he is assessable as a resident, to the effect that the provisions of Chapter XII-A shall continue to apply to him in relation to the investment income (other than on shares in an Indian Company) derived from any foreign exchange assets in accordance with and subject to the provisions contained therein. On doing so, the provisions of Chapter XII-A shall continue to apply to him in relation to such income for that assessment year and for every subsequent assessment year until the transfer or conversion (otherwise than by transfer) into money of such assets.
2. In accordance with and subject to the provisions of section 115I of the I.T. Act, a Non-Resident Indian **may opt not to be governed** by the provisions of Chapter XII-A of the I.T. Act. In that case, the general provisions applicable to non-residents would apply.

V. To Non-resident Debenture Holder –General

1. Under the general provisions applicable to non-resident investors, the applicable tax rates are as under:
- (a) Long term capital gains on transfer of listed debentures would be subject to tax at the rate of 10% computed without indexation.
- (b) Investment income and Short-term capital gains on the transfer of listed debentures, where debentures are held for a period of not more than 12 months preceding the date of transfer, would be taxed at the normal rates of tax in accordance with and subject to the provisions of the I.T. Act
2. Under Section 195 of the I.T. Act, the applicable rate of tax deduction at source is 20% on investment income and 10% on any long-term capital gains as per section 115E, and 30% for Short Term Capital Gains if the payee Debenture Holder is a Non Resident Indian.
3. As per Section 74 of the I.T. Act, short-term capital loss suffered during the year is allowed to be set-off against short-term as well as long-term capital gains of the said year. Balance loss, if any could be carried forward for eight years for claiming set-off against subsequent years' short-term as well as long-term capital gains. Long-term capital loss suffered (other than the long-term capital assets whose gains are exempt under Section 10(38) of the I.T. Act) during the year is allowed to be set-off only against long-term capital gains.

Balance loss, if any, could be carried forward for eight years for claiming set-off against subsequent year's long-term capital gains.

4. As per section 90(2) of the I.T. Act read with the Circular no. 728 dated October 30, 1995 issued by the Central Board of Direct Taxes ('CBDT'), in the case of a remittance to a country with which a Double Taxation Avoidance Agreement (DTAA) is in force, the tax should be deducted at the rate provided in the I.T. Act or at the rate provided in the DTAA, whichever is more beneficial to the assessee. However, submission of Tax Residency Certificate ('TRC') is a mandatory condition for availing benefits under any DTAA. Further, such non-resident investor would also be required to furnish Form 10F along with TRC, if such TRC does not contain information prescribed by the CBDT vide its Notification No. 57/2013 dated 1 August 2013.
5. Alternatively, to ensure non deduction or lower deduction of tax at source, as the case may be, the Debenture Holder should furnish a certificate under section 195(2) / 195(3) of the I.T. Act, from the Assessing Officer before the prescribed date of closure of books for payment of debenture interest.
6. Where, debentures are held as stock in trade, the income on transfer of debentures would be taxed as business income or loss in accordance with and subject to the provisions of the I.T. Act. Further, where the debentures are sold by the Debenture Holder(s) before maturity, the gains arising therefrom are generally treated as capital gains or business income as the case may be. However, there is an exposure that the Indian Revenue Authorities (especially at lower level) may seek to challenge the said characterisation (especially considering the provisions explained in Para V below) and hold the such gains/income as interest income in the hands of such Debenture Holder(s). Further, cumulative or regular returns on debentures held till maturity would generally be taxable as interest income taxable under the head Income from other sources where debentures are held as investments or business income where debentures are held as trading asset / stock in trade.

VI. General Anti-Avoidance Rule ('GAAR')

In terms of Chapter XA of the I.T. Act, General Anti-Avoidance Rule may be invoked notwithstanding anything contained in the I.T. Act. By this Rule, any arrangement entered into by an assessee may be declared to be impermissible avoidance arrangement as defined in that Chapter and the consequence would be inter alia denial of tax benefit, applicable w.e.f 1-04-2017. The GAAR provisions can be said to be not applicable in certain circumstances viz. the main purpose of arrangement is not to obtain a tax benefit etc. including circumstances enumerated in CBDT Notification No. 75/2013 dated 23 September 2013.

VII. Exemption under Sections 54EE and 54F of the I.T. Act

Exemptions may be claimed from taxation of LTCG if investments in certain specified securities/assets is made subject to fulfillment of certain conditions. The following exemptions may be available to the debentureholders:

- (a) Section 54EE of the Act exempts long-term capital gains on transfer of long term capital assets if the gains upto Rs.50 lakhs are invested in "long term specified assets" (i.e. units of notified fund) within six months from the date of transfer. The investment in long term specified assets should be held for 3 years.
- (b) Section 54F of the Act exempts long-term capital gains on transfer of shares, held by an individual or HUF, if the net consideration is utilized to purchase/ construct a residential house within specified timelines.

VIII. Requirement to furnish PAN under the I.T. Act

1. Sec.139A(5A)

Section 139A(5A) requires every person from whose income tax is to be deducted at source to furnish his PAN to the person responsible for deduction of tax at source.

2. Sec.206AA

- (a) Section 206AA of the I.T. Act requires every person entitled to receive any sum, on which tax is deductible under Chapter XVIIIB ('deductee') to furnish his PAN to the deductor, failing which tax shall be deducted at the highest of the following rates:
- (b) at the rate in force specified in the relevant provision of the I.T. Act; or
- (c) at the rate of **twenty per cent**

However, new rule 37BC of the Income Tax Rules provides that the provisions of section 206AA of the I.T Act shall not apply on payments made to non-resident deductees who do not have PAN in India. The non-resident deductee in this regard, shall be required to furnish few prescribed details inter alia name, email-ID, contact number, certificate of his being resident in that country and Tax Identification Number (TIN).

- (d) A declaration under Section 197A(1) or 197A(1A) or 197A(1C) shall not be valid unless the person furnishes his PAN in such declaration and the deductor is required to deduct tax as per Para (a) above in such a case.
- (e) Where a wrong PAN is provided, it will be regarded as non-furnishing of PAN and Para (a) above will apply apart from any penal consequences.

XI. Taxability of Gifts received for nil or inadequate consideration

As per section 56(2)(x) of the I.T. Act, where any person receives debentures from any person on or after 1st April 2017:

- (i) without any consideration, aggregate fair market value of which exceeds fifty thousand rupees, then the whole of the aggregate fair market value of such debentures or;
- (ii) for a consideration which is less than the aggregate fair market value of the debenture by an amount exceeding fifty thousand rupees, then the aggregate fair market value of such debentures as exceeds such consideration;

shall be taxable as the income of the recipient at the normal rates of tax. The above is subject to few exceptions as stated on section 56(2)(x) of the Act.

X. General Tax Rates (relevant for computing tax on short term capital gains)

Rates applicable to different categories of assesses:

- (a) The slab rates applicable to individuals/HUF/Association of Persons (AOP)/Body of Individuals (BOI)/Artificial Juridical Person are as under:

In case of Firms [including Limited Liability Partnership ('LLP')] and Local Authority, surcharge will be applicable at the rate of 12% if income exceeds Rs. 1 crore.

Over and above the surcharge, 'Health and Education Cess' at the rate of 4% on tax including surcharge is payable by all taxpayers persons.

1 B. IMPLICATIONS UNDER THE WEALTH TAX ACT, 1957

The Finance Act, 2015 has abolished Wealth Tax Act, 1957 with effect from 1 April 2016 which shall then apply in relation to FY 2015-16 and subsequent years. There is, therefore, no wealth tax obligation arising out of the investment in debentures.

2 Notes

1. The above statement covers only certain relevant benefits under the Income-tax Act, 1961 and Wealth Tax Act, 1957 (collectively referred to as 'direct tax laws') and does not cover benefits under any other law.
2. The above statement sets out the provisions of law in a summary manner only and is not a complete analysis or listing of all potential tax consequences of the purchase, ownership and disposal of debentures/bonds. Further, several of these benefits are dependent on the Debenture Holder fulfilling the conditions prescribed under the relevant provisions.
3. The above statement of possible tax benefits is as per the current direct tax laws relevant for the Assessment Year 2019-20 (considering the amendments made by Finance Act, 2018).

4. This statement is intended only to provide general information to the Debenture Holder(s) and is neither designed nor intended to be a substitute for professional tax advice. In view of the individual nature of tax consequences, each Debenture Holder is advised to consult his/her/its own tax advisor with respect to specific tax consequences of his/her/its holding in the debentures of the Company.
5. The stated benefits will be available only to the sole/ first named holder in case the debenture is held by joint holders.
6. In respect of non-residents, the tax rates and consequent taxation mentioned above will be further subject to any benefits available under the relevant tax treaty, if any, between India and the country in which the non-resident has fiscal domicile. For taxes paid in India, the same could be claimed as a credit in accordance with the provisions of the relevant tax treaty and applicable domestic tax law.
7. Interest on application money would be subject to tax at the normal rates of tax in accordance with and subject to the provisions of the I.T. Act and such tax would need to be withheld at the time of credit/payment as per the provisions of Section 194A of the I.T. Act.
8. No assurance is given that the revenue authorities/courts will concur with the views expressed herein. Our views are based on the existing provisions of law and its interpretation, which are subject to changes from time to time. We do not assume responsibility to update the views consequent to such changes. Global Economy

Global growth for 2018–19 is projected to remain steady at its 2017 level, but its pace is less vigorous than projected in April and it has become less balanced. Downside risks to global growth have risen in the past six months and the potential for upside surprises has receded. Global growth is projected at 3.7 percent for 2018–19—0.2 percentage point lower for both years than forecast in April. The downward revision reflects surprises that suppressed activity in early 2018 in some major advanced economies, the negative effects of the trade measures implemented or approved between April and mid-September, as well as a weaker outlook for some key emerging market and developing economies arising from country-specific factors, tighter financial conditions, geopolitical tensions, and higher oil import bills. Beyond the next couple of years, as output gaps close and monetary policy settings begin to normalize, growth in most advanced economies is expected to decline to potential rates well below the averages reached before the global financial crisis of a decade ago. Medium-term prospects remain generally strong in emerging Asia but subpar in some emerging market and developing economies, especially for per capita growth, including in commodity exporters that continue to face substantial fiscal consolidation needs or are mired in war and conflict.

The balance of risks to the global growth forecast has shifted to the downside in a context of elevated policy uncertainty. Several of the downside risks highlighted in the April 2018 World Economic Outlook (WEO)—such as rising trade barriers and a reversal of capital flows to emerging market economies with weaker fundamentals and higher political risk—have become more pronounced or have partially materialized. Meanwhile, the potential for upside surprises has receded, given the tightening of financial conditions in some parts of the world, higher trade costs, slow implementation of reforms recommended in the past, and waning growth momentum. While financial market conditions remain accommodative in advanced economies, they could tighten rapidly if trade tensions and policy uncertainty intensify, or unexpectedly high inflation in the United States triggers a stronger-than-anticipated monetary policy response. Tighter financial conditions in advanced economies could cause disruptive portfolio adjustments, sharp exchange rate movements, and further reductions in capital inflows to emerging markets, particularly those with greater vulnerabilities. The recovery has helped lift employment and income, has strengthened balance sheets, and has provided an opportunity to rebuild buffers. However, with risks shifting to the downside, there is greater urgency for policies to enhance prospects for strong and inclusive growth. Avoiding protectionist reactions to structural change and finding cooperative solutions that promote continued growth in goods and services trade remain essential to preserving and extending the global expansion.

At a time of above-potential growth in many economies, policymakers should aim to enact reforms that raise medium-term incomes for the benefit of all. With shrinking excess capacity and mounting downside risks, many countries need to rebuild fiscal buffers and strengthen their resilience to an environment in which financial conditions could tighten suddenly and sharply.

Global Growth Outlook

Global growth is expected to remain steady at 3.7 percent in 2020, as the decline in advanced economy growth with the unwinding of the US fiscal stimulus and the fading of the favorable spillovers from US demand to trading partners is offset by a pickup in emerging market and developing economy growth. Thereafter, global growth is projected to slow to 3.6 percent by 2022–23, largely reflecting a moderation in advanced economy growth toward the potential of that group. Growth in advanced economies will remain well above trend at 2.4 percent in 2018, before softening to 2.1 percent in 2019.

Overview of the Indian Economy

India's growth is expected to increase to 7.3 percent in 2018 and 7.4 percent in 2019 (slightly lower than in the April 2018 World Economic Outlook [WEO] for 2019, given the recent increase in oil prices and the tightening of global financial conditions), up from 6.7 percent in 2017. This acceleration reflects a rebound from transitory shocks (the currency exchange initiative and implementation of the national Goods and Services Tax), with strengthening investment and robust private consumption. India's medium-term growth prospects remain strong at 7¾ percent, benefiting from ongoing structural reform.

The Outlook for Growth

The April 2018 MPR had projected an acceleration in real gross domestic product (GDP) growth in 2018-19 on the back of: (a) the goods and services tax (GST) stabilising; (b) improving credit offtake; (c) likely boost to investment from primary market resource mobilisation; (d) the process of recapitalisation of public sector banks and resolution of distressed assets under the Insolvency and Bankruptcy Code (IBC); (e) buoyant global trade; and (f) the thrust to the rural and infrastructure sectors in the Union Budget 2018-19. Most of these have materialised, but to varying extent. However, global trade growth, as stated earlier, seems to be losing its synchronised momentum and this may hinder India's export prospects. The uneven spatial distribution of the south-west monsoon is another factor that has also imparted some uncertainty to the agricultural outlook and inflation.

Turning to forward-looking surveys, consumer confidence over the year ahead improved marginally in the September 2018 round of the Reserve Bank's survey, reflecting an optimism on incomes and prices. Optimism in the manufacturing sector for the quarter ahead improved in the September 2018 round of the Reserve Bank's industrial outlook survey on account of higher order books and selling prices.

In the September round of the Reserve Bank's survey, professional forecasters expected real GDP growth to decelerate from 8.2 per cent in Q1:2018-19 to 6.9 per cent in Q4 and then recover to 7.4 per cent in Q2:2019-20 (Chart I.9).

Taking into account the baseline assumptions, monetary policy tightening of 50 bps during June-August 2018, survey indicators and model forecasts, real GDP growth is projected to improve from 6.7 percent in 2017-18 to 7.4 percent in 2018-19 – 8.2 percent in Q1, 7.4 percent in Q2, 7.3 percent in Q3 and 7.1 percent in Q4 – with

risks broadly balanced around this baseline path (Chart I.10). For 2019-20, structural model estimates indicate real GDP growth at 7.6 per cent, with quarterly growth rates in the range of 7.4-7.9 per cent, assuming a normal monsoon and no major exogenous or policy shocks. Strengthening investment activity and a further pick-up in credit growth impart an upside bias to the baseline growth projections. However, recent protectionist measures by major economies, threats of currency wars and the uncertainty associated with the pace of monetary policy normalisation in the US and other major advanced economies pose downside risks to the baseline growth path.

The Outlook for Inflation

Headline consumer price index (CPI) inflation averaged 4.4 per cent during 2018-19 up to August [4.1 per cent, excluding the estimated impact of house rent allowances (HRAs) for central government employees]. A broad-based uptick in inflation in respect of prices of fuel, transportation, personal care/effects, education and health services was largely offset by the unexpectedly and unseasonably benign food inflation.

Inflation expectations of urban households surveyed by the Reserve Bank exhibited a mixed picture in its September 2018 round2: they increased by 50 bps over the previous round for the three months ahead horizon and softened by 30 bps for the one year ahead horizon. The proportion of respondents expecting the general price level to increase by more than the current rate, however, declined marginally in the September round for the three months ahead horizon and was almost unchanged for the one year ahead horizon.

Professional forecasters surveyed by the Reserve Bank in September 2018 expected CPI inflation to fall from 4.8 per cent in Q1:2018-19 to 4.1 per cent in Q3 and then pick up to 5.1 per cent by Q2:2019-20. Taking into account the initial conditions, signals from forward-looking surveys and estimates from structural and other models⁵, CPI inflation is projected to pick up from 3.7 per cent in August 2018 to 3.9 per cent in Q3:2018-19 and 4.5 per cent in Q4:2018-19, with risks somewhat tilted to the upside (Chart I.6). The projected increase in inflation from current levels reflects the waning away of favourable base effects and anticipates the feeding through of the impact of the increase in MSPs into retail inflation. The direct impact of the increase in HRA by central government has started waning and will fade away completely by December 2018. Excluding the estimated impact of HRA for central government employees, CPI inflation is projected at 3.8 per cent in Q3:2018-19 and 4.5 per cent in Q4:2018-19. The 50 per cent and the 70 per cent confidence intervals for headline inflation in Q4:2018-19 are 3.6-5.7 per cent and 3.1-6.4 per cent, respectively.

For 2019-20, structural model estimates indicate that inflation will move in a range of 4.5-4.8 per cent, assuming a normal monsoon and no major exogenous/policy shocks. The 50 per cent and the 70 per cent confidence intervals for Q4:2019-20 are 3.4-6.3 per cent and 2.7-7.2 per cent, respectively.

There are upside and downside risks to the baseline inflation path. As stated earlier, the announced increase in MSPs for kharif crops has been much bigger than in the recent past, but there is considerable uncertainty about the exact impact of the scale and timing of government procurement operations. Other upside risks in the context of the baseline projection include supply disruptions in the global crude oil market, volatility in international financial markets and second round effects of the staggered HRA revisions by state governments. A major downside risk to the baseline could be decline in demand for oil due to global growth slowdown on account of rising trade tensions, which may help bring down oil prices.

Retail Finance – Auto

Source: CRISIL Research Retail Finance – Auto report, published in Aug 2018

CRISIL Research expects Fiscal 2019 to be a good year for disbursement growth. Improved rural sentiment, low PV penetration and increasing affordability will drive PV disbursements. CV disbursement would be supported by improvement in the economy, resulting in increased demand from roads and mining.

Two-wheeler finance to be the fastest growing segment over the next 5 years, followed by PV finance

- Increase in addressable households along with improvement in the economy and government focus on increasing rural income will support growth in two-wheeler sales, thus supporting growth in disbursements. Additionally, finance penetration in the two-wheeler segment remains low and is expected to grow 4-5% over next five years
- Low passenger vehicles (PV) penetration in the country provides significant scope for growth. Increasing urbanisation, finance commission pay-outs, expanding working population and improvement in road infrastructure will support PV sales
- With financiers increased focus on Tier 2 and 3 cities, finance penetration is set to increase. Better credit monitoring and availability of credit bureau data will help financiers to expand their customer base.
- Increased information on customers will also help financiers to offer higher loan to value (LTV) to them

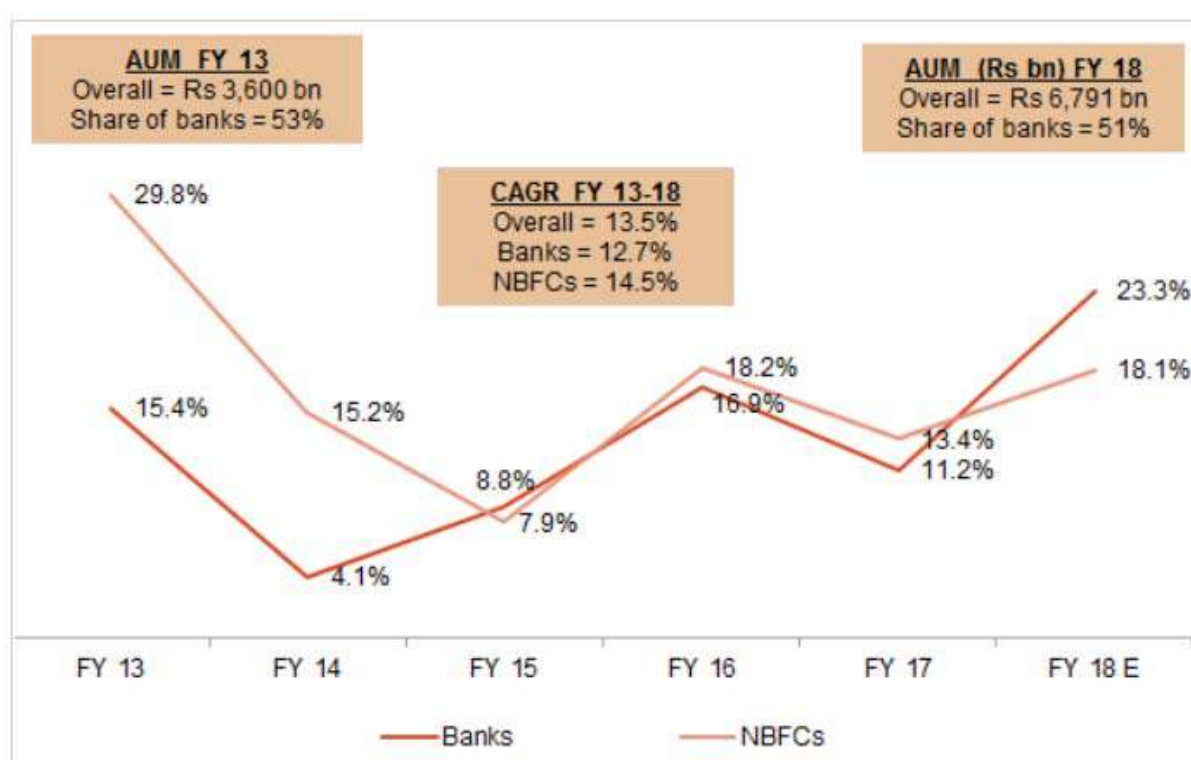

- Safety regulations and emission norms will support increase in vehicle prices going forward
- Improvement in economy and high investment in infrastructure are expected to drive sales of commercial vehicles

NBFC's gained market share in last five years

Note: FY 18 numbers are estimated

Source: RBI, Company reports, CRISIL Research

Profitability for NBFCs expected to improve, mainly supported by fall in credit costs

- Average cost of funds for auto financiers expected to increase by 20-30 bps in fiscal 2019; NBFCs to see higher increase
- PV finance segment to see a fall in profitability with increasing cost of funds combined with high competition intensity
- In the CV finance segment, profitability of banks is expected to remain stable as spread are expected to remain stable despite increase in cost of funds.
- In CV finance, ability of NBFCs to pass on increase in cost of funds to customers and fall in credit costs, will help them improve margins marginally.

- In two- and three-wheeler segments, profitability of NBFCs to improve with falling credit costs; banks' profitability will decline marginally on account of fall in spread

Car, UV finance market to register healthy growth over next five years

Source: CRISIL Research Retail Finance – Auto report, published in Jul 2018

Benign interest rates, lower inflation, upward revision of vehicle prices from April 2017 will aid growth in auto loan disbursements. CRISIL Research expects the growth trend to continue in the long term as well, led by faster growth in disposable income.

Improving economic scenario, strong rural sentiment, new model launches to drive growth

Loan disbursement for passenger vehicles (PVs) grew ~19% in fiscal 2018 mainly supported by a 29% disbursement growth in the utility vehicle (UV) segment. The disbursement growth in the car segment was low at 8%. Banks' increased focus on the retail segment, benign interest rates, healthy sales growth (~ 16%) in the UV segment and 8% growth in average prices supported the disbursement growth in fiscal 2018.

The disbursement is expected to grow at a CAGR of 16% over next two years and is expected to reach ~ Rs 1,724 billion by fiscal 2020.

- *Banks' focus on retail loans* - Financiers, especially the banks, have started waiving off processing fees and prepayment charges during festival season to attract customers.
- *Affordability to improve* - Higher gross domestic product growth (7.6% expected in fiscal 2019), Seventh Pay Commission payouts and higher agriculture output will increase disposable incomes and thereby automobile sales; The government has hiked the minimum support price (MSP) 1.5 times of production cost for kharif crops in fiscal 2019.
- *Indian market under-penetrated* - India is an under-penetrated market, with ~21 passenger vehicles per 1,000 people in fiscal 2018; The number is significantly lower than both developed as well as some developing nations; The number is likely to rise to 25-27 cars per 1,000 people by fiscal 2023.
- *Prices set to increase* - CRISIL Research expects the realisations of car manufacturers to increase 4-5% on-year this fiscal on account of manufacturers' drive towards premiumisation; Additionally, vehicle prices are expected to increase owing to safety regulations (such as mandatory installation of airbags, seat belt warning system, speed alert system, manual lock in anti-locking systems, etc.).

New model launches will likely to attract buyers and contribute to PV sales growth; proportion of replacement demand is also expected to increase

A few years ago vehicle manufacturers' upgraded models or introduced a new model every 3-4 years. With rising competition, easy financing and a burgeoning resale vehicle market; this cycle has shortened to 1.5-2 years. The proportion of replacement demand will rise as car owners opt for newer models due to higher affordability, competitively priced launches, and easy availability of finance.

Trend in growth of PV disbursements (Rs bn)

Source: SIAM, CRISIL Research

Growth drivers: Passenger vehicle financing

Low PV penetration in the country, improving affordability, new model launches, increase in prices and improvement in finance parameters to steer long-term disbursement growth. CRISIL Research expects PV finance disbursements to grow at ~15% CAGR over the next 5 years. The total finance market is expected to reach ~Rs 2,612 billion in fiscal 2023 from ~Rs 1,272 billion in fiscal 2018. Compliance with the BS-VI norms in fiscal 2021 would lead prices to rise sharply, adversely affecting sales, resulting in only marginal increase in disbursements that year.

Factors that will drive disbursement growth are

- Increasing affordability and low PV penetration provides significant opportunity for PV sales. Additionally rising urbanisation, finance commission payouts, expanding working population and improvement in road infrastructure will also support sales' growth.
- Increase in average price and increase in loan to value will result in an increase in average ticket size of loans
- improvement in finance penetration with financiers increased focus on tier II&III cities
- better credit monitoring and availability of credit bureau data will help players reduce delinquencies and expand their customer base

Growth in Passenger vehicle industry

The revenue of the Indian PV industry to have grown to Rs 2,297 billion in fiscal 2018, with a sales volume of ~34.5 lakhs vehicles. PV industry is expected to grow at a CAGR of ~14% over next five years to reach Rs 4,429 bn by fiscal 2023 with a sales volume of 52.8 lakhs units.

- *Increasing affordability* - CRISIL Research expects the number of households that can afford a small car (addressable households) to rise at a CAGR of ~9-11% over next 5 years and will reach to 232 million households in fiscal 2023 from 142 million households in fiscal 2018.
- *Indian market under-penetrated* - India is an under-penetrated market, with ~21 passenger vehicles per thousand people in fiscal 2018. The number is significantly lower than both developed as well as some developing nations; Passenger vehicle penetration to 25-27 cars per thousand people by fiscal 2023.
- *Low PV penetration in the country provides substantial scope for sales growth*
- *Entry of new players in the country* - Entry of new players with new models to capitalise on the growth opportunity in India will also support the increase in PV penetration.
- *Fast paced infrastructure development to help clock better demand* - CRISIL Research expects investment in road projects to grow at a healthy pace between fiscals 2018 and 2023, led by the government's focus on infrastructure-related sectors. The improved infrastructure is likely to prompt more people to buy vehicles.

CV loan disbursements to log robust growth in medium and long term

Commercial vehicle (CV) finance disbursements showed strong signs of recovery in fiscal 2018, after flatlining in fiscal 2017 owing to demonetisation, CRISIL Research believes the industry is well back on the growth track, and is expected to stay on trajectory during the next 5 years.

Commercial vehicles (CV) loan disbursements de-grew at a compounded annual growth rate (CAGR) of 1.7% between fiscals 2012 and 2018, on account of 2.5% compounded annual decline in CV sales. In fiscal 2017, demonetisation induced cash crunch affected output and sales growth. On the other hand, advancement of purchases of BS III vehicles on the back of mandatory BS IV implementation (from April 1, 2017) offset the impact of demonetisation and sales grew 4% on-year.

In fiscal 2018, CV sales rebounded at a robust ~ 25% on year. That year, CV loans grew ~34%, driven by disbursement growth in both the segments i.e. light commercial vehicles (LCVs) as well as medium commercial vehicles (MHCVs).

- In the MHCVs segment, volume grew ~19%, driven by stricter implementation of overloading ban (especially in Rajasthan, Uttar Pradesh, Punjab, Jharkhand and Bihar). Higher discounts by players also aided growth. Average realisation growth was also healthy at 11% on account of implementation of BS-IV norms.
- LCVs sales grew ~29.5%, owing to availability of market load and redistribution freight. Demand from consumption-driven sectors, replacement demand, as well as rural demand improved significantly. Muted interest rates also supported sales growth. Realisation growth was just ~3.3%. Implementation of BS-IV norms in multiple states even before April 2017 resulted in comparatively lower increase in cost of ownership in LCVs compared with the MHCV segment.
- Improvement in finance penetration in LCVs and improvement in the loan-to-value (LTV) offered on MHCVs also supported CV disbursement growth in fiscal 2018.

Growth drivers of CV financing

The following factors will drive disbursement growth in the long term:

- As CV sales is closely aligned with economic cycles, expected improvement in economic growth will drive sales
- Shift towards higher tonnage vehicles and commissioning of dedicated freight corridors for railways might impact sales growth, and in turn, growth in disbursements
- Average prices are set to increase annually, supporting disbursement growth
- Better credit monitoring and availability of credit bureau data will help financiers reduce delinquencies and expand their customer base
- LTV in the MHCV segment is expected to improve 2-3% over the next 5 years, on account of increasing competition and rising penetration of credit bureau data
- Finance penetration in the LCV segment is also expected to increase 1-2% in the next 5 years with expanding network of banks/NBFCs branches
- Finance penetration in MHCV is expected to remain stable, as it is already high.

The CV industry is expected to grow at ~10% CAGR over the next 5 years to reach Rs 1,463 billion by fiscal 2023 with a sales volume of 10.34 lakh units (MHCVs - 4.03 lakh units and LCVs - 6.31 lakh units).

Growth in the CV industry size

P: Projected;

Source: SIAM, CRISIL Research

MHCV sales are expected to continue growing at a robust pace led by demand from road construction and higher infrastructure spend

Over the next 5 years, it will be driven by improving industrial activity, steady agricultural output, and government's focus on infrastructure. However, better road infrastructure, post-GST efficiency, and the commissioning of dedicated freight corridors (DFCs) might impact sales growth.

- Focus on infrastructure and higher mining production to support CV demand
- Stricter implementation of overloading ban, GST-related efficiencies to boost higher tonnage vehicles demand
- Efficiency gains from better road infrastructure and GST would hence lead to better fleet utilisation and lower demand for MHCVs
- Commissioning of dedicated freight corridor to restrict road freight growth, and hence, CV sales

Two-wheeler financing

The two-wheeler industry grew 15% in fiscal 2018 from 6% in previous fiscal, supported by improvement in the rural economy in a good monsoon year. Motorcycle sales (which accounts for nearly 63% of total two-wheeler sales) grew 14% due to good crop output, farm loan waiver in key states, and increase in minimum support prices (MSP). Scooters grew a strong 20% on the back of new model launches in 125cc segment, multi-ownership, and increasing rural penetration. Moped sales dipped 3% over a high base in fiscal 2018.

Scooters continue to gain popularity, as evidenced by the segment's increased share in total two-wheeler industry, from 21% in fiscal 2013 to 33% in fiscal 2018. Motorcycles accounted for 62% share in fiscal 2018, as compared to 73% in fiscal 2013.

Overall disbursements increased ~31% on-year in fiscal 2018, supported mainly by 15% growth in sales and 11% growth in average prices. Consumer preference has shifted significantly towards premium segment's vehicles mostly in urban areas.

CRISIL Research expects two-wheeler disbursements to grow 22% in fiscal 2019, to reach Rs 328 billion. The growth will mainly be supported by underlying sales growth of ~11% in fiscal 2019 and 4% growth in prices.

Growth drivers: Two-wheeler financing

CRISIL Research expects overall disbursements to increase at 19% CAGR between fiscals 2018 and 2020, and at 17% CAGR over the next five years. The total finance market is expected to reach ~Rs 588 billion in fiscal 2023 from ~Rs 270 billion in fiscal 2018. Compliance with BS-VI norms in fiscal 2021 would lead to sharp price rise and adversely affect sales, resulting in only marginal increase in disbursements that year.

Factors that will drive disbursement growth in long term are:

- Growth in two-wheeler sales and average prices
- Increase in average ticket size (on account of jump in average price and rise in loan to value),
- Considerable shift of consumer preference towards premium segments (mostly in urban areas)
- Increase in finance penetration
- Better credit monitoring and availability of credit bureau data that will help players reduce delinquencies and expand customer base
- Aggressive efforts by captive financing -- expected to increase financing penetration in coming years

Growth in two-wheeler industry

CRISIL Research estimates revenue of the Indian two-wheeler industry to have grown to Rs 1,251 billion in fiscal 2018, with sales volume of about 20.19 million units. The two-wheeler industry is expected to grow at CAGR of 13% over next five years to reach Rs 2,282 by fiscal 2023, with sales volume of 29.15 million units.

Outlook for two-wheeler sales

CRISIL Research expects the industry sales volumes to expand at 7-9% CAGR between fiscals 2019 and 2023, with 6-8% growth in motorcycles and 3-5% growth in mopeds. Scooters are projected to continue to outperform the industry at 9-11% CAGR.

- Rural demand (specially for motorcycles) will be backed by rising farm incomes and improving rural infrastructure, especially as the government continues to invest in developing rural roadways
- Multiple ownership will also accelerate two-wheeler industry growth
- Increasing rural penetration, convenience, perceived higher utility in infra-city transport, newer models with better fuel efficiency, and wider distribution network in semi-urban and rural areas will drive scooter sales
- In fiscal 2019, assuming normal monsoons, CRISIL Research expect the crop value index to rise further, owing to improvement in MSPs for kharif crops and increase in output of key crops such as paddy, sugarcane, cotton, and wheat

Tractors

Source: CRISIL Research Automobiles – Tractors report, published in Aug 2018

Tractor sales to continue on the growth path in fiscal 2019 with normal monsoon expectation

CRISIL Research expects domestic tractor sales volumes to continue its growth momentum from previous year, and increase by 12-14% in fiscal 2019, on the back of an expectation of a third consecutive normal monsoon (as per IMD forecast) and favourable farm sentiments. Favourable government announcements in terms of higher MSPs and compensation for difference between MSP and mandi prices are expected to lead to 1-3% incremental growth (this has been factored in our base call). However in case these schemes are not implemented well, it could shave off around two percentage points from our forecast for fiscal 2019. Bumper food-grain crop output has led to positive sentiments in states like Uttar Pradesh, Punjab, Maharashtra, Haryana – the major contributors to the high crop output. Further, volatile mandi prices has been a hurdle for the farmers as it had dented the profitability for some crops. However, support from the government to improve farm income has led to positive sentiments

across states. Moreover, with back-to-back normal monsoons, the financial situation of farmers has improved compared to the stress faced during droughts in fiscal 2015 and fiscal 2016. Farm loan waiver announcements in key markets of UP, Maharashtra, Karnataka and Punjab has also provided the impetus to tractor demand in these states. While commercial demand has taken a hit, with increased government regulation on illegal mining activities, continued focus on rural development - road construction and rural electrification - helped support non-farm demand.

The long term tractor industry CAGR from fiscal 2018 to fiscal 2023 is expected to be 7-9%. The forecast also takes into account possibility of 1-2 deficient rainfall years during this period.

Government's renewed thrust towards improving the rural economy, via measures such as doubling farm income by 2022, increasing spend towards irrigation, and improving crop productivity by distributing soil health cards is expected to drive growth in the long term. This will also be supported by other measures like the e-NAM (National Agriculture Market), expanding crop insurance, and gradual spread of Custom Hiring centres. With growth in rural wages decelerating, and mechanization on farm fields increasing, structural tractor demand growth gains support.

With current tractor population of ~5 million in India, penetration in India is only 1.5 hp/ha which is much below the 8-10 hp/ha penetration of developed countries, leaving much scope for growth. Keeping that as a benchmark, nearly 13 million farm tractors are required to till India's arable area of 159.2 million hectares, indicating a sustained growth potential of 8-10% CAGR (excluding commercial tractors) until fiscal 2027.

Domestic tractor sales to grow steadily over next five years

Domestic tractor sales volume is expected to increase at a moderate pace between fiscals 2019 and 2023, assuming a base case scenario which incorporates one or two deficient monsoon years. Current low tractor penetration warrants consistent growth in the long term to reach the penetration of developed countries. North and South India will drive growth in the long term, with favourable structural factors pointing to high potential in these regions.

CRISIL Research projects domestic tractor sales to expand at 7-9% compound annual growth rate (CAGR) during fiscals 2019 to 2023, on account of low tractor penetration in India, government's focus on improving farm incomes, and investments to improve rural infrastructure. The projected growth rate factors in one-two years of deficient rainfall in the base case scenario. However, in an ideal scenario, entailing normal monsoon in each year over the next five years, should raise the five-year CAGR to 10-12%.

Over next five years (fiscals 2019 to 2023), the following structural factors will support 7-9% growth:

- The government's objective of doubling farm income by 2022 via initiatives such as e-NAM (National Agriculture Market), expansion of crop insurance coverage, and improvement in land productivity via soil health cards. These measures should improve farmers' affordability, and boost tractor penetration.
- The government's renewed thrust on enhancing irrigation intensity and making the nation more drought-proof is expected to support agriculture growth and increase mechanisation.
- Tractors were predominantly used in land preparation and haulage. Tractor applications are now extending to other farming activities such as cultivation, seeding, inter-cultivation, weeding, and spraying.
- Increased multi-cropping and commercial usage of tractors is propelling tractor demand.
- Custom-hiring centres are being promoted through government incentives. The trend is catching up in Karnataka, Madhya Pradesh, Andhra Pradesh, Telangana, and Orissa and encouraging small farmers to lease tractors.

Cars and Utility Vehicles

The cars and UV industry's momentum is expected to continue in fiscal 2019. The long term picture also remains bright, given the current low vehicle penetration levels. Regulatory compliance, though, will push up prices slightly. Utilisation rates are set to improve in fiscal 2019, as also are margins, due to declining raw material

prices. Competition in the UV segment is expected to heat up with more launches and expanding portfolio of players.

The domestic passenger vehicle industry is expected to grow at 9-11% on-year in fiscal 2019 on a high base. Higher gross domestic product growth (7.5% expected in fiscal 2019), slightly higher crop output and increased infrastructure spending is expected to boost rural and semi-rural sentiments, and thereby automobile sales. In fact, the growth rate could be higher by 1-2% with increased government spending via subsidies and populist policy announcements in the second half of the fiscal in anticipation of general elections, which is expected to be held in May 2019.

CRISIL Research expects below factors to increase PV industry sales -

- Strong rural sentiments on account of higher farm output in fiscal 2017 and 2018 and continued focus on rural infrastructure which increased non-farm income have led to positive sentiments in fiscal 2019 so far.
- Despite below normal monsoon, a well distributed rainfall in key Kharif producing states is expected to result in positive sentiments in rest of the fiscal 2019. 2% higher reservoir level as compared to long period average at pan-India level is expected to aid higher Rabi production in fiscal 2019 and support farm incomes in rest of fiscal 2019. Government spending on infrastructure development to support higher non-farm incomes in fiscal 2019 as well as fiscal 2020.
- Muted interest rates will offer support by keeping the cost of ownership subdued
- New model launches will likely attract buyers and contribute to PV sales growth.
- Maruti Suzuki has commenced the second shift at its Gujarat facility from October 2017 and in fiscal 2019, the line will be able to produce 2.5 lakh units and reduce the waiting period on its models. Hyundai is also expected to undergo brownfield expansion and increase its production capacity by 50,000 units.
- Mandatory implementation of BS VI norms from April 1, 2020 onwards are expected to increase the vehicle prices by Rs 15,000-25,000 (for petrol cars) and Rs 40,000-50,000 (for diesel cars). This can result in pre-buying of vehicles in last quarter of fiscal 2020, prompting growth in fiscal 2020.

Improving gross domestic product (GDP), with 7.5% growth expected in this fiscal and better cash flow in the economy due to better crop output assuming a normal monsoon will support demand growth during the year. Government has hiked the minimum support prices (MSP) for crops to 1.5 times of production costs for kharif crops in fiscal 2019, which is expected to further strengthen rural sentiments.

Commercial Vehicles

CRISIL Research expects domestic commercial vehicle (CV) sales to rise ~18% in fiscal 2019 as:

- Sales of medium and heavy commercial vehicles (MHCV) in 2018-19 are expected to grow ~16% over a high base
 - Awarding of contracts by the National Highways Authority of India, the nodal agency for road construction, rose 70% to around 7,400 km in fiscal 2018, much of which will come up for execution in fiscal 2019. The government also plans to expedite all road construction by December 2018.
 - With construction being highly labour intensive, the government is expected to push construction projects in the pre-election year.
 - The government is likely to focus on major river-linking projects in its irrigation thrust and housing construction under Pradhan Mantri Awas Yojna; these schemes will also boost demand for CVs.
 - Expected improvement in GDP growth after lingering impacts of demonetisation and GST implementation dissipate. Industrial GDP is expected to increase by 6.8% in fiscal 2019 as against a 5.5% growth in fiscal 2018.
 - Input tax credit available on purchase of trucks incentivizing CV purchases by LFOs
- Prevalent overloading practiced by transporters to nullify the impact of axle norm. Higher tonnage MAVs are likely to be more desirable than T-Trailers post the implementation of the norm leading to some shift in demand
- CRISIL Research expects LCV goods sales to grow at ~22% on-year in fiscal 2019 aided by higher replacement demand supplemented by improved private consumption (Private Final Consumption Expenditure growth at 7.6% for fiscal 2019 versus a 6.6% growth in fiscal 2018). Higher infrastructure spend in the rural areas, too, is expected to aid demand.
- Bus demand is likely to see ~11% growth aided by a revival in most of the end-use sectors (especially private stage carriage, tourist, and schools) over a low base of fiscal 2018.

Segment-wise short-term projection

Domestic sales Segments	2017-18		2018-19P
	Volume	Growth (%)	Growth (%)
LCVs	467,224	29.5%	21-23%
MHCVs	304,664	19.4%	15-17%
Buses	84,573	-13.8%	10-12%
Total Commercial vehicle	856,461	19.9%	17-19%

E: Estimated; P: Projected;

Long-term prospects look optimistic

CRISIL Research expects sales growth of MHCV, LCV and buses -- the three major automobile segments -- to remain buoyant over the long term.

- MHCV sales, which rose at a tepid 1.6% CAGR between fiscals 2013 and 2018, will see a moderate 6-8% CAGR between fiscals 2018 and 2023. Factors driving the growth will be an improvement in industrial activity, steady agricultural output, and the government's focus on infrastructure. However, a full recovery will be limited as better road infrastructure, efficiency achieved after the goods and services tax implementation, shift to higher tonnage trucks and the commissioning of dedicated freight corridors could provide some downside to the volume growth.
- Improved consumption and rising replacement volume will drive the long-term LCV demand. However, a shift towards higher tonnage pick-ups from sub-1-tonne vehicles will curb higher sales growth. The replacement demand of sub-1-tonne segment is likely to taper off by fiscal 2022 leading to weaker sales in

the terminal year (fiscal 2023). All in all, the LCV sales are expected to rise at a CAGR of 5-7% between fiscals 2018 and 2023 over a high base of fiscal 2018 when the sales rose 29%. Large three-wheelers are likely to die as a segment as their total industry volume dropped to just 300 units in fiscal 2018. Small three-wheelers, meanwhile, are likely to show modest growth.

- CRISIL Research expects bus sales to be aided by the growth in urban population, demand from schools and corporates, improved road infrastructure, and increased inter-city travel. The government's thrust on rural transportation will also aid the demand. Overall, the bus segment is expected to rise at ~10% CAGR between fiscals 2018 and 2023.

Retail Finance – Housing

Source: CRISIL Research Retail Finance – Housing report, published in Jun 2018

Housing finance companies clocked strong growth between fiscals 2013 and 2018 - The outstanding loans of housing finance companies (HFCs) clocked ~20% compound annual growth rate (CAGR) between fiscals 2013 and fiscal 2018. The growth was supported by the following primary factors –

- rise in finance penetration
- increasing demand from Tier-II and Tier III / non-metro cities
- Increasing government support (Pradhan Mantri Awas Yojana or PMAY)
- improved transparency (Real Estate (Regulation and Development) Act, 2016, or RERA)
- increasing urbanisation (urban population, as a percentage of total population, rose steadily from 28.8% in 2004 to 31.2% in 2018)
- average ticket size expected to reduce

The housing portfolio (in term of outstanding) of HFC's total outstanding is projected to clock 18-19% CAGR from Rs 6.2 trillion in fiscal 2018 to Rs 14.8 trillion in fiscal 2023. The growth will mainly be supported by growth in housing units, higher finance penetration and increasing demand for the affordable housing segment. In addition to this, growing demand in tier II and smaller towns will support the growth momentum.

Growth in housing units – urbanisation, greater transparency driven by regulations, and improving affordability, will drive growth of housing units in the near to medium term.

Despite a flourishing housing industry, India still faces a huge shortage of houses, especially in urban areas. CRISIL Research expects urbanisation to accelerate, translating into 1.8-2.0% CAGR in the urban population between fiscals 2018 and 2022, compared with expected overall population growth of 1.2% during the same period. The shortage provides scope for the growth of the industry.

Post-demonetisation, the 'black' component in property transactions has come down, as per industry sources. This, coupled with implementation of the Real Estate Regulatory Act (RERA), is expected to make the industry more transparent. Affordability of housing units is also expected to increase, supported mainly by increasing per capita income and various government programs to drive housing growth.

HFC market share likely to increase over the medium term

HFCs will maintain their market share even when banks turn aggressive, riding on HFCs' increased presence in untapped market, greater focus on home loans, strong origination skills and relatively superior customer service. Additionally, an expansion in branches and a well distributed network of HFCs will support the growth of these banks in an extremely competitive market. HFCs expanded their network of branches at a healthy CAGR of more than 20% over the past five years. CRISIL Research expects growth to continue over the next two years as new players enter the market, and some existing players expand their domestic footprint.

Mid & small-sized HFCs to grow at a faster rate than large HFCs

CRISIL Research believes mid-sized HFCs (those with total retail housing loan outstanding below Rs 300 billion, as of March 2018) will record 25-26% CAGR between fiscals 2019 and 2020, while large HFCs will grow at a slower pace of 18% CAGR during this period. CRISIL Research expects higher growth for mid-sized HFCs, given their focus on affordable-housing projects and their relatively higher concentration in Tier-II and smaller cities, where growth has been higher over the past year. On the other hand, metros have seen some moderation in housing demand, due to a decline in affordability amid high property prices and reduction in black money component in metros.

Profitability is expected to decline from due to rising competition and higher credit cost

The spread for HFCs is expected to decline due to pressure on yields on account of rising competition and expected rise in cost of funds. Margins are also expected to decline due to higher credit cost on account of financiers increasing their focus on Tier II and Tier III cities. CRISIL Research expects the net interest margin for housing finance companies to decline from the current 3.17% to 3% in fiscal 2019.

Housing finance disbursement grew 17% in fiscal 2018

CRISIL Research estimates that housing finance disbursements grew around 17% in fiscal 2018 to Rs 4,500 billion. The demand for home loans remained buoyant with strong growth from tier-II and tier-III cities. Other factors that kept the demand strong include rising disposable incomes, increasing urbanisation, the government's thrust on affordable housing, and easier processes.

Housing loan disbursement to grow led by pick-up in demand in tier-II and -III cities

E: Estimated; P: Projected;

Source: NHB, CRISIL Research

CRISIL Research expects housing loan disbursements to grow at a healthy 16-18% CAGR until fiscal 2020, aided by low current mortgage penetration, improving affordability, urbanization and demand for affordable housing. In addition to this, infrastructure status to affordable housing will push more developers to enter in this segment as this will ensure easier access to institutional credit and help in reducing developer's cost of borrowing for affordable projects leading to more supply of units at reasonable price. Also the real estate (Regulatory & Development) act, 2016 will lead to relatively more structured, transparent and disciplined sector in future.

Market share of HFCs likely to increase over the next 2-3 years

The market share of HFCs to increase over the next 2-3 years (and will not decrease even after aggressive focus by banks) led by regulatory focus to increase funding avenues and containing borrowing costs for HFCs like;

- The RBI has reduced risk weights on bank lending to AAA rated HFCs to 20% from 100%, assisting in reducing loan costs.
- In February 2017, SEBI has increased cap for debt mutual funds on additional exposure to AA (and above) rated HFCs from 10% to 15% (over the 25% sectoral limit), also IRDA has exempted investments in AAA rated HFCs from sectoral cap.

While banks have traditionally competed on interest rates, CRISIL Research believes HFC's specialized focus on home loans makes them more attractive.

HFCs market share to increase over the medium term

Thrust on affordable housing to boost disbursements

The recent push by the government to provide 'housing for all' by 2022 and various steps taken to implement the same, are expected to boost sales of affordable and low-cost housing units and consequently, financing for the same. Recent steps taken by government and RBI:

- In June, 2018, RBI raised the housing loan limits for priority sector eligibility by 25%. RBI has revised housing loan limits for PSL eligibility from Rs 28 lakhs to Rs 35 lakhs in metropolitan centres (with a population of 10 lakh and more) and from Rs 20 lakhs to Rs 25 lakhs in other centres.
- In June, 2018, Carpet area raised by 33% under Credit Linked Subsidy Scheme (CLSS) for Middle income group under Pradhan Mantri Awas Yojana (PMAY). The increase in carpet area will help MIG beneficiaries to avail interest subsidy for bigger houses.
- In Feb 2018, government announced to set affordable housing fund under the National Housing Bank.
- March 2017, Government allows 90% of Government run pension fund EPFO can be withdrawn for house purchase

India's mortgage penetration remains low

India's mortgage-to-GDP ratio is still low at 10% in 2017-18 compared with other developing countries, but it has improved from 7.4% in 2009-10, given rising incomes, improving affordability, growing urbanisation, including emergence of tier-II and tier-III cities, evolution of the nuclear family concept, tax incentives, widening reach of financiers and faster loan sanctioning.

Mortgage penetration (as a % of GDP)

*Note: India data for FY18, Other countries data for CY15;
Source: European Mortgage Federation, HOFINET, CRISIL Research*

CRISIL analysis shows that mortgage penetration level in India is 9-11 years behind other emerging markets in the region such as China and Thailand. However, due to various structural drivers such as young population, smaller family sizes, increasing urbanisation, rising income levels and widening reach of financiers, CRISIL Research believes the mortgage business will see healthy growth over the long term.

We are one of the leading non-banking finance companies with customers primarily in the rural and semi-urban markets of India. We are primarily engaged in providing financing for new and pre-owned auto and utility vehicles, tractors, cars and commercial vehicles. We also provide housing finance, manage mutual funds, personal loans, financing to small and medium enterprises, insurance broking and mutual fund distribution services. In addition, we provide wholesale inventory financing to dealers and retail financing to customers in the United States for purchase of Mahindra tractors through Mahindra Finance USA LLC (**MF USA**), our joint venture with De Lage Landen Financial Services Inc., which is a member of the Rabobank Group. We are part of the Mahindra group, which is one of the largest business conglomerates in India.

Our Company was incorporated on 1 January 1991 under the name of Maxi Motors Financial Services Limited as a public limited company under the provisions of the Companies Act 1956. Our Company commenced its operations, pursuant to a certificate of commencement of business dated 19 February 1991. Pursuant to a fresh certificate of incorporation dated 3 November 1992, consequent to change of name, our Company’s name was changed to Mahindra & Mahindra Financial Services Limited.

Our Company holds a certificate of registration dated 4 September 1998 bearing number 13.00996 issued by the RBI to carry on the activities of a NBFC under section 45 IA of the RBI Act 1934 which has been renewed on 21 March 2007. We have established a pan-India presence, spanning 27 states and five union territories through 1,296 offices as of 30 September 2018. We cater to the financing needs of retail customers and small and medium-sized enterprises. We primarily focus on providing financing for purchases of auto and utility vehicles, tractors, cars, commercial vehicles and construction equipment, pre-owned vehicles, and others which accounted for 26 %, 18 %, 20 %, 13 %, 23% and 9 % of estimated total value of the assets financed by our Company, respectively, for the financial year 2018. For the half-year ended 30 September 2018, financing for purchases of auto and utility vehicles; tractors; cars; commercial vehicles and construction equipment; and pre-owned vehicles, SME and others accounted for 23%, 18%, 20%, 18% and 21% of estimated total value of the assets financed by our Company, respectively. We benefit from our close relationships with dealers and our long-standing relationships with OEMs, which allow us to provide on-site financing at dealerships.

In May 2004, we started an insurance broking business through our subsidiary, Mahindra Insurance Brokers Limited (**MIBL**). We currently hold 80.0% of the outstanding equity shares of MIBL. We provide insurance broking solutions to individuals and corporates through MIBL. MIBL has a composite broking licence from the IRDA, which allows MIBL to undertake broking of life, non-life and reinsurance products. It has been awarded the ISO 9001:2008 Certification for Quality Management Systems for services related to broking of life and non-life insurance products to corporate and retail customers. MIBL earned an income of Rs. 24,498.30 lakhs and achieved a profit after tax of Rs. 5,216.66 lakhs compared to an income of Rs. 17,419.24 lakhs and a profit after tax of Rs. 5,304.81 lakhs for the fiscal year 2017-2018 and 2016-17 respectively.

In October 2007, we commenced our housing finance business through our registered subsidiary, Mahindra Rural Housing Finance Limited (**MRHFL**). We hold 89.0% of the outstanding equity shares of MRHFL. The National Housing Bank (NHB), a principal agency to promote housing finance set up in 1988 as a wholly owned subsidiary of the RBI, presently owns a 11.0% of the equity share capital of MRHFL. We provide housing loans to

individuals through MRHFL, a registered housing finance company. We grant housing loans for purchase, construction, extension and renovation of house property.

In September 2010, we entered into an agreement with De Lage Landen Financial Services Inc., to form a joint venture company in the United States, Mahindra Finance USA LLC (**MF USA**). Our Company owns a 49.0% equity interest in MF USA and the balance is owned by De Lage Landen Financial Services Inc. MF USA provides wholesale inventory financing to U.S.-based dealers purchasing products of the Mahindra group and retail financing to customers for financing the purchase of Mahindra tractors.

On 20 June 2013, Mahindra Asset Management Company Private Limited was incorporated and was appointed as the asset management company of the Mahindra Mutual Fund. The Mahindra Mutual Fund was constituted as a trust and was registered with SEBI. Our Company is the sponsor to the mutual fund and Mahindra Trustee Company Private Limited, a wholly owned subsidiary of our Company, is the trustee to the mutual fund. The maiden fund of the Mahindra Mutual Fund – ‘Mahindra Liquid Fund’ – received approval from the SEBI in June 2016 and was launched in July 2016. Mahindra Mutual Fund has a total of seven live schemes as on September 30, 2018.

Mahindra & Mahindra, our promoter and the flagship company of the Mahindra group, had a market capitalisation of Rs. 906 billion as of 30 September 2018. The Mahindra group has a strong presence in the utility vehicles, tractors, information technology, financial services, aerospace, real estate, hospitality and logistics sectors.

Our Competitive Strengths

Our competitive strengths are as follows:

Knowledge of Rural and Semi-Urban Markets

We have over 20 years of operating experience primarily in rural and semi-urban markets, which has led to a significant understanding of the local characteristics of these markets and has allowed us to address the unique needs of our customers. Of our Company's 1,296 offices spanning across 27 states and 5 union territories, as of 30 September 2018, a majority cater to customers located in rural and semi-urban markets. We have adapted to markets that are affected by the limitations of rural infrastructure and have developed a diversified customer base of farmers, car owners, transport agencies, small businessmen and home owners. For origination and collection, we hire employees with knowledge of the local markets and have also implemented a de-centralised process to approve loans that meet pre-determined criteria. Further, our field executives use hand-held general packet radio service (GPRS) enabled devices to record data while collecting loan payments at the customer's home or business location. This leads to face-to-face interaction that improves our understanding of the needs of our customers and enables us to be more responsive to local market demand. We believe that our knowledge of the rural and semi-urban markets is a key strength that has enabled us to become one of India's leading NBFCs.

We were early entrants into the rural and semi-urban markets, initially providing financing solely for products of M&M. Credit in these markets was principally provided by banks or by the local money lenders. There was a large section of the rural population which did not access credit largely due to their inability to meet the lending requirements of the banks or because the local money lenders usually charged high rates of interest. We identified this opportunity and positioned ourselves to service this population. We adopted simple and prompt loan approval and documentation procedures. In addition, the markets we serve are largely cash-driven and we understand the challenges and limitations of rural infrastructure and have created processes and systems to overcome such limitations and challenges. For example, our field executives collect cash at the customer's premises saving them the need to travel to one of our offices or a bank. These visits also enable us to develop our customer relationships and importantly allow us to understand their businesses. This understanding enables us to be proactive and develop future products for our customers. Our nationwide network, locally recruited employees, regular visits to our customers and our close relationship with the dealers enable us to understand the needs of our customers. We believe that due to our early entry, our client relationships and our relationship with OEMs, we have built a recognisable brand in the rural and semi-urban markets of India.

Extensive Network of Offices

We operate an extensive network of our 1,296 offices spanning across 27 states and 5 union territories, as of 30 September 2018. The reach of our offices allows us to service our existing customers and attract new customers as a result of personal relationships cultivated through proximity and frequent interaction by our employees. Our widespread office network reduces our reliance on any one region in India and allows us to apply best practices developed in one region to other regions. Our geographic diversification also mitigates some of the regional, climatic and cyclical risks, such as heavy monsoons or droughts. In addition, our extensive office network benefits from a decentralised approval system, which allows each office to grow its business organically as well as leverage its customer relationships by offering distribution of insurance products and mutual funds. We service multiple products through each of our offices, which reduces operating costs and improves total sales. We believe that the challenges inherent in developing an effective office network in rural and semi-urban areas provide us with a significant first mover advantage over our competitors in these areas.

Streamlined Approval and Administrative Procedures and Effective Use of Technology

We believe that we benefit from our streamlined company-wide approval and administrative procedures that are supplemented by our employee training and integrated technology. Our local offices are responsible for appraisal, disbursement, collection and delinquency management of loans. We require simple documentation to comply with the regulatory norms and for the collateral on the vehicle or equipment purchased. Typically, we approve loans within two business days from receiving the complete loan application. Each of our security agreements contains alternate dispute resolution provisions for arbitration, repossession and sale of assets that secure defaulting loans. As part of our application process, we also require that the customer provides a guarantor prior to disbursing the funds, a process which we believe acts as a social enforcement mechanism for timely repayment by the customer.

We believe that our decentralised, streamlined origination process is successful because of our employee training and integrated technology. We train our employees to use soft skills and offer customised financial products based on the credit requirements and credit history of customers. Moreover, we are able to regularly monitor origination, disbursement and collection with our integrated technology. In addition, hand-held GPRS enabled devices used by our employees provide us with instalment collection, customer and certain risk management information in a prompt manner, thus enabling better monitoring. The recording of data in this manner enables us to provide intimation by SMS to customers in a prompt manner at every stage of the transaction and we believe it also allows us to handle customer queries more efficiently.

History of Strong Customer and Dealer Relationships

We believe that we benefit from strong relationships with our customers, developed from long-term in-person customer contact, the reach of our office network, local knowledge and our continued association with automotive, farm equipment and car dealers. As part of our customer-centric approach, we recruit employees locally to increase our familiarity with the local customers and area. We believe that this personal contact, which includes visits by our employees to a customer's home or business to collect instalment payments, increases the likelihood of repayment, encourages repeat business, establishes personal relationships and helps build our reputation for excellent customer service. We also believe that our Company's close relationships with dealers help us develop and maintain strong customer relationships.

Brand Recall and Synergies with the Mahindra Group

M&M, our Promoter and the flagship company of the Mahindra group, has been selling automotive and farm equipment in semi-urban and rural markets for over six decades. The Mahindra group is one of the largest business conglomerates in India and has a strong presence in the utility vehicles, tractors, information technology, financial services, aerospace, real estate, hospitality and logistics sectors. We believe that our relationship with the Mahindra group provides brand recall and we will continue to derive significant marketing and operational benefits.

Access to Cost-Effective Funding

We believe that we are able to access cost-effective borrowings due to our strong brand equity, stable credit history, superior credit ratings and conservative risk management policies. Historically, we have secured cost-effective funding from a variety of sources. Our Company maintains borrowing relationships with several banks, mutual funds and insurance companies. Our Company's long-term NCD and subordinated debt is presently rated IND AAA, CARE AAA and CRISIL AA+ by India Ratings and Research Private Limited, Credit Analysis & Research Limited and CRISIL, respectively, and our long-term subordinated debt is presently rated BWR AAA by Brickwork Ratings India Private Limited. India Ratings and Research Private Limited and CRISIL has rated our Company's short-term debt as IND A1+ and CRISIL A1+, respectively, which is the highest rating for short-term debt instruments, and CRISIL has rated our Company's fixed deposit programme FAAA. For the period ended 30 September 2018 and the financial year 2018, our Company's average annualised interest cost of borrowed funds was 8.2% and 8.1%, respectively.

Experienced Management Team

We have an experienced management team, which is supported by a capable and motivated pool of employees. Our senior managers have diverse experience in various financial services and functions related to our business. Our senior managers have an in-depth understanding of the specific industry, products and geographic regions they cover, which enables them to appropriately support and provide guidance to our employees. We also have an in-house experienced legal team consisting of qualified professionals, well-equipped to handle all our legal requirements ranging from loan and security documentation to recovery, repossession, security enforcement and related litigation, if any. In addition, our management has a track record of entering and growing new lines of business, such as insurance broking and housing finance. Our Board, including the independent directors, also has extensive experience in the financial services and banking industries in India.

Our Strategies

Our business strategies are as follows:

Focus on the Rural and Semi-Urban Markets to Grow our Market Share

We plan to continue to expand our office network and increase the market share of our existing products and services in the rural and semi-urban markets of India. In opening each office site, we analyse the local market and proximity to target customers. We believe our customers appreciate this convenience and that well-placed office sites allow us to attract new customers. In addition to our offices and region-based organisational structure, we have also formed a separate vertical for collections and each of our key products, which works with our employees across offices to customise our products based on customers' feedback.

We also seek to expand our dealer relationships by strengthening our presence at dealerships and by continuing to engage dealers of a range of OEMs for customer relationships. We believe that this strategy will increase our customer base and revenues and mitigate risks associated with deriving a substantial percentage of our vehicle financing revenues from purchasers of M&M vehicles. In order to enhance our dealer relationships, we also provide trade funding to assist with the working capital requirements of these dealers. We believe that we are in a position to leverage our existing distribution infrastructure to increase our penetration in markets where we already have a presence.

Focus on Effective Use of Technology

As we continue to expand our geographic reach and scale of operations, we intend to further develop and integrate our technology to support our growth, improve the quality of our services and approve loans at a faster rate. We intend to increase the number of offices connected to the centralised data centre in Mumbai. We also intend to expand our use of hand-held GPRS enabled devices, which collect data used to monitor our operations and risk exposure. We have also rolled out an advanced version of the GPRS enabled devices, which functions as a 'mobile office' and allows our employees to originate loans and issue receipts. We believe that as we develop and integrate such programmes into our business, we can further capitalise on the reach of our offices and increase our market share. Our use of technology will also allow us to continue providing streamlined approval and documentation procedures and reduce incidences of error.

Further, our continued focus on the effective use of technology is aimed at allowing employees across our office network to collect and feed data to a centralised management system, providing our senior management with prompt operational data. We believe that the accurate and timely collection of such data gives us the ability to operate our business in a centralised manner and develop better credit procedures and risk management.

Diversify Product Portfolio

We also intend to further improve the diversity of our product portfolio to cater to the various financial needs of our customers and increase the share of income derived from sale of financial products. We intend to improve the diversity of our product portfolio both within our vehicle financing business as well as through the introduction and growth of other financial products. For example, we have recently commenced the leasing of electric vehicles in certain geographies, manufactured by an affiliate of ours. We intend to grow the share of our disbursements to pre-owned vehicles, light and heavy commercial vehicles and small and medium enterprises to capture market share in what we believe is a growth area and improve the diversity of our loan exposure. We also intend to leverage our OEM relationships and our existing office network to diversify and expand our product portfolio.

Beyond our vehicle financing business, we intend to leverage our brand and office network, develop complementary business lines and become the preferred provider of financial products in rural and semi-urban markets – a one-stop shop for customers' financial needs. We have also launched a direct marketing initiative to target our existing and former customers to cater to all their financing requirements, thus generating new business and diversifying our loan assets. We expect that complementary business lines will allow us to offer new products to existing customers while attracting new customers as well. To this end, we intend to grow our housing finance, SME financing and increase distribution of mutual funds and insurance products. We will continue to focus on growing our rural housing portfolio through our subsidiary MRHFL, which we believe is in a unique position to cater to a large and untapped customer base.

Continue to Attract and Retain Talented Employees

We are focussed on attracting and retaining high-quality talent. We recognise that the success of our business depends on our employees, particularly as we continue to expand our operations. We have successfully recruited and retained talented employees from a variety of backgrounds, including credit evaluation, risk management, treasury, technology and marketing. We will continue to attract talented employees through our retention initiatives and recruitment from local graduate colleges. Our retention initiatives include job rotation, quarterly reviews, incentive-based compensation, employee recognition programmes, an employee stock option plan, training at our training facility and on-the-job training. We invest a significant amount of time and resources in training our employees, which we believe fosters mutual trust, improves the quality of our customer service and puts further emphasis on our continued retention.

DESCRIPTION OF OUR BUSINESS

Our Vehicle Financing Business

We are primarily engaged in asset financing of vehicles, which we divide into five categories: (a) auto and utility vehicles; (b) tractors; (c) cars; (d) commercial vehicles and construction equipment; and (e) pre-owned vehicles and others. Our customers include various transport operators, farmers, small businesses and self-employed and salaried individuals.

Vehicle Financing by Segment

- *Auto and Utility Vehicles.* We finance the purchase of new auto and utility vehicles, which are typically used to transport passengers and goods. The auto and utility business comprised 23% and 26% of the estimated total value of assets financed by our Company for the period ended 30 September 2018 and 31 March 2018, respectively.
- *Tractors.* We finance the purchase of new tractors, which are used as farm equipment and to carry and to pull goods. The tractor business comprised 18% and 18% of the estimated total value of assets financed by our Company for the period ended 30 September 2018 and 31 March 2018, respectively.
- *Cars.* We finance the purchase of new cars which are used for personal or commercial purposes. The cars business comprised 20% and 20% of the estimated total value of assets financed by our Company for the period ended 30 September 2018 and 31 March 2018, respectively.
- *Commercial Vehicles and Construction Equipment.* We finance the purchase of new commercial vehicles, including light commercial vehicles (LCVs), which carry goods and passengers, and heavy commercial vehicles (HCVs), which carry goods and construction equipment. For LCVs, our customers are typically medium and small fleet operators. For HCVs, our customers are typically transport operators and small businesses. The commercial vehicles and construction equipment business comprised 18% and 13% of the estimated total value of assets financed by our Company for the period ended 30 September 2018 and 31 March 2018, respectively.
- *Pre-Owned Vehicles and Others.* We finance the purchase of pre-owned vehicles, primarily cars and multi-utility vehicles and other vehicles, which include two-wheelers and three-wheelers. We also provide finance to SME and personal loans. The pre-owned vehicles and other business comprised 21% and 23% of the estimated total value of assets financed by our Company for the period ended 30 September 2018 and 31 March 2018, respectively.

Our Company's estimated composition of assets financed in each of our vehicle financing businesses is set forth below:

	Half -year ended 30 September 2018	Financial Year		
		2018	2017	2016
Auto and Utility	23%	26%	28%	30%

Pre-Owned Vehicles and others	21%	23%	20%	22%

Origination

Customer Base

Our customers are predominantly small entrepreneurs and self-employed individuals in rural and semi-urban areas, such as transport operators, taxi operators and farmers. We secure our loans through the hypothecation of each asset financed. Our customers generally contribute between 10% and 30% of the purchase price of the asset financed, with the balance lent by us. During the period ended 30 September 2018 and the financial years 2018, 2017 and 2016, our Company entered into 3,45,249; 6,26,172; 5,56,122 and 5,22,256 new customer contracts, respectively.

Office Network

As of 30 September 2018, our Company had 1,296 offices located in 27 states and 5 union territories in India. Our offices are authorised to approve loans within prescribed guidelines and have appropriate staffing to process and monitor the loans made. Office employees report to their respective regional offices, which, in turn, report to their zone office and the head office in Mumbai.

As of 30 September 2018, the northern, southern, western, central and eastern regions of India contributed 27%, 20%, 20%, 9% and 24% of our Company's loan assets, respectively. Further, during the period ended 30 September 2018, our disbursements in the northern, southern, western, central and eastern regions of India accounted for 29%, 19%, 17%, 10% and 21% of our Company's total disbursements, respectively.

The distribution of offices across India by state as of 30 September 2018 is set out in the map below:

Relationships with Dealers

We initially provided financing to M&M dealers and have since developed close relationships with other dealers across India. Our Company has entered into memoranda of understanding with OEMs through which we have an opportunity to provide financing to customers and conduct promotional activities across their dealership network in India.

As part of our lending operations, we provide trade advances to dealers, which facilitates their customers to enter into loan agreements with us. These arrangements accelerate the process of financing and helps us maintain close relationships with dealers. From time to time, we also organise dealer conferences and sales meetings, through which dealers provide us with feedback on customer requirements and market trends. As part of our marketing efforts, we also organise 'loan fairs' with dealers.

Dealer Council

We formed a 'Dealer Council' in 2009, which includes a select mix of OEM dealers. Our Dealer Council is mandated to discuss ways to strengthen our relationships with the dealers and develop a framework to address the various financial requirements of the dealers and provide structured feedback on market trends and customer preferences. Further, we expect that our Dealer Council will help us to undertake process improvement initiatives based on the feedback from dealers and customers, which we believe will help us in becoming more customer centric.

Our Operations – Lending Policy

Initial Evaluation

Once we identify a customer and complete his application, a field executive obtains information from the customer, including proof of identification and residence, background, potential of servicing the loan, other outstanding loans, loan type sought and the proposed use of the vehicle being financed. We also require that the customer provide a guarantor, typically another vehicle owner and preferably an existing or former customer of ours.

For a customer seeking to finance a pre-owned vehicle, our field executive prepares a vehicle inspection and evaluation report to determine the registration details, condition and market value of the vehicle. The field executive also prepares a field investigation report, which includes details of various moveable and immovable properties of the applicant and guarantor. For an existing customer, the field executive also evaluates the customer's track record of payments.

The field executive then recommends whether the loan should be approved based on our prescribed guidelines and forwards a recommendation to the office manager.

Approval Process

Our office managers evaluate proposals received from field executives. Office managers primarily evaluate a customer's ability to repay, which includes permanency of residence, record of past repayment, income from other sources, and operational viability of the proposed business, if applicable. To minimise the time required for approvals, we conduct know your customer procedures as required by the RBI, use decentralised approval authority and standardised documentation and procedures across our offices. We typically approve loans within two days of receiving a complete application together with relevant supporting documents.

For the trade advances that we provide to authorised dealers of OEMs, we also undertake background checks with the vehicle manufacturer, credit history, business volumes and seasonality. Our head office sets and communicates limits on trade advances for dealers.

For SME financing, there are teams involved which comprise customer relationship, credit, risk and compliance. The customer relationship team collects the credit log information based on which it visits the customer and does the assessment. The customer requirement is fulfilled with products defined in the credit policy. After the customer accepts the product structure, the proposal is provided to the approval authority as defined in the credit policy. Thereafter, the compliance team takes care of the execution of conditions of approval and the disbursement of the loan. The disbursement is conducted through the centralised accounts team at our head office. All the

activities, from login, approval, compliance to disbursement, are undertaken from a single software system. The credit policy and products are designed taking into consideration the customer segments and industry segment.

Disbursement

After confirming completion of the initial evaluation and approval process, our field executives meet the customers to execute the loan documentation, ensuring that we gain security over the collateral. The field executive verifies the know your customer checklist with the customer and verifies the completed checklist with information in our file. The field executive explains the contents of the loan documents and based on the customer's request, provides copies of the executed loan documents to the customer. For pre-owned vehicles, we also require endorsement of the registration certificate and the insurance policy. We aim to appraise customers and complete disbursement within the shortest amount of time while adhering to our internal standards and regulatory requirements.

Loan Administration and Monitoring

At the outset of loan disbursement, we give our customers an option to pay using methods such as cash, cheque, automated clearing house and other digital modes of payment – at a frequency that is fixed after determining the customer's expected cash flow. For cash collections, our field executives visit customers to collect instalments as they become due. We track loan repayment schedules on a monthly basis centrally through a team which monitors instalments due and loan defaults. We ensure that all customer accounts are reviewed by an office manager at regular intervals, with customers who have larger exposures or missed payments reviewed more frequently.

Collection and Recovery

Our field executives are responsible for collecting instalments, with each field executive typically having responsibility for a specified number of borrowers, depending on the volume of loan disbursements in the area. We are considering opening a new office to handle additional customers in the region in an effort to ensure that each office can closely monitor its risks and collections.

We believe that our loan recovery procedure is well suited to rural and semi-urban markets. The entire collection process is administered in-house. If a customer misses instalment payments, our field executives identify the reasons for default and initiate action pursuant to our internal guidelines.

In the event of default under a loan agreement, we may initiate the process for repossessing collateral. We generally use external agencies to repossess collateral. Where appropriate, our collections department co-ordinates with our legal team and external lawyers to initiate and monitor legal proceedings.

Asset Quality

We maintain our asset quality by adhering to credit evaluation standards, limiting customer and vehicle exposure and interacting with customers directly and regularly. We ensure that prudent LTV ratios are adhered to while lending. We ensure prompt collection and proper storage of post-disbursement documents. We periodically inspect, either by ourselves or by internal auditors, our customers and the assets financed on a random basis. Our office accountants conduct tele-verification of the customers' key details and close follow-up is undertaken to ensure timely collection and control overdues.

Asset Classification

The Non-Banking Financial Company – Systematically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions 2016 (**Master Directions**) provide standards for asset classification, treatment of NPAs and provisioning against NPAs for deposit-taking NBFCs in India. Our Company, like other deposit-taking NBFCs, is required to classify lease and hire purchase assets, loans, advances and other forms of credit into various classes.

The Master Directions for asset classification are set forth below:

- *Standard asset* – an asset in respect of which no default in repayment of principal or payment of interest is perceived and which has no disclosed problems and does not carry a risk higher than is normally associated with the business.
- *Sub-standard asset* – means an asset which has been classified as non-performing asset for a period not exceeding 14 months, provided that the period 'not exceeding 14 months' shall be 'not exceeding 14 months' for the financial year ending March 31, 2017 and 'not exceeding 12 months' for the financial year ending

March 31, 2018 and thereafter. An asset shall be sub-standard where the terms of the agreement regarding interest and / or principal have been renegotiated or rescheduled after commencement of operations, until the expiry of one year of satisfactory performance under the renegotiated or rescheduled terms;

- *Doubtful asset* – an asset which remains a sub-standard asset for a period exceeding 14 months, provided that the period ‘not exceeding 14 months’ shall be ‘not exceeding 14 months’ for the financial year ending March 31, 2017 and ‘not exceeding 12 months’ for the financial year ending March 31, 2018 and thereafter; and
- *Loss asset* – an asset that (a) has been identified as a loss asset by the NBFC or its internal or external auditor or by the RBI during the inspection of the NBFC, to the extent that it is not written off by the NBFC; and (b) is adversely affected by a potential threat of non-recoverability due to either erosion in the value or non-availability of security or due to any fraudulent act or omission on the part of the borrower.

An NPA means:

- an asset, in respect of which, interest has remained overdue for a period of six months or more;
- a term loan inclusive of unpaid interest, when the instalment is overdue for a period of six months or more or on which interest amount remained overdue for a period of six months or more;
- a demand or call loan, which remained overdue for a period of six months or more from the date of demand or call or on which interest amount remained overdue for a period of six months or more;
- a bill which remains overdue for a period of six months or more;
- the interest in respect of a debt or the income on receivables under the line item “other current assets” in the nature of short term loans/advances, which facility remained overdue for a period of six months or more;
- any dues on account of sale of assets or services rendered or reimbursement of expenses incurred, which remained overdue for a period of six months or more;
- provided that the period of ‘six months or more’ provided in the clauses above shall be read as ‘five months or more’ for the Financial Year 2016; ‘four months or more’ for the Financial Year 2017; and ‘three months or more’ for the Financial Year 2018 and thereafter;
- the lease rental and hire purchase instalment, which has become overdue for a period of 12 months or more; provided that the period of “12 months or more” provided in this clause shall be read as ‘nine months or more’ for the Financial Year 2016; ‘six months or more’ for the Financial Year 2017; and ‘three months or more’ for the Financial Year 2018 and thereafter; and
- in respect of loans, advances and other credit facilities (including bills purchased and discounted), the balance outstanding under the credit facilities (including accrued interest) made available to the same borrower/beneficiary when any of the above credit facilities becomes a non-performing asset; provided that in the case of lease and hire purchase transactions, an applicable NBFC shall classify each such account on the basis of its record of recovery.

The Master Directions require NBFCs to make provisions against sub-standard assets, doubtful assets and loss assets, after taking into account the time lag between an account becoming non-performing, its recognition as such, the realisation of the security and the erosion over time in the value of the security charged.

Loans Advances and Other Credit Facilities including Bills Purchased and Discounted

The provisioning requirement in respect of loans advances and other credit facilities including bills purchased and discounted is:

- **Standard Assets Provisioning:** Every applicable NBFC shall make provisions for standard assets at 0.40% of the outstanding, which shall not be reckoned for arriving at net NPAs. The provision towards standard assets need not be netted from gross advances but shall be shown separately as “Contingent Provisions against Standard Assets” in the balance sheet.

- Sub-standard Assets: A general provision of 10.0% of the total outstanding sub-standard assets is required to be made;
- Doubtful Assets: (a) A 100.0% provision to the extent to which the advance is not covered by the realisable value of the security to which the applicable NBFC has a valid recourse shall be made; the realisable value is to be estimated on a realistic basis; and (b) in addition to (a), depending on the period for which the asset has remained doubtful, provision to the extent of 20.0% to 50.0% of the secured portion of the doubtful assets (i.e., estimated realisable value of the outstanding amount) is required to be made as follows: (i) if the asset has been considered doubtful for up to one year, provision to the extent of 20.0% of the secured portion of the doubtful assets is required to be made; (ii) if the asset has been considered doubtful for one to three years, provision to the extent of 30.0% of the secured portion of the doubtful assets is required to be made; and (iii) if the asset has been considered doubtful for more than three years, provision to the extent of 50.0% of the secured portion of the doubtful assets is required to be made; and
- Loss Assets: The entire asset is required to be written off. If the asset is permitted to remain in the books for any reason, 100.0% of the outstanding amount should be provided for.

Lease and Hire Purchase Assets

The provisioning requirement in respect of hire purchase assets is the total dues (overdues and future instalments, collectively) as reduced by (a) the finance charges not credited to the profit and loss account and carried forward as non-matured finance charges; and (b) the depreciated value of the underlying asset. For this purpose (i) the depreciated values of the asset is notionally computed as the original cost of the asset to be reduced by depreciation at the rate of 20.0% per annum on a straight line method; and (ii) in the case of second-hand assets, the original cost is the actual cost incurred for acquisition of the second-hand asset.

In respect of lease and hire purchase assets, the following additional provisions are required to be made:

- Standard Assets Provisioning: Every applicable NBFC shall make provisions for standard assets at 0.40% of the outstanding, which shall not be reckoned for arriving at net NPAs. The provision towards standard assets need not be netted from gross advances but shall be shown separately as “Contingent Provisions against Standard Assets” in the balance sheet.
- where the amount of hire charges or lease rentals is overdue for less than 12 months, no provision is required to be made;
- where any amount of hire charges or lease rentals is overdue for 12 to 24 months, 10.0% of the net book value should be provided for;
- where any amount of hire charges or lease rentals are overdue for more than 24 months but up to 36 months, 40.0% of the net book value should be provided for;
- where such amount of hire charges or lease rentals are overdue for more than 36 months but up to 48 months, 70.0% of the net book value should be provided for;
- where any amount of hire charges or lease rentals are overdue for more than 48 months, 100.0% of the net book value should be provided for; and
- on expiry of a period of 12 months after the due date of the last instalment of hire purchase/leased asset, the entire net book value is required to be provided for.

Our Provisioning Policy

With the introduction of Ind AS from April 1, 2018, our Company started recognising provisions based on expected credit loss model (“ECL”). The basis of provisioning may be significantly different between the Ind AS and Indian GAAP. ECL are a probability-weighted estimate of credit losses. A credit loss is the difference between the cash flows that are due to an entity in accordance with the contract and the cash flows that the entity expects to receive discounted at the original effective interest rate. Because ECL consider the amount and timing of payments, a credit loss arises even if the entity expects to be paid in full but later than when contractually due.

Stage 1 includes financial instruments that have not had a significant increase in credit risk since initial recognition or that have low credit risk at the reporting date. For these assets, 12-month expected credit losses are recognised and interest revenue is calculated on the gross carrying amount of the asset (that is, without deduction for credit allowance). 12-month ECL are the expected credit losses that result from default events that are possible within 12 months after the reporting date. It is not the expected cash shortfalls over the 12-month period but the entire credit loss on an asset weighted by the probability that the loss will occur in the next 12 months (“**Stage 1**”).

Stage 2 includes financial instruments that have had a significant increase in credit risk since initial recognition (unless they have low credit risk at the reporting date) but that do not have objective evidence of impairment. For these assets, lifetime ECL are recognised, but interest revenue is still calculated on the gross carrying amount of the asset. Lifetime ECL are the expected credit losses that result from all possible default events over the expected life of the financial instrument. Expected credit losses are the weighted average credit losses with the probability of default as the weight (“**Stage 2**”).

Stage 3 includes financial assets that have objective evidence of impairment at the reporting date. For these assets, lifetime ECL are recognised and interest revenue is calculated on the net carrying amount (that is, net of credit allowance) (“**Stage 3**”).

Until March 31, 2018, our Company followed a more conservative policy, (as approved by the Audit Committee) for making provisions against loans in default than that which has been prescribed by the RBI, and we make further provisions if we identify a risk. Accordingly, our Company made provisions as mentioned below:

Duration	Our Norms
More than 3 months* but less than or equal to 11 months	10.0%
More than 11 months but less than or equal to 24 months	50.0%
More than 24 months	100.0%

*Our Company started recognising NPAs based on three months’ norms from 30 September 2017. During the Fiscal Year 2017 and 2016, our Company recognised NPAs based on four months’ norms and for Fiscal Year 2015 and 2014, our Company recognised NPAs based on five months’ norms.

Our Company’s write-offs and bad debts were Rs. 1,05,763.10 and Rs. 84,500.16 lakhs for year ended 31 March, 2018 and the year ended 31 March, 2017, respectively. Our Company had a total provision of Rs. 2,07,166.58 lakhs and Rs. 19,34,46.63 lakhs, which constituted 51.25% and 54.74% of our Company’s Gross NPAs for 31 March, 2018 and 31 March, 2017, respectively.

Details of provisions and amounts written off by our Company, excluding portfolios of receivables on assignment, as of the specified dates are set out in the table below:

Our Other Business Initiatives

Insurance Broking

We provide insurance broking solutions to individuals and corporates through our wholly owned subsidiary, MIBL. MIBL has a 'composite broking licence' from the Insurance Regulatory and Development Authority, which allows MIBL to undertake broking of life, non-life and reinsurance products. It has been awarded the ISO 9001:2008 Certification for Quality Management Systems for services related to broking of life and non-life insurance products to corporate and retail customers.

The life insurance products that customers can choose from include children's plans, endowment, money-back, retirement plans, term, unit-linked and whole-life plans. Group policies include credit cover, employee term cover, gratuity and superannuation. Non-life insurance policies include personal, industrial, commercial, social and liability products to individuals and corporates. MIBL also offers customised insurance solutions, such as Mahindra Loan Suraksha, which provides group credit term cover to our retail loan customers, typically in rural and semi-urban markets and, in case of the death of a customer, allows the customer's family to retain the financed asset without further loan repayment. MIBL also facilitates protection of the assets hypothecated to our Company by offering motor insurance policies to the customers.

Housing Finance

We provide housing finance to individuals through our subsidiary, MRHFL, a registered housing finance company, in which NHB owns a 11% equity capital. We grant housing loans for purchase, construction, extension and renovation of house property. Our housing finance business currently operates in 13 states and 1 Union Territory.

SME Financing

Our Company provides loans for varied purposes such as institutional finance, project finance, equipment finance, working capital finance, vehicle finance and bill discounting services to small and medium enterprises. Our Company intends to leverage our existing customer base and the strengths of the Mahindra group to target the auto ancillary, engineering and food and agri-processing sectors through our SME business.

Mutual Fund Business

Mahindra Asset Management Company Private Limited, which was incorporated on 20 June 2013, has been appointed as the asset management company of "Mahindra Mutual Fund". Mahindra Mutual Fund was constituted as a trust on 29 September 2015 and was registered with SEBI on 4 February 2016 under the registration code MF/069/16/01. Our Company is the sponsor to the mutual fund and Mahindra Trustee Company Private Limited, a wholly owned subsidiary of our Company, is the trustee to the mutual fund.

The maiden fund of the Mahindra Mutual Fund – "Mahindra Liquid Fund" – received approval from the SEBI on 20 June 2016 and was launched on 4 July 2016. Mahindra Mutual Fund has a total of seven live schemes as on September 30, 2018.

Personal Loans

Our Company provides personal loans primarily to its existing customers and Mahindra group employees. Customers typically seek personal loans for weddings, children's education, medical treatment or working capital for a small or medium-sized enterprise. These loans are typically repayable in monthly or quarterly instalments.

Mahindra Finance USA, LLC, United States

We provide wholesale inventory-financing to dealers and retail-financing to customers in the United States for purchase of Mahindra tractors through MF USA, our joint venture with De Lage Landen Financial Services, Inc., in which our Company holds 49% of the equity share capital.

Treasury Operations

Our treasury operations help us meet our funding requirements and manage short-term surpluses. Our fund requirements are predominantly sourced through term loans, issuance of debentures and commercial paper, fixed deposits and securitisation of receivables. We believe that through our treasury operations, we maintain our ability to repay borrowings as they mature and obtain new borrowings at competitive rates.

Our treasury department undertakes liquidity management by seeking to maintain an optimum level of liquidity and complying with the RBI's requirements for asset and liability management. Our objective is to ensure the smooth functioning of our business and at the same time avoid holding excessive cash. We actively manage our cash and funds flow using various cash management services provided by banks. As part of our treasury activities, we also invest our surplus fund in fixed deposits with banks, liquid debt-based mutual funds and government securities. All of our investments are made in accordance with the investment policy approved by our Board.

In our vehicle financing, SME Finance, housing finance and personal loans businesses, we generate profit from the difference between the interest rates on our interest-earning assets, which are the loans we extend, and interest-bearing liabilities, which are our borrowings. The average cost of borrowings for our Company for the half-year ended 30 September 2018 and the financial years 2018, 2017 and 2016 was 8.2%, 8.1%, 8.9% and 9.5%, respectively.

We believe that our established track record of timely debt repayment, strong brand equity, credit ratings and risk management have allowed us to secure attractive interest rates on our term loans. While we have gradually decreased our dependence on mutual funds in an effort to diversify our funding sources, pursuant to a SEBI circular SEBI/HO/IMD/DF2/CIR/P/2016/35 dated 15 February 2016 (the “**SEBI Circular 2016**”), mutual funds are required to ensure that the total exposure of debt schemes of mutual funds in a particular sector shall not exceed 25.0% of the net assets value of the scheme. Further, the additional exposure limit provided for the financial services sector towards housing finance companies is reduced from 10.0% of net assets value to 5.0% of net assets value and single issuer limit is reduced to 10.0% of net assets value (extendable to 12% of net assets value, after trustee approval). The SEBI Circular 2016 also introduces group level limits for debt schemes and the ceiling is fixed at 20.0% of net assets value extendable to 25.0% of net assets value after trustee approval. This shall restrict our ability to raise funds by issuance of debt securities to mutual funds.

Fixed Deposits

We accept fixed deposits, primarily from individuals, corporates and others as a source of financing our business. Our fixed deposits constituted 8.0%, 8.0%, 12.7% and 16.3% of our total borrowings as of 30 September 2018 and 31 March 2018, 2017 and 2016, respectively. Our fixed deposit programme is currently rated ‘FAAA’ by CRISIL. We offer cumulative and non-cumulative fixed deposits schemes to our customers. As of 30 September 2018, our non-cumulative schemes range from 12 to 60 months, offering quarterly or semi-annual distributions with present interest rates ranging between 7.80% and 8.75% per annum.

Securitisation/Assignment of Portfolio against Financing Activities

We currently undertake non-recourse securitisation and assignment of receivables as a cost-effective source of funds and to increase our capital adequacy ratio. We sell a portion of the receivables generated from our financing businesses through securitisation and assignment transactions. In our securitisation transactions, we provide collateral, which can be in the form of undertakings or guarantees by our Company or bank deposits.

During the period ended 30 September 2018, and the financial years 2018, 2017 and 2016, we entered into securitisation and assignment transactions aggregating to Rs. 33,582.63 lakhs, Rs. 55,160.71 lakhs, Rs.33,772.18 lakhs, Rs. 85,586.85 lakhs, respectively.

Capital Adequacy Ratio

Our Company is subject to capital adequacy requirements set out by the RBI for systemically important deposit-taking NBFCs, which currently require it to maintain a capital adequacy ratio consisting of Tier I and Tier II capital of not less than 15.0% of its aggregate risk weighted assets on balance sheet and of risk adjusted value of off-balance sheet items. The total Tier I capital at any point is required to be at least 10.0% with effect from 31 March 2017. Our Company’s Tier I capital adequacy ratios were 19.7%, 21.9%, 17.2% and 17.3%, as of 30 September 2018 and 31 March 2018, 2017 and 2016, respectively. Information related to our Company’s capital adequacy ratio for the dates specified is set out below:

Risk Management

Risk management forms an integral part of our business. We continue to improve our policies and implement our policies rigorously for the efficient functioning of our business. As a lending institution, we are exposed to various risks that are related to our lending business and operating environment. Our objective in our risk management processes is to measure and monitor the various risks that we are subject to and to follow policies and procedures to address these risks. We do so through our risk management architecture, which includes a team headed by our Chief Financial Officer that identifies, assesses and monitors all of our principal risks. The major types of risk we face in our businesses are credit risk, interest rate risk, operational risk, liquidity risk, cash management risk, asset risk and foreign exchange risk. Our Board has also adopted a foreign exchange and interest rate risk management policy.

Credit Risk

Credit risk is the risk of loss that may occur from the default by our customers under our loan agreements. Customer defaults and inadequate collateral may lead to higher NPAs. Our credit approval policy includes a proposal evaluation and investigation procedure for credit appraisal. We manage our credit risk by evaluating the creditworthiness of our customers, carrying out cash flow analysis, setting credit limits, obtaining collateral and setting prudent LTV ratios. Actual credit exposures, credit limits and asset quality are regularly monitored at various levels.

Interest Rate Risk

We are subject to interest rate risk, principally because we lend to customers at fixed interest rates and for periods that may differ from our funding sources, which bear fixed and floating rates and are from banks and issuing debt. Interest rates are highly sensitive to many factors beyond our control, including the monetary policies of the RBI, deregulation of the financial sector in India, domestic and international economic and political conditions, inflation and other factors. We assess and manage the interest rate risk on our balance sheet by managing our assets and liabilities. From time to time we enter into interest rate swaps to help manage the risks we may incur from being exposed to liabilities at floating rates.

We maintain an asset liability management policy, which has been approved and adopted by our Asset Liability Committee of the Board. Assets and liabilities are categorised into various time buckets based on their maturities and re-pricing options. Efforts are made and action plans are drawn to ensure minimum mismatch in each of the time buckets in line with guidelines prescribed by the RBI.

Operational Risk

Operational risks are risks arising from inadequate or failed internal processes, people and systems or from external events. As one of the features of our lending operations, we offer a speedy loan approval process and therefore have adopted decentralised loan approval systems. In order to control our operational risks, we have adopted clearly defined loan approval processes and procedures. We also attempt to mitigate operational risk by maintaining a comprehensive system of internal controls, establishing systems and procedures to monitor transactions, maintaining key back-up procedures and undertaking contingency planning. In addition, we have appointed local audit firms to conduct internal audits at a number of our offices to assess adequacy of and compliance with our internal controls, procedures and processes. Reports of the internal auditors as well as the action taken on the matters reported upon are discussed and reviewed at the Audit Committee meetings.

Liquidity Risk

Liquidity risk arises due to the unavailability of adequate amount of funds at an appropriate price and tenure. We attempt to minimise this risk through a mix of strategies, including assignment of receivables and short-term funding. We also monitor liquidity risk through our Asset Liability Committee of the Board and our Operating Committee. Monitoring liquidity risk involves categorising all assets and liabilities into different maturity profiles and evaluating them for any mismatches in any particular maturities, particularly in the short-term. Through our asset and liability management policy, we have capped maximum mismatches in various maturities in line with guidelines prescribed by the RBI.

We manage short-term mismatches between assets and liabilities by issuing commercial paper or obtaining funding from banks. A summary of our Company's asset and liability maturity profile as of 31 March 2018, which is based on certain estimates, assumptions, RBI guidelines and our prior experience of the performance of its assets, is set out below:

Cash Management Risk

Our offices collect and deposit a large amount of cash through a high volume of transactions. To address cash management risks, we have developed advanced cash management checks that we employ at every level to track and tally accounts. Moreover, we conduct regular audits to ensure the highest levels of compliance with our cash management systems.

Asset risk

Asset risks arise due to the decrease in the value of the collateral over time. The selling price of a repossessed asset may be less than the total amount of loan and interest outstanding in such borrowing and we may be unable to realise the full amount lent to our customers due to such a decrease in the value of the collateral. We may also face certain practical and execution difficulties during the process of seizing collateral. We engage experienced repossession agents to repossess assets of defaulting customers. We ensure that these repossession agents follow legal procedures and take appropriate care in dealing with customers for seizing assets.

Foreign Exchange Risk

While substantially all our revenues are denominated in rupees, we have incurred and expect to incur indebtedness denominated in currencies other than rupees for our capital requirements. As of 30 September 2018, our Company had an outstanding foreign currency non-repatriable loan of US\$ 1280.03 lakhs. This loan has been hedged to INR liability using a cross-currency swap and floating interest thereon in LIBOR plus rate has been swapped for fixed rate in Indian rupee. We did not have any unhedged foreign currency exposure as on 30 September 2018.

Risk Management Architecture

In order to address the risks that are inherent to our business, we have developed a risk management architecture that includes monitoring by our Board through the Audit Committee, the Asset Liability Committee and the Risk Management Committee.

- *Audit Committee.* Our Audit Committee acts as a link between the statutory and internal auditors and our Board. It is authorised to select and establish accounting policies, review reports of the statutory and the internal auditors and meet with them to discuss their findings, suggestions and other related matters. Our Audit Committee has access to all information it requires from our Company and can obtain external professional advice whenever required.
- *Asset Liability Committee.* Our Asset Liability Committee reviews the working of the Asset Liability Operating Committee, its findings and reports in accordance with the guidelines of the RBI. Our Asset

Liability Committee reviews risk management policies related to liquidity, interest rates and investment policies.

- *Risk Management Committee.* Our Risk Management Committee manages the integrated risk, informs our Board about the progress made in implementing a risk management system and periodically reviews the risk management policy followed by our Company.

Centralised Management and Technology

Our information technology systems aid us in performing the processes involved in a loan transaction. For example, at the pre-disbursement stage, we store ‘know your customer’ details and other details of customer appraisal into the system for future reference. After disbursement, our system can generate the interest due on each loan at any given point and track each phase of the payment schedule up to maturity. We can control our information technology system from our head office in Mumbai, allowing senior management to receive operational data on a prompt basis. We are also able to track our liquidity position, which allows us to plan for shortfalls in advance. We have also rolled out an advanced version of the GPRS enabled devices, which functions as a ‘mobile office’ and is equipped with portable camera, scanning, voice recording and biometric features that enables our employees to originate loans, issue receipts and conduct ‘know your customer’ checks at a customer’s home or business location.

Our production servers also allow us to conduct a daily automated backup. We currently have the technology and facilities in place to back up our systems and have established disaster recovery procedures in Mumbai.

Our Credit Ratings

Our present credit ratings are set forth below:

Agency	Instrument	Rating	Outlook
CRISIL	Fixed deposit programme	FAAA	Stable
	Short-term debt	CRISIL A1+	-
	Long-term NCD and subordinated debt	CRISIL AA+	Stable
India Ratings	Long-term NCD and subordinated debt	IND AAA	Stable
	Short-term debt	IND A1+	-
CARE	Long-term NCD and subordinated debt	CARE AAA	Stable
Brickwork	Long-term subordinated debt	BWR AAA	Stable

Insurance

We have taken a corporate cover policy including a fidelity policy, standard fire and special perils, burglary and earthquake cover in respect of our offices across India. We have a money insurance policy in respect of cash in safe and cash in transit. In addition, our directors are insured under directors’ and officers’ liability insurance policy for the Mahindra group.

Legal and Regulatory Proceedings

Our Company is involved in certain legal proceedings in the ordinary course of our business. The cases initiated against our Company and our employees include, among others, petitions for interim reliefs and tax disputes. With effect from 1 December 2015, the board of directors of our Company has adopted a policy for the determination of materiality for disclosure of certain events or information (**Materiality Policy**). With respect to litigation matters, disputes and regulatory actions with any adverse impact on our Company, the Materiality Policy sets thresholds which are determined on the basis of our consolidated financial statements of the prior audited financial year.

We believe that the proceedings in which our Company is involved in is not unusual for a company of our size in the context of doing business in India and any litigation matters, disputes and regulatory actions with an impact which we are subject to are not above the Materiality Policy adopted by the board of directors of our Company. Save as otherwise provided in this Shelf Prospectus, as of the date of this Shelf Prospectus, we are not party to any proceedings, and are not aware of any current, pending or anticipated proceedings by governmental authorities or third parties, which, if adversely determined, would have material adverse effect on our financial condition and results of operations.

Employees

As of 30 September 2018, our Company employed 20,201 employees.

We have established training programmes for our employees on a continuous basis and we intend to continue investing in recruiting, training and maintaining a rewarding work environment. In addition to ongoing on-the-job training, we provide employees with courses in specific areas as required. To create a sense of ownership among and as a long-term incentive to our employees, our Company has adopted employee stock option schemes to issue options convertible into Equity Shares to select employees linked to their performance. We also use employee recognition programmes, such as Dhruv Tara, the Annual Convention Award and the Achievement Box, to reward our employees for performance.

We launched the Mahindra Finance Academy in Mumbai on 26 October 2010, which currently provides training to our prospective and present employees at five locations. We conduct a five-day induction programme for our new employees, which covers product knowledge, business processes and aptitude training.

Select employees also participate in the Mahindra group's 'Talent Management and Retention' programme. This programme is developed to identify, assess and acquire talent for the Mahindra group. We also run an assessment and development centre for our promising employees.

Awards and Accolades

Our Company has received several awards over the years, including:

- Company was awarded one of India's Best Companies to Work For – 2018 by the Great Place to Work Institute;
- Our Company was recognized among Aon's 19 Best Employers for 2017;
- Our Company has been listed on the Dow Jones Sustainability Index for six years in a row from 2013-2018; and
- Our Company was included in the Sustainability Yearbook 2017, which was released by RobecoSAM; and
- Our Company received an award for Significant Achievement in HR Excellence from the Confederation of Indian Industry in 2016.

Competition

We believe that our relationships with dealers, our knowledge of the rural and semi-urban market, existing customer base and associated relationships, the continued expansion of our office network and our dealer relationships coupled with our proactive approach in providing flexible loan products and speedy service will enable us to remain competitive. Competition in our industry is expected to continue to increase. Our primary competitors are public sector banks, private banks (including foreign banks), co-operative banks, regional rural banks and NBFCs and private unorganised lenders. Banks are increasingly expanding into retail loans in the rural and semi-urban areas of India. We are exposed to the risk that these banks continue to expand their operations into the retail vehicle financing in rural and semi-urban markets, which would result in greater competition and lower spreads on our loans, particularly because these banks have greater resources and access to cheaper funding than we do. Increasing competition from banks in rural and semi-urban markets has already resulted in downward pressure on our interest margins.

Properties

Our registered office is located at Gateway Building, Apollo Bunder, Mumbai 400 001, Maharashtra. We currently do not have an agreement with M&M for the use of these premises. Our corporate office is located at 4th floor, A Wing, Mahindra Towers, Dr. G.M. Bhosale Marg, P.K. Kune Chowk, Worli, Mumbai 400 018, Maharashtra and is leased by our Company.

Except for our offices at Pune, Jaipur and Aurangabad, which properties are owned by us, our other offices and corporate office are located at premises leased or licensed by us. All of our owned properties are free from encumbrances and have clear title except our property at Aurangabad, which is under mortgage for secured non-convertible debentures issued by us.

Intellectual Property

Our Company entered into a trademark licence agreement dated 8 December 2009 with M&M for the non-exclusive, non-assignable right to use the trademark 'Mahindra' logo and 'Mahindra & Mahindra' trademark as part of its corporate name and trading style, domain name and its products and services. The trademark licence agreement shall remain valid unless terminated or once our Company ceases to be a subsidiary of M&M. M&M also holds the trademarks for 'Mahindra Finance', 'Mahindra Insource' and 'Mahindra Home Finance Ghar Ki Baat Hai'. We currently do not have a licence agreement with M&M for the use of these trademarks.

Corporate Social Responsibility

We have undertaken CSR initiatives in several areas including education with programmes such as the Mahindra Finance Scholarship, which provides scholarships to students from economically disadvantaged areas; Nanhi Kali, which focuses on educational support for underprivileged girls; health with programmes such as blood donations and ambulance donations and environment with programmes such as Mahindra Hariyali under which we planted over 100,000 saplings across India.

Key terms of our Material Agreements

(1) Shareholders Agreement dated November 30, 2012 (“Shareholders Agreement”) among our Company, Inclusion Resources Private Limited (“Investor”) and MIBL:

Our Company has executed the Shareholders Agreement with the Investor and MIBL. The Investor is a subsidiary of LeapFrog Financial Inclusion Fund (“LeapFrog”), an investment fund focused on investing in companies engaged in providing high quality and affordable insurance and related financial services to people with low annual incomes.

The salient features of the Shareholder’s Agreement are as follows:

(i) Arrangement with LeapFrog Labs Limited (“LFL”):

MIBL shall work together with LeapFrog Labs Limited, a company registered under the laws of Scotland, whereby LFL will provide expertise to MIBL to facilitate research, development and technical assistance, and also provide monetary grants towards developing MIBL’s insurance capabilities particularly with respect to rural and semi-urban low-income Indians. Towards this end, LFL shall, from its global experience, provide MIBL with insights and resources available to it, from time to time.

(ii) Relationship with the Mahindra group:

Our Company shall provide full access to its branch networks (including offices) and customer databases including those of its subsidiaries to MIBL for the purpose of business. The said access shall be exclusive with respect to the business of insurance broking, reinsurance broking and distribution as carried out by MIBL and our Company shall not provide to any other entity engaged in same or competing business as mentioned above. Our Company shall ensure that MIBL shall continue to exclusively manage the loan protection plans i.e. group credit plans for retail individual customers of our Company. Subject to the above, MIBL shall to its best efforts ensure that it shall act as the insurance broker for all the insurance policies taken up by the entities within the Mahindra group.

(iii) Exit:

MIBL and our Company will make best efforts to provide an exit from MIBL to the Investor before the end of the 6th year of its investment, either in the form of an IPO, a private sale of equity to a permitted transferee or MIBL may buyback the investor shares in accordance with the buyback regulations and other applicable laws. In the event that the Investor does not fully exit by the end of the sixth year of the investment, our Company will purchase or arrange for another party to purchase Investor’s shareholding in MIBL at the then fair market value. This will take place at the request of Investor any time between 6 and 8 years after the investment.

(2) Shareholders Agreement dated October 16, 2017 (“Shareholders Agreement”) among our Company, Inclusion Resources Private Limited (“Investor”) and MIBL:

Inclusion Resources Private Limited, a subsidiary of Leapfrog Financial Inclusion Fund, incorporated in Singapore, held 15.0% of the outstanding equity shares of Mahindra Insurance Brokers Limited. On October 16, 2017, our Company entered into a share purchase agreement to sell 5.0% of the outstanding equity shares of MIBL to Inclusion Resources Private Limited and the transaction was completed on October 26, 2017. Subsequently, Leapfrog Financial Inclusion Fund sold all of the outstanding shares of Inclusion Resources Private Limited to Fundamental Insurance Investments Limited which is a member of the XL Catlin Group. XL Catlin Group has since been acquired by the AXA Group and is now known as AXA XL.

(3) Subscription Agreement dated August 12, 2008 (“Subscription Agreement”) between NHB and MRHFL:

MRHFL and NHB have executed the Subscription Agreement to mobilise funds for providing long term finance for construction, purchase, renovation, extension of houses for residential purposes in India. Pursuant to the Subscription Agreement, NHB has subscribed to 57,50,000 equity shares of face value of

Rs 10 each of MRHFL. As on September 31,2018 1,18,91,511 equity shares of Rs. 10 each have been subscribed.

Dear Sirs

1. We have examined the attached reformatted consolidated financial information of Mahindra & Mahindra Financial Services Limited (the ‘Company’), and its subsidiaries (the Company and its subsidiaries collectively referred to as the ‘Group’) and its joint venture, which comprise of the Reformatted Consolidated Summary Statement of Assets and Liabilities as at 31 March, 2018, 31 March, 2017, 31 March, 2016, 31 March, 2015 and 31 March, 2014, the Reformatted Consolidated Summary Statement of Profit and Loss and the Reformatted Consolidated Summary Statement of Cash Flows for each of the years ended 31 March, 2018, 31 March, 2017, 31 March, 2016, 31 March, 2015 and 31 March, 2014 and the Summary of Significant Accounting Policies (‘Reformatted Consolidated Financial Information’), annexed to this report for the purpose of inclusion in the Draft Shelf Prospectus and / or Shelf Prospectus and / or Tranche Prospectus(es), and any amendments and supplements thereto (collectively the “**Offering Documents**”) to be filed by the Company in connection with its proposed issue of secured and / or unsecured, subordinated redeemable, non-convertible debentures (“NCDs”) of face value Rs. 1000 each, aggregating up to Rs. 10,000 crores (Rupees Ten Thousand crores only), in one or more tranches (the ‘Proposed Issue’), as approved by the Board of Directors of the Company, by taking into consideration the requirements of:
 - a. Section 26 of Part I of Chapter III of the Companies Act 2013 read with rule 4 to 6 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 (the ‘Rules’); and
 - b. the Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008, as amended (the ‘SEBI Debt Regulations’) issued by Securities and Exchange Board of India Act, 1992.

Management’s Responsibility

2. The preparation of Reformatted Consolidated Financial Information is the responsibility of management of the Company for the purpose set out in the paragraph 11 below. Management’s responsibility includes designing, implementing and maintaining adequate internal control relevant to the preparation and presentation of Reformatted Consolidated Financial Information. Management is also responsible for identifying and ensuring that the Company complies with the requirements of the Rules and SEBI Debt Regulations.

Management's Responsibility (*Continued*)

3. These Reformatted Consolidated Financial Information have been compiled by the management from the Audited Consolidated Financial Statements as at 31 March, 2018, 31 March 2017, 31 March 2016, 31 March 2015 and 31 March 2014 and for each of the years ended 31 March, 2018, 31 March 2017, 31 March 2016, 31 March 2015 and 31 March 2014 which have been approved by Board of directors at their meetings held on 25 April 2018, 25 April 2017, 23 April 2016, 23 April 2015 and 17 April 2014, respectively.

Auditor's Responsibility

4. We have examined such Reformatted Consolidated Financial Information taking into consideration:
 - a. the terms of reference and terms of our engagement agreed upon with you in accordance with our engagement letter dated 24 October 2018 in connection with the Proposed Issue;
 - b. requirements of the Rules and the SEBI Debt Regulations; and
 - c. Guidance Note on Reports in Company Prospectuses (Revised 2016) issued by the Institute of Chartered Accountants of India (ICAI) ('the Guidance Note').
5. As stated in our audit report referred to in paragraph 3 above, we conducted our audit for the year ended 31 March 2018 in accordance with the Standards on Auditing specified under Section 143 (10) of the Companies Act, 2013 issued by the Institute of Chartered Accountants of India, as applicable. Those Standards require we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation and fair presentation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Audit for the financial years ended 31 March 2017, 31 March 2016, 31 March 2015 and 31 March 2014 was conducted by the predecessor auditors, M/s B.K. Khare & Co., and accordingly reliance has been placed on the Reformatted Consolidated Financial Information examined by them for those years.

We did not audit the financial statements of three subsidiaries for the year ended 31 March 2018, whose Financial Statements reflect total assets of Rs. 45,658.44 lakhs as at 31 March 2018, total revenue of Rs. 26,859.60 lakhs and net cash inflows of Rs. 719.28 lakhs for the year then ended. These financial statements have been audited by another firm of Chartered Accountants, M/s B.K. Khare & Co., whose reports have been furnished to us and our opinion in so far as it relates to the amounts included in these Reformatted Consolidated Financial Information are based solely on the report of other auditors.

We did not audit the financial statements of the joint venture for the year ended 31 March 2018, whose financial statements reflect total assets of Rs. 340,939.06 lakhs as at 31 March 2018, total revenue of Rs. 17,753.18 lakhs and net cash inflows of Rs. 170.76 lakhs for the year then ended. These financial statements have been furnished to us by management and our opinion in so far as it relates to the amounts included in these Reformatted Consolidated Financial Information is based solely on such financial statements certified by management.

Opinion

6. In accordance with the requirements of the Rules and the SEBI Debt Regulations and the Guidance Note, we report that the Reformatted Consolidated Financial Information of the Group and its joint venture as at and for the year ended 31 March 2018 examined by us and for each of the years ended 31 March 2017, 31 March 2016, 31 March 2015 and 31 March 2014, examined by predecessor auditor, M/s. B.K. Khare & Co., Chartered Accountants, for which reliance has been placed on the Reformatted Consolidated Financial Information examined by them, as set out in Annexure I to V to this report are accurately compiled from the audited Consolidated financial statements of the Company for the years ended 31 March 2018, 31 March 2017, 31 March 2016, 31 March 2015 and 31 March 2014.
7. Based on the above and according to the information and explanations given to us, and also as per the reliance placed on the reports submitted by the predecessor auditors, M/s B.K. Khare & Co. for the respective years, we further report that the Reformatted Consolidated Financial Information:
 - a. have to be read in conjunction with the notes given in Annexure IV;
 - b. the figures of earlier years have been regrouped (but not Reformatted retrospectively for changes in accounting policies), wherever necessary, to conform primarily to the requirements of the Schedule III to the Companies Act, 2013; and
 - c. in the preparation and presentation of Reformatted Consolidated Financial Information based on audited Consolidated financial statements as referred to in paragraph 3 and 5 above, no adjustments have been made for any events occurring subsequent to dates of the audit reports specified in paragraph 3 above.
8. This report should not in any way be construed as a re-issuance or re-dating of any of the previous audit reports issued by us nor should this be construed as a new opinion on any of the financial statements referred to herein.
9. We have no responsibility to update our report for events and circumstances occurring after the date of the report.

Restrictions of use

10. Our report is intended solely for use of management for inclusion in the Offering Documents to be filed with Securities and Exchange Board of India, BSE Limited, National Stock Exchange of India Limited and Registrar of Companies, Maharashtra (RoC), as applicable, prepared in connection with the Issue of the Company. Our report should not be used, referred to or distributed for any other purpose without our prior consent in writing.

Mahindra Insurance Brokers Ltd. (MIBL) is incorporated and headquartered in Mumbai. MIBL was granted a Direct Broker's License by the Insurance Regulatory and Development Authority (IRDA) on 18 May 2004, for undertaking direct insurance broking in Life and Non-Life businesses. MIBL has empaneled itself with various public and private insurance companies to offer customized solutions to customers. In September 2011, MIBL was granted a Composite Broker license by the IRDA, thus foraying into Reinsurance Broking business along with Direct Broking.

Mahindra Rural Housing Finance Limited (MRHFL) is a Housing Finance Company registered with the National Housing Bank (the 'NHB'), and is engaged in providing home loans primarily in rural and semi-urban areas.

Mahindra Asset Management Company Private Limited (MAMCL), was incorporated under the Companies Act, 1956 on June 20, 2013. MAMCL is incorporated to function as an Investment Manager to "Mahindra Mutual Fund" and has received a license from SEBI on February 4, 2016. MAMCL earns fees from investment management activities of the schemes of Mahindra Mutual Fund.

Mahindra Trustee Company Private Limited (MTCPL) was incorporated under the Companies Act, 1956 on July 10, 2013. MTCPL is incorporated to function as a Trustee to Mahindra Mutual Fund and has been granted a license by SEBI to act as a Trustee. The Company has entered into an Investment Management Agreement with Mahindra Asset Management Company Private Limited ('Investment Manager') for managing the schemes of Mahindra Mutual Fund.

Mahindra Finance USA LLC (MFUSA), a limited liability company, is owned 51% by De Lage Landen Financial Services, Inc. (DLL), a Michigan corporation, and 49% by Mahindra & Mahindra Financial Services Limited (MMFSL, the Company), an India corporation (collectively, the Members). MFUSA is incorporated in the state of Delaware and has its headquarters at 7171 Highway 6 N, Houston, Texas. DLL and MMFSL entered into a Limited Liability Company Agreement dated September 27, 2010 (the Agreement), which created MFUSA and sets forth the structure, term, and allocation of profits and losses for each of the Members. MFUSA's primary businesses are retail and inventory financing of agricultural equipment throughout the United States.

2 Summary of Significant Accounting Policies for the year ended 31 March 2018

2.1 Principles of Consolidation:

- 1) The Consolidated Financial Statements relate to Mahindra & Mahindra Financial Services Limited and its subsidiaries and its Joint Venture entity. The Consolidated Financial Statements have been prepared in accordance with Accounting Standard 21 (AS 21) "Consolidated Financial Statements" and Accounting Standard 27 (AS27) "Financial Reporting of Interests in Joint Ventures" prescribed under Section 133 of the Companies Act, 2013 ('the Act'), read with Rule 7 of the Companies (Accounts) Rules, 2014. The Consolidated Financial Statements have been prepared on the following basis:
 - a. The Financial Statements of the Company, its subsidiary companies and joint venture have been combined on a line by line basis by adding together the book values of the like items of assets, liabilities, income and expenses (on a proportionate basis in case of joint venture) after eliminating inter group balances, inter group transactions and unrealised profits or losses.
 - b. The difference between the cost of investment in the subsidiaries and the Company's share of equity at the time of acquisition of shares in the subsidiaries is recognised in the Consolidated Financial Statements as Goodwill on consolidation or Capital Reserve on consolidation. Goodwill arising on consolidation is not amortised in the books of account.
 - c. The difference between the foreign exchange rates prevailing at the time of making the investment and on the date, on which the accounts of the joint venture are made, is recognised in the financial statements as Foreign Exchange Fluctuation Reserve.

Rs. in lakhs

2.1 Principles of Consolidation: (Continued)

- d. The Financial Statements of the subsidiary companies and the joint venture are drawn for the same period as the Company.
- e. The difference between the proceeds from disposal of investment in a subsidiary and the carrying amount of its assets less liabilities as of the date of disposal is recognised in the Statement of profit and loss as profit or loss on disposal of investment in subsidiaries.
- f. Minority Interest in the net assets of consolidated subsidiaries consists of:
 - i) the amount of equity attributable to minorities at the date on which investment in a subsidiary is made; and
 - ii) the minorities' share of movements in equity since the date on which investment in a subsidiary relationship comes into existence.

2.2 Basis for preparation of Consolidated financial statements:

The consolidated financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India (IGAAP) under the historical cost convention as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 and the Accounting Standards specified under section 133 of the Companies Act, 2013 ("the Act") read with rule 7 of the Companies (Accounts) Rules 2014 (as amended).

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of services and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

Further, the Company follows prudential norms for Income Recognition, assets classification and provisioning for Non-performing assets as well as contingency provision for standard assets as prescribed by The Reserve Bank of India for Non-Banking Financial Companies and by Mahindra Rural Housing Finance Limited, one of the Subsidiaries, follows similar norms prescribed by The National Housing Bank for Housing Finance Companies. The Company has a policy of making additional provision on a prudential basis (refer note no. 32 of notes to the financial statements).

The joint venture (MFUSA) records an allowance for credit losses to provide for estimated losses in the receivable portfolio. Management evaluates the allowance for credit losses on a periodic basis based upon the known and inherent risks in the joint venture's receivable portfolio. Accounts are written off (net of fair value of collateral less costs to sell) when delinquency reaches 360 days or when the joint venture's evaluation indicates the account is uncollectible, if earlier.

2.3 Use of estimates :

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as on the date of financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statement are prudent and reasonable. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

2.4 Revenue recognition :

a) General :

Revenue is recognised as earned and accrued when it is reasonably certain that its ultimate collection will be made and the revenue is measurable.

Interest Income from retail loan transactions is accounted based on applying Internal Rate of Return ('IRR') and from other loans is accounted based on applying the interest rate implicit in such contracts. Interest income on all other assets is recognised on time proportion basis.

Service charges and other fees on loan transactions are recognised at the commencement of the contract.

Income from operating leases is recognised in the statement of profit and loss as per contractual rentals unless another systematic basis is more representative of the time pattern in which benefit derived from the leased asset is diminished.

Delayed payment charges, fee based income and interest on trade advances, are recognised when they become measurable and when it is not unreasonable to expect their ultimate collection.

Income from bill discounting is recognised over the tenure of the instrument so as to provide a constant periodic rate of return.

In respect of MMFSL, income on business assets classified as Non-performing Assets, is recognised strictly in accordance with the guidelines issued by The Reserve Bank of India for Non-Banking Financial Companies. Unrealized interest, recognized as income in the previous period is reversed in the month in which the asset is classified as Non-performing.

In respect of MIBL, Brokerage Income, Handling Charges & Broker Retainer Fees is accounted for net of Service Tax / GST amount on rendition of services. Brokerage income is recognized on receiving details of the policy issued by the insurance company or receipt of brokerage whichever is earlier.

In respect of MRHFL, Income on business assets classified as Non-performing Assets, is recognised on realisation in accordance with the guidelines issued by The National Housing Bank for Housing Finance Companies. Unrealized interest, recognized as income in the previous period is reversed in the month in which the asset is classified as Non-performing.

Rs. in lakhs

2.4 Revenue recognition : (Continued)**a) General : (Continued)**

Direct costs incurred and fees received related to the origination of finance receivables, relating to joint venture, are deferred and amortized over the estimated term of the related receivables.

In respect of MAMCL, Investment Management Fees are recognised on an accrual basis and are billed to each mutual fund scheme in accordance with the terms of the Scheme Information Document of each Scheme managed by the MAMCL. Portfolio Management Fees and Fees for Advisory Services will be recognised on an accrual basis when the services are rendered and an enforceable right to receive the fees has arisen in accordance with the terms of the Agreement between MAMCL and its clients.

In respect of MTCPL, Trustee fees are recognised as revenue when the trustee services are performed for the schemes of Mahindra Mutual Fund.

The joint venture's (MFUSA) interest income from finance receivables and inventory receivables is recognised using the effective-interest method. Late payment charges are credited to income when received. Accrual of interest and finance fees is suspended when collection is greater than 90 days delinquent or if indication of impairment exists. Income is recognised on a cash basis after a receivable is put on non-accrual status. The accrual of interest resumes when the receivable becomes less than 90 days delinquent and the customer is no longer in default status.

b) Commission and brokerage income :

Commission and brokerage income earned for the services rendered are recognised as and when they are due.

c) Subvention income :

Subvention received from manufacturers/dealers on vehicles financed is booked over the period of the contract. The unamortized balance is being disclosed as part of liabilities. For contracts foreclosed / securitised / assigned, balance of subvention income is recognised as income at the time of such foreclosure / securitization / assignment.

c) Insurance consultancy fees :

Revenue from Insurance Consultancy is recognised net of service tax on rendition of service in accordance with the terms of the contract with customer.

2.5 Income from securitization / assignment transactions :**a) Securitisation transactions:**

Securitized receivables are de-recognized in the balance sheet when they are sold i.e. if they fully meet the true sale criteria.

Gains arising on securitisation of assets are recognised over the tenure of securities issued by Special Purpose Vehicles Trust (SPV).

Company's contractual rights to receive the share of future interest (i.e. interest spread) in the transferred assets from the SPV is capitalised at the present value as Interest Only (I/O) strip with a corresponding liability created for unrealised gains on loan transfer transactions. The excess interest spread on the securitisation transactions are recognised in the Statement of profit and loss only when it is redeemed in cash by the SPV. Losses, if any, are recognised upfront.

b) Assignment transactions:

Receivables under the assignment transactions are de-recognized in the balance sheet when they are sold subject to the portion of loan assets which is required under the Minimum Retention Criteria and reflected as Loans and Advances (refer note no. 15 and 20).

The amount of profit in cash on such transactions is held under an accounting head styled as "Cash profit on loan transfer transactions pending recognition" maintained on an individual transaction basis. The amortisation of cash profit arising out of loan assignment transaction is done at every reporting period end based on the formula prescribed as per the Circular dated 21 August 2012. The unamortized portion is reflected as "Other long-term liabilities" / "Other current liabilities" (refer note no. 6 and 10).

2.6 Income from investments:

- Dividend from investments is accounted for as income when the right to receive dividend is established.
- Interest income is accounted on accrual basis.
- Interest income from investments made in structured instruments are accounted based on implicit rate built in such instruments.
- Profit/ loss earned on sale of investments is recognised on trade date basis. Profit or loss on sale of investments is determined on the basis of weighted average cost method. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

Rs. in lakhs

2.7 Fixed assets, depreciation and amortization:

a) Property, Plant & Equipment (PPE):

PPE are stated at cost of acquisition (including incidental expenses), less accumulated depreciation.

Assets given on operating lease (new and refurbished vehicles) are shown at the cost of acquisition less accumulated depreciation. These have been grouped under the head 'Vehicles given on operating lease' forming part of Company's PPE in note no.12.

Assets held for sale or disposals are stated at the lower of their net book value and net realisable value.

Advances paid towards the acquisition of PPE outstanding at each balance sheet date are disclosed as long-term loans and advances. Capital work in progress comprises the cost of Property, Plant and Equipments that are not ready for its intended use at the reporting date.

b) Depreciation on PPE:

Depreciation on PPE including new assets given on operating lease is charged on Straight Line Method (SLM) in accordance with the useful lives specified in Schedule II to the Companies Act, 2013 on a pro-rata basis except for following assets in respect of which useful life is taken as estimated by the management based on the actual usage pattern of the assets.

Assets costing less than Rs.5000/- are fully depreciated in the period of purchase.

Vehicles used by employees are depreciated over the period of 48 months considering this period as the useful life of vehicle for the Company.

Repossessed assets, which are primarily used vehicles, that have been capitalised for own use are depreciated at the rate of 15% on SLM over the remaining useful life of these assets. The same have been grouped under the head 'Vehicles' forming part of Company's Tangible assets in note no. 12.

Used and Refurbished assets given on operating lease are depreciated at the rate of 15% on SLM over the remaining useful life of these assets.

Residual value of the assets is considered as nil reflecting the estimate of realisable values at the end of the useful life of an asset.

c) Intangible assets :

Intangible assets are stated at cost less accumulated amortization and impairment loss, if any.

d) Amortization of Intangible assets:

Intangible assets comprises of computer software which is amortized over the estimated useful life. The maximum period for such amortization is taken as 36 months based on management's estimates of useful life.

2.8 Foreign exchange transactions and translations :

a) Initial recognition

Transactions in foreign currencies are recognised at the prevailing exchange rates between the reporting currency and a foreign currency on the transaction date.

b) Conversion

Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of profit and loss.

Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

c) Exchange differences

The Company accounts for exchange differences arising on translation/settlement of foreign currency monetary items as below:

Realized gains and losses on settlement of foreign currency transactions are recognised in the Statement of profit and loss.

Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of profit and loss.

d) Forward exchange and other derivative contracts entered into to hedge foreign currency risk of an existing assets/liabilities

In case of forward contracts with underlying assets or liabilities, the difference between the forward rate and the exchange rate which is either a premium or discount arising at the inception of a forward contract is amortised over the life of the contract. Unamortised forward premium as at the yearend is reflected as Other long-term / short-term liabilities depending on the period over which the premium is amortised.

Rs. in lakhs

2.8 Foreign exchange transactions and translations : (Continued)**d) Forward exchange and other derivative contracts entered into to hedge foreign currency risk of an existing assets/liabilities (Continued)**

Any profit or loss arising on cancellation or renewal of forward exchange contracts are recognised as income or expense for the period.

As per the risk management policy, the Company has taken currency swap to cover the risk exposure on account of foreign currency loans. These transactions are structured in such a way that the Company's foreign currency liability is crystallized at a rate of exchange prevailing on the date of taking the swap. The foreign currency loans are valued at the exchange rate prevailing on the reporting date. Foreign currency swaps are marked to market on reporting date and resultant gain or loss is charged to Statement of profit and loss.

Cross currency Interest rate swaps in the nature of hedge, taken to manage currency risk as well as interest rate risk on foreign currency liabilities, whereby variable interest rate in foreign currency is swapped for fixed interest rate in Indian rupees or vice-versa. Such Interest rate swaps are marked to market at each reporting date and resultant gain or loss is recognised in Statement of profit and loss.

2.9 Investments :

Investments are classified into non-current investments and current investments. Investments which are intended to be held for one year or more, based on intention of management at the time of purchase, are classified as non-current investments and investments which are intended to be held for less than one year are classified as current investments. Non-current investments in structured instruments are carried at cost less principal repayments till reporting date.

Non-current investments are carried at cost comprising of acquisition and incidental expenses less diminution in value. Provision for diminution in value of investments, if any, is made if in the opinion of management, such diminution is other than temporary, determined separately for each individual non-current investment.

Any premium on acquisition is amortised over the remaining maturity of the security on a straight line basis. Such amortisation of premium is adjusted against interest income from investments. The book value of the investments is reduced to the extent of amount amortised during the relevant accounting period.

Current investments are carried at lower of cost and net realisable value. The comparison of cost and net realisable value is done separately in respect of each investment.

2.10 Loans against assets :

Loans against assets are stated at agreement value net of instalments received less unmatured finance charges.

2.11 Employee benefits:**a) Contribution to Provident Fund and National Pension Scheme -**

Company's contribution paid/payable during the year to Provident Fund and National Pension Scheme is recognised in the Statement of profit and loss.

b) Gratuity -

The Company provides for the gratuity, a defined benefit retirement plan covering all employees. The plan provides for lump sum payments to employees upon death while in employment or on separation from employment after serving for the stipulated period mentioned under 'The Payment of Gratuity Act, 1972'. The Company accounts for liability of future gratuity benefits based on an external actuarial valuation on projected unit credit method carried out for assessing liability as at the reporting date. Actuarial gains/losses are immediately taken to the Statement of profit and loss and are not deferred.

c) Superannuation -

The Company makes contribution to the Superannuation scheme, a defined contribution scheme, administered by Life Insurance Corporation of India, which are charged to the Statement of profit and loss. The Company has no obligation to the scheme beyond its contributions.

d) Leave encashment / compensated absences / sick leave -

2.12 Borrowing costs :

Borrowing costs include interest, brokerage on fixed deposits mobilised, discounting charges on commercial papers/zero coupon non-convertible debentures issued and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest

Borrowing costs are charged to the Statement of profit and loss. Ancillary expenditure incurred in connection with the arrangement of borrowings is amortised over the tenure of the respective borrowings.

2.13 Commercial papers and zero coupon non-convertible debentures :

Commercial papers and zero coupon non-convertible debentures are recognised at redemption value, net of unamortized discounting charges. The difference between redemption value and issue value is amortised on a time proportion basis and is included under finance costs.

2.14 Taxation - Current and deferred tax:

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period.

a) Current tax :

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the provisions of the Income Tax Act, 1961.

b) Deferred tax :

Deferred tax on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods is accounted for using the tax rates and tax laws enacted or substantively enacted as on the balance sheet date. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Other deferred tax assets are recognised only when there is a reasonable certainty of their realisation. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonably/virtually certain, as the case may be, to be realised.

c) Minimum Alternate Tax (MAT) :

MAT credit asset is recognised where there is convincing evidence that the asset can be realised in future. MAT credit assets are reviewed at each balance sheet date and written down or written up to reflect the amount that is reasonably certain to be realised.

2.15 Securities issue expenses :

Expenses incurred in connection with fresh issue of Share capital and public issue of debt securities are adjusted against Securities premium reserve as per the provisions of section 52 of the Act.

2.16 Impairment of assets :

The carrying value of assets/cash generating units at each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life to their present value based on an appropriate discount factor. The impairment loss is recognized in the statement of profit and loss. If, at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of the depreciable historical cost.

2.17 Provisions and contingent liabilities :

Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

2.18 Provisioning / Write-off on assets

a) Provisioning / Write-off on overdue assets

The provisioning / write-off on overdue assets is as per the management estimates, subject to the minimum provision required as per Master Direction-Non Banking Financial Company-Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016.

In respect of MRHFL, Loans and other credit facilities are classified as per the National Housing Bank (NHB) guidelines, into performing and non performing assets. Further non-performing assets are classified into sub-standard, doubtful and loss assets and provision made based on criteria stipulated by NHB guidelines. Additional provisions are made against specific non-performing assets over and above stated in NHB guidelines, if in the opinion of the management, increased provisions are necessary.

b) Provision on standard assets

Provision on standard assets has been made @ 0.40% which is in accordance with Reserve Bank of India ('RBI') guidelines.

In respect of MRHFL, the provision on standard assets is made as per the prudential norms prescribed in the Housing Finance Companies (NHB) Directions, 2010 as amended.

2.19 Employee Stock Compensation Costs :

Measurement and disclosure of the Employee Share-based Payment plans is done in accordance with Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and the Guidance Note on Accounting for Employee Share-based Payments, issued by the Institute of Chartered Accountants of India. The Company measures compensation cost relating to employee stock options using the Intrinsic value method (i.e. excess of market value of shares over the exercise price of the option at the date of grant). Compensation cost is amortized over the vesting period of the option on a straight line basis. The options which have lapsed are reversed by a credit to Employee compensation cost, equal to the amortised portion of value of lapsed portion and credit to Deferred employee compensation cost equal the unamortised portion.

2.20 Lease :

Where the Company is the lessee -

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased asset are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight line basis over the tenure of the lease.

Where the Company is the lessor -

The Company has given certain vehicles on lease where it has substantially retained the risks and rewards of ownership and hence these are classified as operating leases. These assets given on operating lease are included in PPE. Lease income is recognised in the Statement of profit and loss as per contractual rental unless another systematic basis is more representative of the time pattern in which the benefit derived from the leased asset is diminished. Cost including depreciation are recognized as an expense in the Statement of profit and loss. Initial direct cost are recognised immediately in Statement of profit and loss.

2.21 Earnings Per Share :

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, sub-division of shares etc. that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders is divided by the weighted average number of equity shares outstanding during the period, considered for deriving basic earnings per share and weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

* There is no change in the proportion of ownership interest as compared to the previous year.

2) Basis for preparation of financial statements:

The consolidated financial statements have been prepared in accordance with the Generally Accepted Accounting Principles (IGAAP) under the historical cost convention as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 and the Accounting Standards specified under section 133 of the Companies Act, 2013 (“the Act”) read with rule 7 of the Companies (Accounts) Rules 2014 (as amended).

All assets and liabilities have been classified as current and non-current as per the Company’s normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of services and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

Further, the Company follows prudential norms for Income Recognition, assets classification and provisioning for Non-performing assets as well as contingency provision for standard assets as prescribed by The Reserve Bank of India for Non-Banking Financial Companies and by Mahindra Rural Housing Finance Limited, one of the Subsidiaries, follows similar norms prescribed by The National Housing Bank for Housing Finance Companies. The Company has a policy of making additional provision on a prudential basis (refer note no. 32 of notes to the financial statements).

The joint venture (MFUSA) records an allowance for credit losses to provide for estimated losses in the receivable portfolio. Management evaluates the allowance for credit losses on a periodic basis based upon the known and inherent risks in the joint venture’s receivable portfolio. Accounts are written off (net of fair value of collateral less costs to sell) when delinquency reaches 360 days or when the joint venture’s evaluation indicates the account is uncollectible, if earlier.

3) Use of estimates :

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as on the date of financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statement are prudent and reasonable. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

2) Basis for preparation of financial statements:

The consolidated financial statements have been prepared in accordance with the Generally Accepted Accounting Principles (IGAAP) under the historical cost convention as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 and the Accounting Standards specified under section 133 of the Companies Act, 2013 (“the Act”) read with rule 7 of the Companies (Accounts) Rules 2014 (as amended).

All assets and liabilities have been classified as current and non-current as per the Company’s normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of services and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

Further, the Company follows prudential norms for Income Recognition, assets classification and provisioning for Non-performing assets as well as contingency provision for standard assets as prescribed by The Reserve Bank of India for Non-Banking Financial Companies and by Mahindra Rural Housing Finance Limited, one of the Subsidiaries, follows similar norms prescribed by The National Housing Bank for Housing Finance Companies. The Company has a policy of making additional provision on a prudential basis (refer note no. 32 of notes to the financial statements).

The joint venture (MFUSA) records an allowance for credit losses to provide for estimated losses in the receivable portfolio. Management evaluates the allowance for credit losses on a periodic basis based upon the known and inherent risks in the joint venture’s receivable portfolio. Accounts are written off (net of fair value of collateral less costs to sell) when delinquency reaches 360 days or when the joint venture’s evaluation indicates the account is uncollectible, if earlier.

3) Use of estimates :

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as on the date of financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statement are prudent and reasonable. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

4) Revenue recognition :

13) Impairment of assets :

The carrying value of assets/cash generating units at each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life to their present value based on an appropriate discount factor.

14) Provisions and contingent liabilities :

Provisions: Provisions are recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

15) Employee stock compensation costs :

Measurement and disclosure of the Employee Share-based Payment plans is done in accordance with SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and the Guidance Note on Accounting for Employee Share-based Payments, issued by ICAI. The Company measures compensation cost relating to employee stock options using the Intrinsic value method (i.e. excess of market value of shares over the exercise price of the option at the date of grant). Compensation cost is amortized over the vesting period of the option on a straight line basis. The options which have lapsed are reversed by a credit to Employee compensation cost, equal to the amortised portion of value of lapsed portion and credit to Deferred employee compensation cost equal the unamortised portion.

16) Lease :

Payments under operating lease arrangements are recognized as per the terms of the lease.

17) Earnings Per Share :

Basic Earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, sub-division of shares, etc. that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

10) Borrowing costs :

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to the Statement of profit and loss. Ancillary expenditure incurred in connection with the arrangement of borrowings is amortised over the tenure of the respective borrowings.

11) Current and deferred tax :

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods is accounted for using the tax rates and tax laws enacted or substantively enacted as on the balance sheet date. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Other deferred tax assets are recognised only when there is a reasonable certainty of their realisation.

12) Share issue expenses :

Expenses incurred in connection with fresh issue of Share Capital are adjusted against Securities Premium reserve in the year in which they are incurred.

13) Impairment of assets :

The carrying value of assets/cash generating units at each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life to their present value based on an appropriate discount factor.

l) Provisions and contingent liabilities :

Provisions: Provisions are recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present

obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

15) Employee stock compensation costs :

Measurement and disclosure of the Employee Share-based Payment plans is done in accordance with SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and the Guidance Note on Accounting for Employee Share-based Payments, issued by ICAI. The Company measures compensation cost relating to employee stock options using the Intrinsic value method (i.e. excess of market value of shares over the exercise price of the option at the date of grant). Compensation cost is amortized over the vesting period of the option on a straight line basis. The options which have lapsed are reversed by a credit to Employee compensation cost, equal to the amortised portion of value of lapsed portion and credit to Deferred employee compensation cost equal the unamortised portion.

16) Lease :

Payments under operating lease arrangements are recognized as per the terms of the lease.

17) Earnings Per Share :

Basic Earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, sub-division of shares, etc. that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

Summary of Significant Accounting Policies for the year ended 31 March 2014

- 1) The Consolidated Financial Statements relate to Mahindra & Mahindra Financial Services Limited (MMFSL, the Company) and its subsidiaries and its Joint Venture entity. The Consolidated Financial Statements have been prepared in accordance with Accounting Standard 21 (AS 21) "Consolidated Financial Statements" and Accounting Standard 27 (AS27) "Financial Reporting of Interests in Joint Ventures" notified by the Companies (Accounting Standard) Rules, 2006. The Consolidated Financial Statements have been prepared on the following basis:
- a. The Financial Statements of the Company, its subsidiary companies and joint venture have been combined on a line by line basis by adding together the book values of the like items of assets, liabilities, income and expenses (on a proportionate basis in case of joint venture) after eliminating inter group balances, inter group transactions and unrealised profits or losses.
 - b. The difference between the cost of investment in the subsidiaries and the Company's share of equity at the time of acquisition of shares in the subsidiaries is recognised in the Financial Statements as Goodwill on consolidation or Capital Reserve on consolidation. Goodwill arising on consolidation is not amortised in the books of account.
 - c. The difference between the foreign exchange rates prevailing at the time making the investment and on the date, on which the accounts of the joint venture are made, is recognised in the financial statements as Foreign Exchange Fluctuation Reserve.
 - d. The Financial Statements of the subsidiary companies and the joint venture are drawn for the same period as the Company.
 - e. The difference between the proceeds from disposal of investment in a subsidiary and the carrying amount of its assets less liabilities as of the date of disposal is recognised in the Statement of profit and loss as profit or loss on disposal of investment in subsidiaries.
 - f. Minority Interest in the net assets of consolidated subsidiaries consists of:
 - i) the amount of equity attributable to minorities at the date on which investment in a subsidiary is made; and
 - ii) the minorities' share of movements in equity since the date on which investment in a subsidiary relationship comes into existence.
- The subsidiaries and the joint venture (which along with Mahindra & Mahindra Financial Services Limited, the parent, constitute the "Group") considered in the presentation of these consolidated financial statements are :

Name of the Subsidiary Company / Joint Venture	Country of Origin	Proportion of Ownership Interest (*)
Mahindra Insurance Brokers Limited (MIBL)	India	85.00%
Mahindra Rural Housing Finance Limited (MRHFL)	India	87.50%
Mahindra Business & Consulting Services Pvt. Ltd. (MBCSPL)	India	100.00%
Mahindra Asset Management Company Pvt Ltd (MAMCL)	India	99.996%
Mahindra Finance USA, LLC (MFUSA)	USA	49.00%

* There is no change in the proportion of ownership interest as compared to the previous year.

2) Basis for preparation of financial statements:

The consolidated financial statements have been prepared in accordance with the Generally Accepted Accounting Principles (IGAAP) under the historical cost convention as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 1956 and the Accounting Standards notified under Section 132 of the Companies Act, 2013.

All assets and liabilities have been classified as current and non – current as per the Company’s normal operating cycle and other criteria set out in the Revised Schedule VI of the Companies Act, 1956. Based on the nature of services and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non current classification of assets and liabilities.

Further, the Company follows prudential norms for Income Recognition, assets classification and provisioning for Non-performing assets as well as contingency provision for standard assets as prescribed by The Reserve Bank of India for Non-Banking Financial Companies and by The National Housing Bank for Housing Finance Companies. The Company has a policy of making additional provision on a prudential basis (refer note no. 32 of notes to the financial statements).

The joint venture records an allowance for credit losses to provide for estimated losses in the receivable portfolio. Management evaluates the allowance for credit losses on a periodic basis based upon the known and inherent risks in the joint venture’s receivable portfolio. Accounts are written off (net of fair value of collateral less costs to sell) when delinquency reaches 360 days or when the joint venture’s evaluation indicates the account is uncollectible, if earlier.

3) Use of estimates :

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as on the date of financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statement are prudent and reasonable. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

4) Revenue recognition :

i. General :

The Company follows the accrual method of accounting for its income and expenditure except delayed payment charges, fee based income and Interest on trade advances, which on account of uncertainty of ultimate collection are accounted on receipt basis.

Further, in accordance with the guidelines issued by The Reserve Bank of India for Non-Banking Financial Companies, income on business assets classified as Non-performing assets, is recognised on receipt basis. Accordingly, unrealised interest recognised as income in the previous period is reversed in the accounting period in which the loan is classified as Non-Performing Asset and accounted as income when it is actually realised.

In accordance with the guidelines issued by The National Housing Bank for Housing Finance Companies, income on business assets classified as Non-Performing assets, is recognized on receipt basis.

f) Method used for accounting for share based payment plan

The Company has elected to use intrinsic value method to account for the compensation cost of stock options to employees of the Company. Intrinsic value is the amount by which the quoted market price of the underlying share exceeds the exercise price of the option. Employee stock compensation cost is amortized over the vesting period.

g) Fair value of options

The fair value of options have been calculated using Black Scholes Options Pricing Model and the significant assumptions made in this regards are as follows:

Grants covered under Scheme 2005 :

Variables #	7-Dec-2005	24-Jul-2007	25-Mar-2008	18-Sep-2008
1) Risk free interest rate	5.8% to 6.6%	8.17%	7.31%	8.20%
2) Expected life	2.5 - 5 years	4.17 years	4.17 years	4.18 years
3) Expected volatility	0.50%	43.69%	43.61%	43.66%
4) Dividend yield	5%	1.59%	1.59%	1.64%
5) Price of the underlying share in the market at the time of option grant (Rs.)	13.11*	46.00	63.62	50.35

the values mentioned against each of the variables are based on the weighted average percentage of vesting.

* being fair value taken from an independent valuer as the Company was unlisted as on the date of grant of option.

Grants covered under Scheme 2010 :

Variables #	07 February 2011	25 January 2012	22 July 2013	21 October 2013	21 October 2014	21 October 2015	05 January 2017	24 January 2018
1) Risk free interest rate	7.73%	8.11%	7.61%	8.60%	8.50%	7.53%	6.67%	7.16%
2) Expected life	4.50 years	5.50 years	3.50 years	3.25 years	3.25 years	4.50 years	4.70 years	4.50 years
3) Expected volatility	42.38%	46.08%	35.53%	39.27%	38.83%	37.37%	38.28%	37.61%
4) Dividend yield	2.28%	2.11%	1.70%	1.32%	1.35%	1.65%	1.12%	0.47%
5) Price of the underlying share in the market at the time of option grant (Rs.)	138.60	133.14	212.35	272.40	280.80	242.15	357.10	508.00

the values mentioned against each of the variables are based on the weighted average percentage of vesting.

h) Earnings per share

Earnings per Share as required by Accounting Standard 20 read with the Guidance Note on "Accounting for Employee Share-based Payments" is as follows:

<u>Particulars</u>	<u>Intrinsic Value Method</u>		<u>Fair Value Method *</u>	
	As at 31 March 2018	As at 31 March 2017	As at 31 March 2018	As at 31 March 2017
Net profit after tax (Rs. in Lakhs)	102,391.13	51,163.67	102,431.44	51,209.76
Weighted average number of equity shares of Rs.2/- each – Basic	581,096,549	564,723,582	581,096,549	564,723,582
Weighted Average number of equity shares of Rs.2/- each – Diluted	581,945,769	568,446,880	581,945,769	568,446,880
Basic Earnings Per Share (Rs.)	17.62	9.06	17.63	9.07
Diluted Earnings Per Share # (Rs.)	17.59	9.00	17.60	9.01

Dilution in Earnings per share is on account of 32,87,993 equity shares (31 March 2017: 37,23,298 equity shares) held by the Employees Stock Option Trust issued under the Employees Stock Option Scheme.

* Earnings Per Share under Fair value method is computed on net profit after tax after adjusting for employee compensation costs under fair value method. Employee compensation cost under fair value method as compared to intrinsic value method is lower by Rs.40.31 Lakhs (31 March 2017: Rs. 46.09 Lakhs).

32) Loan provisions and write offs

- a) The Company has made adequate provision for the Non-performing assets identified, in accordance with the guidelines issued by The Reserve Bank of India. As per the practice consistently followed, the Company has also made accelerated provision on a prudential basis.

The RBI vide its notification no DNBR. 011/CGM (CDS)-2015 dt. March 27, 2015 has revised the asset classification norms for NPAs and substandard assets under its prudential norms applicable to NBFCs in a phased manner commencing from financial year ended 31st March, 2016, upto the financial year ended 31st March, 2018 and these revised guidelines have been followed during the current year while making provisions for NPAs and Standard assets.

The cumulative accelerated provision made by the Company as on 31 March 2018 is Rs.69,970.22 Lakhs (31 March 2017: Rs.68,623.98 Lakhs).

The Company, during the year ended 31 March 2017, had started considering the estimated realisable value of underlying security (which conforms to the RBI norms) for loan assets to determine 100% provisioning for assets which were 24 months overdue which had resulted in lower provision of Rs.8,336.91 Lakhs for the year ended 31 March 2017 with a consequent impact on the profit before tax. However, during the current year, the Company has reviewed the basis of estimating provision for non-performing assets and made additional provision of Rs. 8,336.91 Lakhs against the above mentioned 100% provision cases.

b) Provisioning on Standard Assets :

(i) In accordance with the Master direction DNBR.PD.008/03.10.119/2016-17 dated September 01, 2016 issued by The Reserve Bank of India (RBI) vide its directions to all NBFC's, the Company has made Standard assets of provision of Rs.3208.00 Lakhs (31 March 2017: Rs. 2180.00 Lakhs) during the current year.

(ii) The total amount of provision on Standard assets as at 31 March 2018 stood at Rs. 19,423.00 Lakhs (31 March 2017: Rs.16,215.00 Lakhs, including additional provision of Rs.2034.00 lakhs).

33) In case of MRHFL, Standard Assets includes Rs. 2739.87 Lakhs (March 2017 Rs. 3525.23 Lakhs) towards prepaid expenses on account of unamortised discounting charges netted of from commercial paper and zero coupon bond borrowings of respective years.

The company has made adequate provision for Non Performing Assets identified, in accordance with the Housing Finance Companies (NHB) Directions, 2010. As per the practice consistently followed, the Company has also made additional provision on prudential basis. The cumulative additional provision made by the company as on 31st March 2018 is Rs. 1851.89 Lakhs (March 2017 is Rs. 1216.22 Lakhs).

The Company's pending litigations comprise of claims against the Company primarily by the customers and proceedings pending with Income Tax, sales tax/VAT and other authorities. The Company has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required and disclosed the contingent liabilities where applicable, in its financial statements. The amount of provisions / contingent liabilities is based on management's estimate, and no significant liability is expected to arise out of the same.

50) Segment information as per Accounting Standard 17:**Primary segment (Business Segment)**

The Company's business is organised and management reviews the performance based on the business segments as mentioned below:

Segment	Activities covered
Financing activities	Financing and leasing of automobiles, tractors, commercial vehicles and housing
Other reconciling items	Insurance broking, asset management services and trusteeship services

Income for each segment has been specifically identified. Expenditure, assets and liabilities are either specifically identifiable with individual segments or have been allocated to segments on a

systematic basis. Based on such allocation, segment disclosures relating to revenue, results, assets and liabilities have been prepared.

Secondary segment (Geographical Segment)

Since the business operations of the Company are primarily concentrated in India, the Company is considered to operate only in the domestic segment and therefore there is no reportable geographic segment.

f) Method used for accounting for share based payment plan

The Company has elected to use intrinsic value method to account for the compensation cost of stock options to employees of the Company. Intrinsic value is the amount by which the quoted market price of the underlying share exceeds the exercise price of the option. Employee stock compensation cost is amortized over the vesting period.

g) Fair value of options

The fair value of options have been calculated using Black Scholes Options Pricing Model and the significant assumptions made in this regards are as follows:

Grants covered under Scheme 2005 :

Variables #	7-Dec-2005	24-Jul-2007	25-Mar-2008	18-Sep-2008

- g) Method used for accounting for share based payment plan

The Company has elected to use intrinsic value method to account for the compensation cost of stock options to employees of the Company. Intrinsic value is the amount by which the quoted market price of the underlying share exceeds the exercise price of the option. Employee stock compensation cost is amortized over the vesting period.

h) Fair value of options

The fair value of options used to compute proforma net profit and earnings per share in note 43 have been estimated on the date of grant using the black-scholes model. The key assumptions used in black-scholes model for calculating fair value as on the date of grant are:

Grants covered under Scheme 2005 :

Variables #	7-Dec-2005	24-Jul-2007	25-Mar-2008	18-Sep-2008

f) Method used for accounting for share based payment plan

The Company has elected to use intrinsic value method to account for the compensation cost of stock options to employees of the Company. Intrinsic value is the amount by which the quoted market price of the underlying share exceeds the exercise price of the option. Employee stock compensation cost is amortized over the vesting period.

g) Fair value of options

The fair value of options used to compute proforma net profit and earnings per share in note no. 43 have been estimated on the date of grant using the black-scholes model. The key assumptions used in black-scholes model for calculating fair value as on the date of grant are:

Grants covered under Scheme 2005 :

Variables #	7-Dec-2005	24-Jul-2007	25-Mar-2008	18-Sep-2008

f) Method used for accounting for share based payment plan

The Company has elected to use intrinsic value method to account for the compensation cost of stock options to employees of the Company. Intrinsic value is the amount by which

the quoted market price of the underlying share exceeds the exercise price of the option. Employee stock compensation cost is amortized over the vesting period.

g) Fair value of options

The fair value of options used to compute proforma net profit and earnings per share in note 31(h) have been estimated on the date of grant using the black-scholes model. The key assumptions used in black-scholes model for calculating fair value as on the date of grant are:

Grants covered under Scheme 2005 :

Variables	7-Dec-2005	24-Jul-2007	25-Mar-2008	18-Sep-2008
1) Risk free interest rate	5.8% to 6.6%	8.17%	7.31%	8.20%

3) Expected volatility	42.38%	46.08%	35.53%	39.27%
3) Dividend yield	2.28%	2.11%	1.70%	1.32%
4) Price of the underlying share in the market at the time of option grant (Rs.)	138.60	133.14	212.35	272.40

h) Earnings per share

Earnings Per Share as required by Accounting Standard 20 read with the Guidance Note on “Accounting for Employee Share-based Payments” as at 31 March 2014 is as follows:

Particulars	<u>Intrinsic Value Method</u>	<u>Fair Value Method *</u>
Net profit after tax (Rs. in Lacs)	95442.14	95473.03
Weighted average number of equity shares of Rs.2/- each – Basic	563184678	563184678
Weighted Average number of equity shares of Rs.2/- each – Diluted	568764960	568764960
Basic Earnings Per Share (Rs.)	16.95	16.95
Diluted Earnings Per Share # (Rs.)	16.78	16.79

Dilution in Earnings per share is on account of 52,39,841 equity shares held by the Employees Stock Option Trust issued under the Employees Stock Option Scheme.

* Earnings Per Share under Fair value method is computed on proforma net profit after tax after adjusting for employee compensation costs under fair value method. Employee compensation cost under fair value method as compared to intrinsic value method is lower by Rs.30.89 Lacs.

32) Loan provisions and write offs

- a. The Company has made adequate provision for the Non-performing assets identified, in accordance with the guidelines issued by The Reserve Bank of India. As per the practice consistently followed, the Company has also made additional provision on a prudential basis. The cumulative additional provision made by the Company as on 31 March, 2014 is Rs. 35253.77 Lacs.
- b. In accordance with the Notification No. DNBS.222/ CGM (US)-2011 dated 17.01.2011 issued by The Reserve Bank of India (RBI) vide its directions to all NBFC's to make a general provision of 0.25% on the Standard assets, the Company has made a provision of Rs. 2110.00 Lacs, including additional / accelerated provision of Rs. 3568.00 Lacs (refer note no. 27).

The total amount of provision on Standard assets of Rs.11625.00 Lacs is shown separately as “Contingent provision for Standard assets” under Long-term and Short-term provisions in the balance sheet (refer note no. 6 and 10). The said amount includes additional / accelerated provision of 0.15% for Rs.4370.00 Lacs as at 31st March, 2014.

- c. Bad debts and write offs includes loss on termination which mainly represents shortfall on settlement of certain contracts due to lower realisation from such hire purchase/leased/loan assets on account of poor financial position of such customers.

 - a. Section 26 of Part I of Chapter III of the Companies Act 2013 read with rule 4 to 6 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 (the ‘Rules’); and
 - b. the Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008, as amended (the ‘SEBI Debt Regulations’) issued by Securities and Exchange Board of India Act, 1992.

Management’s Responsibility

2. The preparation of Reformatted Standalone Financial Information is the responsibility of management of the Company for the purpose set out in the paragraph 11 below. Management’s responsibility includes designing, implementing and maintaining adequate internal control relevant to the preparation and presentation of Reformatted Standalone Financial Information. Management is also responsible for identifying and ensuring that the Company complies with the requirements of the Rules and SEBI Debt Regulations.
3. The Reformatted Standalone Financial Information have been extracted by management from the audited standalone financial statements of the Company for the years ended 31 March 2018, 31 March 2017, 31 March 2016, 31 March 2015 and 31 March 2014, which were approved by Board of Directors of the Company on 25 April 2018; 25 April 2017; 23 April 2016; 23 April 2015; and 17 April 2014, respectively.

Auditor's Responsibility

4. We have examined such Reformatted Standalone Financial Information taking into consideration:
 - a. the terms of reference and terms of our engagement agreed upon with you in accordance with our engagement letter dated 24 October 2018 in connection with the Proposed Issue;
 - b. requirements of the Rules and the SEBI Debt Regulations; and
 - c. Guidance Note on Reports in Company Prospectuses (Revised 2016) issued by the Institute of Chartered Accountants of India (ICAI) (the 'Guidance Note').
5. As stated in our audit report referred to in paragraph 3 above, we conducted our audit for the year ended 31 March 2018 in accordance with the Standards on Auditing specified under Section 143 (10) of the Companies Act, 2013 issued by the Institute of Chartered Accountants of India, as applicable. Those Standards require we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation and fair presentation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Audit for the financial years ended 31 March 2017, 31 March 2016, 31 March 2015 and 31 March 2014 was conducted by the predecessor auditors, M/s B.K. Khare & Co., and accordingly reliance has been placed on the Reformatted Standalone Financial Information examined by them for those years.

Summary of Significant Accounting policies for reformatted Standalone Financial Information

1 CORPORATE OVERVIEW

Mahindra & Mahindra Financial Services Limited ('the Company'), incorporated and headquartered in Mumbai, India is a publicly held Non-Banking Financial Company ('NBFC') engaged in providing asset finance through its pan India branch network. The Company is registered as a Systemically Important Deposit Accepting NBFC as defined under Section 45-IA of the Reserve Bank of India ('RBI') Act, 1934 with effect from 4 September 1998. The Company is a subsidiary of Mahindra & Mahindra Limited.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis for preparation of financial statements:

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India (IGAAP) under the historical cost convention as a going concern and on accrual basis, unless otherwise stated, and in accordance with the provisions of the Companies Act, 2013 and the Accounting Standards specified under section 133 of the Companies Act, 2013 ("the Act") read with rule 7 of the Companies (Accounts) Rules 2014 (as amended).

All assets and liabilities have been classified as current and non – current as per the Company's normal operating cycle and other criteria set out in the Schedule III of Act. Based on the nature of services and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities.

Further, the Company follows prudential norms for Income Recognition, assets classification and provisioning for Non-performing assets as well as contingency provision for Standard assets as prescribed by The Reserve Bank of India (RBI) for Non-Banking Financial Companies and the guidelines issued by Securities and Exchange Board of India (SEBI) to the extent applicable. The Company has a policy of making additional provision on a prudential basis (refer note 32).

The accounting policies set out below have been applied consistently to the periods presented in these financial statements.

2.2 Use of estimates :

The preparation of financial statements requires the management to make judgements, estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as on the date of financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statement are prudent and reasonable. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

2.3 Revenue recognition :

a) General :

Revenue is recognised as earned and accrued when it is reasonably certain that its ultimate collection will be made and the revenue is measurable.

Interest income from retail loan transactions is accounted based on applying Internal Rate of Return ('IRR') and from other loans is accounted based on applying the interest rate implicit in such contracts. Interest income on all other assets is recognised on time proportion basis.

Service charges and other fees on loan transactions are recognised at the commencement of the contract.

Income from operating leases is recognised in the statement of profit and loss as per contractual rentals unless another systematic basis is more representative of the time pattern in which benefit derived from the leased asset is diminished.

Delayed payment charges, fee based income and interest on trade advances, are recognised when they become measurable and when it is not unreasonable to expect their ultimate collection.

Income from bill discounting is recognised over the tenure of the instrument so as to provide a constant periodic rate of return.

Income on assets classified as Non-performing Assets, is recognised strictly in accordance with the guidelines issued by The Reserve Bank of India for Non-Banking Financial Companies. Unrealized interest recognized as income in the previous period is reversed in the month in which the asset is classified as non-performing.

b) Commission and brokerage income :

Commission and brokerage income earned for the services rendered are recognised as and when they are due.

c) Subvention income :

Subvention received from manufacturers/dealers on vehicles financed is booked over the period of the contract. The unamortized balance is being disclosed as part of liabilities. For contracts foreclosed / securitised / assigned, balance of subvention income is recognised as income at the time of such foreclosure / securitization / assignment.

2.4 Income from securitization / assignment transactions :**a) Securitisation transactions:**

Securitized receivables are de-recognized in the balance sheet when they are sold i.e. if they fully meet the true sale criteria.

Gains arising on securitisation of assets are recognised over the tenure of securities issued by Special Purpose Vehicles Trust (SPV).

Company's contractual rights to receive the share of future interest (i.e. interest spread) in the transferred assets from the SPV is capitalised at the present value as Interest Only (I/O) strip with a corresponding liability created for unrealised gains on loan transfer transactions. The excess interest spread on the securitisation transactions are recognised in the Statement of profit and loss only when it is redeemed in cash by the SPV. Losses, if any, are recognised upfront.

b) Assignment transactions:

Receivables under the assignment transactions are de-recognized in the balance sheet when they are sold subject to the portion of loan assets which is required under the Minimum Retention Criteria and reflected as Loans and Advances (refer note 15 and 20).

The amount of profit in cash on such transactions is held under an accounting head styled as "Cash profit on loan transfer transactions pending recognition" maintained on an individual transaction basis. The amortisation of cash profit arising out of loan assignment transaction is done at every reporting period end based on the formula prescribed as per the Circular dated 21 August 2012. The unamortized portion is reflected as "Other long-term liabilities" / "Other current liabilities" (refer note 6 and 10).

2.5 Income from investments:

- Dividend from investments is accounted for as income when the right to receive dividend is established.
- Interest income is accounted on accrual basis.
- Interest income from investments made in structured instruments are accounted based on implicit rate built in such instruments.
- Profit/ loss earned on sale of investments is recognised on trade date basis. Profit or loss on sale of investments is determined on the basis of weighted average cost method. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

2.6 Fixed assets, depreciation and amortization:**a) Property, Plant and Equipments (PPE) :**

PPE are stated at cost of acquisition (including incidental expenses), less accumulated depreciation.

Assets given on operating lease (new and refurbished vehicles) are shown at the cost of acquisition less accumulated depreciation. These have been grouped under the head 'Vehicles given on operating lease' forming part of Company's PPE in note no.12.

Assets held for sale or disposals are stated at the lower of their net book value and net realisable value.

Advances paid towards the acquisition of PPE outstanding at each balance sheet date are disclosed as long-term loans and advances. Capital work in progress comprises the cost of Property, Plant and Equipments that are not ready for its intended use at the reporting date.

b) Depreciation on PPE:

Depreciation on PPE including new assets given on operating lease is charged on Straight Line Method (SLM) in accordance with the useful lives specified in Schedule II to the Companies Act, 2013 on a pro-rata basis except for following assets in respect of which useful life is taken as estimated by the management based on the actual usage pattern of the assets.

- Assets costing less than Rs.5000/- are fully depreciated in the period of purchase.
- Vehicles used by employees are depreciated over the period of 48 months considering this period as the useful life of vehicle for the Company.
- Repossessed assets, which are primarily used vehicles, that have been capitalised for own use are depreciated at the rate of 15% on SLM over the remaining useful life of these assets. The same have been grouped under the head 'Vehicles' forming part of Company's PPE in note no.12.
- Used and Refurbished assets given on operating lease are depreciated at the rate of 15% on SLM over the remaining useful life of these assets.
- Residual value of the assets is considered as nil reflecting the estimate of realisable values at the end of the useful life of an asset.

c) Intangible assets :

Intangible assets are stated at cost less accumulated amortization and impairment loss, if any.

d) Amortization of Intangible assets:

Intangible assets comprises of computer software which is amortized over the estimated useful life. The maximum period for such amortization is taken as 36 months based on management's estimates of useful life.

2.7 Foreign exchange transactions and translations :**a) Initial recognition**

Transactions in foreign currencies are recognised at the prevailing exchange rates between the reporting currency and a foreign currency on the transaction date.

b) Conversion

Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of profit and loss.

Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

c) Exchange differences

The Company accounts for exchange differences arising on translation/settlement of foreign currency monetary items as below:

Realized gains and losses on settlement of foreign currency transactions are recognised in the Statement of profit and loss.

Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of profit and loss.

d) Forward exchange and other derivative contracts entered into to hedge foreign currency risk of an existing assets/liabilities

In case of forward contracts with underlying assets or liabilities, the difference between the forward rate and the exchange rate which is either a premium or discount arising at the inception of a forward contract is amortised over the life of the contract. Unamortised forward premium as at the yearend is reflected as Other long-term / short-term liabilities depending on the period over which the premium is amortised.

Any profit or loss arising on cancellation or renewal of forward exchange contracts are recognised as income or expense for the period.

As per the risk management policy, the Company has taken currency swap to cover the risk exposure on account of foreign currency loans. These transactions are structured in such a way that the Company's foreign currency liability is crystallized at a rate of exchange prevailing on the date of taking the swap. The foreign currency loans are valued at the exchange rate prevailing on the reporting date. Foreign currency swaps are marked to market on reporting date and resultant gain or loss is charged to Statement of profit and loss.

Cross currency Interest rate swaps in the nature of hedge, taken to manage currency risk as well as interest rate risk on foreign currency liabilities, whereby variable interest rate in foreign currency is swapped for fixed interest rate in Indian rupees or vice-versa. Such Interest rate swaps are marked to market at each reporting date and resultant gain or loss is recognised in Statement of profit and loss.

2.8 Investments :

Investments are classified into non-current investments and current investments. Investments which are intended to be held for one year or more, based on intention of management at the time of purchase, are classified as non-current investments and investments which are intended to be held for less than one year are classified as current investments. Non-current investments in structured instruments are carried at cost less principal repayments till reporting date.

Non-current investments are carried at cost comprising of acquisition and incidental expenses less diminution in value. Provision for diminution in value of investments, if any, is made if in the opinion of management, such diminution is other than temporary, determined separately for each individual non-current investment.

Any premium on acquisition is amortised over the remaining maturity of the security on a straight line basis. Such amortisation of premium is adjusted against interest income from investments. The book value of the investments is reduced to the extent of amount amortised during the relevant accounting period.

Current investments are carried at lower of cost and net realisable value. The comparison of cost and net realisable value is done separately in respect of each investment.

2.9 Loans against assets :

Loans against assets are stated at agreement value net of instalments received less unmatured finance charges.

2.10 Employee benefits:**a) Contribution to provident fund and National Pension Scheme -**

Company's contribution paid/payable during the year to provident fund and National Pension Scheme is recognised in the Statement of profit and loss.

b) Gratuity -

The Company provides for the gratuity, a defined benefit retirement plan covering all employees. The plan provides for lump sum payments to employees upon death while in employment or on separation from employment after serving for the stipulated period mentioned under 'The Payment of Gratuity Act, 1972'. The Company accounts for liability of future gratuity benefits based on an external actuarial valuation on projected unit credit method carried out for assessing liability as at the reporting date. Actuarial gains/losses are immediately taken to the Statement of profit and loss and are not deferred.

c) Superannuation -

The Company makes contribution to the Superannuation scheme, a defined contribution scheme, administered by Life Insurance Corporation of India, which are charged to the Statement of profit and loss. The Company has no obligation to the scheme beyond its contributions.

d) Leave encashment / compensated absences / sick leave -

The Company provides for the encashment / availment of leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment / availment. The liability is provided based on the number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation.

2.11 Borrowing costs :

Borrowing costs include interest, brokerage on fixed deposits mobilised, discounting charges on commercial papers/zero coupon non-convertible debentures issued and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs are charged to the Statement of profit and loss. Incidental expenditure incurred in connection with the arrangement of borrowings is amortised over the tenure of the respective borrowings.

2.12 Commercial papers and zero coupon non-convertible debentures:

Commercial papers and zero coupon non-convertible debentures are recognised at redemption value, net of unamortized discounting charges. The difference between redemption value and issue value is amortised on a time proportion basis and is included under finance costs.

2.13 Taxation - Current and deferred tax:

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period.

a) Current tax :

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the provisions of the Income Tax Act, 1961.

b) Deferred tax :

Deferred tax on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods is accounted for using the tax rates and tax laws enacted or substantively enacted as on the balance sheet date. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Other deferred tax assets are recognised only when there is a reasonable certainty of their realisation.

2.14 Securities issue expenses :

Expenses incurred in connection with fresh issue of Share capital and public issue of debt securities are adjusted against Securities premium reserve as per the provisions of section 52 of the Act.

2.15 Impairment of assets :

The carrying value of assets/cash generating units at each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life to their present value based on an appropriate discount factor. The impairment loss is recognized in the statement of profit and loss. If, at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of the depreciable historical cost.

2.16 Provisions and contingent liabilities :

Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

2.17 Provisioning / Write-off on assets

The provisioning / write-off on overdue assets is as per the management estimates, subject to the minimum provision required as per Master Direction- Non Banking Financial Company-Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016.

2.18 Employee Stock Compensation Costs :

Measurement and disclosure of the Employee Share-based Payment plans is done in accordance with Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and the Guidance Note on Accounting for Employee Share-based Payments, issued by the Institute of Chartered Accountants of India. The Company measures compensation cost relating to employee stock options using the Intrinsic value method (i.e. excess of market value of shares over the exercise price of the option at the date of grant). Compensation cost is amortized over the vesting period of the option on a straight line basis. The options which have lapsed are reversed by a credit to Employee compensation cost, equal to the amortised portion of value of lapsed portion and credit to Deferred employee compensation cost equal the unamortised portion.

2.19 Leases :**Where the Company is the lessee -**

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased asset are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight line basis over the tenure of the lease.

Where the Company is the lessor -

The Company has given certain vehicles on lease where it has substantially retained the risks and rewards of ownership and hence these are classified as operating leases. These assets given on operating lease are included in PPE. Lease income is recognised in the Statement of profit and loss as per contractual rental unless another systematic basis is more representative of the time pattern in which the benefit derived from the leased asset is diminished. Cost including depreciation are recognized as an expense in the Statement of profit and loss. Initial direct cost are recognised immediately in Statement of profit and loss.

2.20 Earnings Per Share :

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, sub-division of shares etc. that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders is divided by the weighted average number of equity shares outstanding during the period, considered for deriving basic earnings per share and weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

i. Securitisation transactions:

- a. Securitised receivables are de-recognized in the balance sheet when they are sold i.e. if they fully meet the true sale criteria.
- b. Gains arising on securitisation of assets are recognised over the tenure of securities issued by Special Purpose Vehicles Trust (SPV).
- c. Company's contractual rights to receive the share of future interest (i.e. interest spread) in the transferred assets from the SPV is capitalised at the present value as Interest Only (I/O) strip with a corresponding liability created for unrealised gains on loan transfer transactions. The excess interest spread on the securitisation transactions are recognised in the Statement of profit

and loss only when it is redeemed in cash by the SPV. Losses, if any, are recognised upfront

ii. Assignment transactions:

- a. Receivables under the assignment transactions are de-recognized in the balance sheet when they are sold subject to the portion of loan assets which is required under the Minimum Retention Criteria and reflected as Loans and Advances (refer note no. 15 and 20).
- b. The amount of profit in cash on such transactions is held under an accounting head styled as "Cash profit on loan transfer transactions pending recognition" maintained on an individual transaction basis. The amortisation of cash profit arising out of loan assignment transaction is done at the end of every financial year based on the formula prescribed as per the Circular. The unamortized portion is reflected as "Other long-term liabilities" / "Other current liabilities" (refer note no. 6 and 10)

V. Income from investments:

- a) Dividend from investments is accounted for as income when the right to receive dividend is established.
- b) Interest income is accounted on accrual basis.
- c) Interest income from investments made in structured instruments are accounted based on implicit rate built in such instruments.

a) Tangible assets :

- i. Tangible assets are stated at cost of acquisition (including incidental expenses), less accumulated depreciation.
- ii. Assets held for sale or disposals are stated at the lower of their net book value and net realisable value.

b) Depreciation on Tangible assets:

Depreciation on tangible assets is charged on Straight Line Method (SLM) in accordance with the useful lives specified in Schedule II to the Companies Act, 2013 on a pro-rata basis except for following assets in respect of which useful life is taken as estimated by the management based on the actual usage pattern of the assets.

- a. Assets costing less than Rs.5000/- are fully depreciated in the period of purchase.

- b. Vehicles used by employees are depreciated over the period of 48 months considering this period as the useful life of vehicle for the Company.
- c. Repossessed assets, which are primarily used vehicles, that have been capitalised for own use are depreciated at the rate of 15% on SLM over the remaining useful life of these assets. The same have been grouped under the head 'Vehicles' forming part of Company's Tangible assets in note no.12.
- d. Residual value of the assets is considered as nil reflecting the estimate of realisable values at the end of the useful life of an asset.

c) Intangible assets :

Intangible assets are stated at cost less accumulated amortization and impairment loss, if any.

d) Amortization of Intangible assets:

Intangible assets comprises of computer software which is amortized over the estimated useful life. The maximum period for such amortization is taken as 36 months based on management's estimates of useful life.

5) Foreign exchange transactions and translations :

i. Initial recognition

Transactions in foreign currencies are recognised at the prevailing exchange rates between the reporting currency and a foreign currency on the transaction dates.

ii. Conversion

- a) Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of profit and loss.
- b) Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

iii. Exchange differences

The Company accounts for exchange differences arising on translation/settlement of foreign currency monetary items as below:

- a) Realized gains and losses on settlement of foreign currency transactions are recognised in the Statement of profit and loss.
- b) Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of profit and loss.

iv. Forward exchange and other derivative contracts entered into to hedge foreign currency risk of an existing assets/liabilities

- a. In case of forward contracts with underlying assets or liabilities, the difference between the forward rate and the exchange rate which is either a premium or discount arising at the inception of a forward contract is amortised over the life of the contract. Unamortised forward premium as at the year end is reflected as Other long-term / short-term liabilities depending on the period over which the premium is amortised.
- b. Exchange differences on such contracts are recognised in the Statement of profit and loss in the period in which the exchange rate changes.
- c. Any profit or loss arising on cancellation or renewal of forward exchange contracts are recognised as income or expense for the period.
- d. As per the risk management policy, the Company has taken foreign currency swap to cover the risk exposure on account of foreign currency loans. These transactions are structured in such a way that the Company's foreign currency liability is crystallized at a rate of exchange prevailing on the date of taking the swap. Accordingly, no loss or gain is expected on the settlement of swap as compared to the rate of exchange prevailing on the date of the swap. In such cases, foreign currency gain/losses on currency swap contracts are recognised to the extent of loss/gain on the underlying loan liabilities.
- e. Interest rate swaps in the nature of hedge, taken to manage interest rate risk on foreign currency liabilities, whereby variable interest rate is swapped for fixed interest rate, are recognized on accrual basis at fixed interest rate and charged to the Statement of Profit and Loss.

6) Investments :

In terms of Non-Banking Financial Companies Prudential Norms (Reserve Bank) Directions, 1998, Investments held as long-term investments are generally carried at cost comprising of acquisition and incidental expenses. Long-term investments in structured instruments are carried at cost less principal repayments till reporting date. Provision for diminution in value of investments, if any, is made if in the opinion of management, such diminution is other than temporary. Any premium on acquisition is amortised over the remaining maturity of the security on a constant yield to maturity basis. Such amortisation of premium is adjusted against interest income from investments. The book value of the investments is reduced to the extent of amount amortised during the relevant accounting period.

Investments other than long-term investments are classified as current investments and valued at lower of cost or fair value.

7) Loans against assets :

Loans against assets are stated at agreement value net of instalments received less unmatured finance charges.

8) Employee benefits :

(a) Contribution to provident fund -

Company's contribution paid/payable during the year to provident fund is recognised in the Statement of profit and loss.

(b) Gratuity -

The Company provides for the gratuity, a defined benefit retirement plan covering all employees. The plan provides for lump sum payments to employees upon death while in employment or on separation from employment after serving for the stipulated period mentioned under 'The Payment of Gratuity Act, 1972'. The Company accounts for liability of future gratuity benefits based on an external actuarial valuation on projected unit credit method carried out for assessing liability as at the reporting date. Actuarial gains/losses are immediately taken to the Statement of profit and loss and are not deferred.

(c) Superannuation -

The Company makes contribution to the Superannuation scheme, a defined contribution scheme, administered by Life Insurance Corporation of India, which are charged to the Statement of profit and loss. The Company has no obligation to the scheme beyond its contributions.

(d) Leave encashment / compensated absences / sick leave -

The Company provides for the encashment / availment of leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment / availment. The liability is provided based on the number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation.

9) Borrowing costs :

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to the Statement of profit and loss. Ancillary

expenditure incurred in connection with the arrangement of borrowings is amortised over the tenure of the respective borrowings.

10) Current and deferred tax:

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods is accounted for using the tax rates and tax laws enacted or substantively enacted as on the balance sheet date. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Other deferred tax assets are recognised only when there is a reasonable certainty of their realisation.

11) Share issue expenses :

Expenses incurred in connection with fresh issue of Share capital are adjusted against Securities premium reserve in the year in which they are incurred.

12) Impairment of assets :

The carrying value of assets/cash generating units at each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life to their present value based on an appropriate discount factor.

13) Provisions and contingent liabilities :

Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

14) Employee Stock Compensation Costs :

Measurement and disclosure of the Employee Share-based Payment plans is done in accordance with SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and the Guidance Note on Accounting for Employee Share-based Payments, issued by ICAI. The Company measures compensation cost relating to employee stock options using the Intrinsic value method (i.e. excess of market value of shares over the exercise price of the option at the date of grant). Compensation cost is amortized over the vesting period of the option on a straight line basis. The options which have lapsed are reversed by a credit to Employee compensation cost, equal to the amortised portion of value of lapsed portion and credit to Deferred employee compensation cost equal the unamortised portion.

15) Lease :

Lease rentals in respect of assets taken on operating lease arrangements are recognized as per the terms of the lease.

16) Earnings Per Share :

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, sub-division of shares etc. that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

Deferred tax on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods is accounted for using the tax rates and tax laws enacted or substantively enacted as on the balance sheet date. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Other deferred tax assets are recognised only when there is a reasonable certainty of their realisation.

11. Share issue expenses :

Expenses incurred in connection with fresh issue of Share capital are adjusted against Securities premium reserve in the year in which they are incurred.

12. Impairment of assets :

The carrying value of assets/cash generating units at each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life to their present value based on an appropriate discount factor.

13. Provisions and contingent liabilities :

Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

14. Employee Stock Compensation Costs :

Measurement and disclosure of the Employee Share-based Payment plans is done in accordance with SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and the Guidance Note on Accounting for Employee Share-based Payments, issued by ICAI. The Company measures compensation cost relating to employee stock options using the Intrinsic value method (i.e. excess of market value of shares over the exercise price of the option at the date of grant). Compensation cost is amortized over the vesting period of the option on a straight line basis.

15. Lease :

Lease rentals in respect of assets taken on operating lease arrangements are recognized as per the terms of the lease.

16. Earnings Per Share :

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, sub-division of shares etc. that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

31 Employee Stock Option Plan (Continued)

f) Method used for accounting for share based payment plan

The Company has elected to use intrinsic value method to account for the compensation cost of stock options to employees of the Company. Intrinsic value is the amount by which the quoted market price of the underlying share exceeds the exercise price of the option. Employee stock compensation cost is amortized over the vesting period.

g) Fair value of options

The fair value of options have been calculated using Black Scholes Options Pricing Model and the significant assumptions made in this regards are as follows :

Grants covered under Scheme 2005 :

Variables #	7 December 2005	24 July 2007	25 March 2008	18 September 2008
1) Risk free interest rate	5.8% to 6.6%	8.17%	7.31%	8.20%
2) Expected life	2.5 - 5 years	4.17 years	4.17 years	4.18 years
3) Expected volatility	0.50%	43.69%	43.61%	43.66%
4) Dividend yield	5.00%	1.59%	1.59%	1.64%
5) Price of the underlying share in the market at the time of option grant (Rs.)	13.11*	46.00	63.62	50.35

the values mentioned against each of the variables are based on the weighted average percentage of vesting.

* being fair value taken from an independent valuer as the Company was unlisted as on the date of grant of option.

Grants covered under Scheme 2010:

Variables #	07 February 2011	25 January 2012	22 July 2013	21 October 2013	21 October 2014	21 October 2015	05 January 2017	24 January 2018
1) Risk free interest rate	7.73%	8.11%	7.61%	8.60%	8.50%	7.53%	6.67%	7.16%
2) Expected life	4.5 years	5.5 years	3.5 years	3.25 years	3.25 years	4.50 years	4.70 years	4.50 years
3) Expected volatility	42.38%	46.08%	35.53%	39.27%	38.83%	37.37%	38.28%	37.61%
4) Dividend yield	2.28%	2.11%	1.70%	1.32%	1.35%	1.65%	1.12%	0.47%
5) Price of the underlying share in the market at the time of option grant (Rs.)	138.60	133.14	212.35	272.40	280.80	242.15	357.10	508.00

the values mentioned against each of the variables are based on the weighted average percentage of vesting.

h) Earnings Per Share

Earnings Per Share as required by Accounting Standard 20 read with the Guidance Note on "Accounting for Employee Share-based Payments" is as follows:

Particulars	Intrinsic Value Method		Fair Value Method *	
	As at 31 March 2018	As at 31 March 2017	As at 31 March 2018	As at 31 March 2017
Net profit after tax (Rs. in Lakhs)	89,188.43	40,023.49	89,228.74	40,069.58
Weighted average number of equity shares of Rs.2/- each – Basic	581,096,549	564,723,582	581,096,549	564,723,582
Weighted Average number of equity shares of Rs.2/- each – Diluted	581,945,789	568,446,880	581,945,789	568,446,880
Basic Earnings Per Share (Rs.)	15.35	7.09	15.36	7.10
Diluted Earnings Per Share # (Rs.)	15.33	7.04	15.33	7.05

Dilution in Earnings per share is on account of 32,87,993 equity shares (31 March 2017: 37,23,298 equity shares) held by the Employees Stock Option Trust issued under the Employees Stock Option Scheme.

* Earnings Per Share under Fair value method is computed on net profit after tax after adjusting for employee compensation costs under fair value method. Employee compensation cost under fair value method as compared to intrinsic value method is lower by Rs.40.31 Lakhs (31 March 2017: Rs. 46.09 Lakhs).

32 Loan provisions

- a) The Company has made adequate provision for the Non-performing assets identified, in accordance with the guidelines issued by The Reserve Bank of India. As per the practice consistently followed, the Company has also made accelerated provision on a prudential basis.

The RBI vide its notification no. DNBR. 011/CGM (CDS)-2015 dated March 27, 2015 has revised the asset classification norms for NPAs and substandard assets under its prudential norms applicable to NBFCs in a phased manner commencing from financial year ended 31st March, 2016, upto the financial year ended 31st March, 2018 and these revised guidelines have been followed during the current year while making provisions for NPAs and Standard assets.

The cumulative accelerated provision made by the Company as on 31 March 2018 is Rs.69,970.22 Lakhs (31 March 2017: Rs.68,623.98 Lakhs).

The Company, during the year ended 31 March 2017, had started considering the estimated realisable value of underlying security (which conforms to the RBI norms) for loan assets to determine 100% provisioning for assets which were 24 months overdue which had resulted in lower provision of Rs.8,336.91 Lakhs for the year ended 31 March 2017 with a consequent impact on the profit before tax. However, during the current year, the Company has reviewed the basis of estimating provision for non-performing assets and made additional provision of Rs. 8,336.91 Lakhs against the above mentioned 100% provision cases.

- b) (i) In accordance with the Master direction DNBR.PD.008/03.10.119/2016-17 dated September 01, 2016 issued by The Reserve Bank of India (RBI) vide its directions to all NBFC's, the Company has made Standard assets of provision of Rs.3208.00 Lakhs (31 March 2017: Rs. 2180.00 Lakhs) during the current year.
- (ii) The total amount of provision on Standard assets as at 31 March 2018 stood at Rs. 19,423.00 Lakhs (31 March 2017: Rs.16,215.00 Lakhs, including additional provision of Rs.2,034.00 lakhs).

- 33 The Company is engaged primarily in the business of financing and accordingly there are no separate reportable segments as per Accounting Standard 17 dealing with Segment Reporting.

f) Method used for accounting for share based payment plan

The Company has elected to use intrinsic value method to account for the compensation cost of stock options to employees of the Company. Intrinsic value is the amount by which the quoted market price of the underlying share exceeds the exercise price of the option. Employee stock compensation cost is amortized over the vesting period.

g) Fair value of options

The fair value of options have been calculated using Black Scholes Options Pricing Model and the significant assumptions made in this regards are as follows :

Grants covered under Scheme 2005 :

Variables #	7-Dec-2005	24-Jul-2007	25-Mar-2008	18-Sep-2008
1) Risk free interest rate	5.8% to 6.6%	8.17%	7.31%	8.20%
2) Expected life	2.5 - 5 years	4.17 years	4.17 years	4.18 years
3) Expected volatility	0.50%	43.69%	43.61%	43.66%
4) Dividend yield	5%	1.59%	1.59%	1.64%
5) Price of the underlying share in the market at the time of option grant (Rs.)	13.11*	46.00	63.62	50.35

the values mentioned against each of the variables are based on the weighted average percentage of vesting.

* being fair value taken from an independent valuer as the Company was unlisted as on the date of grant of option.

Grants covered under Scheme 2010 :

Variables #	7-Feb-2011	25-Jan-2012	22-Jul-2013	21-Oct-2013	21-Oct-2014	21-Oct-2015	05-Jan-2017
1) Risk free interest rate	7.73%	8.11%	7.61%	8.60%	8.50%	7.53%	6.67%

the values mentioned against each of the variables are based on the weighted average percentage of vesting.

h) Earnings Per Share

Earnings Per Share as required by Accounting Standard 20 read with the Guidance Note on "Accounting for Employee Share-based Payments" is as follows:

Particulars	Intrinsic Value Method		Fair Value Method *	
	As at March 31		As at March 31	
	2017	2016	2017	2016
Net profit after tax (Rs. in Lakhs)	40023.49	67259.60	40069.58	67336.73
Weighted average number of equity shares of Rs.2/- each – Basic	564723582	564278639	564723582	564278639
Weighted Average number of equity shares of Rs.2/- each – Diluted	568446880	568442221	568446880	568442221
Basic Earnings Per Share (Rs.)	7.09	11.92	7.10	11.93
Diluted Earnings Per Share # (Rs.)	7.04	11.83	7.05	11.84

Dilution in Earnings per share is on account of 37,23,298 equity shares (March 31, 2016 : 41,63,582 equity shares) held by the Employees Stock Option Trust issued under the Employees Stock Option Scheme.

* Earnings Per Share under Fair value method is computed on net profit after tax after adjusting for employee compensation costs under fair value method. Employee compensation cost under fair value method as compared to intrinsic value method is lower by Rs. 46.09 Lakhs (March 31, 2016 : Rs. 77.13 Lakhs).

32. Loan provisions and write offs

- a) The Company has made adequate provision for the Non-performing assets identified, in accordance with the guidelines issued by The Reserve Bank of India. As per the practice consistently followed, the Company has also made accelerated provision on a prudential basis.

The RBI vide its notification no DNBR. 011/CGM (CDS)-2015 dt. March 27, 2015 has revised the asset classification norms for NPAs and substandard assets under its prudential norms applicable to NBFCs in a phased manner commencing from financial year ending 31st March, 2016, upto the financial year ending 31st March, 2018 which would result in an additional provision.

The cumulative accelerated provision made by the Company as on March 31, 2017 is Rs.68623.98 Lakhs (March 31, 2016 : Rs. 73567.48 Lakhs)

- b) (i) In accordance with the Master direction DNBR.PD.008/03.10.119/2016-17 dated September 01, 2016 issued by The Reserve Bank of India (RBI) vide its directions to all NBFC's to increase the general provision on the Standard assets in a phased manner commencing from the financial year ended March 31, 2016 to 0.30%, to 0.35% by the financial year ended March 31, 2017 and to 0.40% by the financial year ending March 31, 2018, the Company has made a provision of Rs.2180.00 Lakhs (March 31, 2016: Rs. 1353.00 Lakhs).

(ii) The total amount of provision on Standard assets of Rs.16215.00 Lakhs (March 31, 2016 :Rs.14035.00 Lakhs) includes additional provision of 0.05% for

Rs.2034.00 Lakhs as at March 31, 2017 (0.10% for Rs. 5262.00 as at March 31, 2016).

(iii) During the year, the Company has reviewed the basis of estimating provision for non-performing assets and has considered estimated realisable value of underlying security (which conforms to the RBI norms) for loan assets to determine 100% provisioning for assets which are 24 months overdue resulting in a lower provision of Rs.8336.91 Lakhs.

- c) Bad debts and write offs includes loss on termination which mainly represents shortfall on settlement of certain contracts due to lower realisation from such loan assets on account of poor financial position of such customers.
- d) In accordance with the Prudential norms for restructured advances, the Company has made provisions of Rs. 254.65 Lakhs (March 31, 2016 : Rs. 32.51 Lakhs) as Higher / additional provisions and Provisions for diminution in fair value on account of restructured advance.

b) The details of modification to Employee stock option scheme (extension of exercise period) :

The Nomination and Remuneration Committee of the Board of Directors of Mahindra & Mahindra Financial Services Limited at its Meeting held on 23rd April, 2015, has approved the extension of the exercise period to 36 months from the date of vesting as against the current period of 6 months in respect of the stock options granted under the Mahindra & Mahindra Financial Services Limited Employees' Stock Option Scheme 2010.

The details of increase / (decrease) in fair value as a result of extension of the exercise period are as follows :

Sr.No	Scheme Name	Grant date	Fair value per option on the date of grant (Rs.)	Pre modification fair value per option (Rs.)	Post modification fair value per option (Rs.)	Increase / (decrease) in fair value per option (Rs.)
1	ESOS 2010	25-Jan-2012	117.31	276.65	273.82	(2.83)
2	ESOS 2010	22-Jul-2013	198.64	272.99	268.41	(4.58)
3	ESOS 2010	21-Oct-2013	259.46	272.25	267.57	(4.68)
4	ESOS 2010	21-Oct-2014	267.23	268.69	264.07	(4.62)

As per the requirements of paragraph 24 of the Guidance Note on Accounting for Employee Share-based payments issued by the Institute of Chartered Accountants of India (ICAI), the Company has not taken in to account above decrease in fair value measured immediately before and after modification of the terms and conditions and hence continued to measure the amount recognised for services received as consideration for the stock options based on the grant date fair value of the stock options granted.

c) During the year, the Company has granted 57,920 stock options to the eligible employees under the Employees' Stock option scheme 2010. The details are as under:

	Grant dated October 21, 2015

- g) Method used for accounting for share based payment plan

The Company has elected to use intrinsic value method to account for the compensation cost of stock options to employees of the Company. Intrinsic value is the amount by which the quoted market price of the underlying share exceeds the exercise price of the option. Employee stock compensation cost is amortized over the vesting period.

- h) Fair value of options

The fair value of options used to compute proforma net profit and earnings per share in note 31 (i) have been estimated on the date of grant using the black-scholes model. The key assumptions used in black-scholes model for calculating fair value as on the date of grant are:

Grants covered under Scheme 2005 :

Variables #	7-Dec-2005	24-Jul-2007	25-Mar-2008	18-Sep-2008

Diluted Earnings Per Share # (Rs.)	11.83	14.62	11.84	14.64

Dilution in Earnings per share is on account of 41,63,582 equity shares (March 31, 2015 : 46,24,289 equity shares) held by the Employees Stock Option Trust issued under the Employees Stock Option Scheme.

* Earnings Per Share under Fair value method is computed on proforma net profit after tax after adjusting for employee compensation costs under fair value method. Employee compensation cost under fair value method as compared to intrinsic value method is lower by Rs.77.13 Lacs (March 31, 2015 : Rs. 68.37 Lacs).

32. Loan provisions and write offs

e) The Company has made adequate provision for the Non-performing assets identified, in accordance with the guidelines issued by The Reserve Bank of India.

As per the practice consistently followed, the Company has also made additional provision on a prudential basis.

The RBI vide its notification no DNBR. 011/CGM (CDS)-2015 dt. March 27, 2015 has revised the asset classification norms for NPAs and substandard assets under its prudential norms applicable to NBFCs in a phased manner commencing from financial year ending 31st March, 2016, upto the financial year ending 31st March, 2018 which would result in an additional provision.

As on 31st March, 2016, the Company has recognised NPAs based on 4 months overdue norms as against the revised regulatory norms of recognising NPAs at 5 months overdue applicable for the current financial year resulting in an additional provision of Rs. 3454.79 lacs and income de-recognition of Rs. 2095.16 lacs with a consequent impact of Rs. 5549.96 Lacs on Profit before tax for the year ended 31st March, 2016.

The cumulative additional / accelerated provision made by the Company as on March 31, 2016 is Rs. 73567.48 Lacs (March 31, 2015 : Rs. 53319.01 Lacs)

- f) In accordance with the Notification No. DNBS.222/ CGM (US)-2011 dated January 17, 2011 issued by The Reserve Bank of India (RBI) vide its directions to all NBFC's to make a general provision of 0.25% on the Standard assets, the Company has made a provision of Rs. 1353.00 Lacs (March 31, 2015 : Rs. 1057.00 Lacs).

The total amount of provision on Standard assets of Rs.14035.00 Lacs (March 31, 2015 :Rs.12682.00 Lacs) is shown separately as "Contingent provision for Standard assets" under Long-term and Short-term provisions in the balance sheet (refer note no.7 and 11). The said amount includes additional / accelerated provision of 0.15% for Rs.5262.00 Lacs as at March 31, 2016 (March 31, 2015 : Rs. 4757.00 Lacs).

- g) Bad debts and write offs includes loss on termination which mainly represents shortfall on settlement of certain contracts due to lower realisation from such hire purchase/leased/loan assets on account of poor financial position of such customers.
- h) In accordance with the Prudential norms for restructured advances, the Company has made provisions of Rs. 32.51 Lacs (March 31, 2015 : Rs. 31.87 Lacs) as Higher provisions and Provisions for diminution in fair value on account of restructured advance which are shown separately under Long-term and Short-term provisions in the Balance sheet (refer note no.7 and 11).

33. The Company is engaged primarily in the business of financing and accordingly there are no separate reportable segments as per Accounting Standard 17 dealing with Segment Reporting.

f) Method used for accounting for share based payment plan

The Company has elected to use intrinsic value method to account for the compensation cost of stock options to employees of the Company. Intrinsic value is the amount by which the quoted market price of the underlying share exceeds the exercise price of the option. Employee stock compensation cost is amortized over the vesting period.

g) Fair value of options

The fair value of options used to compute proforma net profit and earnings per share in note 31 (h) have been estimated on the date of grant using the black-scholes model. The key assumptions used in black-scholes model for calculating fair value as on the date of grant are:

Grants covered under Scheme 2005 :

Variables #	7-Dec-2005	24-Jul-2007	25-Mar-2008	18-Sep-2008
1) Risk free interest rate	5.8% to 6.6%	8.17%	7.31%	8.20%

Represents higher provisioning and provision for diminution in fair value of Rs. 22.31 Lacs and Rs. 9.56 Lacs respectively.

48. During the year, the Company has incurred expenditure of Rs. 2374.07 Lacs towards CSR activities which includes contribution / donations made to the trusts which are engaged in activities prescribed under section 135 of the Companies Act, 2013 read with Schedule VII to the said Act and expense of Rs.113.56 Lacs towards the CSR activities undertaken by the Company (refer note no. 28).
49. The Company has received show cause-cum-demand notice from Service Tax Department to show cause as to why service tax of Rs. 4,631.54 Lacs should not be levied on subvention income and on collection charges on receivables in respect of securitisation transactions for the period from 2007-08 to 2013-14. The Company has given a detailed reply to the department justifying why the transactions would fall outside the purview of service tax. The Company has appointed an expert to consult on the matter, who have opined that the Company has a strong case on merits to defend and the chances of getting an unfavourable outcome is remote.

50. Scheme of Amalgamation

- i) Scheme details and balance sheet position:

In terms of Scheme of Arrangement under section 391 and 394 of the Companies Act, 1956 (the "Scheme") between the Company and Mahindra Business & Consulting Services Private Ltd. ("MBCSPL"), an erstwhile wholly owned subsidiary of the Company and their respective shareholders, all the assets and liabilities, including reserves, of MBCSPL were transferred and vested in the Company effective from April 01, 2014 ("the Appointed date"). The Scheme was approved by the Honourable High Court of judicature at Bombay ("the Court") vide its order dated March 20, 2015. The said Scheme became effective from April 18, 2015 (the "Effective date") on filing of the certified Court order with Registrar of Companies, Maharashtra.

With effect from the appointed date, the whole of assets, properties, liabilities of the MBCSPL including all debts, liabilities, contingent liabilities, duties and obligations of every kind, nature and description relating to the said business is transferred to and vested in and / or be deemed to be transferred to and vested in the Company.

Break up of assets and liabilities transferred to the Company as per the Court scheme as under:

Rs. in Lacs

Particulars	As at April 1, 2014
Assets	1837.54
Liabilities	1837.54
Net amount adjusted in opening balance of surplus in the statement of profit and loss	529.87

- ii) Consideration:

The Scheme entails the amalgamation of MBCSPL, a wholly owned subsidiary of the Company with its parent MMFSL, with the consequent dissolution without winding up of MBCSPL. Accordingly, the scheme does not envisage any issue of shares or payment of the consideration.

iii) Accounting:

- a) The assets and liabilities, including reserves as at April 1, 2014 were incorporated in the financial statement of the Company at their existing carrying amount.
- b) 1,00,000 Equity Shares of Rs.10/- each fully paid up in MBCSPL, held as investment by the Company stands cancelled and the difference, if any, is debited to opening balance of surplus in the statement of profit and loss (refer note no.3).
- c) All inter-corporate deposits, loans and advances, outstanding balances or other obligations between MBCSPL and the Company, stands cancelled and there shall be no obligation/ outstanding in that behalf.
- d) In accordance with the Scheme, MBCSPL continued to carry on the business and activities in relation on account of and in trust for the Company from April 1, 2014 (the "Appointed date") till April 18, 2015 (the "Effective date"). Accounts for the year also comprise of operations of business transacted out of MBCSPL and therefore the certain figures may not be exactly comparable with the previous year's figures.

To
Board of Directors of
Mahindra & Mahindra Financial Services Limited

We have reviewed the accompanying statement of unaudited standalone financial results of Mahindra & Mahindra Financial Services Limited (the 'Company') for the quarter ended 30 September 2018 and the year-to-date results for the period from 1 April 2018 to 30 September 2018 attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 and Regulation 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the 'Listing Regulations'). Attention is drawn to the fact that the figures for the corresponding quarter ended 30 September 2017 and the corresponding year-to-date from 1 April 2017 to 30 September 2017, including the reconciliation of profit under Ind AS of the corresponding quarter and corresponding year to date with profit reported under previous GAAP, as reported in these financial results have been approved by company's Board of Directors but have not been subjected to review. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial results based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity specified under section 143(10) of the Companies Act, 2013. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with applicable accounting standards i.e. Ind AS prescribed under Section 133 of the Companies Act, 2013 and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 and Regulation 52 read with Regulation 63(2) of the Listing Regulations and SEBI circular dated 5 July 2016 in this regard including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes:

1) The financial results of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2016. The Company has adopted Ind AS from 1 April 2018 with effective transition date of 1 April 2017 and accordingly, these financial results together with the results for the comparative reporting period have been prepared in accordance with the recognition and measurement principles as laid down in Ind AS 34 - Interim Financial Reporting, prescribed under section 133 of the Companies Act 2013 ("the Act") read with relevant rules issued thereunder and the other accounting principles generally accepted in India.

This transition to Ind AS has been carried out from the erstwhile Accounting Standards notified under the Act, read with rule 7 of Companies (Accounts) Rules 2014 (as amended), guidelines issued by the Reserve Bank of India ("the RBI") and other generally accepted accounting principles in India (collectively referred to as "the Previous GAAP"). Accordingly, the impact of transition has been recorded in the opening reserves as at 1 April 2017 and the corresponding adjustments pertaining to comparative previous period / quarter as presented in these financial results have been restated / reclassified in order to conform to current period presentation.

These financial results have been drawn up on the basis of Ind AS that are applicable to the Company effective from April 2018 based on the Press Release issued by the Ministry of Corporate Affairs ("MCA") on 18 January 2016. Any application guidance/ clarifications/ directions issued by RBI or other regulators are implemented as and when they are issued/ applicable.

2) In compliance with Regulation 33 of the Securities Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015, a limited review of financial results for the quarter and half year ended 30 September 2018 has been carried out by the Statutory Auditors.

As permitted under circular no. CIR/CFD/FAC/62/2016 dated 5 July 2016 issued by SEBI, the Company has opted to avail exemption for submission of Ind AS compliant financial results and Balance sheet for the previous year ended 31 March 2018 and Balance sheet for the corresponding half year ended 30 September 2017. Further, the financial results for the quarter and half year ended 30 September 2017 have not been subjected to limited review or audit. However, the management has exercised necessary due diligence to ensure that the financial results for the quarter and half year ended 30 September 2017 provide a true and fair view of the Company's affairs.

3) As required by paragraph 32 of Ind AS 101, the profit reconciliation between the figures previously reported under Previous GAAP and restated as per Ind AS is as under:

	Rs. in Lakhs	
	Quarter ended 30 September 2017	Half year ended 30 September 2017
Profit after tax as reported under Previous GAAP	7,799.16	12,537.74

i) Impact on recognition of financial assets and financial liabilities at amortised cost by application of Effective Interest Rate method	(4,939.00)	(12,196.72)
ii) Impact on application of Expected Credit Loss method for loan loss provisions	19,410.17	48,983.68
iii) Impact on recognition of securitised loan portfolio (de-recognised in Previous GAAP)	(1,191.77)	(210.53)
iv) Reclassification of actuarial loss to Other Comprehensive Income	(88.00)	126.63
v) Others	(56.26)	(1.05)
vi) Tax impact on above adjustments	(4,552.74)	(12,701.83)
Profit after tax as reported under Ind AS	16,401.64	36,537.92
Other Comprehensive Income / (loss) (net of tax)	44.46	(82.81)
Total Comprehensive Income (after tax) as reported under Ind AS	16,446.00	36,455.11

4) The Company has opted to publish only Standalone financial results, pursuant to option made available as per Regulation 33 (3) (b) (i) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

5) The above financial results for the quarter and half year ended 30 September 2018 along with restated comparative period have been reviewed by the Audit Committee and subsequently approved by the Board of Directors of the Company at its meeting held on 24 October 2018.

6) There is no separate reportable segment as per Ind AS 108 on 'Operating Segments' in respect of the Company.

7) All secured NCD's issued by the Company are secured by pari-passu charges on Aurangabad office and exclusive charge on receivables under loan contracts, owned assets and book debts to the extent of 100% of outstanding secured NCD's.

8) During the quarter ended 30 June 2018 and half year ended 30 September 2018, the Company has made following investments:

i) Rs.963.21 lakhs equivalent to US \$ 1.44 million (quarter ended 30 June 2017 and half year ended 30 September 2017: Rs. 1,259.15 Lakhs equivalent to US \$ 1.96 million) in Mahindra Finance USA LLC, a Joint Venture company formed jointly with De Lage Landen Financial Services Inc. in the United States.

There is no consequent change in the Company's shareholding pattern.

ii) Rs.2,000.00 lakhs (quarter ended 30 June 2017 and half year ended 30 September 2017: Rs.1,000.00 lakhs) in Mahindra Asset Management Company Private Limited, its wholly owned subsidiary, by subscription to 200,00,000 Equity shares of Face Value of Rs.10/- each for cash at par fully paid up on a rights basis.

SUMMARY OF SIGNIFICANT DIFFERENCES BETWEEN INDIAN GAAP AND IND AS

Topic	Indian GAAP	Ind AS
Presentation of Financial Statements	<p><u>Other Comprehensive Income:</u></p> <p>There is no concept of ‘Other Comprehensive Income’ under Indian GAAP.</p>	<p><u>Other Comprehensive Income:</u></p> <p>Under Ind AS 1 there is a concept of Other Comprehensive Income (“OCI”). Other comprehensive income comprises items of income and expense (including reclassification adjustments) that are not recognised in profit or loss as required or permitted by other Ind AS. Such recognition of income and expenses in OCI is primarily governed by the income recognition norms and classification of financial instruments and assets as “Fair Value through OCI”.</p>
	<p><u>Extraordinary items:</u></p> <p>Under Indian GAAP, extraordinary items are disclosed separately in the statement of profit and loss and are included in the determination of net profit or loss for the period.</p> <p>Items of income or expense to be disclosed as extraordinary should be distinct from the ordinary activities and are determined by the nature of the event or transaction in relation to the business ordinarily carried out by an entity.</p>	<p><u>Extraordinary items:</u></p> <p>Under Ind AS, presentation of any items of income or expense as extraordinary is prohibited.</p>
	<p><u>Change in Accounting Policies:</u></p> <p>Indian GAAP requires changes in accounting policies to be presented in the financial statements on a prospective basis (unless transitional provisions, if any, of an accounting standard require otherwise) together with a disclosure of the impact of the same, if material.</p> <p>If a change in the accounting policy has no material effect on the financial statements for the current period, but is expected to have a material effect in the later periods, the same should be appropriately disclosed.</p>	<p><u>Change in Accounting Policies:</u></p> <p>Ind AS requires retrospective application of changes in accounting policies by adjusting the opening balance of each affected component of equity for the earliest prior period presented and the other comparative amounts for each period presented as if the new accounting policy had always been applied, unless transitional provisions of an accounting standard require otherwise.</p>
Deferred Taxes	<p>Under Indian GAAP, the Company determines deferred tax to be recognised in the financial statements with reference to the income statement approach i.e. with reference to the timing differences between profit offered for income taxes and profit as per the financial statements.</p>	<p>As per Ind AS 12 Income Taxes, deferred tax is determined with reference to the balance sheet approach i.e. based on the differences between carrying value of the assets/ liabilities and their respective tax base.</p> <p>Using the balance sheet approach, there could be additional deferred tax charge/income on account of all Ind AS opening balance sheet adjustments.</p>

Topic	Indian GAAP	Ind AS
Property, plant and equipment – reviewing, depreciation and residual value	Under Indian GAAP, the Company currently provides depreciation over the useful lives of the assets estimated by the Management.	Ind AS 16 mandates reviewing the method of depreciation, estimated useful life and estimated residual value of an asset at least once in a year. The effect of any change in the estimated useful and residual value shall be taken prospectively. Ind AS 101 allows current carrying value under Indian GAAP for items of property, plant and equipment to be carried forward as the cost under Ind AS.
Accounting for Employee benefits	Currently, under Indian GAAP the Company recognises all short term and long term employee benefits in the profit and loss account as the services are received. For long term employee benefit, the Company uses actuarial valuation to determine the liability.	Under Ind AS 19, the change in liability is split into changes arising out of service, interest cost and re-measurements and the change in asset is split between interest income and remeasurements. Changes due to service cost and net interest cost/ income need to be recognised in the income statement and the changes arising out of re-measurements comprising of actuarial gains and losses representing changes in the present value of the defined benefit obligation resulting from experience adjustment and effects of changes in actuarial assumptions are to be recognised directly in OCI and not reclassified to profit and loss in the subsequent period.
Separate Financial Statements	Accounting for investments in subsidiaries is governed by Accounting Standard 13 depending on the classification of the investment as current or long term	Accounting for investments in subsidiaries is governed by Ind AS 27 which gives an option to account the same at cost or in accordance with Ind AS 109
Provisions, contingent liabilities and contingent assets	Under Indian GAAP, provisions are recognised only under a legal obligation. Also, discounting of provisions to present value is not permitted	Under Ind AS, provisions are recognised for legal as well as constructive obligations. Ind AS requires discounting the provisions to present value, if the effect of time value of money is material.
Share based payments	Under Indian GAAP, company has an option to account for share based payments on the basis of intrinsic value or fair value. The company followed the intrinsic value method and gave a proforma disclosure for the fair valuation. The intrinsic value for the company was nil.	Under Ind AS, the share based payments have to be mandatorily accounted basis the fair value and the same has to be recorded in the Statement of Profit and Loss over the vesting period. The fair valuation of the unvested options as on the transition date have to be adjusted against retained earnings.
Presentation and classification of Financial Instruments and subsequent measurement	Currently, under Indian GAAP, the financial assets and financial liabilities are recognised at the transaction value. The Company classifies all its financial assets and liabilities as short term or long term. Long term investments are carried at cost	Ind AS 109 requires all financial assets and financial liabilities to be recognised on initial recognition at fair value. Financial assets have to be either classified as measured at amortised cost or measured at fair value. Where assets

Topic	Indian GAAP	Ind AS
	<p>less any diminution other than temporary in the value of such investments determined on a specific identification basis. Current investments are carried at lower of cost and fair value.</p> <p>Financial liabilities are carried at their transaction values. Disclosures under Indian GAAP are limited.</p> <p>Currently under Indian GAAP, loan processing fees and/or fees of similar nature are recognised upfront in the Statement of Profit and Loss.</p>	<p>are measured at fair value, gains and losses are either recognised entirely in profit or loss, (FVTPL), or recognised in other comprehensive income (FVOCI). Financial assets include equity and debts investments, interest free deposits, loans, trade receivables etc. Assets classified at amortised cost and FVOCI and the related revenue (including processing fees and fees of similar nature) net of related costs have to be measured using the Effective Interest Rate (EIR) method.</p> <p>Loan processing fees and/or fees of similar nature would be measured and recognised using the Effective Interest Rate (EIR) method over the period of loan.</p> <p>There are two measurement categories for financial liabilities – FVTPL and amortised cost.</p> <p>Fair value adjustment on transition shall be adjusted against opening retained earnings on the date of transition. Disclosures under Ind AS are extensive.</p>
Financial Instruments - Impairment	Under Indian GAAP, the Company assesses the provision for doubtful debts at each reporting period, which in practice, is based on relevant information like past experience, financial position of the debtor, cash flows of the debtor, guidelines issued by the regulator etc.	The impairment model in Ind AS is based on expected credit losses and it applies equally to debt instruments measured at amortised cost or FVOCI, financing receivables, lease receivables, trade receivables and certain written loan commitments and financial guarantee contracts.
Financial Instruments - Disclosure	<p>Currently there are no detailed disclosure requirements for financial instruments. However, the ICAI has issued an Announcement in December 2005 requiring the following disclosures to be made in respect of derivative instruments in the financial statements:</p> <ul style="list-style-type: none"> • Category-wise quantitative data about derivative instruments that are outstanding at the balance sheet date; • The purpose, viz., hedging or speculation, for which such derivative instruments have been acquired; and <p>The foreign currency exposures that are not hedged by a derivative instrument or otherwise.</p>	<p>Requires disclosure of information about the nature and extent of risks arising from financial instruments:</p> <ul style="list-style-type: none"> • qualitative disclosures about exposures to each type of risk and how those risks are managed; and • quantitative disclosures about exposures to each type of risk, separately for credit risk, liquidity risk and market risk (including sensitivity analysis).
Segment Reporting	Under Indian GAAP there is a requirement to identify two sets of segments (business and geographical), using a risks and rewards approach, with	Operating segments are identified based on the financial information that is regularly reviewed by the chief operating decision

Consolidated Financial Statements	<p>Under Indian GAAP the consolidation is driven by the reporting entity's control over its investees namely subsidiaries, associates and joint ventures.</p> <p>Control is:</p> <ul style="list-style-type: none"> (a) the ownership, directly or indirectly through subsidiary(ies), of more than one-half of the voting power of an entity; or (b) control of the composition of the board of directors in the case of a company or of the composition of the corresponding governing body in case of any other entity so as to obtain economic benefits from its activities. <p>Therefore, a mere ownership of more than 50% of equity shares is sufficient to constitute control under Indian GAAP, whereas this is not necessarily so under Ind AS.</p>	<p>Control is based on whether an investor has:</p> <ul style="list-style-type: none"> (a) power over the investee; (b) exposure, or rights, to variable return from its involvement with the investee; and (c) the ability to use its power over the investee to affect the amounts of the returns.
Consolidation - Exclusion of subsidiaries, associates and joint ventures	Excluded from consolidation, equity accounting or proportionate consolidation if the subsidiary/investment/interest was acquired with intent to dispose of in the near future (which, ordinarily means not more than 12 months, unless a longer period can be justified based on facts and circumstances of the case) or if it operates under severe long-term restrictions which significantly impair its ability to transfer funds to the parent/investor/venturer.	Consolidated financial statements include all subsidiaries and equity accounted associates and joint ventures. No exemption for "temporary control", "different lines of business" or "subsidiary / associate / joint venture that operates under severe long-term funds transfer restrictions".
Consolidation – Joint Ventures	Under Indian GAAP, Proportionate consolidation method is applied when the entity prepares consolidated financial statements.	The equity method, as described in Ind AS 28 is applied when the entity prepares consolidated financial statements.

Harsh Beej Agency, Thandi Sadak, District- Farukhabad, to provide clarification with respect to Chlorpyrifos 20/EC, Batch no. 16052040, manufactured by M&M with date of manufacturing 06.05.2016 and date of expiry 05.05.2018. The notice states that our product is misbranded, since the Active Ingredient content Chlorpyrifos 20% EC was found 14.89 against 20% EC. Tested our retained sample in Formulation plant of same batch also got it tested from NABL accredited lab and found conforming to BIS standards based on it. Final reply submitted on 05/09/2016 to the Plant Protection Officer asking for re-testing. M&M has also sent the sample for re-testing and the same is in compliance with the specifications. No reply received from the authorities. However, the Dept. official has "verbally" confirmed closure of the case.
39. M&M received a letter no. N. DJDA/SCN/INS/2352/2016 dated 03-09-2016 ("SCN"), addressed to M/s Mitul Industries, 3, Konark Udyog Bhavan, Dadara Village, Silvasa (UT) to provide clarification with respect to Sulphur 80% WG, Batch no. 108, manufactured by M/s Mitul Industries with date of manufacturing as July 2015 and date of expiry June 2017. The sample does not conform to the relevant CIB/BIS specifications and hence declared as misbranded. Final reply submitted to the authorities stating M&M is not manufacturer of the products. Hence, cannot be held responsible. We received AD copy of the reply from the authorities on 21.11.2016. Concerned person/officer is transferred and we have not received any communication related to this SCN.
40. M&M received a letter no. कुरो / कौटोअधि / 2016-17/405 dated 07-01-2017, addressed to Mr. Sanjeev Katiyaar, Prop. M/s. C.T. Beej Agency, Central Jail Chouraha, Vikas Khand - Badhpur, Janpad-Farukhabad to provide clarification with respect to Alphacypermethrin 10% EC, Batch Number-16024006, manufactured by M&M with date of manufacturing 09.02.2016 and date of expiry 08.02.2018. The sample was declared as misbranded by the Fertilizer and Pesticide Quality Control Laboratory. Final reply submitted to the authorities stating that sampling inspector has made mistake in writing correct formulation of the product. It is written as Alphacypermethrin 10% EC, whereas in fact we have not produced Alphacypermethrin 10% EC from our formulation plant till date. We have produced

Alphacypermethrin 10% SC only. Also, we have conducted a separate test, at our own laboratory on 9th February 2017 and found that the test report was found positive and the active ingredient, i.e. SC content was found to be 10.18%. We received AD copy of the reply from the authorities on 21.02.2017. However, Dept. official has “verbally” confirmed case closure.

REGULATIONS AND POLICIES

The regulations summarised below are not exhaustive and are only intended to provide general information to Investors and is neither designed nor intended to be a substitute for any professional legal advice. Taxation statutes such as the IT Act, Central Sales Tax Act, 1956 and applicable local sales tax statutes, labour regulations such as the Employees State Insurance Act, 1948 and the Employees Provident Fund and Miscellaneous Act, 1952, and other miscellaneous regulations such as the Trade and Merchandise Marks Act, 1958 and applicable Shops and Establishments statutes apply to us as they do to any other Indian company and therefore have not been detailed below. The following information is based on the current provisions of applicable Indian law, which are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions.

As per the RBI Act, a financial institution has been defined as a company which includes a non-banking institution, carrying on as its business or part of its business of, *inter alia*, the financing activities, whether by way of making loans or advances or otherwise, of any activity, other than its own, and is engaged in the acquisition of shares, stock, bonds, debentures and/or securities issued by the Government or other local authorities or other marketable securities of like nature, leasing, hire-purchase, insurance business, chit business, but does not include any institution whose principal business is that of carrying out any agricultural or industrial activities or the purchase or sale of any goods (other than securities) or the providing of any services or the sale, purchase and/or construction of immovable property.

Any company which carries on the business of a non-banking financial institution as its principal business is to be treated as an NBFC. Since the term ‘principal business’ has not been defined in law, the RBI has clarified through a press release (Ref. No. 1998-99/ 1269) in 1999, that in order to identify a particular company as an NBFC, it will consider both the assets and the income pattern as evidenced from the last audited balance sheet of the company to decide its principal business. The company will be treated as an NBFC if its financial assets are more than 50% of its total assets (netted off by intangible assets) and income from financial assets should be more than 50% of the gross income. Both these tests are required to be satisfied as the determinant factor for principal business of a company.

With effect from 1997, NBFCs were not permitted to commence or carry on the business of a non-banking financial institution without obtaining a Certificate of Registration (“CoR”). Further, with a view to imparting greater financial soundness and achieving the economies of scale in terms of efficiency of operations and higher managerial skills, the RBI has raised the requirement of minimum net owned fund (“NOF”) from ₹ 25 lakhs to ₹ 200 lakhs for the NBFC which commences business on or after April 21, 1999 also it shall be mandatory for all NBFCs to attain a minimum NOF of ₹ 200 lakhs by the end of 1 April 2017.

NBFCs failing to maintain NOF of ₹ 200 lakhs in the prescribed time shall not be eligible to hold a certificate of registration as an NBFC.

1. Regulation of NBFCs registered with the RBI

NBFCs are primarily governed by the RBI Act, the Non-Banking Financial Company –Systematically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 (“**Master Directions**”) and the Non-Banking Financial Companies Acceptance of Public Deposits (Reserve Bank) Directions, 2016 (“**Public Deposit Directions**”). In addition to these regulations, NBFCs are also governed by various circulars, notifications, guidelines and directions issued by the RBI from time to time.

2. Types of Activities that NBFCs are permitted to carry out

Although by definition, NBFCs are permitted to operate in similar sphere of activities as banks, there are a few important, key differences. The most important distinctions are:

- (i) an NBFC cannot accept deposits repayable on demand – in other words, NBFCs can only accept fixed term deposits. Thus, NBFCs are not permitted to issue negotiable instruments, such as cheques which are payable on demand;
- (ii) NBFCs do not form part of the payment and settlement system and cannot issue cheques drawn on itself;
- (iii) deposit insurance facility of Deposit Insurance and Credit Guarantee Corporation is not available to depositor of NBFCs; and;

- (iv) NBFCs are not allowed to deal in foreign exchange, even if they specifically apply to the RBI for approval in this regard.

3. Types of NBFCs:

Section 45-IA of the RBI Act makes it mandatory for every NBFC to get itself registered with the Reserve Bank in order to be able to commence any of the aforementioned activities.

Further, an NBFC may be registered as a deposit accepting NBFC (“NBFC-D”) or as a non-deposit accepting NBFC (“NBFC-ND”).

NBFCs registered with RBI are further classified as:

- (i) asset financing companies;
- (ii) investment companies;
- (iii) loan companies;
- (iv) infrastructure finance companies;
- (v) systematically important core investment companies;
- (vi) infrastructure debt fund – NBFCs;
- (vii) NBFC- Factors;
- (viii) Mortgage guarantee Company;
- (ix) NBFC- Non operative financial holding company; and/or
- (x) NBFC – micro finance institutions.
- (xi) Non-Banking Financial Company-Peer to Peer Lending Platform.

Our Company has been classified as an NBFC-D and is further classified as an “asset finance company.” An asset finance company is an NBFC whose whole principal business is to finance physical assets supporting productive/economic activity, such as automobiles, tractors, lathe machines, generator sets, earth moving and material handling equipments, moving on own power and general purpose industrial machines. Principal business for this purpose is defined as aggregate of financing real/physical assets supporting economic activity and income arising therefrom is not less than 60% of its total assets and total income respectively.

4. Regulatory Requirements of an NBFC under the RBI Act

Net Owned Fund

Section 45-IA of the RBI Act provides that to carry on the business of a NBFC, an entity would have to register as an NBFC with the RBI and would be required to have a minimum net owned fund of ₹ 200 lakhs (Rupees Two Hundred Lakhs Only). For this purpose, the RBI Act has defined “net owned funds” to mean:

- (a) the aggregate of the paid-up equity capital, preference shares which are compulsorily convertible into equity and free reserves as disclosed in the latest balance sheet of the company, after deducting (i) accumulated balance of loss, (ii) deferred revenue expenditure, (iii) deferred tax assets (net); and (iv) other intangible assets; and
- (b) further reduced by amounts representing,
 - (1) investment by such companies in shares of (i) its subsidiaries, (ii) companies in the same group, (iii) other NBFCs; and

- (2) the book value of debentures, bonds, outstanding loans and advances (including hire purchase and lease finance) made to, and deposits with (i) subsidiaries of such companies; and (ii) companies in the same group,

to the extent such amount exceeds 10% of (a) above.

Reserve Fund

In addition to the above, Section 45-IC of the RBI Act requires NBFCs to create a reserve fund and transfer therein a sum of not less 20% of its net profits earned annually before declaration of dividend. Such sum cannot be appropriated by the NBFC except for the purpose as may be specified by the RBI from time to time and every such appropriation is required to be reported to the RBI from time to time within 21 days from the date of such appropriation.

Maintenance of liquid assets

The RBI has prescribed that every NBFC shall invest, and continue to invest, in unencumbered approved securities valued at a price not exceeding the current market price of such securities an amount which shall, at the close of business on any day, be not less than 10% in approved securities and the remaining in unencumbered term deposits in any scheduled commercial bank; the aggregate of which shall not be less than 15% of the public deposit outstanding at the close of business on the last working day of the second preceding quarter.

5. Obligations of NBFC-D under the Public Deposit Directions

The RBI's Public Deposit Directions governs the manner in which NBFCs may accept and/or hold public deposits. The Public Deposit Directions places the following restrictions on NBFCs in connection with accepting public deposits:

1. Prohibition from accepting any demand deposits: NBFCs are prohibited from accepting or renewing any public deposit which is repayable on demand.
2. Ceiling on quantum of deposits: An asset finance company or a loan company or an investment company (a) having minimum NOF as stipulated by RBI, and (b) complying with all the prudential norms, may accept or renew public deposit, together with the amounts remaining outstanding in the books of the company as on the date of acceptance or renewal of such deposit, not exceeding one and one-half times of its NOF. Provided that an asset finance company holding public deposits in excess of the limit of one and one-half times of its NOF shall not renew or accept fresh deposits till such time they reach the revised limit. Provided also that no matured public deposit shall be renewed without the express and voluntary consent of the depositor.
3. Downgrading of credit-rating: In the event that a credit rating issued by a credit rating agency recognised by RBI, for an asset finance company is downgraded below the minimum specified investment grade, with respect to the relevant credit rating agency, the NBFC, being an asset finance company or a loan company or an investment company, shall regularise the excess deposit as provided hereunder:
 - (a) forthwith stop accepting fresh public deposits and renewing existing deposits;
 - (b) all existing deposits should runoff to maturity; and
 - (c) report the position of the credit rating within fifteen working days, to the concerned Regional Office of the RBI where the NBFC is registered.
4. Ceiling on rate of interest: NBFCs are prohibited from inviting or accepting or renewing public deposit at a rate of interest exceeding twelve and half per cent per annum. Interest may be paid or compounded at rests which shall not be shorter than monthly rests.

NBFCs are also prohibited from inviting or accepting or renewing repatriable deposits from Non-Resident Indians under the Non-Resident (External) Account Scheme at a rate exceeding the rate specified by the RBI for such deposits with Scheduled Commercial Banks (The period of repatriable deposits shall be not less than one year and not more than three years).

5. Minimum lock-in period: A NBFC is prohibited from granting any loan against a public deposit or making any premature repayment of a public deposit within a period of three months (lock-in period) from the date of acceptance of such public deposit.

Provided that in the event of the death of a depositor, a NBFC may repay the public deposit prematurely, even within the lock-in period, to the surviving depositor/s in the case of joint holding with survivor clause, or to the nominee or the legal heir/s of the deceased depositor, on the request of the surviving depositor, nominee or legal heir, and only against submission of proof of death, to the satisfaction of the company.

6. **Obligations of NBFC-D under the Master Directions**

NBFC-Ds are required to comply with prescribed capital adequacy ratios, single and group exposure norms, and other specified prudential requirements prescribed under the Master Directions. Some of the important obligations are as follows:

- (i) Income Recognition: NBFC-Ds are required to follow recognised accounting principles in connection with recognition of income. Income including interest/discount or any other charges on NPA is recognised only when it is actually realised. NBFCs may recognise income on accrual basis in respect of the projects under implementation, which are classified as “standard.” NBFCs should not recognise income on accrual basis in respect of the projects under implementation which are classified as a “sub-standard” asset NBFCs may recognise income in such accounts only on realisation on cash basis. Any such income recognised before the asset became non-performing and remaining unrealised must be reversed. With respect to hire-purchase assets, where instalments are overdue for more than 12 months, income shall be recognised only when hire charges are actually received. Any such income taken to the credit of profit and loss account before the asset became non-performing and remaining unrealised must be reversed.

Consequently, NBFCs which have wrongly recognised income in the past should reverse the interest if it was recognised as income during the current year or make a provision for an equivalent amount if it was recognised as income in the previous year(s).

- (ii) Asset Classification and provisioning of assets: Every NBFC-D is required to, after taking into account the degree of well defined credit weaknesses and extent of dependence on collateral security for realisation, classify its lease/hire purchase assets, loans and advances and any other forms of credit into the following classes, namely:

- Standard assets;
- Sub-standard assets;
- Doubtful assets; and
- Loss assets.

The class of assets referred to above shall not be upgraded merely as a result of rescheduling, unless it satisfies the conditions required for the upgradation. Further, an NBFC-D must, after taking into account the time lag between an account becoming non-performing, its recognition as such, the realisation of the security and the erosion over time in the value of security charged, make provision against sub-standard assets, doubtful assets and loss assets in the manner prescribed by RBI.

- (iii) Provisioning of Standard Assets: NBFCs are required to make a general provision of 0.30% as of 31 March 2016, 0.35% as of 31 March 2017 and 0.40% as of 31 March 2018 and thereafter of the outstanding standard assets. The provisions on standard assets are not reckoned for arriving at the net NPAs. The provisions towards standard assets are not needed to be netted from gross advances but shown separately as 'Contingent Provisions on Standard Assets' in the balance sheet.
- (iv) Loans against NBFC's own shares prohibited: No NBFC-D can lend against its own shares.
- (v) Capital Adequacy: Every non-banking financial company shall maintain a minimum capital ratio consisting of Tier I and Tier II capital which shall not be less than 15 percent of its aggregate risk

weighted assets on-balance sheet and of risk adjusted value of off-balance sheet items. The total Tier I capital, at any point of time shall not be less than 8.5 percent by March 31, 2016 and 10 percent by March 31, 2017. The total of Tier II capital of any NBFC-D at any point of time shall not exceed one hundred percent of Tier I capital.

(vi) Disclosure Requirements: Every non-banking financial company is required to separately disclose in its balance sheet the provisions made in accordance with the applicable prudential norms prescribed by the RBI without netting them from the income or against the value of assets. Further, the provisions shall be distinctly indicated under separate heads of account as under:

- provisions for bad and doubtful debts; and
- provisions for depreciation in investments.

Such provisions shall not be appropriated from the general provisions and loss reserves held, if any, by the non-banking financial company. Such provisions for each year shall be debited to the profit and loss account. The excess of provisions, if any, held under the heads general provisions and loss reserves may be written back without making adjustment against them.

(vii) Fair Practices Code: The RBI has framed the Fair Practice guidelines, to promote good and fair practices by setting minimum standards to be adhered to by NBFCs in dealing with customers. These guidelines require NBFCs to ensure that they meet the commitments and standards specified therein for the products and services they offer and in the procedures and practices their staff follows, their products and services meet relevant laws and regulations in letter and spirit, and their dealings with customers rest on ethical principles of integrity and transparency. Further, the said guidelines prescribe the requirements in connection with information to be provided and disclosures to be made by NBFCs to their customers. Accordingly, the guidelines require NBFCs to provide information on interest rates, common fees and charges, provide clear information explaining the key features of their services and products that customers are interested in, provide information on any type of product and service offered, that may suit the customer's needs, tell the customers about the various means through which products and services are offered, and provide more information on the key features of the products, including applicable interest rates / fees and charges.

(viii) KYC Guidelines: NBFCs have been advised, *vide* RBI Master Directions, 2016 dated February 25, 2016 ("**RBI KYC Directions**"), are mandated to KYC policy which is duly approved by the board of directors of such entity or a duly constituted committee thereof. The KYC policy formulated in terms of the RBI KYC Directions is required to include four key elements, being customer acceptance policy, risk management, customer identification procedures and monitoring of transactions. It is advised that all NBFC'S adopt the same with suitable modifications depending upon the activity undertaken by them and ensure that a proper policy framework of anti-money laundering measures is put in place. The RBI KYC Directions provide for a simplified procedure for opening accounts by NBFCs. It also provides for an enhanced and simplified due diligence procedure. It has prescribed detailed instructions in relation to, inter alia, the due diligence of customers, record management, and reporting requirements to Financial Intelligence Unit – India. The RBI KYC Directions have also issued instructions on sharing of information while ensuring secrecy and confidentiality of information held by Banks and NBFCs. The regulated entities must also adhere to the reporting requirements under Foreign Account Tax Compliance Act and Common Reporting Standards. The RBI KYC Directions also require the regulated entities to ensure compliance with the requirements/obligations under international agreements. The regulated entities must also pay adequate attention to any money-laundering and financing of terrorism threats that may arise from new or developing technologies, and ensure that appropriate KYC procedures issued from time to time are duly applied before introducing new products/services/technologies.

Rating of Financial Product

As per the Master Directions, all applicable NBFCs are required to furnish at the regional office of the RBI under whose jurisdiction the registered office of the NBFC is functioning, information relating to the upgrading and downgrading of assigned rating of any financial products issued by them within 15 days of such change.

Norms for excessive interest rates

All NBFCs are required to put in place appropriate internal principles and procedures in determining interest rates and charges for loans and advances. The Master Directions stipulate that the Board of each NBFC shall adopt an interest rate model after taking into account the various relevant factors, such as, among others, cost of funds, margin and risk premium. The rate of interest and the approach for gradation of risk and the rationale for charging different rates of interest for different categories of borrowers shall be required to be disclosed in the application form and communicated explicitly in the sanction letter. Furthermore, the same is also required to be made available on the company's website or be published in the relevant newspapers and is required to be updated in the event of any change therein. Further, the rate of interest would have to be annualised rates so that the borrower is aware of the exact rates that would be charged to the account.

7. Corporate Governance

RBI vide its notification (DNBS.019/CGM (CDS)-2015) dated April 10, 2015, has laid down corporate governance guidelines for the consideration of all NBFC-Ds. The guidelines recommend that such NBFCs constitute an Audit Committee (to ensure that an information system audit of internal systems and processes is conducted at least once in two years to assess operational risks), a Nomination Committee (to ensure that fit and proper persons are nominated as directors on their respective boards) and a Risk Management Committee to institute risk management systems. Further, all NBFCs are required to obtain undertakings and a deed of covenant from all directors and furnish a quarterly statement to the RBI on change of directors along with a certificate from the managing director that 'fit and proper criteria' has been followed. All applicable NBFCs are required to disclose details pertaining to asset-liability profile, non-performing assets and movement of non-performing assets, details of exposures, etc. in their annual financial statements.

In addition to the above, NBFCs are required to rotate the partner of the chartered accountant firm conducting the audit every three years so that the same partner does not continuously conduct the audit of the company for more than a period of three years. NBFCs are also mandated to frame internal guidelines on corporate governance with the approval of its board of directors, enhancing the scope of the guidelines without sacrificing the spirit underlying the above guidelines which shall be published on the company's web-site, if any, for the information of various stakeholders.

8. Accounting Standards & Accounting policies

Subject to the changes in Indian Accounting Standards ("IAS") and regulatory environment applicable to a NBFC we may change our accounting policies in the future and it might not always be possible to determine the effect on the statement of profit and loss of these changes in each of the accounting years preceding the change. In such cases our profit/loss for the preceding years might not be strictly comparable with the profit/loss for the period for which such accounting policy changes are being made. The Ministry of Corporate Affairs has amended the existing IAS *vide* Companies (Indian Accounting Standards) (Amendment) Rules, 2018 and the same shall be applicable to our Company from April 1, 2018.

9. Reporting by Statutory Auditor

The statutory auditor of the NBFC-D is required to submit to the Board of Directors of our Company a report *inter-alia* certifying that such company has complied with the Master Directions relating to income recognition, accounting standards, asset classification and provisioning for bad and doubtful debts and standard assets as applicable to it. In the event of non-compliance, the statutory auditors are required to directly report the same to the RBI.

10. Other Regulations

Applicable Foreign Investment Regime

FEMA Regulations

Foreign investment in India is governed primarily by the provisions of the FEMA which relates to regulation primarily by the RBI and the rules, regulations and notifications thereunder, and the policy prescribed by the Department of Industrial Policy and Promotion (DIPP), GoI which is regulated by the FIPB.

The RBI, in exercise of its power under the FEMA, has notified the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident Outside India) Regulations, 2000 (“**FEMA Regulations**”) to prohibit, restrict or regulate, transfer by or issue of security to a person resident outside India. As laid down by the FEMA Regulations, no prior consent and approval is required from the RBI, for FDI under the “automatic route” within the specified sectoral caps. In respect of all industries not specified as FDI under the automatic route, and in respect of investment in excess of the specified sectoral limits under the automatic route, approval may be required from the FIPB and/or the RBI.

RBI on September 09, 2016 vide Foreign Exchange Management (Transfer or Issue of Security by a Person Resident outside India) (Thirteenth Amendment) Regulations, 2016 made amendments to Foreign Exchange Management (Transfer or Issue of Security by a Person Resident outside India) Regulations, 2000, (Notification No. FEMA 20/2000-RB dated 3rd May 2000), in Schedule 1, in Annex B, Paragraph F.8 by providing FDI under automatic route up to 100% in Financial Services activities regulated by financial sector regulators, viz., RBI, SEBI, Insurance Regulatory and Development Authority, Provident Fund Regulatory Development Authority, National Housing Bank or any other financial sector regulator as may be notified by the Government of India subject to other conditions introduced vide paragraph F.8.1

Foreign Direct Investment

FDI in an Indian company is governed by the provisions of the FEMA read with the FEMA Regulations and the Foreign Direct Investment Policy (“**FDI Policy**”) by the DIPP. FDI is permitted (except in the prohibited sectors) in Indian companies either through the automatic route or the government route, depending upon the sector in which FDI is sought to be made. Under the automatic route, no prior approval is required for the issue of securities by Indian companies/ acquisition of securities of Indian companies, subject to the sectoral caps and other prescribed conditions

Under the government route, prior approval from GoI is required. FDI for the items/ activities that cannot be brought in under the automatic route (other than in prohibited sectors) may be brought in through the approval route.

Further:

Where FDI is allowed on an automatic basis without government approval, the RBI would continue to be the primary agency for the purposes of monitoring and regulating foreign investment. In cases where Government approval is required, concerned administrative ministry/department would be the competent authorities for the grant of post-facto approval for foreign investment.

The Recovery of Debts due to Banks and Financial Institutions Act, 1993

The Recovery of Debts due to Banks and Financial Institutions Act, 1993 (the “**DRT Act**”) provides for establishment of the Debts Recovery Tribunals (the “**DRTs**”) for expeditious adjudication and recovery of debts due to banks and public financial institutions or to a consortium of banks and public financial institutions. Under the DRT Act, the procedures for recovery of debt have been simplified and time frames have been fixed for speedy disposal of cases. The DRT Act lays down the rules for establishment of DRTs, procedure for making application to the DRTs, powers of the DRTs and modes of recovery of debts determined by DRTs. These include attachment and sale of movable and immovable property of the defendant, arrest of the defendant and his detention in prison and appointment of receiver for management of the movable or immovable properties of the defendant.

The DRT Act also provides that a bank or public financial institution having a claim to recover its debt, may join an ongoing proceeding filed by some other bank or public financial institution, against its debtor, at any stage of the proceedings before the final order is passed, by making an application to the DRT.

Anti-Money Laundering

The RBI has issued a Master Circular dated July 1, 2015 to ensure that a proper policy frame work for the Prevention of Money Laundering Act, 2002 (“**PMLA**”) is put into place. The PMLA seeks to prevent money laundering and provides for confiscation of property derived from, or involved in money laundering and for other matters connected therewith or incidental thereto. It extends to all banking companies, financial institutions, including NBFCs and intermediaries. Pursuant to the provisions of PMLA and the RBI guidelines, all NBFCs are advised to appoint a principal officer for internal reporting of suspicious transactions and cash transactions and to maintain a system of proper record (i) for all cash transactions of value of more than Rs. 10 lakhs; (ii) all series

of cash transactions integrally connected to each other which have been valued below Rs. 10 lakhs where such series of transactions have taken place within one month and the aggregate value of such transaction exceeds Rs. 10 lakhs. Further, all NBFCs are required to take appropriate steps to evolve a system for proper maintenance and preservation of account information in a manner that allows data to be retrieved easily and quickly whenever required or when requested by the competent authorities. Further, NBFCs are also required to maintain for at least ten years from the date of transaction between the NBFCs and the client, all necessary records of transactions, both domestic or international, which will permit reconstruction of individual transactions (including the amounts and types of currency involved if any) so as to provide, if necessary, evidence for prosecution of persons involved in criminal activity.

Additionally, NBFCs should ensure that records pertaining to the identification of their customers and their address are obtained while opening the account and during the course of business relationship, and that the same are properly preserved for at least five years after the business relationship is ended. The identification records and transaction data is to be made available to the competent authorities upon request.

RBI Notification dated December 3, 2015 titled “Anti-Money Laundering (AML)/ Combating of Financing of Terrorism (CFT) – Standards” states that all regulated entities (including NBFCs) are to comply with the updated FATF Public Statement and document ‘Improving Global AML/CFT Compliance: on-going process’ as on October 23, 2015.

The Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (“SARFAESI Act”)

The SARFAESI Act regulates the securitization and reconstruction of financial assets of banks and financial institutions. The RBI has issued guidelines to banks and financial institutions on the process to be followed for sales of financial assets to asset reconstruction companies. These guidelines provide that a bank or a financial institution or an NBFC may sell financial assets to an asset reconstruction company provided the asset is a Non-Performing Asset (“NPA”). Securitisation Companies and Reconstruction Companies (“SCs/RCs”) are required to obtain, for the purpose of enforcement of security interest, the consent of secured creditors holding not less than 60% of the amount outstanding to a borrower as against 75%. While taking recourse to the sale of secured assets in terms of Section 13(4) of the SARFAESI Act, a SC/RC may itself acquire the secured assets, either for its own use or for resale, only if the sale is conducted through a public auction.

As per the SARFAESI Amendment Act of 2004, the constitutional validity of which was upheld in a recent Supreme Court ruling, non-performing assets have been defined as an asset or account of a borrower, which has been classified by a bank or financial institution as sub-standard, doubtful or loss asset in accordance with directions or guidelines issued by the RBI. In case the bank or financial institution is regulated by a statutory body/authority, NPAs must be classified by such bank in accordance with guidelines issues by such regulatory authority. The RBI has issued guidelines on classification of assets as NPAs. Further, these assets are to be sold on a “without recourse” basis only.

The SARFAESI Act provides for the acquisition of financial assets by Securitization Company or Reconstruction Company from any bank or financial institution on such terms and conditions as may be agreed upon between them. A securitization company or reconstruction company having regard to the guidelines framed by the RBI may, for the purposes of asset reconstruction, provide for measures such as the proper management of the business of the borrower by change in or takeover of the management of the business of the borrower, the sale or lease of a part or whole of the business of the borrower and certain other measures such as rescheduling of payment of debts payable by the borrower; enforcement of security.

Additionally, under the provisions of the SARFAESI Act, any securitisation company or reconstruction company may act as an agent for any bank or financial institution for the purpose of recovering its dues from the borrower on payment of such fee or charges as may be mutually agreed between the parties.

Various provisions of the SARFAESI Act have been amended by the Enforcement of Security Interest and Recovery of Debt Laws and Miscellaneous Provisions (Amendment) Act, 2016 as also the Insolvency and Bankruptcy Code, 2016 (which amended S.13 of SARFAESI). As per this amendment, the Adjudicating Authority under the Insolvency and Bankruptcy Code, 2016 shall by order declare moratorium for prohibiting *inter alia* any action to foreclose, recover or enforce any security interest created by the corporate debtor in respect of its property including any action under the SARFAESI Act

Insolvency and Bankruptcy Code, 2016

The Insolvency and Bankruptcy Code, 2016 (Bankruptcy Code) was notified on August 5, 2016. The Bankruptcy Code offers a uniform and comprehensive insolvency legislation encompassing all companies, partnerships and individuals (other than financial firms). It allows creditors to assess the viability of a debtor as a business decision and agree upon a plan for its revival or a speedy liquidation. The Bankruptcy Code creates a new institutional framework, consisting of a regulator, insolvency professionals, information utilities and adjudicatory mechanisms, which will facilitate a formal and time-bound insolvency resolution and liquidation process.

Companies Act, 2013

The Companies Act, 2013 (“**Companies Act**”) has been notified by the Government of India on 30 August 2013 (the “**Notification**”). Under the Notification, Section 1 of the Companies Act has come into effect and the remaining provisions of the Companies Act have and shall come into force on such dates as the Central Government has notified and shall notify. Section 1 of the Companies Act deals with the commencement and application of the Companies Act and among others sets out the types of companies to which the Companies Act applies. Further the Ministry of Corporate Affairs has by their notifications dated 12 September 2013 and 26 March 2014 notified certain sections of the Companies Act, which have come into force from 12 September 2013 and 01 April 2014.

The Companies Act, 2013 (“**Companies Act**”) provides for, among other things, changes to the regulatory framework governing the issue of capital by companies, corporate governance, audit procedures, corporate social responsibility, requirements for independent directors, director’s liability, class action suits, and the inclusion of women directors on the boards of companies. The Companies Act is complemented by a set of rules that set out the procedure for compliance with the substantive provisions of the Companies Act. As mentioned above, certain provisions of the Companies Act, 2013 have already come into force and the rest shall follow in due course.

Under the Companies Act, every company having net worth of Rs. 5,000 million or more, or turnover of Rs. 10,000 million or more or a net profit of Rs. 50 million or more during the immediately preceding financial year shall formulate a corporate social responsibility policy. Further, the board of every such company shall ensure that the company spends, in every financial year, at least two percent of the average net profits of the company made during the three immediately preceding financial years in pursuance of its corporate social responsibility policy.

TERMS OF THE ISSUE

GENERAL TERMS OF THE ISSUE

Authority for the Issue

This Issue has been authorized by the Board of Directors of our Company pursuant to a resolution passed at their meeting held on 27 July, 2018. Further, the present borrowing is within the borrowing limits under Section 180(1)(c) of the Companies Act, 2013 duly approved by the shareholders' *vide* their resolution dated 14 June, 2018, upto an amount of Rs 70,000 crores.

Principal Terms & Conditions of this Issue

The NCDs being offered as part of the Issue are subject to the provisions of the Debt Regulations, the Act, the Memorandum and Articles of Association of our Company, the terms of this Shelf Prospectus, the Shelf Prospectus, the Application Forms, the terms and conditions of the Debenture Trustee Agreement and the Debenture Trust Deed, other applicable statutory and/or regulatory requirements including those issued from time to time by SEBI/the Government of India/BSE, RBI, and/or other statutory/regulatory authorities relating to the offer, issue and listing of securities and any other documents that may be executed in connection with the NCDs.

Ranking of Secured NCDs

The Secured NCDs would constitute secured obligations of the Company and shall rank *pari passu inter se*, and subject to any obligations under applicable statutory and/or regulatory requirements, shall also, with regard to the amount invested, be secured by way of exclusive charge in favour of the Debenture Trustee on specific present and/or future receivables/assets of our Company and/or *pari passu* charge on an identified immovable property of the Company, as may be decided mutually by our Company and the Debenture Trustee. Our Company will create appropriate security in favour of the Debenture Trustee for the Secured NCD Holders on the assets equal to the value one time of the debentures outstanding plus interest accrued thereon, and subject to any obligations under applicable statutory and/or regulatory requirements. The claims of the Secured NCD Holders shall be superior to the claims of any unsecured creditors, subject to applicable statutory and/or regulatory requirements. The Secured NCDs proposed to be issued under the Issue and all earlier issues of debentures outstanding in the books of our Company having corresponding assets as security, shall rank *pari passu* without preference of one over the other except that priority for payment shall be as per applicable date of redemption.

Ranking of Unsecured NCDs

The Unsecured NCDs would constitute unsecured and subordinated obligations of the Company and shall rank *pari passu inter se*, and subject to any obligations under applicable statutory and/or regulatory requirements. The Unsecured NCDs proposed to be issued under the Issue and all earlier issues of unsecured debentures outstanding in the books of our Company, shall rank *pari passu* without preference of one over the other except that priority for payment shall be as per applicable date of redemption. The claims of the Unsecured NCD holders shall be subordinated to those of the other creditors of our Company, subject to applicable statutory and/or regulatory requirements. Our Company may, subject to applicable RBI requirements and other applicable statutory and/or regulatory provisions, treat the Unsecured NCDs as Tier II Capital.

Security

The principal amount of the Secured NCDs to be issued in terms of the Shelf Prospectus and relevant Tranche Prospectus together with all interest due on the Secured NCDs in respect thereof shall be secured by way of exclusive charge in favour of the Debenture Trustee on specific present and/or future receivables/assets as may be decided mutually by our Company and the Debenture Trustee. Our Company will create appropriate security in favour of the Debenture Trustee for the Secured NCD Holders on the assets adequate to ensure 100% asset cover for the Secured NCDs (along with the interest due thereon). The Issuer undertakes that the necessary documents for the creation of the security, including the Secured Debenture Trust Deed would be executed within the time frame prescribed as per applicable law and the same would be uploaded on the website of the Designated Stock exchange, within five working days of execution of the same.

Debenture Trust Deed (s)

Our Company intends to enter into Debenture Trust Deeds with the Debenture Trustee for the benefit of the NCD Holders, the terms of which will *inter alia* govern the powers, authorities and obligations of the Debenture Trustee. Our Company proposes to complete the execution of the Debenture Trust Deeds before the Allotment of NCDs.

Under the terms of the Debenture Trust Deeds, our Company will covenant with Debenture Trustee that it will pay the NCDs Holders the principal amount on the NCDs on the relevant redemption date and also that it will pay the interest due on the NCDs at the rates specified in the Prospectus and Debenture Trust Deeds. The Secured Debenture Trust Deed will also provide that the Company may withdraw any portion of the Security or replace with another assets of the same or higher value. However, in case of Secured Debenture Trust Deed, the Company reserve the right to create *pari passu* charge on the said immovable property without seeking NOC from each Secured NCDs Holders and the Debenture Trustee is empowered to issue NOC to create *pari passu* charge on the said immovable property for future issuances.

Debenture Redemption Reserve

Section 71 (4) of the Companies Act, 2013 states that where debentures are issued by any company, the company shall create a debenture redemption reserve out of the profits of the company available for payment of dividend. Rule 18 (7) of the Companies (Share Capital and Debentures) Rules, 2014 further states that 'the adequacy' of DRR for NBFCs registered with the RBI under Section 45-IA of the RBI (Amendment) Act, 1997 shall be 25% of the value of the outstanding debentures issued through a public issue as per the SEBI Debt Regulations. Accordingly, our Company is required to create a DRR of 25% of the outstanding value of the NCDs issued through the Issue. In addition, as per Rule 18 (7) (e) under Chapter IV of the Companies Act, 2013, the amounts credited to DRR shall not be utilised by our Company except for the redemption of the NCDs. The Rules further mandate that every company required to maintain DRR shall deposit or invest, as the case may be, before the 30th day of April of each year a sum which shall not be less than 15% of the amount of its debentures maturing during the year ending on the 31st day of March of the next year in any one or more following methods: (a) in deposits with any scheduled bank, free from charge or lien; (b) in unencumbered securities of the Central Government or of any State Government; (c) in unencumbered securities mentioned in clauses (a) to (d) and (ee) of Section 20 of the Indian Trusts Act, 1882; (d) in unencumbered bonds issued by any other company which is notified under clause (f) of Section 20 of the Indian Trusts Act, 1882. The abovementioned amount deposited or invested, must not be utilized for any purpose other than for the repayment of debentures maturing during the year provided that the amount remaining deposited or invested must not at any time fall below 15% of the amount of debentures maturing during year ending on the 31st day of March of that year.

Face Value

The face value of each NCD shall be ₹ 1,000

The Unsecured NCD Holders shall, without further act or deed, be deemed to have irrevocably given their consent to the Debenture Trustee or any of its agents or authorised officials to do all such acts, deeds, matters and things in respect of or relating to the Unsecured NCDs as the Debenture Trustee may in its absolute discretion deem necessary or require to be done in the interest of the Unsecured NCD Holders. Any payment made by us to the Debenture Trustee on behalf of the

Unsecured NCD Holders shall discharge us pro tanto to the Unsecured NCD Holders. The Debenture Trustee will protect the interest of the Unsecured NCD Holders in the event of default by us in regard to timely payment of interest and repayment of principal and they will take necessary action at our cost.

Trustees for the NCD Holders

We have appointed Axis Trustee Services Limited to act as the Debenture Trustee for the NCD Holders in terms of Regulation 4(4) of the Debt Regulations and Section 71 (5) of the Companies Act, 2013 and the rules prescribed thereunder. We and the Debenture Trustee will execute a Debenture Trust Deed, *inter alia*, specifying the powers, authorities and obligations of the Debenture Trustee and us. The NCD Holder(s) shall, without further act or deed, be deemed to have irrevocably given their consent to the Debenture Trustee or any of its agents or authorized officials to do all such acts, deeds, matters and things in respect of or relating to the NCDs as the Debenture Trustee may in its absolute discretion deem necessary or require to be done in the interest of the NCD Holder(s). Any payment made by us to the Debenture Trustee on behalf of the NCD Holder(s) shall discharge us pro tanto to the NCD Holder(s).

The Debenture Trustee will protect the interest of the NCD Holders in the event of default by us in regard to timely payment of interest and repayment of principal and they will take necessary action at our cost.

Events of Default

Subject to the terms of the Debenture Trust Deed, the Debenture Trustee at its discretion may, or if so requested in writing by the holders of at least three-fourths of the outstanding amount of the NCDs or with the sanction of a special resolution, passed at a meeting of the NCD Holders, (subject to being indemnified and/or secured by the NCD Holders to its satisfaction), give notice to our Company specifying that the NCDs and/or any particular series of NCDs, in whole but not in part are and have become due and repayable on such date as may be specified in such notice *inter alia* if any of the events listed below occurs. The description below is indicative and a complete list of events of default and its consequences will be specified in the Debenture Trust Deed.

Default is committed in payment of the principal amount of the NCDs on the due date(s); and Default is committed in payment of any interest on the NCDs on the due date(s).

NCD Holder not a Shareholder

The NCD Holders will not be entitled to any of the rights and privileges available to the equity and/or preference shareholders of our Company, except to the extent of the right to receive the annual reports of our Company and such other rights as may be prescribed under the Companies Act, 2013 and the rules prescribed thereunder and the SEBI LODR Regulations.

Rights of Secured NCD Holders

Some of the significant rights available to the Secured NCD Holders are as follows:

The aforementioned rights of the Unsecured NCD Holders are merely indicative. The final rights of the Unsecured NCD Holders will be as per the terms of the Offer Document and the Unsecured Debenture Trust Deed.

Nomination facility to NCD Holder

In accordance with Rule 19 of the Companies (Share Capital and Debentures) Rules, 2014 (“**Rule 19**”) and the Companies Act, 2013, the sole NCD holder, or first NCD holder, along with other joint NCD Holders’ (being individual(s)), may nominate, in the **Form No. SH.13**, any one person with whom, in the event of the death of Applicant the NCDs were Allotted, if any, will vest. Where the nomination is made in respect of the NCDs held by more than one person jointly, all joint holders shall together nominate in **Form No.SH.13** any person as nominee. A nominee entitled to the NCDs by reason of the death of the original holder(s), will, in accordance with Rule 19 and Section 56 of the Companies Act, 2013, be entitled to the same benefits to which he or she will be entitled if he or she were the registered holder of the NCDs. Where the nominee is a minor, the NCD holder(s) may make a nomination to appoint, in **Form No. SH.14**, any person to become entitled to NCDs in the event of the holder’s death during minority. A nomination will stand rescinded on a sale/transfer/alienation of NCDs by the person nominating. A buyer will be entitled to make a fresh nomination in the manner prescribed. Fresh nomination can be made only on the prescribed form available on request at our Registered Office, Corporate Office or with the Registrar to the Issue.

NCD Holder(s) are advised to provide the specimen signature of the nominee to us to expedite the transmission of the NCD(s) to the nominee in the event of demise of the NCD Holder(s). The signature can be provided in the Application Form or subsequently at the time of making fresh nominations. This facility of providing the specimen signature of the nominee is purely optional.

In accordance with Rule 19, any person who becomes a nominee by virtue of the Rule 19, will on the production of such evidence as may be required by the Board, elect either:

- to register himself or herself as holder of NCDs; or
- to make such transfer of the NCDs, as the deceased holder could have made.

Further, our Board may at any time give notice requiring any nominee to choose either to be registered himself or herself or to transfer the NCDs, and if the notice is not complied with, within a period of 90 days, our Board may thereafter withhold payment of all interests or other monies payable in respect of the NCDs, until the requirements of the notice have been complied with.

Since the allotment of NCDs will be made only in dematerialized mode, there is no need to make a separate nomination with our Company. Nominations registered with the respective Depository Participant of the Applicant would prevail. If the investors require changing their nomination, they are requested to inform their respective Depository Participant.

Jurisdiction

Exclusive jurisdiction for the purpose of the Issue is with the competent courts of jurisdiction in Mumbai, India.

Application in the Issue

NCDs being issued through this Shelf Prospectus can be applied for, through a valid Application Form filled in by the applicant along with attachments, as applicable. Further, Applications in this Issue shall be made through the ASBA facility only.

Form of Allotment and Denomination of NCDs

As per the Debt Regulations, the trading of the NCDs on the Stock Exchange shall be in dematerialized form only in multiples of one (1) NCD (“**Market Lot**”). Allotment in the Issue to all Allottees, will be in electronic form i.e. in dematerialised form and in multiples of one NCD.

For details of allotment refer to chapter titled “**Issue Procedure**” under section titled “**Issue Related Information**” beginning on page no. 208 of this Shelf Prospectus.

Transfer/Transmission of NCD(s)

The NCDs shall be transferred subject to and in accordance with the rules/procedures as prescribed by NSDL/CDSL and the relevant DPs of the transfer or transferee and any other applicable laws and rules notified in respect thereof. The transferee(s) should ensure that the transfer formalities are completed prior to the Record Date. In the absence of the same, interest will be paid/redemption will be made to the person, whose name appears in the register of debenture holders maintained by the Depositories. In such cases, claims, if any, by the transferees would need to be settled with the transferor(s) and not with the Issuer or Registrar.

In the absence of the same, interest will be paid/redemption will be made to the person, whose name appears in the register of debenture holders maintained by the Depositories. In such cases, claims, if any, by the transferees would need to be settled with the transferor(s) and not with the Issuer or Registrar. The seller should give delivery instructions containing details of the buyer’s DP account to his depository participant.

Please see “**Issue Structure – Interest**” on page 208 of this Shelf Prospectus for the implications on the interest applicable to NCDs held by Individual Investors on the Record Date and NCDs held by Non Individual Investors on the Record Date.

Pursuant to the SEBI (Listing Obligations and Disclosure Requirements) (Fourth Amendment) Regulations, 2018 (“**SEBI LODR IV Amendment**”), NCDs held in physical form, pursuant to any rematerialisation, as above, can not be transferred except by way of transmission or transposition, from December 4, 2018. However, any trading of the NCDs issued pursuant to this Issue shall be compulsorily in dematerialised form only.

Restriction on transfer of NCDs

There are no restrictions on transfers and transmission of NCDs allotted pursuant to this Issue except as may be required under RBI requirements and as provided in our Articles of Association. Pursuant to the SEBI (Listing Obligations and Disclosure Requirements) (Fourth Amendment) Regulations, 2018 (“**SEBI LODR IV Amendment**”), NCDs held in physical form, pursuant to any rematerialisation, as above, cannot be transferred except by way of transmission or transposition, from December 4, 2018.

Title

The NCD Holder(s) for the time being appearing in the record of beneficial owners maintained by the Depository shall be treated for all purposes by our Company, the Debenture Trustee, the Depositories and all other persons dealing with such person as the holder thereof and its absolute owner for all purposes.

Register of NCD Holders

No transfer of title of a NCD will be valid unless and until entered on the Register of NCD Holders or the register and index of NCD Holders maintained by the Depository prior to the Record Date. In the absence of transfer being registered, interest and/or Maturity Amount, as the case may be, will be paid to the person, whose name appears first in the Register of NCD Holders maintained by the Depositories and/or our Company and/or the Registrar, as the case may be. In such cases, claims, if any, by the purchasers of the NCDs will need to be settled with the seller

of the NCDs and not with our Company or the Registrar. The provisions relating to transfer and transmission and other related matters in respect of our Company's shares contained in the Articles of Association of our Company and the Companies Act shall apply, mutatis mutandis (to the extent applicable) to the NCDs as well.

Succession

Where NCDs are held in joint names and one of the joint holders dies, the survivor(s) will be recognized as the NCD Holder(s). It will be sufficient for our Company to delete the name of the deceased NCD Holder after obtaining satisfactory evidence of his death. Provided, a third person may call on our Company to register his name as successor of the deceased NCD Holder after obtaining evidence such as probate of a will for the purpose of proving his title to the debentures. In the event of demise of the sole or first holder of the Debentures, our Company will recognise the executors or administrator of the deceased NCD Holders, or the holder of the succession certificate or other legal representative as having title to the Debentures only if such executor or administrator obtains and produces probate or letter of administration or is the holder of the succession certificate or other legal representation, as the case may be, from an appropriate court in India. The directors of our Company in their absolute discretion may, in any case, dispense with production of probate or letter of administration or succession certificate or other legal representation.

Where a non-resident Indian becomes entitled to the NCDs by way of succession, the following steps have to be complied with:

1. Documentary evidence to be submitted to the Legacy Cell of the RBI to the effect that the NCDs were acquired by the non-resident Indian as part of the legacy left by the deceased NCD Holder.
2. Proof that the non-resident Indian is an Indian national or is of Indian origin.
3. Such holding by a non-resident Indian will be on a non-repatriation basis.

Joint-holders

Where two or more persons are holders of any NCD(s), they shall be deemed to hold the same as joint holders with benefits of survivorship subject to other provisions contained in the Articles.

Interest shall be computed on an actual / actual basis on the principal outstanding on the NCDs as per the SEBI Circular bearing no. CIR/IMD/DF-1/122/2016 dated November 11, 2016.

Effect of holidays on payments:

If the Interest Payment Date falls on a day other than a Working Day, the interest payment shall be made by the Company on the immediately succeeding Working Day and calculation of such interest payment shall be as per original schedule as if such Interest Payment Date were a Working Day. Further, the future Interest Payment Dates shall remain intact and shall not be changed because of postponement of such interest payment on account of it falling on a non-Working Day. Payment of interest will be subject to the deduction of tax as per Income Tax Act or any statutory modification or re-enactment thereof for the time being in force.

If Redemption Date (also being the last Interest Payment Date) falls on a day that is not a Working Day, the Redemption Amount shall be paid by the Company on the immediately preceding Working Day along with interest accrued on the NCDs until but excluding the date of such payment. The interest/redemption payments shall be made only on the days when the money market is functioning in Mumbai.

Illustration for guidance in respect of the day count convention and effect of holidays on payments:

The illustration for guidance in respect of the day count convention and effect of holidays on payments, as required by SEBI Circular No. CIR/IMD/DF-1/122/2016 dated November 11, 2016 will be disclosed in the relevant Tranche Prospectus.

Maturity and Redemption

As specified in the relevant Tranche Prospectus.

Put / Call Option

As specified in the relevant Tranche Prospectus.

Application Size

Applicants can apply for any or all types of NCDs offered hereunder (any/all series) as specified in the relevant Tranche Prospectus.

Applicants are advised to ensure that applications made by them do not exceed the investment limits or maximum number of NCDs that can be held by them under applicable statutory and/ or regulatory provisions.

Terms of Payment

The entire issue price of ₹ 1,000 per NCD is payable on application itself. In case of allotment of lesser number of NCDs than the number of NCDs applied for, our Company shall refund the excess amount paid on application to the Applicant in accordance with the terms of this Shelf Prospectus. For further details please refer to the paragraph on “*Interest on Application Amount*” on page 209 of this Shelf Prospectus.

Manner of Payment of Interest / Refund

The manner of payment of interest / refund in connection with the NCDs is set out below:

The bank details will be obtained from the Depositories for payment of Interest / refund / redemption amount as the case may be. Applicants who are holding the NCDs in electronic form, are advised to immediately update their bank account details as appearing on the records of the depository participant. Please note that failure to do so could result in delays in credit of refunds to the Applicant at the Applicant’s sole risk, and the Lead Managers, our Company nor the Registrar to the Issue shall have any responsibility and undertake any liability for the same.

Printing of Bank Particulars on Interest/Redemption Warrants

As a matter of precaution against possible fraudulent encashment of interest/redemption warrants due to loss or misplacement, the particulars of the Applicant’s bank account are mandatorily required to be given for printing on the warrants. In relation to NCDs held in dematerialized form, these particulars would be taken directly from the depositories. Bank account particulars will be printed on the warrants which can then be deposited only in the account specified

Loan against NCDs

Pursuant to the RBI Circular dated June 27, 2013, our Company, being an NBFC, is not permitted to extend any loans against the security of its NCDs.

Buy Back of NCDs

Our Company may, at its sole discretion, from time to time, consider, subject to applicable statutory and/or regulatory requirements, buyback of NCDs, upon such terms and conditions as may be decided by our Company.

Our Company may from time to time invite the NCD Holders to offer the NCDs held by them through one or more buy-back schemes and/or letters of offer upon such terms and conditions as our Company may from time to time determine, subject to applicable statutory and/or regulatory requirements. Such NCDs which are bought back may be extinguished, re-issued and/or resold in the open market with a view of strengthening the liquidity of the NCDs in the market, subject to applicable statutory and/or regulatory requirements.

Procedure for Redemption by NCD Holders

No action is required on the part of NCD Holder(s) at the time of redemption of NCDs.

Payment on Redemption

The manner of payment of redemption is set out below:

On the redemption date, redemption proceeds would be paid by cheque /pay order / electronic mode to those NCD Holders whose names appear on the list of beneficial owners given by the Depositories to us. These names would be as per the Depositories’ records on the Record Date fixed for the purpose of redemption. These NCDs will be simultaneously extinguished to the extent of the amount redeemed through appropriate debit corporate action upon redemption of the corresponding value of the NCDs. It may be noted that in the entire process mentioned

above, no action is required on the part of NCD Holders.

Our liability to NCD Holder(s) towards his/their rights including for payment or otherwise shall stand extinguished from the date of redemption in all events and when we dispatch the redemption amounts to the NCD Holder(s).

Further, we will not be liable to pay any interest, income or compensation of any kind from the date of redemption of the NCD(s).

Right to Reissue NCD(s)

Subject to the provisions of the Companies Act, 2013, where we have fully redeemed or repurchased any NCD(s), we shall have and shall be deemed always to have had the right to keep such NCDs in effect without extinguishment thereof, for the purpose of resale or reissue and in exercising such right, we shall have and be deemed always to have had the power to resell or reissue such NCDs either by reselling or reissuing the same NCDs or by issuing other NCDs in their place. The aforementioned right includes the right to reissue original NCDs.

Sharing of Information

We may, at our option, use on our own, as well as exchange, share or part with any financial or other information about the NCD Holders available with us, with our subsidiaries, if any and affiliates and other banks, financial institutions, credit bureaus, agencies, statutory bodies, as may be required and neither we or our affiliates nor their agents shall be liable for use of the aforesaid information.

Notices

All notices to the NCD Holder(s) required to be given by us or the Debenture Trustee shall be published in one English language newspaper having wide circulation and one regional language daily newspaper in Mumbai and/or will be sent by post/ courier or through email or other electronic media to the Registered Holders of the NCD(s) from time to time.

Future Borrowings

We will be entitled to borrow/raise loans or avail of financial assistance in whatever form as also to issue debentures/ NCDs/other securities in any manner having such ranking in priority, pari passu or otherwise, subject to applicable consents, approvals or permissions that may be required under any statutory/regulatory/contractual requirement, and change the capital structure including the issue of shares of any class, on such terms and conditions as we may think appropriate, without the consent of, or intimation to, the NCD Holders or the Debenture Trustee in this connection.

Pre-Issue Advertisement

Subject to Section 30 of the Companies Act, 2013, our Company will issue a statutory advertisement on or before the Issue Opening Date. This advertisement will contain the information as prescribed in Schedule IV of SEBI Debt Regulations in compliance with the Regulation 8(1) of SEBI Debt Regulations. Material updates, if any, between the date of filing of the Shelf Prospectus with ROC and the date of release of the statutory advertisement, will be included in the statutory advertisement.

Impersonation

As a matter of abundant caution, attention of the Investors is specifically drawn to the provisions of sub-section (1) of Section 38 of the Companies Act, 2013 which is reproduced below:

“Any person who- (a) makes or abets making of an application in a fictitious name to a company for acquiring, or subscribing for, its securities; or (b) makes or abets making of multiple applications to a company in different names or in different combinations of his name or surname for acquiring or subscribing for its securities; or (c) otherwise induces directly or indirectly a company to allot, or register any transfer of, securities to him, or to any other person in a fictitious name, shall be liable for action under section 447 of the Companies Act, 2013”.

Pre-closure

Our Company, in consultation with the Lead Managers reserves the right to close the Issue at any time prior to the Issue Closing Date, subject to receipt of minimum subscription or as may be specified in the relevant Tranche Prospectus. Our Company shall allot NCDs with respect to the Applications received until the time of such pre-closure in accordance with the Basis of Allotment as described hereinabove and subject to applicable statutory and/or regulatory requirements. In the event of such early closure of the Issue, our Company shall ensure that public notice of such early closure is published on or before such early date of closure or the relevant Tranche Issue Closing Date, as applicable, through advertisement(s) in all those newspapers in which pre-issue advertisement and advertisement for opening or closure of the issue have been given.

Minimum Subscription

In terms of the SEBI Debt Regulations for an issuer undertaking a public issue of debt securities the minimum subscription for public issue of debt securities shall be 75% of the Base Issue. If our Company does not receive the minimum subscription of 75 % of the Base Issue, prior to the Issue Closing Date the entire Application Amount shall be unblocked in the relevant ASBA Account(s) of the Applicants within 6 working days from the Issue Closing Date provided wherein, the Application Amount has been transferred to the Public Issue Account from the respective ASBA Accounts, such Application Amount shall be refunded from the Refund Account to the relevant ASBA Account(s) of the Applicants within 6 working days from the Issue Closing Date, failing which the Company will become liable to refund the Application Amount along with interest at the rate 15 (fifteen) percent per annum for the delayed period.

Under Section 39(3) of the Companies Act, 2013 read with Rule 11(2) of the Companies (Prospectus and Allotment of Securities) Rules, 2014 if the stated minimum subscription amount is not received within the specified period, the application money received is to be credited only to the bank account from which the subscription was remitted. To the extent possible, where the required information for making such refunds is available with our Company and/or Registrar, refunds will be made to the account prescribed. However, where our Company and/or Registrar does not have the necessary information for making such refunds, our Company and/or Registrar will follow the guidelines prescribed by SEBI in this regard including its circulars (bearing CIR/IMD/DF-1/20/2012) dated July 27, 2012.

Guarantee/Letter of Comfort

The Issue is not backed by a guarantee or letter of comfort or any other document and/or letter with similar intent.

Utilisation of Application Amount

The sum received in respect of the Issue will be kept in separate bank accounts and we will have access to such funds only upon allotment of the NCDs, execution of Debenture Trust Deeds and on receipt of listing and trading approval from the Stock Exchange as per applicable provisions of law(s), regulations and approvals.

Utilisation of Issue Proceeds

Brokers having online demat account portals may also provide a facility of submitting the Application Forms online to their account holders. Under this facility, a broker receives an online instruction through its portal from the Applicant for making an Application on his/ her behalf. Based on such instruction, and a power of attorney granted by the Applicant to authorise the broker, the broker makes an Application on behalf of the Applicant.

APPLICATIONS FOR ALLOTMENT OF NCDs IN THE DEMATERIALIZED FORM

Submission of Applications

Applicants can apply for NCDs only using the ASBA facility pursuant to ASBA Circular. ASBA Applications can be submitted through either of the following modes:

- (a) Physically or electronically to the Designated Branches of the SCSB(s) with whom an Applicant's ASBA Account is maintained. In case of ASBA Application in physical mode, the ASBA Applicant shall submit the Application Form at the relevant Designated Branch of the SCSB(s). The Designated Branch shall verify if sufficient funds equal to the Application Amount are available in the ASBA Account and shall also verify that the signature on the Application Form matches with the Investor's bank records, as mentioned in the ASBA Application, prior to uploading such ASBA Application into the electronic system of the Stock Exchange. If sufficient funds are not available in the ASBA Account, the respective

Designated Branch shall reject such ASBA Application and shall not upload such ASBA Application in the electronic system of the Stock Exchange. If sufficient funds are available in the ASBA Account, the Designated Branch shall block an amount equivalent to the Application Amount and upload details of the ASBA Application in the electronic system of the Stock Exchange. The Designated Branch of the SCSBs shall stamp the Application Form and issue an acknowledgement as proof of having accepted the Application. In case of Application in the electronic mode, the ASBA Applicant shall submit the ASBA Application either through the internet banking facility available with the SCSB, or such other electronically enabled mechanism for application and blocking funds in the ASBA Account held with SCSB, and accordingly registering such ASBA Applications.

- (b) Physically through the Consortium, Lead Managers, or Trading Members of the Stock Exchange only at the Specified Cities (Mumbai, Chennai, Kolkata, Delhi, Ahmedabad, Rajkot, Jaipur, Bangalore, Hyderabad, Pune, Vadodara and Surat), i.e. Syndicate ASBA. Kindly note that ASBA Applications submitted to the Consortium, Lead Managers or Trading Members of the Stock Exchange at the Specified Cities will not be accepted if the SCSB where the ASBA Account, as specified in the ASBA Application, is maintained has not named at least one branch at that Specified City for the Consortium, Lead Managers or Trading Members of the Stock Exchange, as the case may be, to deposit ASBA Applications (A list of such branches is available at <http://www.sebi.gov.in/sebiweb/home/list/5/33/0/0/Recognised-Intermediaries>).

Upon receipt of the Application Form by the Consortium, Lead Managers or Trading Members of the Stock Exchange, as the case may be, an acknowledgement shall be issued by giving the counter foil of the Application Form to the ASBA Applicant as proof of having accepted the Application. Thereafter, the details of the Application shall be uploaded in the electronic system of the Stock Exchange and the Application Form shall be forwarded to the relevant branch of the SCSB, in the relevant Specified City, named by such SCSB to accept such ASBA Applications from the Consortium, Lead Managers or Trading Members of the Stock Exchange, as the case may be (A list of such branches is available at <http://www.sebi.gov.in/sebiweb/home/list/5/33/0/0/Recognised-Intermediaries>). Upon receipt of the ASBA Application, the relevant branch of the SCSB shall perform verification procedures including verification of the Applicant's signature with his bank records and check if sufficient funds equal to the Application Amount are available in the ASBA Account, as mentioned in the ASBA Form. If sufficient funds are not available in the ASBA Account, the relevant ASBA Application is liable to be rejected. If sufficient funds are available in the ASBA Account, the relevant branch of the SCSB shall block an amount equivalent to the Application Amount mentioned in the ASBA Application. The Application Amount shall remain blocked in the ASBA Account until approval of the Basis of Allotment and consequent transfer of the amount against the Allotted NCDs to the Public Issue Account(s), or until withdrawal/ failure of the Issue or until withdrawal/ rejection of the Application Form, as the case may be.

ASBA Applicants must note that:

- (a) Physical Application Forms will be available with the Designated Branches of the SCSBs and with the Lead Managers and Trading Members of the Stock Exchange at the Specified Cities; and electronic Application Forms will be available on the websites of the SCSBs and the Stock Exchange at least one day prior to the Issue Opening Date. Application Forms will also be provided to the Trading Members of the Stock Exchange at their request. The Application Forms would be serially numbered. Further, the SCSBs will ensure that the relevant Tranche Prospectus is made available on their websites.
- (b) The Designated Branches of the SCSBs shall accept ASBA Applications directly from ASBA Applicants only during the Issue Period. The SCSB shall not accept any ASBA Applications directly from ASBA Applicants after the closing time of acceptance of Applications on the Issue Closing Date. However, in case of Syndicate ASBA, the relevant branches of the SCSBs at Specified Cities can accept ASBA Applications from the Lead Managers or Trading Members of the Stock Exchange, as the case may be, after the closing time of acceptance of Applications on the Issue Closing Date. For further information on the Issue programme, please refer to "**Issue Related Information**" on page 208 of this Shelf Prospectus.
- (c) In case of Applications through Syndicate ASBA, the physical Application Form shall bear the stamp of the Lead Managers or Trading Members of the Stock Exchange, as the case maybe, if not, the same shall be rejected. Application Forms directly submitted to SCSBs should bear the stamp of SCSBs, if not, the same are liable to be rejected.

Please note that Applicants can make an Application for Allotment of NCDs in the dematerialized form only.

Submission of Direct Online Applications

Please note that clarifications and/or confirmations regarding the implementation of the requisite infrastructure and facilities in relation to direct online applications and online payment facility have been sought from the Stock Exchange and the Stock Exchange has confirmed that the necessary infrastructure and facilities for the same have not been implemented by the Stock Exchange. Hence, the Direct Online Application facility will not be available for this Issue.

In the event the Direct Online Application facility is implemented by the Stock Exchange, relevant “know your customer” details of such Applicants will be validated online from the Depositories, on the basis of the DP ID and Client ID provided by them in the Application Form. On successful submission of a Direct Online Application, the Applicant will receive a system-generated UAN and an SMS or an e-mail confirmation on credit of the requisite Application Amount paid through the online payment facility with the Direct Online Application. On Allotment, the Registrar to the Issue shall credit NCDs to the beneficiary account of the Applicant and in case of refund, the refund amount shall be credited directly to the Applicant’s bank account. Applicants applying through the Direct Online Application facility must preserve their UAN and quote their UAN in: (a) any cancellation/withdrawal of their Application; (b) in queries in connection with Allotment of NCDs and/or refund(s); and/or (c) in all investor grievances/complaints in connection with the Issue.

As per Debt Application Circular issued by SEBI, the availability of the Direct Online Applications facility is subject to the Stock Exchange putting in place the necessary systems and infrastructure, and accordingly the aforementioned disclosures are subject to any further clarifications, notification, modification deletion, direction, instructions and/or correspondence that may be issued by the Stock Exchange and/or SEBI.

The series, mode of allotment, PAN, demat account no. etc. should be captured by the relevant Lead Managers, Trading Member of the Stock Exchange in the data entries as such data entries will be considered for allotment.

Applicants should note that neither the Lead Managers, Trading Member of the Stock Exchange, Public Issue Account Banks nor Designated Branches, as the case may be, will be liable for error in data entry due to incomplete or illegible Application Forms.

Our Company would allot the series of NCDs, as specified in the relevant Tranche Prospectus to all valid Applications, wherein the Applicants have not indicated their choice of the relevant series of NCDs.

B. Applicant’s Beneficiary Account and Bank Account Details

Applicants applying for Allotment in dematerialized form must mention their DP ID and Client ID in the Application Form and ensure that the name provided in the Application Form is exactly the same as the name in which the Beneficiary Account is held. In case the Application Form for Allotment in dematerialized form is submitted in the first Applicant’s name, it should be ensured that the Beneficiary Account is held in the same joint names and in the same sequence in which they appear in the Application Form. In case the DP ID, Client ID and PAN mentioned in the Application Form for Allotment in dematerialized form and entered into the electronic system of the Stock Exchange do not match with the DP ID, Client ID and PAN available in the Depository database or in case PAN is not available in the Depository database, the Application Form for Allotment in dematerialized form is liable to be rejected. Further, Application Forms submitted by Applicants applying for Allotment in dematerialized form, whose beneficiary accounts are inactive, will be rejected.

On the basis of the DP ID and Client ID provided by the Applicant in the Application Form for Allotment in dematerialized form and entered into the electronic system of the Stock Exchange, the Registrar to the Issue will obtain from the Depositories the Demographic Details of the Applicant including PAN, address, bank account details for printing on refund orders/sending refunds through electronic mode, Magnetic Ink Character Recognition (“MICR”) Code and occupation. These Demographic Details would be used for giving Allotment Advice and refunds (including through physical refund warrants, direct credit, NACH, NEFT and RTGS), if any, to the Applicants. Hence, Applicants are advised to immediately update their Demographic Details as appearing on the records of the DP and ensure that they are true and correct, and carefully fill in their Beneficiary Account details in the Application Form. Failure to do so could result in delays in dispatch/credit of refunds to Applicants and delivery of Allotment Advice at the Applicants’ sole risk, and neither our Company, the Lead Managers,

Trading Members of the Stock Exchange, Public Issue Account Bank(s), SCSBs, Registrar to the Issue nor the Stock Exchange will bear any responsibility or liability for the same.

The Demographic Details would be used for correspondence with the Applicants including mailing of the Allotment Advice and printing of bank particulars on the refund orders, or for refunds through electronic transfer of funds, as applicable. Allotment Advice and physical refund orders (as applicable) would be mailed at the address of the Applicant as per the Demographic Details received from the Depositories. Applicants may note that delivery of refund orders/ Allotment Advice may get delayed if the same once sent to the address obtained from the Depositories are returned undelivered. In such an event, the address and other details given by the Applicant in the Application Form would be used only to ensure dispatch of refund orders. Please note that any such delay shall be at such Applicants sole risk and neither our Company, the Lead Managers, Trading Members of the Stock Exchange, Public Issue Account Banks, SCSBs, Registrar to the Issue nor the Stock Exchange shall be liable to compensate the Applicant for any losses caused to the Applicant due to any such delay or liable to pay any interest for such delay. In case of refunds through electronic modes as detailed in this Shelf Prospectus, refunds may be delayed if bank particulars obtained from the Depository Participant are incorrect.

In case of Applications made under power of attorney, our Company in its absolute discretion, reserves the right to permit the holder of Power of Attorney to request the Registrar that for the purpose of printing particulars on the refund order and mailing of refund orders/ Allotment Advice, the demographic details obtained from the Depository of the Applicant shall be used. By signing the Application Form, the Applicant would have deemed to have authorized the Depositories to provide, upon request, to the Registrar to the Issue, the required Demographic Details as available on its records. The Demographic Details given by Applicant in the Application Form would not be used for any other purpose by the Registrar to the Issue except in relation to the Issue.

With effect from August 16, 2010, the beneficiary accounts of Applicants for whom PAN details have not been verified shall be suspended for credit and no credit of NCDs pursuant to the Issue will be made into the accounts of such Applicants. Application Forms submitted by Applicants whose beneficiary accounts are inactive shall be rejected. Furthermore, in case no corresponding record is available with the Depositories, which matches the three parameters, namely, DP ID, Client ID and PAN, then such Application are liable to be rejected.

C. Permanent Account Number (PAN)

The Applicant should mention his or her Permanent Account Number (PAN) allotted under the IT Act. For minor Applicants, applying through the guardian, it is mandatory to mention the PAN of the minor Applicant. However, Applications on behalf of the Central or State Government officials and the officials appointed by the courts in terms of a SEBI circular dated June 30, 2008 and Applicants residing in the state of Sikkim who in terms of a SEBI circular dated July 20, 2006 may be exempt from specifying their PAN for transacting in the securities market. In accordance with Circular No. MRD/DOP/Cir-05/2007 dated April 27, 2007 issued by SEBI, the PAN would be the sole identification number for the participants transacting in the securities market, irrespective of the amount of transaction. Any Application Form, without the PAN is liable to be rejected, irrespective of the amount of transaction. It is to be specifically noted that the Applicants should not submit the GIR number instead of the PAN as the Application is liable to be rejected on this ground.

However, the exemption for the Central or State Government and the officials appointed by the courts and for investors residing in the State of Sikkim is subject to the Depository Participants' verifying the veracity of such claims by collecting sufficient documentary evidence in support of their claims. At the time of ascertaining the validity of these Applications, the Registrar to the Issue will check under the Depository records for the appropriate description under the PAN field i.e. either Sikkim category or exempt category.

D. Joint Applications

If the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form

E. Additional/ Multiple Applications

An Applicant is allowed to make one or more Applications for the NCDs for the same or other series of NCDs,

subject to a minimum application size and multiples as determined in the relevant Tranche Prospectus. Any Application for an amount below the aforesaid minimum application size will be deemed as an invalid application and shall be rejected. However, multiple Applications by the same individual Applicant aggregating to a value exceeding ₹1,000,000 shall be deemed such individual Applicant to be a HNI Applicant and all such Applications shall be grouped in the HNI Portion, for the purpose of determining the basis of allotment to such Applicant. However, any Application made by any person in his individual capacity and an Application made by such person in his capacity as a karta of a Hindu Undivided family and/or as Applicant (second or third Applicant), shall not be deemed to be a multiple Application. For the purposes of allotment of NCDs under the Issue, Applications shall be grouped based on the PAN, i.e. Applications under the same PAN shall be grouped together and treated as one Application. Two or more Applications will be deemed to be multiple Applications if the sole or first Applicant is one and the same. For the sake of clarity, two or more applications shall be deemed to be a multiple Application for the aforesaid purpose if the PAN number of the sole or the first Applicant is one and the same.

Do's and Don'ts

Applicants are advised to take note of the following while filling and submitting the Application Form:

Do's

1. Check if you are eligible to apply as per the terms of this Shelf Prospectus, the Shelf Prospectus, the relevant Tranche Prospectus and applicable law;
2. Read all the instructions carefully and complete the Application Form in the prescribed form;
3. Ensure that you have obtained all necessary approvals from the relevant statutory and/or regulatory authorities to apply for, subscribe to and/or seek Allotment of NCDs pursuant to the Issue.
4. Ensure that the DP ID and Client ID are correct and beneficiary account is activated for Allotment of NCDs in dematerialized form. The requirement for providing Depository Participant details shall be mandatory for all Applicants.
5. Ensure that you have been given an acknowledgement as proof of having accepted the Application Form;
6. In case of any revision of Application in connection with any of the fields which are not allowed to be modified on the electronic application platform of the Stock Exchange as per the procedures and requirements prescribed by each relevant Stock Exchange, ensure that you have first withdrawn your original Application and submit a fresh Application. For instance, as per the notice No: 20120831-22 dated August 31, 2012 issued by the BSE, fields namely, quantity, series, application no., sub-category codes will not be allowed for modification during the Issue. In such a case the date of the fresh Application will be considered for date priority for allotment purposes.
7. Ensure that signatures other than in the languages specified in the Eighth Schedule to the Constitution of India is attested by a Magistrate or a Notary Public or a Special Executive Magistrate under official seal.
8. Ensure that the DP ID, the Client ID and the PAN mentioned in the Application Form, which shall be entered into the electronic system of the Stock Exchange, match with the DP ID, Client ID and PAN available in the Depository database;
9. In case of an HUF applying through its Karta, the Applicant is required to specify the name of an Applicant in the Application Form as 'XYZ Hindu Undivided Family applying through PQR', where PQR is the name of the Karta. However, the PAN number of the HUF should be mentioned in the Application Form and not that of the Karta;
10. Ensure that the Applications are submitted to the Lead Managers, Trading Members of the Stock Exchange or Designated Branches of the SCSBs, as the case may be, before the closure of application hours on the Issue Closing Date. For further information on the Issue programme, please refer to "**Issue Related Information**" on page 208 of this Shelf Prospectus.
11. Ensure that the Demographic Details including PAN are updated, true and correct in all respects;
12. Ensure that you have obtained all necessary approvals from the relevant statutory and/or regulatory

authorities to apply for, subscribe to and/or seek allotment of NCDs pursuant to the Issue;

13. Permanent Account Number: Except for Application (i) on behalf of the Central or State Government and officials appointed by the courts, and (ii) (subject to SEBI circular dated April 3, 2008) from the residents of the state of Sikkim, each of the Applicants should provide their PAN. Application Forms in which the PAN is not provided will be rejected. The exemption for the Central or State Government and officials appointed by the courts and for investors residing in the State of Sikkim is subject to (a) the demographic details received from the respective depositories confirming the exemption granted to the beneficiary owner by a suitable description in the PAN field and the beneficiary account remaining in “active status”; and (b) in the case of residents of Sikkim, the address as per the demographic details evidencing the same;
14. Ensure that if the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form;
15. All Applicants are requested to tick the relevant column “Category of Investor” in the Application Form; and
16. Tick the series of NCDs in the Application Form that you wish to apply for.
17. Check if you are eligible to Apply under ASBA;
18. Ensure that you give the correct details of your ASBA Account including bank account number/ bank name and branch;
19. Ensure that your Application Form is submitted either at a Designated Branch of a SCSB where the ASBA Account is maintained or with the Lead Managers or Trading Members of the Stock Exchange at the Specified Cities, and not directly to the Public Issue Account Banks (assuming that such bank is not a SCSB) or to our Company or the Registrar to the Issue;
20. In case of ASBA Applications through Syndicate ASBA, before submitting the physical Application Form to the Trading Members of the Stock Exchange, ensure that the SCSB where the ASBA Account, as specified in the ASBA Form, is maintained has named at-least one branch in that Specified City for the Lead Managers or Trading Members of the Stock Exchange, as the case may be, to deposit ASBA Forms (A list of such branches is available at <http://www.sebi.gov.in/sebiweb/home/list/5/33/0/0/Recognised-Intermediaries>);
21. In terms of the SEBI circular CIR/CFD/DIL/1/2013 dated January 2, 2013, in case of an SCSB making an ASBA Application, such ASBA Application should be made through an ASBA Account utilised solely for the purpose of applying in public issues and maintained in the name of such SCSB Applicant with a different SCSB, wherein clear demarcated funds are available.
22. Ensure that the Application Form is signed by the ASBA Account holder in case the ASBA Applicant is not the account holder;
23. Ensure that you have funds equal to the Application Amount in the ASBA Account before submitting the Application Form and that your signature in the Application Form matches with your available bank records;
24. Ensure that you have correctly ticked, provided or checked the authorisation box in the Application Form, or have otherwise provided an authorisation to the SCSB via the electronic mode, for blocking funds in the ASBA Account equivalent to the Application Amount mentioned in the Application Form; and
25. Ensure that you receive an acknowledgement from the Designated Branch or the concerned Lead Manager or Trading Member of the Stock Exchange, as the case may be, for the submission of the Application Form.

In terms of SEBI Circular no. CIR/CFD/DIL/1/2013 dated January 2, 2013, SCSBs making applications on their own account using ASBA facility, should have a separate account in their own name with any other SEBI registered SCSB. Further, such account shall be used solely for the purpose of making application in public issues and clear demarcated funds should be available in such account.

SEBI Circular No. CIR/DDHS/P/121/2018 dated August 16, 2018 stipulating the time between closure of the Issue and listing at 6 (six) Working Days. In order to enable compliance with the above timelines, investors are advised to use ASBA facility only to make payment.

Dont's:

1. Do not apply for lower than the minimum application size;
2. Do not pay the Application Amount in cash, by money order or by postal order or by stockinvest;
3. Do not send Application Forms by post; instead submit the same to the Consortium, sub-brokers, Trading Members of the Stock Exchange or Designated Branches of the SCSBs, as the case may be;
4. Do not fill up the Application Form such that the NCDs applied for exceeds the Issue size and/or investment limit or maximum number of NCDs that can be held under the applicable laws or regulations or maximum amount permissible under the applicable regulations;
5. Do not submit the GIR number instead of the PAN as the Application is liable to be rejected on this ground;
6. Do not submit incorrect details of the DP ID, Client ID and PAN or provide details for a beneficiary account which is suspended or for which details cannot be verified by the Registrar to the Issue;

9. Do not apply if you are not competent to contract under the Indian Contract Act, 1872;
10. Do not submit an Application in case you are not eligible to acquire NCDs under applicable law or your relevant constitutional documents or otherwise;
11. Do not submit an Application that does not comply with the securities law of your respective jurisdiction;
12. Do not apply if you are a person ineligible to apply for NCDs under the Issue including Applications by Persons Resident Outside India, NRI (*inter-alia* including NRIs who are (i) based in the USA, and/or, (ii) domiciled in the USA, and/or, (iii) residents/citizens of the USA, and/or, (iv) subject to any taxation laws of the USA); and
13. Do not make an application of the NCD on multiple copies taken of a single form.
14. Payment of Application Amount in any mode other than through blocking of Application Amount in the ASBA Accounts shall not be accepted under the ASBA process;
15. Do not submit the Application Form to the Lead Managers or Trading Members of the Stock Exchange, as the case may be, at a location other than the Specified Cities.
16. Do not send your physical Application Form by post. Instead submit the same to a Designated Branch or the Lead Managers or Trading Members of the Stock Exchange, as the case may be, at the Specified Cities; and
17. Do not submit more than five Application Forms per ASBA Account.

Kindly note that Applications submitted to the Designated Intermediaries will not be accepted if the SCSB where the ASBA Account, as specified in the Application Form, is maintained has not named at least one branch at that location for the Designated Intermediaries to deposit such Application Forms. (A list of such branches is available at <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes>).

Please refer to “*Rejection of Applications*” on page 243 of this Shelf Prospectus for information on rejection of Applications.

TERMS OF PAYMENT

The entire issue price for the NCDs is payable on Application only. In case of Allotment of lesser number of NCDs than the number applied, our Company shall refund the excess amount or the excess amount shall be unblocked in the ASBA Account.

Payment mechanism for ASBA Applicants

The ASBA Applicants shall specify the ASBA Account number in the Application Form.

For ASBA Applications submitted to the Lead Managers or Trading Members of the Stock Exchange at the Specified Cities, the ASBA Application will be uploaded onto the electronic system of the Stock Exchange and deposited with the relevant branch of the SCSB at the Specified City named by such SCSB to accept such ASBA Applications from the Lead Managers or Trading Members of the Stock Exchange, as the case may be (A list of such branches is available at <http://www.sebi.gov.in/sebiweb/home/list/5/33/0/0/Recognised-Intermediaries>). The relevant branch of the SCSB shall perform verification procedures and block an amount in the ASBA Account equal to the Application Amount specified in the ASBA Application.

For ASBA Applications submitted directly to the SCSBs, the relevant SCSB shall block an amount in the ASBA Account equal to the Application Amount specified in the ASBA Application, before entering the ASBA Application into the electronic system of the Stock Exchange. SCSBs may provide the electronic mode of application either through an internet enabled application and banking facility or such other secured, electronically enabled mechanism for application and blocking of funds in the ASBA Account.

ASBA Applicants should ensure that they have funds equal to the Application Amount in the ASBA Account before submitting the ASBA Application to the Lead Managers or Trading Members of the Stock Exchange, as the case may be, at the Specified Cities or to the Designated Branches of the SCSBs. An ASBA Application where the corresponding ASBA Account does not have sufficient funds equal to the Application Amount at the time of blocking the ASBA Account is liable to be rejected.

The Application Amount shall remain blocked in the ASBA Account until approval of the Basis of Allotment and consequent transfer of the amount against the Allotted NCDs to the Public Issue Account(s), or until withdrawal/ failure of the Issue or until withdrawal/ rejection of the Application Form, as the case may be. Once the Basis of Allotment is approved, the Registrar to the Issue shall send an appropriate request to the controlling branch of the SCSB for unblocking the relevant ASBA Accounts and for transferring the amount pertaining to NCDs allocable to the successful ASBA Applicants to the Public Issue Account(s). The balance amount remaining after the finalisation of the Basis of Allotment shall be unblocked by the SCSBs on the basis of the instructions issued in this regard by the Registrar to the respective SCSB within 5 (five) Working Days of the Issue Closing Date. The Application Amount shall remain blocked in the ASBA Account until transfer of the Application Amount to the Public Issue Account, or until withdrawal/ failure of the Issue or until rejection of the ASBA Application, as the case may be. In case of withdrawal/ failure of the Issue, the blocked amount shall be unblocked on receipt of such information from the Registrar to the Issue.

Payment mechanism for Direct Online Applicants

Please note that clarifications and/or confirmations regarding the implementation of the requisite infrastructure and facilities in relation to direct online applications and online payment facility have been sought from the Stock Exchange and the Stock Exchange has confirmed that the necessary infrastructure and facilities for the same have not been implemented by the Stock Exchange. Hence, the Direct Online Application facility will not be available for this Issue.

SUBMISSION OF COMPLETED APPLICATION FORMS

Mode of Submission of Application Forms	To whom the Application Form has to be submitted
Applications	<p>(i) If using <u>physical Application Form</u>, (a) to the Lead Managers or Trading Members of the Stock Exchange only at the Specified Cities (“Syndicate ASBA”), or (b) to the Designated Branches of the SCSBs where the ASBA Account is maintained; or</p> <p>(ii) If using <u>electronic Application Form</u>, to the SCSBs, electronically through internet banking facility, if available.</p>

Please note that clarifications and/or confirmations regarding the implementation of the requisite infrastructure and facilities in relation to direct online applications and online payment facility have been sought from the Stock Exchange and the Stock Exchange has confirmed that the necessary infrastructure and facilities for the same have not been implemented by the Stock Exchange. Hence, the Direct Online Application facility will not be available for this Issue.

No separate receipts will be issued for the Application Amount payable on submission of Application Form. However, the Consortium / Trading Members of Stock Exchange will acknowledge the receipt of the Application Forms by stamping the date and returning to the Applicants an acknowledgement slip which will serve as a duplicate Application Form for the records of the Applicant.

Syndicate ASBA Applicants must ensure that their ASBA Applications are submitted to the Consortium or Trading Members of the Stock Exchange only at the Specified Cities (Mumbai, Chennai, Kolkata, Delhi, Ahmedabad, Rajkot, Jaipur, Bengaluru, Hyderabad, Pune, Vadodara and Surat). Kindly note that ASBA Applications submitted to the Lead Managers or Trading Members of the Stock Exchange at the Specified Cities will not be accepted if the SCSB where the ASBA Account, as specified in the ASBA Application, is maintained has not named at least one branch at that Specified City for the Lead Managers or Trading Members of the Stock Exchange, as the case may be, to deposit ASBA Applications (A list of such branches is available at <http://www.sebi.gov.in/sebiweb/home/list/5/33/0/0/Recognised-Intermediaries>).

For information on certain procedures to be carried out by the Registrar to the Offer for finalization of the basis of allotment, please refer to “*Information for Applicants*” on page 245 of this Shelf Prospectus.

Information for Applicants

In case of ASBA Applications submitted to the SCSBs, in terms of the SEBI circular CIR/CFD/DIL/3/2010 dated April 22, 2010, the Registrar to the Issue will reconcile the compiled data received from the Stock Exchange and all SCSBs and match the same with the Depository database for correctness of DP ID, Client ID and PAN. The Registrar to the Issue will undertake technical rejections based on the electronic details and the Depository database. In case of any discrepancy between the electronic data and the Depository records, our Company, in consultation with the Designated Stock Exchange, the Lead Managers and the Registrar to the Issue, reserves the right to proceed as per the Depository records for such ASBA Applications or treat such ASBA Applications as rejected.

In case of ASBA Applicants submitted to the Lead Managers, and Trading Members of the Stock Exchange at the Specified Cities, the basis of allotment will be based on the Registrar’s validation of the electronic details with the Depository records, and the complete reconciliation of the final certificates received from the SCSBs with the electronic details in terms of the SEBI circular CIR/CFD/DIL/1/2011 dated April 29, 2011. The Registrar to the Issue will undertake technical rejections based on the electronic details and the Depository database. In case of any discrepancy between the electronic data and the Depository records, our Company, in consultation with the Designated Stock Exchange, the Lead Managers and the Registrar to the Issue, reserves the right to proceed as per the Depository records or treat such ASBA Application as rejected.

Based on the information provided by the Depositories, our Company shall have the right to accept Applications belonging to an account for the benefit of a minor (under guardianship).

In case of Applications for a higher number of NCDs than specified for that category of Applicant, only the

maximum amount permissible for such category of Applicant will be considered for Allotment.

OTHER INFORMATION

Withdrawal of Applications

ASBA Applicants can withdraw their ASBA Applications till the issue closure date by submitting a request for the same to the Consortium, Trading Member of the Stock Exchange or the Designated Branch, as the case may be, through whom the ASBA Application had been placed. In case of ASBA Applications submitted to the Lead Managers, or Trading Members of the Stock Exchange at the Specified Cities, upon receipt of the request for withdrawal from the ASBA Applicant, the relevant Lead Manager, or Trading Member of the Stock Exchange, as the case may be, shall do the requisite, including deletion of details of the withdrawn ASBA Application Form from the electronic system of the Stock Exchange. In case of ASBA Applications submitted directly to the Designated Branch of the SCSB, upon receipt of the request for withdraw from the ASBA Applicant, the relevant Designated Branch shall do the requisite, including deletion of details of the withdrawn ASBA Application Form from the electronic system of the Stock Exchange and unblocking of the funds in the ASBA Account directly.

In case an Applicant wishes to withdraw the Application after the Issue Closing Date, the same can be done by submitting a withdrawal request to the Registrar to the Issue prior to the finalization of the Basis of Allotment.

Early Closure

Our Company, in consultation with the Lead Managers reserves the right to close the Issue at any time prior to the Closing Date, subject to receipt of minimum subscription for NCDs aggregating to 75% of the Base Issue Size. Our Company shall allot NCDs with respect to the Applications received at the time of such early closure in accordance with the Basis of Allotment as described hereinabove and subject to applicable statutory and/or regulatory requirements.

If our Company does not receive the minimum subscription of 75% of Base Issue Size, prior to the Issue Closing Date the entire Application Amount shall be unblocked in the relevant ASBA Account(s) of the Applicants within 6 working days from the Issue Closing Date provided wherein, the Application Amount has been transferred to the Public Issue Account from the respective ASBA Accounts, such Application Amount shall be refunded from the Refund Account to the relevant ASBA Account(s) of the Applicants within 6 working days from the Issue Closing Date, failing which the Company will become liable to refund the Application Amount along with interest at the rate 15 (fifteen) percent per annum for the delayed period.

Revision of Applications

As per the notice No: 20120831-22 dated August 31, 2012 issued by the BSE, cancellation of one or more orders (series) within an Application is permitted during the Issue Period as long as the total order quantity does not fall under the minimum quantity required for a single Application. Please note that in case of cancellation of one or more orders (series) within an Application, leading to total order quantity falling under the minimum quantity required for a single Application will be liable for rejection by the Registrar.

Applicants may revise/ modify their Application details during the Issue Period, as allowed/permitted by the stock exchange(s), by submitting a written request to the Lead Managers/ Trading Members of the Stock Exchange/ the SCSBs, as the case may be. However, for the purpose of Allotment, the date of original upload of the Application will be considered in case of such revision/modification. In case of any revision of Application in connection with any of the fields which are not allowed to be modified on the electronic Application platform of the Stock Exchange(s) as per the procedures and requirements prescribed by each relevant Stock Exchange, Applicants should ensure that they first withdraw their original Application and submit a fresh Application. In such a case the date of the new Application will be considered for date priority for Allotment purposes.

Revision of Applications is not permitted after the expiry of the time for acceptance of Application Forms on Issue Closing Date. However, in order that the data so captured is accurate, the Lead Managers, Trading Members of the Stock Exchange, the Designated Intermediaries and the Designated Branches of the SCSBs will be given up to one Working Day (till 1:00 PM) after the Issue Closing Date to modify/ verify certain selected fields uploaded in the online system during the Issue Period, after which the data will be sent to the Registrar for reconciliation with the data available with the NSDL and CDSL. The Stock Exchange shall validate the bid details with DP records by the end of each bidding day. The Registrar shall every day provide the bid file received from the Stock Exchange to all SCSBs for validation/reconciliation at their end.

Depository Arrangements

We have made depository arrangements with NSDL and CDSL. Please note that Tripartite Agreements have been executed between our Company, the Registrar and both the depositories.

As per the provisions of the Depositories Act, 1996, the NCDs issued by us can be held in a dematerialized form. In this context:

- (i) Agreement dated May 25, 2016 between us, the Registrar to the Issue and NSDL, and dated August 19, 2016, between us, the Registrar to the Issue and CDSL, respectively for offering depository option to the investors.
- (ii) An Applicant must have at least one beneficiary account with any of the Depository Participants (DPs) of NSDL or CDSL prior to making the Application.
- (iii) The Applicant must necessarily provide the DP ID and Client ID details in the Application Form.
- (iv) NCDs Allotted to an Applicant in the electronic form will be credited directly to the Applicant's respective beneficiary account(s) with the DP.
- (v) Non-transferable Allotment Advice/ refund orders will be directly sent to the Applicant by the Registrar to this Issue.
- (vi) It may be noted that NCDs in electronic form can be traded only on the Stock Exchange having electronic connectivity with NSDL or CDSL. The Stock Exchange has connectivity with NSDL and CDSL.

- (vii) Interest or other benefits with respect to the NCDs held in dematerialized form would be paid to those NCD Holders whose names appear on the list of beneficial owners given by the Depositories to us as on Record Date. In case of those NCDs for which the beneficial owner is not identified by the Depository as on the Record Date/ book closure date, we would keep in abeyance the payment of interest or other benefits, till such time that the beneficial owner is identified by the Depository and conveyed to us, whereupon the interest or benefits will be paid to the beneficiaries, as identified, within a period of 30 days.
- (viii) The trading of the NCDs on the floor of the Stock Exchange shall be in dematerialized form only.

Please also refer to “**Instructions for filling up the Application Form - Applicant’s Beneficiary Account and Bank Account Details**” on page 234 of this Shelf Prospectus.

Please note that the NCDs shall cease to trade from the Record Date (for payment of the principal amount and the applicable premium and interest for such NCDs) prior to redemption of the NCDs.

PLEASE NOTE THAT TRADING OF NCDs ON THE FLOOR OF THE STOCK EXCHANGE SHALL BE IN DEMATERIALIZED FORM ONLY IN MULTIPLE OF ONE NCD.

Allottees will have the option to re-materialize the NCDs Allotted under the Issue as per the provisions of the Companies Act, 2013 and the Depositories Act.

Communications

All future communications in connection with Applications made in this Issue should be addressed to the Registrar to the Issue quoting the full name of the sole or first Applicant, Application Form number, Applicant’s DP ID and Client ID, Applicant’s PAN, number of NCDs applied for, date of the Application Form, name and address of the Lead Manager, Trading Member of the Stock Exchange or Designated Branch, as the case may be, where the Application was submitted, ASBA Account number in which the amount equivalent to the Application Amount was blocked. All grievances relating to the ASBA process may be addressed to the Registrar to the Issue, with a copy to the relevant SCSB.

Applicants may contact our Compliance Officer (and Company Secretary) or the Registrar to the Issue in case of any pre-Issue or post-Issue related problems such as non-receipt of Allotment Advice, refunds, interest on application amount or credit of NCDs in the respective beneficiary accounts, as the case may be.

Grievances relating to Direct Online Applications may be addressed to the Registrar to the Issue, with a copy to the relevant Stock Exchange.

Interest in case of Delay

Our Company undertakes to pay interest, in connection with any delay in allotment, demat credit and refunds, beyond the time limit as may be prescribed under applicable statutory and/or regulatory requirements, at such rates as stipulated under such applicable statutory and/or regulatory requirements.

Undertaking by the Issuer

The main provisions of the AOA relating to the issue and allotment of debentures and matters incidental thereto have been set out below. Please note that each provision herein below is numbered as per the corresponding article number in the AOA. All defined terms used in this section have the meaning given to them in the AOA. Any reference to the term “Article” hereunder means the corresponding article contained in the AOA.

Clause (2) of Article 6 provides that the Company shall be entitled to issue, offer and allot fresh and further shares, Debentures and other Securities in dematerialised form pursuant to and in accordance with the provisions under the Depositories Act and it shall also be entitled to dematerialise its existing shares, debentures and other Securities, subject to the provisions of the Companies Act, 2013. In this connection, the Company shall comply with all the applicable provisions of the Depositories Act.

Article 9 provides that the Company by a Resolution in General Meeting may from time to time, increase its Share Capital by the creation of further Shares, such increases to be of such aggregate amount and to be divided into shares of such respective amounts as the resolution shall prescribe. Subject to the provisions of the Companies Act, 2013, the further shares shall be issued upon such terms and conditions and with such rights and privileges annexed thereto, as the general meeting resolving upon the creation thereof shall direct, and if no direction be given as the Board shall determine; and in particular, such shares may be issued with a preferential or qualified right to dividends and in distribution of assets of the Company, and with a right of voting at General Meetings of the Company.

Article 15 provides that notwithstanding anything contained in the AOA but subject to the provisions of Section 68 and 70 and any other applicable provision of the Act or any other law for the time being in force, the Company may purchase its own shares or other securities.

Article 16 provides that the Company may, subject to the provisions of Sections 52, 55 and 66 and other applicable provisions (if any) of the Act, from time to time by Special Resolution reduce its capital and any capital redemption reserve account or any share premium account in any manner for the time being authorised by law, and in particular, capital may be paid off on the footing that it may be called up again or otherwise. This Article is not to derogate from any power that the Company would have, if it were omitted.

Nothing in this article shall apply to Buy-Back of its own securities by the Company under Section 68 of the Act.

Article 17 provides that subject to the provisions of Section 61 of the Act, the Company in general meeting may, from time to time:

Clause (a) of Article 17 Consolidate and divide all or any of its share capital into shares of larger amounts than its existing shares;

Clause (b) of Article 17 Sub-divide its shares, or any of them into shares of smaller amount so however, that in the sub-division the proportion between amount paid and the amount, if any, unpaid on each reduced share shall be the same as it was in case of the share from which the reduced share is derived;

Clause (c) of Article 17 Cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person and diminish the amount of its share capital by the amount of shares so cancelled. A cancellation of shares in pursuance of this sub-clause shall not be deemed to be reduction of share capital within the meaning of the Act.

Article 20 provides that subject to the provisions of the Act, the Board shall have the power to issue or re-issue equity shares with differential rights as to dividend, voting or otherwise in accordance with the provisions of the Act and Rules made thereunder.

Article 22 provides that the Company shall cause to be kept a register and index of Members, debenture holders and other security holders (if any) in the form and manner provided under Section 88 of the Act and Rules made pursuant thereto and also a Register of Renewed and Duplicate Certificates. It shall give inspection of the Registers, Indexes, returns and copies of certificates and other documents referred to in Section 94 of the Act and furnish a copy thereof as provided in the said Section. The Company may keep in any State or Country outside India a “foreign register” of Members or debenture holders, other security holders resident in that State or Country. The provisions of Section 88 of the Act shall apply thereto.

Clause (a) of Article 26 provides that subject to the applicable provisions of Section 56 of Act, and in case of fresh issue of shares subject to applicable provisions of Section 29 of the Act, the Company shall, keep ready for delivery, the Certificates of all shares, the debentures and debenture stock allotted or transferred, within prescribed time, under the applicable law, after the allotment of any of its shares, debentures or debenture stock, or after the application for the registration of the transfer or transmission of any such shares, debentures, or debenture stock, the certificate of all shares, debentures, and/ or debenture stock as the case may.

Clause (e) of Article 26 provides that every person subscribing to securities offered by the Company shall have the option to receive security certificates or to hold the securities with the Depository. Such a person who is the beneficial owner of the securities can at any time opt out of a depository, if permitted by law, in respect of any security in the manner provided by the Depositories Act, and the Company shall, in the manner and within the time prescribed issue to the beneficial owner the required certificates of the securities.

Clause (f) of Article 26 provides that if a person opts to hold his security with a depository, the Company shall intimate such depository the details of allotment of the security, on receipt of the information, the depository shall enter in its records the name of the allottee as the beneficial owner of the security.

Article 27 provides that a certificate may be renewed or a duplicate of a certificate may be issued by the Company if such certificate (a) is proved to have been lost or destroyed or (b) having been defaced or mutilated or torn is surrendered to the Company. The Company shall comply with the rules as may be prescribed regarding the manner of issue or renewal of a certificate or issue of a duplicate thereof, the form of a certificate (original or renewed) or of a duplicate thereof, the particulars to be entered in the Register of Members or in the Register of Renewed or Duplicate Certificates, the form of such Registers, the fee on payment of which, the terms and conditions, if any, (including terms and conditions as to evidence and indemnity and the payment of out-of-pocket expenses incurred by the company in investigating evidence) on which a certificate may be renewed or a duplicate thereof may be issued.

Article 30 provides that the Company shall not give whether directly or indirectly, by means of a loan, guarantee, the provision of security or otherwise, any financial assistance for or in connection with the purchase or subscription of any shares in the Company or in its holding Company, save as provided by Section 67 of the Act.

Article 36 provides that the Board may, from time to time, by a resolution passed at a meeting of the Board (and not by circular resolution) make such call (in accordance with Section 49 of the Act) as it may think fit upon the Members in respect of all moneys unpaid on the shares held by them respectively (whether on account of the nominal value of the shares or by way of premium) and not by the conditions of allotment thereof made payable at fixed times.

Article 59 provides that the Company shall have a first and paramount lien upon all the shares/debentures (other than fully paid-up shares/debentures) registered in the name of each Member (whether solely or jointly with others) and upon the proceeds of sale thereof for all moneys (whether presently payable or not) called or payable at a fixed time in respect of such shares/debentures and no equitable interest in any share shall be created except upon the footing and condition that Article 29 hereof is to have full effect and such lien shall extend to all dividends/interests and bonuses from time to time declared in respect of such shares/debentures. Unless otherwise agreed the registration of transfer of shares/debentures shall operate as a waiver of the Company's lien if any, on such shares/debentures. The Board may at any time declare any shares/debentures wholly or in part to be exempt from the provisions of this Article.

No member shall exercise any voting right in respect of any shares registered in his name on which any calls or other sums presently payable by him have not been paid, or in regard to which the Company has exercised any right of lien.

Article 66 provides that subject to the provision of the Act, and these Articles, no transfer of shares in, or debentures of the Company shall be registered, unless a proper instrument of transfer duly stamped and in the form as prescribed under the rules made under sub-section (1) of Section 56 of the Act and has been delivered to the Company alongwith the Certificate relating to the shares or debentures or if no such certificate is in existence, along with the letter of allotment of the shares or debentures. The transferor shall be deemed to remain the holder of such shares until the name of the transferee is entered in the register in the respect thereof. Shares of different classes shall not be included in the same instrument of transfer.

Article 67 provides that in the case of transfer of shares or other marketable securities where the Company has not issued any certificates and where such shares or securities are being held in an electronic and fungible form, the provisions of the Depositories Act shall apply.

Article 68 provides that the instrument of transfer of any share or debenture shall be in writing and all the provisions of Section 56 of the Act and any statutory modification thereof for the time being shall be duly complied with in respect of all transfers of shares and of the registration thereof. However, the provisions relating to instrument of transfer shall not apply to the shares/debentures of the Company which have been dematerialised.

Provided that in respect of shares held in dematerialised form, the Depository shall be deemed to be the registered owner for the purposes of effecting transfer of ownership of shares on behalf of the Beneficial Owner.

Article 69 provides that no fee shall be charged for registration of transfer, transmission, Probate, Succession Certificate and Letters of Administration, Certificate of Death or Marriage, Power of Attorney or similar other document.

Clause (1) of Article 70 provides that the Board may, subject to the right of appeal conferred by Section 58 of the Act, and Section 22A of Securities Contracts (Regulation) Act, 1956 at its own, absolute and uncontrolled discretion and by giving reason(s), decline to register or acknowledge any transfer of any shares, or interest of a Member in, or debentures in the Company to any person of whom it does not approve and in particular, if any arrangement or contract between two or more persons in respect of transfer of securities is found not enforceable may so decline in any case in which the Company has lien upon the shares or any of them. The registration of a transfer shall be conclusive evidence of the approval by the Board of the transferee but so far only as regards the share or shares in respect of which the transfer is so registered and not further or otherwise and not so as to debar the Board from declining to register any subsequent or other transfer or other shares applied for in the name of such transferee.

Article 75 provides that the Board may after giving not less than seven days previous notice by advertisement in some newspaper circulating in Mumbai as required by Section 91 of the Act, close the Register of Transfer and Register of Members or the Register of Debenture Holders for any period or periods not exceeding in the aggregate, 45 (forty-five) days in each year, but not exceeding 30 days at any one time.

Article 76 provides that in the case of death of any one or more of the persons named in the Register of Members as joint shareholders of any share, the survivor(s) shall be the only persons recognised by the Company as having any title to or interest in such shares, but nothing herein contained shall be taken to release the estates of a joint shareholder from any liability to the Company on shares held by him jointly with any other person.

Article 77 provides that the heir, executor or administrator of a deceased shareholder shall be the only person recognised by the Company as having any title to his shares and the Company shall not be bound to recognise such heir, executor or administrator unless shall have first obtained probate or letters of administration or succession certificate.

Article 78 provides that subject to the provisions of the Act and these Articles, any person becoming entitled to a share in consequence of death, bankruptcy or insolvency of any Member, or by any lawful means other than by a transfer in accordance with these presents, may with the consent of the Board (which it shall not be under any obligation to give) upon producing such evidence as the Board thinks sufficient, either be registered himself as the holder of the share or elect to have some person nominated by him, and approved by the Board, registered as such holder provided nevertheless, that if such person shall elect to have his nominee registered, he shall testify the election by executing to his nominee an instrument of transfer of the share in accordance with the provisions herein contained and until he does so he shall not be freed from any liability in respect of the share.

Article 79 provides that the Board shall, subject to the provisions of Article 70 hereof, have the same right to refuse to register a person entitled by transmission to any share, or his nominee, as if he were the transferee named in any ordinary transfer presented for registration.

Article 82 provides that the certification by the Company of any instrument of transfer of shares in or debentures of the Company, shall be taken as representation by the Company to any person acting on the faith of the certification that there have been produced to the Company such documents as on the face of them show a prima

facie title to the shares or debentures in the transferor named in the instrument of transfer, but not as a representation that the transferor has any title to the shares or debentures.

Article 89 provides that subject to the provisions of Section 179, 180 and 181 of the Act, the Board may, from time to time at its discretion accept deposits from Members or from the public, either in advance of calls or otherwise and generally raise or borrow or secure the payment of any sum or sums of money for the purposes of the Company. Provided, however, where the moneys to be borrowed together with the moneys already borrowed (apart from temporary loans in the ordinary course of business) exceed the aggregate of the paid-up capital of the Company and its free reserves, the Board shall not borrow such money's without the consent of the Company in General Meeting.

Article 90 provides that subject to the provisions of the previous Article the payment or repayment of moneys borrowed as aforesaid may be secured in such manner and upon such terms and conditions in all respects as the Board may think fit and in particular by a Resolution passed at a meeting of the Board (and not by a circular resolution) including by the issue of debentures or debenture-stock of the Company, charged upon all or any part of the property of the Company (both present and future), including its uncalled capital for the time being, and debenture-stock and other securities may be assignable free from any equities between the Company and the person to whom the same may be issued.

Article 91 provides that any issue of debentures, debenture stock, bonds or other securities shall be governed by Section 71 of the Act. This Article and Article 90 shall be subject to the said provisions. In the case of the Company giving a charge on any of its property, the provisions of Sections 2(16), 77 to 87 of the Act shall apply thereto. Any debentures, debenture-stock or other securities may be issued at a discount, premium or otherwise and may be issued on condition that they shall be convertible into shares of any denomination, and with any privileges and conditions as to redemption, surrender, drawing, allotment of shares and attending (but not voting) at general meetings, appointment of Directors and otherwise. Debentures with the right to conversion into or allotment of shares shall be issued only with the consent of the Company in General Meeting.

Article 92 provides that the Board shall cause a proper Register to be kept in accordance with the provisions of Section 85 of the Act of the mortgages, debentures and charges specifically affecting the property of the Company, and shall cause the requirement of Sections 71, 77 and 79 to 85 (both inclusive) of the Act in that behalf to be duly complied with.

Article 93 provides that the Company shall, if at any time issues debentures, keep a Register and Index of Debenture holders in accordance with Section 88 of the Act. The Company shall have the power to keep in any State or Country outside India a branch of Register of Debenture holders resident in that state or country.

Article 146 states that if it is provided by the trust deed securing or otherwise in connection with any issue of Debentures of the company, that any person or persons shall have power to nominate a Director of the Company, then in the case of any and every such issue of debentures, the person or persons having such power may exercise such power from time to time and appoint a Director accordingly. Any director so appointed is herein referred to as Debenture Director. A Debenture Director may be removed from office at any time by the person or persons in whom for the time being is vested the power under which he was appointed and another Director may be appointed in his place. A debenture Director shall not be bound to hold any qualification shares. A Debenture Director shall not be liable to retire by rotation.

Clause (1) of Article 163 provides that the Company may by ordinary resolution remove a Director not being a Nominee Director or a Debenture Director and not being a Director appointed by the Central Government in pursuance of the Act before the expiry of his period of office.

Clause (c) of Article 175 provides that the Board shall not, except with the consent of the Company in general meeting borrow moneys where the moneys to be borrowed together with the moneys already borrowed by the Company (apart from temporary loans obtained from the Company's bankers in the ordinary course of business) will exceed the aggregate of the paid up capital of the Company and its free reserves that is to say reserves not set apart for any specific purpose provided further that the powers specified in Section 180 of the Act, shall subject to these Articles be exercised only at meeting of the Board unless the same be delegated to the extent stated.

Clause (3) of Article 177 provides that without prejudice to the general powers conferred by Article 174 and the other powers conferred by these Articles and Section 179 of the Act, so as not in any way to limit or restrict those

powers, but subject however to the provisions of the Act, it is hereby expressly declared that the Board shall have the power at its discretion and subject to the provisions of the Act, to pay for any property, right or privileges, acquired by or for services rendered to the Company, either wholly or partially in cash or in shares, bonds, debentures, debenture stock or other securities of the Company and any such shares may be issued either as fully paid up or with such amount credited as fully paid up thereon as may be agreed upon and any such bonds, debentures, debenture stock or other securities may be either specifically charged upon all or any part of the property of the Company including its uncalled capital or not so charged.

Clause (19) of Article 177 provides that without prejudice to the general powers conferred by Article 174 and the other powers conferred by these Articles and Section 179 of the Act, so as not in any way to limit or restrict those powers, but subject however to the provisions of the Act, it is hereby expressly declared that the Board shall have the power before recommending any dividend, to set aside out of the profits of the Company such sums as it may think proper for depreciation or to a depreciation fund or to an insurance fund or as a reserve fund or sinking fund or any special fund to meet contingencies to repay debentures or for debenture-stock or for special dividends or for equalising dividends or for repairing, improving, extending and maintaining any of the property of the Company and for such other purposes (including the purpose referred to in clause 17 and 18 of Article 177) as the Board of Directors may in its absolute discretion think conducive to the interest of the Company, and subject to the Act to invest the several sums so set aside or so much thereof as is required to be invested upon such investments (other than shares of the Company) as it may think fit and from time to time to deal with and vary such investments and dispose of and apply and expend all or any part thereof for the benefit of the Company, in such manner and for such purposes as the Board of Directors, in its absolute discretion thinks conducive to the interests of the Company, notwithstanding that the matters to which the Board of Directors applies or upon which it expends the same or any part thereof may be matters to or upon which the capital moneys of the Company might rightly be applied or expended, and to divide the general reserve fund into such special funds as the Board may decide to transfer the whole or any portion of the reserve fund or division of a reserve fund to another reserve fund and with full power to employ the assets constituting all or any of the above funds including the depreciation fund, in the business of the Company or in the purchase or repayment of debentures or debenture-stock and that without being bound to keep the same separate from the other assets and without being bound to pay interest on the same, with power however to the Board of Directors at its discretion to pay or allow to the credit of such funds interest at such rates as the Board of Directors may think proper.

Clause (1) Article 211 provides that a copy of every such Financial Statement so audited (including the auditor's report and every other document required by the Act to be annexed or attached to the balance sheet) shall at least twenty one days before the meeting at which the same are to be laid before the Members be sent to the Members of the Company, to the trustees for the holders of Debentures and to all persons entitled to receive notice of general meetings of the Company.

Clause (2) Article 211 provides that if and as long as the Company's shares are listed on a recognised stock exchange and subject to the provisions of Section 136 of the Act, it shall be sufficient compliance with clause (1) of this Article if the copies of documents referred to in Clause (1) are made available for inspection at the Company's registered office during working hours for a period of twenty-one days before the date the meeting and a statement containing the salient features of such documents in the prescribed form or copies may deem fit, is or are sent, not less than twenty-one days before the date of the meeting to every Member of the Company and to every trustee for the holders of Debentures issued by the Company.

Annexure – I
Rating Rationale
Mahindra & Mahindra Financial Services Limited

Ratings:

Instruments	Amount (Rs. Cr)	Rating ¹	Rating Action
Secured Non-convertible debentures	3,200	CARE AAA; Stable (Triple A; Outlook Stable)	Reaffirmed
Unsecured Non-convertible debentures	1,250	CARE AAA; Stable (Triple A; Outlook Stable)	Reaffirmed
Subordinated debt	1,600	CARE AAA; Stable (Triple A; Outlook Stable)	Reaffirmed
Public Issue of Long term Debt program (Non-convertible debentures / Subordinated debt) (Proposed)	10,000	CARE AAA; Stable (Triple A; Outlook Stable)	Reaffirmed

Rating Rationale:

The rating assigned to the debt instruments of Mahindra and Mahindra Financial Services (MMFSL) factor in the majority ownership by Mahindra & Mahindra Limited (M&M; rated 'CARE AAA; Stable') and strategic importance of MMFSL for M&M. The ratings also take into account the expected support from M&M, operational linkages with M&M, sharing of a common brand name, resource raising ability being part of the group, MMFSL's strong management, long track record of operations with strong position in financing of tractors and utility vehicles, comfortable capitalization and liquidity profile, diversified asset mix and well-diversified funding profile and moderate profitability profile.

The ratings also factor in the stressed asset quality due to the seasonal nature of income of its customers in rural and semi-urban areas and have higher susceptibility to slowdown in the overall economy and moderate profitability parameters.

Credit profile of the parent (M&M), strategic importance of MMFSL for M&M, asset quality, profitability and capitalization are the key rating sensitivities.

Background:

MMFSL is a subsidiary of M&M (holding 51.2% stake in MMFSL) and enjoys market leadership position in its key product segments like tractor and utility vehicle financing. MMFSL was incorporated in 1991 and started its operations as a captive financier for M&M vehicles but since 2002-03 it has started financing vehicles of other Original Equipment Manufacturers (OEMs) like Maruti Suzuki, Hyundai,

¹ Complete definition of the ratings assigned are available at www.careratings.com and other CARE publications

Nissan and Tata. As on June 30, 2018, MMFSL had its network spread through 1,291 offices covering 27 states and 5 union territories in India.

MMFSL has four main subsidiaries namely, Mahindra Insurance Brokers Ltd. (80% stake), Mahindra Rural Housing Finance Ltd. (89%), Mahindra Asset Management Company Pvt. Ltd. (100%) and Mahindra Trustee Company Pvt. Ltd. (100%). It also has a US based joint venture company, Mahindra Finance USA LLC., which is in the business of providing wholesale inventory financing to US based dealers, financing dealer purchases of Mahindra products and providing retail financing to end-user customers to finance their lease or purchase of Mahindra products.

As on March 31, 2018 on a consolidated basis, the company had a net worth of Rs.9,221 crore and a gross loan portfolio of Rs.60,275 crore. The Board of Directors of MMFSL is headed by Mr. Dhananjay Mungale (Independent Chairman) who has vast experience in corporate and investment banking. The operations of the company are headed by Mr. Ramesh Iyer (Vice Chairman & Managing Director). Mr. Iyer has been associated with the company since inception and is also a member of Group Executive Board of M&M. He is also member of the Group Executive Board of M&M (as President – Financial Services Sector) which explores synergies between all the businesses and formulates strategic plans.

Credit Risk Assessment:

Strong parentage, shared brand and Board of Directors and management support

MMFSL is a subsidiary of M&M, which has a leadership position in the tractors and utility vehicles (UV) segment in India, with market share of ~43% and ~25% respectively as at March 31, 2018. MMFSL synergizes with M&M through shared 'Mahindra' brand as well as representation on Board of Directors as well as management support. The Board of MMFSL has representation from the Mahindra group by Dr. Anish Shah (Group President – Strategy at M&M) and Mr. V S Parthasarathy (Group CFO and CIO for M&M).

About Mahindra & Mahindra Ltd

Incorporated in 1945, Mahindra & Mahindra Ltd (M&M) is the flagship company of the USD 20.7 billion Mahindra group. The group, via various subsidiaries and joint ventures, is present in 10 business segments, across 20 industries – covering automotive, farm equipment, financial services, components, IT, hospitality, aerospace, logistics, consulting, agri business, defense, clean energy, industrial equipment, real estate & infrastructure, retail, steel, two-wheelers, aftermarket, boats and construction

equipment. M&M is one of the most diversified auto companies in India. Its core businesses include manufacture of auto [Passenger Vehicles (PV), Commercial Vehicles (CV), three-wheelers, two-wheelers etc.] and farm equipment (tractors and other farm equipment) etc.

Strategically important subsidiary for the parent

MMFSL is a strategically important subsidiary for M&M and helps in its sales of rural and semi-urban products like tractors and utility vehicles. MMFSL is the largest financier of M&M vehicles providing finance to around 30% of M&M vehicles for FY18 (refers to period from April 01 to March 31). M&M vehicles financed constituted around 45% of AUM of MMFSL as on June 30, 2018.

Long track record of operations and diversified OEM base

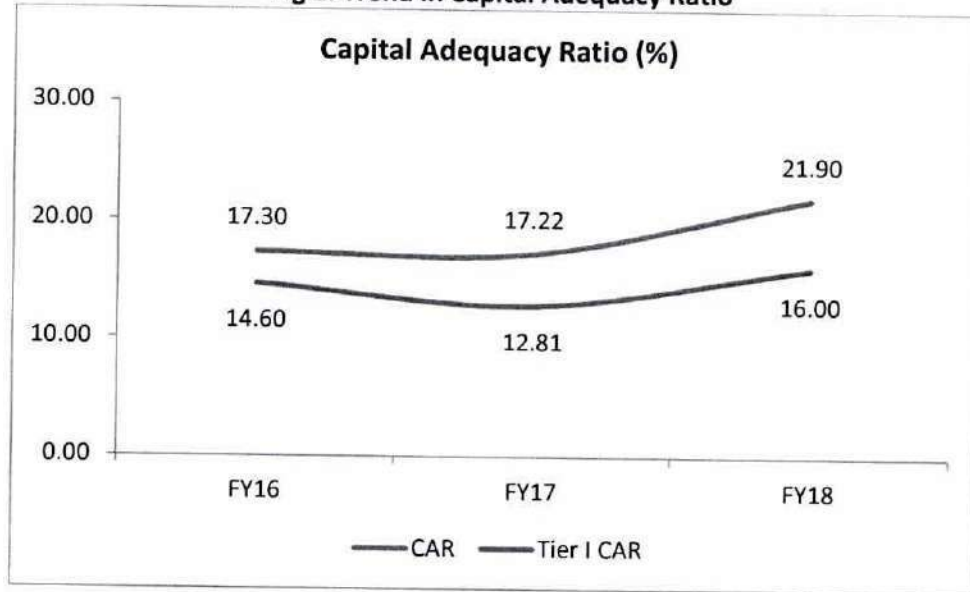

MMFSL started business in 1991 and hence has a long track record of operations. It has the experience of operating in various business cycles. It started as a captive financier for M&M but from 2002-03 the company has started financing vehicles of other Original Equipment Manufacturers (OEMs) like Maruti Suzuki, Hyundai, Eicher, Nissan, Tata, etc. which along with SME financing account for nearly 55% of AUM of MMFSL as on June 30, 2018.

Comfortable capital adequacy ratio post equity infusion during FY18

MMFSL has consistently maintained comfortable capital adequacy ratio at or above 17%. As on March 31, 2018, total capital adequacy ratio (CAR) stood at 22.70% with a Tier I CAR at 17.00% and CAR of 21.90% with Tier I CAR of 16.60% as on June 30, 2018². The company raised equity capital of Rs.2,111 crore, out of which Rs.1,055 crore was raised through preferential allotment to Mahindra & Mahindra Ltd (M&M); thereby maintaining its majority shareholding at 51.19% and Qualified Institutional placement amounting to Rs.1,056 crore.

Diversified funding profile and liquidity profile

MMFSL's funding profile is well diversified with resources being raised from various avenues like non-convertible debentures, subordinated debt, and domestic and foreign currency loans from banks, public deposits, and commercial paper. The company has bank lines from a variety of banks to meet its funding requirements. The company also securitised its portfolio every year which is another source of funding. The contractual tenor of the loan assets is well matched to the borrowings. MMFSL also maintains unutilized lines of credit from banks (over Rs.900 crore) to take care of any liquidity needs. In addition, the company also has access to funding lines from group companies to meet any liquidity requirements.

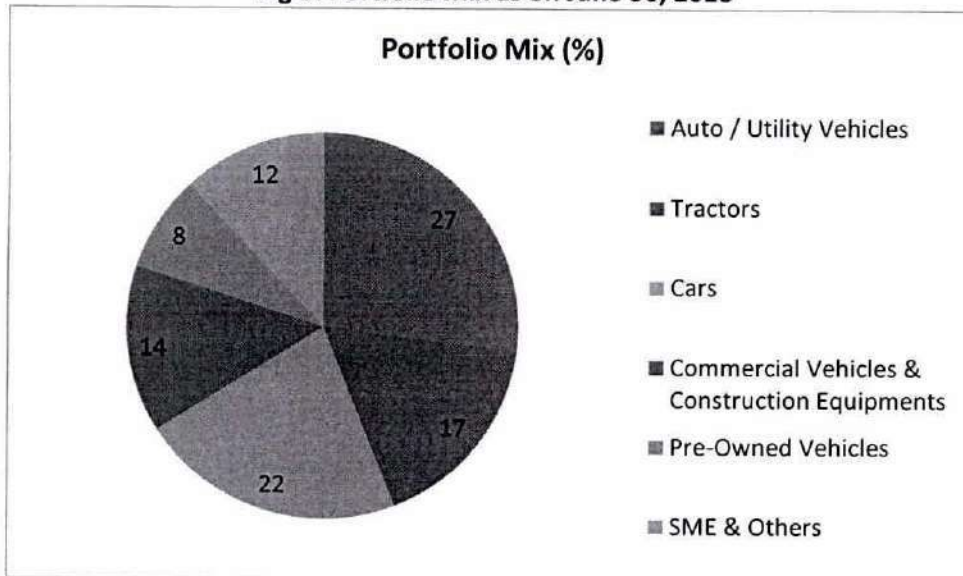

Fig 2: Funding Profile as on March 31, 2018

Diversified portfolio mix

MMFSL, on a standalone basis, had an AUM of Rs.58,711 crore as on June 30, 2018, which is well diversified with various asset classes like Auto/utility vehicles (27%), car (22%), tractor (17%), commercial vehicles & Construction equipment (14%), Pre owned vehicles (8%), SMEs and others (12%).

NJ

Moderate profitability profile with improvement during FY18

As the target segment of the company is rural which has high dependence on cash, MMFSL saw impact on profitability on account of demonetization during FY17 (especially second half of the year) resulting in decline of 40% in Profit After Tax (PAT) to Rs.400 crore on total income of Rs.6,238 crore during FY17 as compared to PAT of Rs.673 crore on total income of Rs.5,905 crore during FY16. During FY18, MMFSL saw improvement in recovery and collections resulting in improvement in profitability. It reported PAT of Rs.892 crore on total income of Rs.7,206 crore during FY18 with Return on Total Assets (ROTA) improving to 1.81% as against 0.95% for FY17.

During Q1FY19 (refers to period from April 01 to June 30), MMFSL reported financial results under IND AS and reported PAT of Rs.269 crore on total income of Rs.1,940 crore as compared to PAT of Rs.201 crore on total income of Rs.1,509 crore during Q1FY18 (under IND AS).

Fig 4: Profitability Parameters

NJ

Asset quality under pressure

The asset quality parameters of MMFSL have traditionally been inferior to its peers as its business is closely linked to rural economy with uncertain cash flows. However, the loan pricing takes care of higher delinquencies with above industry average profitability. After two consecutive droughts, country received normal monsoon in 2016 and 2017 which was a positive for customer profile of MMFSL; however, company faced incremental stress in asset quality parameters for short term on account of

lower collections due to demonetization which has stabilised since then. Further, adequate monsoon during 2018 is expected to improve the asset quality in the current financial year.

The company reported Gross NPA ratio of 9.26% (P.Y.: 9.93%) and Net NPA ratio of 4.10% (P.Y.: 4.05%) respectively as on March 31, 2018. MMFSL has migrated to 90+ dpd NPA recognition from 120+ dpd criteria from FY18. Net NPA to net worth was 23.18% (P.Y.: 27.84%) as on March 31, 2018. The company has reported Stage 3 assets (90+ dpd) of 9.43% (P.Y.: 14.54%) and Net NPA ratio of 6.33% (P.Y.: 9.31%) under IND AS as on June 30, 2018.

Fig 4: Asset Quality Trend

Prospects:

Over the last few years, the NBFC sector has gained systemic importance with increase in share of NBFC total assets to bank total assets. The same has resulted in the Reserve Bank of India (RBI) taking various policy actions resulting in NBFCs attracting higher support and regulatory scrutiny. The RBI has revised the regulatory framework for NBFCs which broadly focuses on strengthening the structural profile of NBFC sector, wherein focus is more on safeguarding depositors' money and regulating NBFCs which have increased their asset-size over time and gained systemic importance. On the asset quality front, gradual change in the NPA recognition norms would lead to deterioration in asset quality parameters during the transition phase. Overall the revised regulations are positive for the NBFC sector making it structurally stronger, increase transparency and improve their ability to withstand asset quality shocks in the long run.

Due to subdued economic environment, last few years have been challenging period for the NBFCs with moderation in growth and rising delinquencies resulting in higher provisioning thereby impacting profitability. However, comfortable capitalization levels and liquidity management continue to provide comfort to the credit profile of NBFCs in spite of impact on profitability.

CREDIT RATING LETTER DATED OCTOBER 3, 2018, REVALIDATED BY LETTERS DATED NOVEMBER 2, 2018 AND DECEMBER 17, 2018 AND CREDIT RATING RATIONALE DATED OCTOBER 1, 2018 BY INDIA RATINGS ASSIGNING A RATING OF “IND AAA; STABLE”

Mr. Dinesh Prajapati

VP - Treasury & Corporate Affairs,
Mahindra & Mahindra Financial Services Limited,

October 3, 2018

Dear Mr. Prajapati,

Re: Mahindra & Mahindra Financial Services Limited (MMFSL)

India Ratings (see definition below) assigns the following ratings to MMFSL:-

- INR100bn retail non-convertible debentures (NCD): 'IND AAA'/ Outlook Stable (the rated limit is interchangeable with retail subordinated debt)
- INR5bn Principal protected market linked debenture: IND PP-MLD AAA emr/Stable

****The suffix emr denotes the exclusion of the embedded market risk from the rating. The rating of the market linked debentures is an ordinal assessment of the underlying credit risk of the instrument and does not factor in the market risk that investors in such instruments will assume. This market risk stems from the fact that coupon payment on the instrument will be based on the performance of a reference index or equity share (detailed in the information memorandum of the issue).**

PP-MLD refers to full principal protection in the equity-linked notes wherein the issuer is obligated to pay the full principal upon maturity.

In issuing and maintaining its ratings, India Ratings relies on factual information it receives from issuers and underwriters and from other sources India Ratings believes to be credible. India Ratings conducts a reasonable investigation of the factual information relied upon by it in accordance with its ratings methodology, and obtains reasonable verification of that information from independent sources, to the extent such sources are available for a given security or in a given jurisdiction.

The manner of India Ratings' factual investigation and the scope of the third-party verification it obtains will vary depending on the nature of the rated security and its issuer, the requirements and practices in the jurisdiction in which the rated security is offered and sold and/or the issuer is located, the availability and nature of relevant public information, access to the management of the issuer and its advisers, the availability of pre-existing third-party verifications such as audit reports, agreed-upon procedures letters, appraisals, actuarial reports, engineering reports, legal opinions and other reports provided by third parties, the availability of independent and competent third-party verification sources with respect to the particular security or in the particular jurisdiction of the issuer, and a variety of other factors.

Users of India Ratings' ratings should understand that neither an enhanced factual investigation nor any third-party verification can ensure that all of the information India Ratings relies on in connection with a rating will be accurate and complete. Ultimately, the issuer and its advisers are responsible for the accuracy of the information they provide to India Ratings and to the market in offering documents and other reports. In issuing its ratings India Ratings must rely on the work of experts, including independent auditors with respect to financial statements and attorneys with respect to legal and tax matters. Further, ratings are inherently forward-looking and embody assumptions and predictions about future events that by their nature cannot be verified as facts. As a result, despite any verification of current facts, ratings can

5/1

be affected by future events or conditions that were not anticipated at the time a rating was issued or affirmed.

India Ratings seeks to continuously improve its ratings criteria and methodologies, and periodically updates the descriptions on its website of its criteria and methodologies for securities of a given type. The criteria and methodology used to determine a rating action are those in effect at the time the rating action is taken, which for public ratings is the date of the related rating action commentary. Each rating action commentary provides information about the criteria and methodology used to arrive at the stated rating, which may differ from the general criteria and methodology for the applicable security type posted on the website at a given time. For this reason, you should always consult the applicable rating action commentary for the most accurate information on the basis of any given public rating.

Ratings are based on established criteria and methodologies that India Ratings is continuously evaluating and updating. Therefore, ratings are the collective work product of India Ratings and no individual, or group of individuals, is solely responsible for a rating. All India Ratings reports have shared authorship. Individuals identified in an India Ratings report were involved in, but are not solely responsible for, the opinions stated therein. The individuals are named for contact purposes only.

Ratings are not a recommendation or suggestion, directly or indirectly, to you or any other person, to buy, sell, make or hold any investment, loan or security or to undertake any investment strategy with respect to any investment, loan or security or any issuer. Ratings do not comment on the adequacy of market price, the suitability of any investment, loan or security for a particular investor (including without limitation, any accounting and/or regulatory treatment), or the tax-exempt nature or taxability of payments made in respect of any investment, loan or security. India Ratings is not your advisor, nor is India Ratings providing to you or any other party any financial advice, or any legal, auditing, accounting, appraisal, valuation or actuarial services. A rating should not be viewed as a replacement for such advice or services. Investors may find India Ratings' ratings to be important information, and India Ratings notes that you are responsible for communicating the contents of this letter, and any changes with respect to the rating to investors.

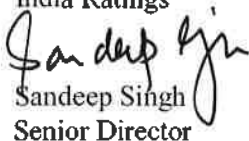

It is important that you promptly provide us with all information that may be material to the ratings so that our ratings continue to be appropriate. Ratings may be raised, lowered, withdrawn, or placed on Rating Watch due to changes in, additions to, accuracy of or the inadequacy of information or for any other reason India Ratings deems sufficient.

Nothing in this letter is intended to or should be construed as creating a fiduciary relationship between India Ratings and you or between India Ratings and any user of the ratings.

In this letter, "**India Ratings**" means India Ratings & Research Pvt. Ltd. and any successor in interest.

Dear Mr. Prajapati,

Re: Mahindra & Mahindra Financial Services Limited (MMFSL)

India Ratings (see definition below) communicates the following ratings to MMFSL:-

- INR100bn retail non-convertible debentures (NCD): 'IND AAA'/ Outlook Stable (the rated limit is interchangeable with retail subordinated debt)
- INR5bn Principal protected market linked debenture: IND PP-MLD AAA emr/Stable

Out of the above, the company has already issued INR2.48bn of Principal protected market linked debenture and the limits on retail NCD are unutilized.

******The suffix emr denotes the exclusion of the embedded market risk from the rating. The rating of the market linked debentures is an ordinal assessment of the underlying credit risk of the instrument and does not factor in the market risk that investors in such instruments will assume. This market risk stems from the fact that coupon payment on the instrument will be based on the performance of a reference index or equity share (detailed in the information memorandum of the issue).

PP-MLD refers to full principal protection in the equity-linked notes wherein the issuer is obligated to pay the full principal upon maturity.

India Ratings Assigns Mahindra & Mahindra Financial Services' Additional NCDs 'IND AAA'; Outlook Stable

01

OCT 2018

By [Pankaj Naik](#)

India Ratings and Research (Ind-Ra) has assigned Mahindra & Mahindra Financial Services Limited's (MMFSL) debt facilities as follows:

Instrument Type	Date of Issuance	Coupon Rate	Maturity Date	Size of Issue (million)	Rating/Outlook	Rating Action
Retail non-convertible debentures (NCDs)*^	-	-	-	INR100,000	IND AAA/Stable	Assigned
Principal protected market linked debenture**	-	-	-	INR5,000	IND PP-MLD AAA emr/Stable	Assigned

*Details are given in Annexure below

^the rated limit is interchangeable with retail subordinated debt

**The suffix emr denotes the exclusion of the embedded market risk from the rating. The rating of the market linked debentures is an ordinal assessment of the underlying credit risk of the instrument and does not factor in the market risk that investors in such instruments will assume. This market risk stems from the fact that coupon payment on the instrument will be based on the performance of a reference index or equity share (detailed in the information memorandum of the issue).

PP-MLD refers to full principal protection in the equity-linked notes wherein the issuer is obligated to pay the full principal upon maturity.

KEY RATING DRIVERS

Core to Parent's Business: The ratings continue to reflect the credit strength of MMFSL's parent Mahindra & Mahindra Limited (M&M; IND AAA/Stable; holds 51.2% stake) and factors in Ind-Ra's expectation of strong, timely financial support to MMFSL from M&M, if required. Ind-Ra considers MMFSL to be a core to M&M's operations, as it supports a substantial proportion of the parent's business. M&M has articulated that MMFSL's business remains aligned with that of the parent, and that it remains committed to providing support, if required.

MMFSL is the largest financier of M&M vehicles financing about 30% of M&M sales. The share remained largely stable in FY18, although the proportion of non-M&M assets in MMFSL's assets under management gradually increased to 55% (FY14: 51%), as MMFSL expanded faster than M&M. The company has been growing rapidly by increasing tie-ups with original equipment manufacturers in the car segment, financing of non-M&M tractors and growing in the small and medium enterprises (SME) and heavy commercial vehicle segments. MMFSL has a high rural penetration rate and provides finance largely to customers with a weak credit profile that may not otherwise be targeted by other financiers. In Ind-Ra's opinion, it is crucial to M&M's sales of rural and semi-urban products (tractors, pick-up vans and others).

MMFSL is also an important entity for launching M&M's new products in rural geographies and securing a foothold in the target market. MMFSL shares its parent's brand name and has strong operational linkages with it. M&M's group CFO is on the board of MMFSL. The business plans of MMFSL are formulated after considering M&M's strategies and are in alignment with the latter's plans. Ind-Ra has factored in the possible support to MMFSL while arriving at M&M's ratings. M&M maintains sufficient liquidity to cover the debt obligations of both M&M and MMFSL payable over one quarter.

Rise in Short-Term Borrowings, Although Ability to Mobilise Funds Remains: There has been a rise in MMFSL's short term borrowings by way of commercial paper in 1QFY19 (16% of total borrowings, FY18: 11%, FY17: 11%) which led to negative gaps in the liquidity profile (maximum negative gap: 3% of assets in two-to-three 3 months bucket). In the current tight liquidity environment, this exposes the company to refinancing risk. However, MMFSL maintains reasonable unutilised bank lines from multiple banks to support the liquidity requirement. The company can also access funds from group companies and has INR14 billion of liquidity line from group companies.

Margin Pressure in Light of Rising Funding Cost: About 60% of MMFSL's borrowings are from capital markets; hence, funding cost would increase, given the secular rise in market interest rates. In addition, bank funding has become costlier by 20-25 bp due to liquidity tightness. Thus, MMFSL's margin is likely to be under pressure for FY19.

Further, a change in the company's portfolio mix with increasing proportion of SME loans, financing of utility vehicles in the personal segment and deterioration in the asset quality has compressed yields (FY18: 14.1%, FY15: 16.0%). The yields could remain under pressure with a further growth in lower yielding SME and heavy commercial vehicle segments. However, growth in the tractor and used assets segments, which are originated at higher yields, will provide some cushion to net interest margins, provided delinquencies are kept under control.

Credit Cost Softened, Although Yet to Stabilise: MMFSL adopted Indian Accounting Standards method of accounting from 1QFY19, leading to some softening of credit cost (1QFY19: 2.2%, FY18: 2.6%, FY17: 3.3%, FY16: 3%). However, it remains to be seen if the shift in the credit cost is a permanent structural change and maintained through the cycle. The credit cost was impacted in the previous years due to high loan growth during FY13-FY14 in the face of rising rural stress coupled with poor monsoon in 2014-2015, and delinquencies arising from the government's demonetisation drive.

MMFSL increased its focus on collection post the creation of a dedicated collection vertical in June 2016. This has helped in arresting incremental delinquencies, however, an uneven spatial distribution of rainfall and a pan-India monsoon deficit can impact rural cash flows, thereby pressurising asset quality. Few southern states (20% of the loan book) are yet to exhibit complete recovery and may exert some pressure on the credit cost. MMFSL plans to focus on used assets, heavy commercial vehicles and SME segments; however, its ability to control credit cost in these segments remains to be seen.

Weak Capital Buffers: MMFSL's capitalisation (Tier I 1QFY19: 16.6%, FY18: 17.0%) improved post equity infusion of INR21 billion in 3QFY18. However, the capital buffers available to absorb asset quality stress remain weak with net stage 3 assets (post deduction of excess provisions on stage 1 & 2 assets) at 26% of net worth. However, the capital infusion of INR11 billion by M&M in 3QFY18 indicates the parent's support stance for MMFSL.

RATING SENSITIVITIES

A negative rating action could result from any substantial decline in the proportion of M&M's revenue from MMFSL due to M&M's rapid expansion in urban and high-end products and/or a surge in participation from other financiers in M&M's sales, making it less dependent on MMFSL. The ratings would also be affected if MMFSL's operational linkages with M&M dilute significantly. Any weakening of M&M's credit profile or its ability to support MMFSL's increasing debt levels will also be negative for the ratings.

COMPANY PROFILE

MMFSL is a large non-banking finance company and M&M is a leading Indian automobile manufacturer. Besides financing M&M's vehicles, MMFSL is the holding company of the group's other financial service forays, including rural housing finance.
